Services Are Saturday for Mrs. A. Staley, Lifetime Citizen

Funeral services for Mrs. Arthur Staley, 60, who died unexpectedly at her home Thursday, were held at the See Funeral Home at 2 p. m. Saturday with Mrs. Howard Brumm, First Reader of the Christian Science Society, officiating. Burial was in the Brookside cemetery.

Born at Marion Center on Sept. 1, 1888, the former Mildred L. Smith was married to Mr. Staley on Sept. 24, 1911. Except for five years from 1912-18 when they resided in Detroit they have always lived here. For twenty years they operated a neighborhood grocery store on Antrim street.

Besides her husband she is survived by three children, Mrs. Harvey Hilliker of Grand Rapids, Mrs. Freborn Richards and Kenneth of Charlevoix and two grand children.

Girl Scout News

Girl Scout troop 9 met at the City Hall Thursday. They played games. Plans were made for each member to write to a child in Europe.

Marilou VerWys, scribe

Girl Scout troop 1 held a troop party at the school cafeteria on Friday night. After playing games we had refreshments.

Earlier in the week we had our regular meeting. We read a letter from Mrs. Reed, one of our leaders. Two of the girls were given Mariner Scout manuals for their extensive work in selling at the independent games. We also made plans for a games party to be sponsored by the troop to raise funds for camping.

Marylee Baker of Girl Scout troop 3 had a birthday party. Her mother, Mrs. Sims Baker, brought cake and ice cream to our troop meeting for the party. The troop gave her a snapshot book.

Judie Merica, scribe.

Troop 8 met Monday. We had a business meeting. Our troop is split in half and some are working on the outdoor cook badge and some on the home nursing. We have been working on those for the last three weeks.

Jackie Cooper, scribe.

Red Cross Quota Half Subscribed; May Continue Drive

Unless the citizens of Charlevoix and the county contribute to the minimum needs of the Charlevoix county Red Cross chapter it will be necessary to curtail many activities that the organization has included in its program, Ralph S. Hamilton, county chairman, has stated.

A summary of the contributions to the Red Cross to date indicates that only one half of the funds necessary to maintain the chapter for 1949 have been collected. Unless the quota is reached by March 31 it will be necessary to extend the campaign for another 15 days.

In 1948 the local chapter sent three young people to the Red Cross aquatic school to act as life guards on our beaches in addition to financial assistance in home service, loans to veterans, local fire disasters. The American Red Cross is always recognized by the armed forces as the only organization in direct contact with the folks at home.

It would be disasterous if it became necessary to curtail the activities of the local unit, says the chairman. One never knows when it may be necessary to call upon the National Red Cross for aid. Charlevoix county has been fortunate in not having had a serious disaster but who can tell when that time may come. The local chapter is organized for that purpose and any curtailment would affect its operations. If you have not been contacted and desire to give please do so now. Coupons are printed in this paper for that purpose. Or your name and address on a plain slip of paper enclosed with a contribution and mailed to the Red Cross, Charlevoix, will be all that is necessary.

Y. T. C. Plans Bake Sale Saturday

The Y. T. C. met at the home of Shirley Sheldon Monday evening. At the business meeting plans were made for a bake sale at the Brown Motors building on Saturday with the proceeds going to a fund to send two youths to Y. T. C. Camp this cummer.

Class Teams Are Competing for 8 School Titles

Although the high school tournaments are ended, basketball still is going strong at the Charlevoix school.

All the nine upper grades have been having their playoffs, with several titles still undecided Under the direction of Coach Ray Kipke, eight classes have been competing.

Class A consists of the first teams from the four high school classes The ninth lost all three of its games but the other three had a three-way tie for first with 2 wins and one loss apiece. The playoffs to decide the top honor were to be this week.

The Class B results were:

	Won	Lost
Tenth grade 2nd team	3	0
Eighth grade 2nd team	2	1
Eleventh grade 2nd	1	2
Ninth grade 2nd	0	3

Class C results:

Tenth Grade third	2	0
Eighth grade third	1	1
Seventh grade first	1	1
Ninth grade third	0	2

(Class C teams have one more round to play.)

Class D is composed of the eighth grade's third team, the seventh grade second and the St. Mary's team. It has another round to play.

Class E has two more games for all its four teams. They are the first teams from Mr. Snider's and Mrs. Cooper's sixth grade and from Mrs Courier's and Mrs. Richard's fifth.

Class F is composed of the second teams from the same rooms. They also only have played one legm each, with two to go.

In Class G, Miss Pletcher's fourth grade first team, twice deteated the team of Miss Murphy's room in the same grade for the championship.

Class H is composed of the second teams from the same fourth grade rooms. Here Miss Murphy's won both games for the title.

Road Commission to Meet Monday

eral items to The Courier. And we quote the "Memoirs of a Kid" he sent:

"Baths is sumpin wich is very unnecessary ony in kricks. I don't no whoever got the idee but it shure was a goofy one and the guy that invented hath tubs had awt to he life imprisonment at least. Sumone passed it onto mothers that children, especial boys had awt to be bathed offen and then sister took it up and are simple nuts about it. Have yew taken your hath? Have yew washed yore nek and eres? Have yew warshed yore feat? al this after having ben bairfot all day wich is unnecessary if you've bin to a crick. Then after all that thurd degree and yew start out with sum kids, they keep yellin, as far as yew kin here, now don't you go in swimmin! So if it isn't takin a bath in swimmin it isnt wurth takin wun inna tub. Then two it is terribul dangerus to bath so much if yew eood only make wimmen believe it. Muthers no a lot about things but they don't no it rubs yore skin so hard yew are lible to break out inna rush and it gets bigger and bigger until it tinally ends up in big soars all over yew and yew spend yore life getting rid ot what the furst bath started. And yew can keep on bathin until yew warsh all yore strength away and yew get dull and lisless and finally yew have to be wheeled around inna chare and sumbody wates on yew hand and foot til deth releeves yew uv yore trubbles wich you eant make yore muthers beleeve tor they gust say, now young man I gave yew gust to minutes to get in thus tub and I don't mean maybe!"

Frank Winnick, formerly of Charlevoix, has just completed specialized training in Auto Body and Fender repair in Chicago, where he has recently been attending shop classes after nearly a year nf preparatory study.

One for Ripley: Mrs. Clarence Heise, picked up a baby robin in her yard. Monday. And the Heises have witnesses to prove it. Who says spring itn't here?

John E. Bennett, stationed on the U. S. S. Aoria, is home on a few days furlough and when he returns to his ship, he will be sailing soon for Newfoundland . . . Mrs. Beatrice Tuttle of Sparta was in town last week renewing old triendships . . . Have you noticed the new foundation going up near the Coffee Cup? That is the new plumbing shop and apartment of the Cliff Gregorys. It is hoped that the shop will he completed before the summer really gets under way . . .

A letter from the Pearl Johnsons out in Culver City, Ore., tells us that it is with interest they await the coming of The Courier each week. "When we speak of back home, folks here say that we should say "Back East," Pearl also said they are having fine weather in Oregon and that fishing is very good.

It was Raymond Nowland this week looking at the pictures in The Courier window and having a good laugh trying to find himself the way he looked as a youngster in school. "The picture was taken the first year we kids went to Washington school on the North Side," he said, "and that was not yesterday." . . .

Remember Konjola? In some old copies of The Courier Mrs. Helen Richards found extensive advertising about 20 years ago on this medicine. It must have been nature's wonder for it really was a boon to the aged and infirm. Also it worked if you had stomach trouble, liver complaint, kidney or bowel trouble, rheumatism, neuritis, and extreme nervousness. Well, what didn't they swallow in those days.

It was Wilson McDonald who hit the nail on the head the other day when he said, "How are you ever going to get United Nations when you cannot get united notions?" . . . Mrs. John Piet has crocuses in bloom . . . It was a sad day last week for the Glenn See family when Bubbles, the dog belonging to Glennie, was killed by a motorist speeding down State Street. 'And he kept right on going' . . . Louis Boursean is another Charlevoix man who has gone to join his ship for the Great Lakes summer season.

There are some mighty irate housewives around town. Evidently some tolks are not feeding their dogs, for they have teamed up in bunches, sometimes as many as twelve, and go for garbage cans around town. Several women have opened their front doors only to find bones and other refuse gracing their porches. Yards are strewn in the same manner Let's keep it Charlevoix the Beautiful..

Dangerous Radio Sets Have Been Sold In Michigan

Potentially dangerous wartime redio "transceiver" sets heve been disposed of in Michigan through Army-Nevy surplus chennels, according to a warning just sent out by the Michigan State Police.

Some of these sets still contain a destructor discharge which had not been removed betore releasing them to the public. These radios were secret equipment during the war and ere known es IFF type.

Persons having IFF type "transceiver" in their possession are requested by the State Police to notity the sheriff's ottice or the local police immodiately. They will teke the necessery steps to have the dangerous charge removed making the sets safe tor individuel use.

Tug Takes Refuge In Harbor Here

The tug, Superior, captained by Leon Taylor, a former Charlevoix resident, was in the harbor two days last week during a storm on Lake Michigan.

The boat, which was enroute to Chicago from Cleveland, continued on its journey Friday morning.

While here Capt. Taylor visited his mother, Mrs. C. C. Henderson. Perry Smith, another member of the crew, visited his wife.

Committee Studies Projects to Aid North Michigan

Discussion of projects beneficial to the northern counties of the state featured the March meeting of the Northern Michigan Planning Committee at Gaylord.

Action was started to make a study of the problems of milk production and marketing problems to be followed by a milk production survey. Charlevoix county is represented on the milk committee by O. M. Saunders.

Other projects suggested included land zoning, calf production, seed production combined with grass and cattle raising and contract seed crops to replace the dimishing potato production. Attending the meeting from this area were George Block, John Rosquist, Kenneth Sweet and Harold Schoal and Art Stack.

Grandmother of Mrs. Feindt Dies

A frequent visitor here during recent years, Mrs. Mary Waltt, 80, died last Wednesday at Albion.

She was the grandmother of Mrs. Lawrence Feindt, whom she came to visit here in Charlevoix. For many years she has made her home with Mrs. Ernest Bastian at Albion. Mrs. Bastian was her daughter and is Mrs. Feindt's mother.

Funeral services were Saturday at Oak Hill cemetery in Chicago. Mr. and Mrs. Feindt returned from there Sunday night.

Burners Are Warned To Get Fire Permits

With blustery March and April winds drying matted brown vegetation in fields and forests, the early spring months herald the return of a perennial hazard—fire.

Alert to the danger of a small but quickly spreading brush fire, conservation officers are reminding would-be burners that fire permits are required when the ground is not covered with snow.

Although fire from all causes ravished only 14,855 acres exclusive of national forest land last year, smallest acreage burned since 1941, the conservation department's full force of 90 regular fire officers will be augmented by 37 equipment operators and by 133 lookouts April 4.

The reduction of the fire toll which destroyed as high as 280,000 acres annually in the early thirties shows that modern equipment, trained personnel, adequate fire detection and suppression service pay off, according to department's forest fire chief, M. M. Bergman. With critical fire years running in eight and nine year cycles and precipitation below average,

Security of a Free State

"A well-regulated militia being necessary to the security of a free state, the right of the people to keep and bear arms, shall not be infringed," so reads the Second Amendment to the Constitution. Our Founding Fathers realized that a free people must be ready to defend their freedom. In Army Day, observed this week, we recognize that obligation.

REA Will Double Power Lines Now On Beaver Island

Plans that have been in the making for sometime to run electricity to vital points on Beaver Island will soon be a realization.

Tuesday, 14 men, employees of the REA, will arrive to spend a month or more running lines to the south end of the island down Trail Road and to the Airport. The new lines will equal as much as is now strung on the island.

The Island's plant has the distinction of being the smallest REA generating plant of the large family of REA plants scattered throughout the U. S. A. Even with the enlargment of the present plant and the new units, it will still hold the distinction.

IN MEMORIAM

In loving memory of Henry McClanaghan who passed away one year ago April 1, 1948.

Precious darling he has left us,
Left us yes forever more.
But we hope to meet our loved one,
On that bright and happy shore.
Lonely the house and sad the hours,
But oh a brighter home than ours,
In heaven is now his own.

Sadly missed by his wife, Mrs. Sarah McClanaghan, children and grandchildren.

Cull Those Poor Producing Chickens

Poultrymen are urged to cull and keep culling that laying flock if they're interested in profits. Remember that feed cost averaged sixty percent of the total cost of egg production. Notice this example—a five pound hen laying 105 eggs takes 9.1 pounds of feed to produce one dozen eggs. A five pound hen laying 210 eggs per year will take only 5.4 pounds of feed per one dozen eggs. Just another good reason why the first seven months of the year is a good time to cull and then cull some more. Write or call at the County Extension Office for your poultry culling folder.

Inoculate Legume Crop Seed

More and more farmers have found that legumes are profitable crops that hold their own in competition with the cash crops. Here in the United States they have put about one-fifth of all the tillable acres into legumes for hay, seed, cover crop and pasture.

Inoculation will increase the ability of legumes to take nitrogen from the air and fix it in the soil resulting in better crop yields Three things work together in the job of fixing nitrogen in the soil—the legume itself, the nodules or lumps on the roots, and the bacteria in these nodules. Not all soils have enough of the right kind of bacteria. The purpose of legume inoculation is to add a fresh culture of effective strains of legume bacteria, preferably to the seed. Then when the plant begins to grow, the bacteria will be there to do the work.

It is recommended that farmers inoculate if in doubt, and always inoculate when planting legumes on new land. Your County Agent can give further details about the legume inoculants and how to use them.

Nitrogin Fertillzer for Hay Crop Silage

If you're thinking of putting up some grass or hay crop silage this year you should give the hay field a shot of high nitrogen fertilizer. You can do the job anytime now that you can get on the field.

Here are some points to observe: Don't use a fertilizer with a low analysis of nitrogen. It won't do a bit of good. Use something with ten percent or more sulfate gen content. Ammonium sulfate or nitrate contain plenty of nitrogen to do the job. Pick a good hay field. Apply at the rate of around 200 pounds per acre. Don't overdo this thing because you may get more hay than you can handle. Be sure you know where you're headed. The first cutting will be rather wet so be sure you get it into the silo at the right moisture content.

Fruit Folder Aids Small Producer

Growing fruits for home consumption is thrifty and enjoyable. But the backyard grower has to face the same insect pests and diseases that plague the commercial fruitman.

To aid the small grower in protecting his apples, pears, quinces, peaches, plums, cherries and small fruits, the Michigan State College Cooperative Extension Service has reprinted the popular folder F-17, "A Pest Control Program for Home Orchards and Small Fruits."

A copy may be obtained from the County Extension Office at Boyne City.

Two Prison, One Jail Term Given

In a special session of court held here Thursday, Judge Charles L. Brown sentenced two Charlevoix and one Boyne City men.

Vernon Lamb, 39, of Boyne City who was found guilty on two morals charges by a jury on March 19, received sentences of 15 months to ten years and six months to one year, the sentences to run concurrently.

Archie P. Wasegeshik, 26, of Charlevoix was sentenceed to one to five years for violation of probation. In March, 1947, he pleaded guilty to larceny over $50 and was placed on probation at that time.

Both have been taken to Southern Michigan prison.

Lacey Oldham, who was charged with larceny over $50 and receiving stolen property, was sentenced to 30 days in the county jail and ordered to pay $100 fine and $400 court costs. His drivers license was also revoked. If the fine and court costs are not paid he will serve an additional five months.

Farm Boys Banquet With Law Makers

Banqueting with members of the State Legislature Tuesday evening were Jim Fiedler and Jimmy Jolliffe. It was all part of a bus trip to the State Capital arranged by the Northern Michigan Planning Committee. Sponsors for the two boys representing Charlevoix County were the Barnard and McGeagh Community Farm Bureau groups.

Lyles Hardy Is Wed In Ceremony At Saginaw

The First Baptist church of Saginaw was the setting last Saturday for the wedding of Miss Lylas Hardy, daughter of Mr. and Mrs. Jod Hardy of Charlevoix, and Donald Swick, son of Mr. and Mrs. Alonzo Swick of Owendale.

The ceremony was solemnized by Rev. Cetos Parker.

The bride chose a gown of white slipper satin with a net yoke edged in lace, fitted bodice, full skirt ending in a lace trimmed train. The full length veil was held in place by a tiara of rhinestones. She carried a bouquet of yellow roses, white carnations and snapdragons, tied with long ribbon streamers.

Her attendents were Mrs. Earl Bamberg, twin sister of the bride who wore a blue taffeta gown with matching headdress and gloves; Miss Zola Swick, sister of the bridegroom, wore a dusty rose taffeta gown with matching headdress and gloves. Both carried colonial bouquets of white carnations, pink roses and snapdragons. Miss Nancy Swick, a flower girl, wore a yellow organdy gown and carried a miniature colonial bouquet.

The bridegroom was attended by Warren Swick and Earl Bamberg. The ushers were Lawrence Swick and Richard Hardy.

For her going away outfit, the bride chose a navy print dress and a corsage of red roses and white gardenias.

Out of town guests were from Holt, Charlevoix, Traverse City, Royal Oak, Hazel Park, Ferndale, Detroit, Bay City, Caro and Owendale.

A reception for 150 persons was held at the D. A. V. Hall.

Mrs. LaFreniere Celebrates Her 94th Birthday

Mrs. Narcisse LaFreniere, mother of Archie LaFreniere of Beaver Island, recently celebrated her 94th birthday.

Mrs. LaFreniere, who was the former Cecilia Clement, lives with her daughter, Mrs. Nels G. Bergstrom in Iron Mountain, Mich. She has resided in Michigan for almost 70 years. Born in the Province of Quebec, she came to the States in 1880, at which time she was married to Narcisse LaFreniere, also of the Province of Quebec.

The couple lived in Saginaw for a brief time before moving into Mecosta County, where they stayed for nine years. Then they moved to Winchester, where they resided for seven years before moving to Essex. They also spent 13 years on Beaver Island where they resided before moving to Detroit.

Since the death of her husband in 1925, Mrs. LaFreniere has made her home with her sons and daughters. She is the mother of eight children, four of whom are living. Three and a half years ago she went to Iron Mountain where she has been with her daughter, Mrs. Bergstrom. Mr. Bergstrom died last fall.

In addition to Mrs. Bergstrom, there is another daughter, Mrs. Marshall Griffin of East Jordan. There are also two sons, Henry LaFreniere of South Haven and Archie LaFreniere of Beaver Island. There are 20 grandchildren, one of whom, Mrs. Russell Pryce of Ann Arbor, made her home with Mrs. LaFreniere from childhood until she was married; 35 great grandchildren and one great-great grandchild.

Coast Guard Ships Busy Breaking Ice

With navigation on the Lakes officially opened, and with the remains of the winter's ice still thick and shifting about, the two Coast Guard ships Sundew and Woodbine are being kept busy.

The latter was here March 28 and 29 picking up light keepers and their belongings to take them out to such places as Skillagalee and Lansing Shoals. During the first of the week she was at the Soo assisting vessels to get through the shifting pack ice.

The Coast Guard station expects the Sundew may be in next week to start getting ready for the spring job of setting out the navigation aids. However, no definite word as to the time of her arrival has been received.

Ironton School Is Busy These Days

Much has been and is going on out at Ironton School.

Decorations are going up for Easter, according to Carolyn VanderWall, and work has started on 4-H work in preparation for Achievement Day, set for May 6.

Each morning Nancy Feagan inspects the pupils in connection with a soap program started this week. Sue Gill is giving instructions on the making of a paper mache piggy bank. The school also has been getting a basket of fruit ready for Louis Boyer, who goes to the hospital this week.

This spring the school plans to go to Mackinac Island. The Chamber of Commerce there will be asked for information about the trip.

The teachers of the county are meeting at the Ironton school Friday afternoon. Visitors have been Mrs. Sally Bergeon, county school commissioner, and an instructor from Mt. Pleasant.

Cpl. Clyde Dimick Rites Are Tuesday

Funeral services for Cpl. Clyde Dimick, 19, a former resident who was killed in an auto accident at Fort Bragg, N. C., Thursday were held at the St. Mary's church, Cross Village at 10 a. m. Tuesday with burial in the Cross Village cemetery.

The body arrived Monday from the South and was at the Peters Funeral Home in Petoskey until the time of the funeral.

Cpl. Dimick was born in Charlevoix on March 31, 1930, and moved to Levering as a child. He had been in the Army about a year.

He is survived by his step-father and mother, Mr. and Mrs. Charles Hiar of Levering, two sisters, Mrs. Charles Dhaseleer of Charlevoix and Mary of Levering and two half-brothers at home.

Beta Sigma Phi Entertains Rushees

Epsilon Tau chapter of Beta Sigma Phi entertained its rushees at a model meeting at Miss Betty Strehl's home at East Jordan on Tuesday night.

Rushees present were Miss Betty Withers, Mrs. Carol Schofield, Mrs. Marjorie Feagan and Mrs. Edna Miller. Others invited but unable to attend were: Mrs. Ermine Matzsinger, Betty Woodward, Bea Russell, Lottie Rathburn, Maxine Plum and Shirley Lusk.

Lunch was served at a table centered with a gum drop tree in the sorority colors of yellow and black.

Garden Club to Be Guests At Talk by Geologist

Members of the Charlevoix Garden club will be guests of the Petoskey club next Tuesday at 8 p. m.

Miss Helen Martin, state geologist, will address a point meeting of the club at the Petoskey high school at that time.

Tuesday night 19 members of the club here met at the home of Mrs. Karl Erber. Mrs. Anna Campbell showed her colored pictures taken in Florida this winter.

Wakefield Will Remain In City

Milo E. Wakefield will remain in Charlevoix as manager of the local Western Union office, he has announced.

After consideration he has withdrawn his acceptance of the managership of the Sturgis office.

Auto Electric Has Larger Building

With some new equipment still due to arrive the enlarged Auto Electric Service garage was ready and doing business Wednesday morning.

The new addition was completed. Twenty-five by 66 feet in size, it was constructed at the rear of the building on Antrim street. The former back wall of the garage was torn out so that the entire garage, except for the office, show and stock rooms, is one large area.

Watch Out for Sore Throat, Doctor Says

Watch out for sore throat is the warning of the District Health Department.

Physicians in these counties are reporting a great increase in strep throats among children this year. This means a consequent increase in acute rheumatic fever. One physician reported ten cases this year, according to Dr. A. F. Litzenburger, director. The ten cases, the doctor says, are more than he has had in all his previous years of practice.

"Don't minimize the systoms of sore throat," Dr. Litzenberger warns. "If children have it, take them to the family doctor at once. By so doing, you may be able to catch the rheumatic fever early."

• Mr. and Mrs. George Sneathen and daughter Elizabeth returned to Mt. Pleasant Sunday after spending the week end with the former's parents, Mr. and Mrs. Lee Sneathen.

Couple Visits Cleveland

Dr. and Mrs. R. B. McClintock left this week for Cleveland and Youngstown, Ohio. With former friends from Youngstown, the couple will attend the opera while in Cleveland, seeing Verdi's Rigoletto.

Smelt Dipping Derby Expected to Start Soon

No dates have been set yet for the start of the County's 55 Mile Smelt Derby in this section.

Dipping at East Jordan has started but is reported slow. At Advance supervised dipping was to start Wednesday.

But here at the west end of the county, the little silvery fish have not shown up in enough numbers to justify the Rod & Gun Club sending out word for the fishermen to come and get 'em.

The prizes of hip boots and blankets will likely be awarded April 23 and 30.

The Rod and Gun Club is asking local fishermen to cooperate with the Derby plans. By allowing the smelt to run undisturbed for the first two days, a larger catch after that is assured for everyone. Date for the dipping to start will be announced and dipping hours are posted at all three of the streams—Stover, McGeagh and Inwood.

Ironton Perch Start Running In South Arm

The annual perch run is on at Ironton with several near record catches being reported since Sunday. Don Feagan of the Ironton Board of Commerce, has announced.

Louis Andrews of Lansing along with several Ironton residents pulled in some fine catches to open the season although the ice left the South Arm only Friday.

The Ironton Chamber of Commerce has set up a prize for the largest perch caught during the run. All fish entered in the contest for the Gephart casting rod must be weighed in at the Walker and Thomson store at Ironton.

Feagan also reports that the fishing docks at the ferry have been repaired and are in good condition and that there are many boats for rent for those who want to fish out in the channel.

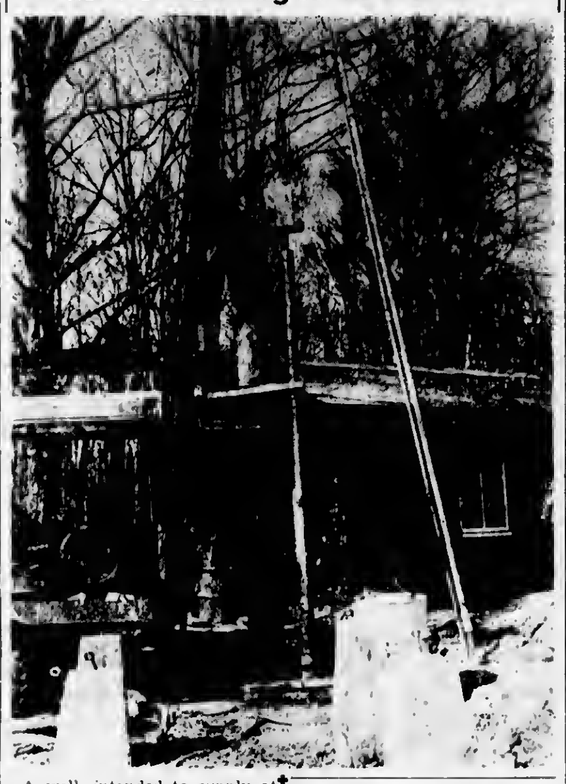
New Well Drilled to Supply Water to Cottages at Point



A well, intended to supply at least 24 cottages with water, has been driven out at Pine Point.

Located beside the present two inch well which has been the sometime scanty source for 14 cottages, the new well is a four inch one. Putting it down are the Crain brothers, Elmer and Leslie. Shown with their rig, Leslie is on the platform steadying the 400 pound hammer. At the controls on the ground is Elmer. A new length of four inch easing is in position ready to be put down.

The movement for a new water supply is not new. First discussed two years ago, it was held up by lack of pipe and casing. Last summer the project again was brought up. Finances were worked out, funds collected, and J. H. Oldham deputized to see to having the well drilled. He engaged Elmer Crain.

Drilling a well really consists of two operations. The first, whether in rock or hardpan, is punching a hole. In hardpan a spade-shaped bit is used. It is a sort of three-in-one tool. The spade, which is pounded up and down by the well machine, chips and cuts the soil and stone loose.

Carrying the spade bit is pipe. Connected at its top end are two rubber hoses leading to a water barrel. Water flows down inside the casing, picks up the dirt and rock chipped loose by the bit.

The up and down motion of the bit and pipe works a valve just above the bit and the dirt laden water is pumped back up into the barrel. The dirt settles out and water makes the round trip again.

In rock a different type and a heavier bit is used, but the same water system pumps out the broken rock pieces.

Once a hole is battered down 10 or 12 feet, the bit is pulled out and another length of the four inch easing driven into the hole that has been drilled.

When the well is finished, the plan is to install another 315 gallon pressure tank and more underground water lines to take care of the added cottages.

Norwood Cemetery Bee Is Saturday

Held annually to get the Norwood Cemetery cleaned up before summer arrives, the first 1949 Cemetery Bee will be held Saturday.

Potluck dinner will be served at noon.

There will be a special meeting of the cemetery association this Thursday evening at 8:30 at the Norwood Town Hall.

First Tanker of 1948 Season Arrives in City

The first shipload of gas and oil this season came into Charlevoix Tuesday night.

The vessel was the Edgewater, and the load of fuel oil and gas was consigned to the Thiesen-Clemens Co. The ship left Wednesday.

Fires Damage Hotel, Destroy Young Trees

The Charlevoix fire department has answered many calls in the last week.

The worst was the one at Grey Gables Inn at 308 Belvedere ave., Sunday morning. The fire was believed caused by a spark from a chimney. It burned a hole in the roof allowing sparks and coals to fall into the attic. The top floor of the two story frame building was ablaze when it was discovered.

Damage was estimated to be from $5,000 to $7,000 by Chief Charles Marshall.

A fire was being kept in the building for workmen who had been there for several days. Mr. and Mrs. Russell Dundas, owners of the summer hotel, are enroute home from Palm Beach, Fla.

Monday the department answered a call to aid in extinguishing a grass fire which had gotten out of control near the four corners at the city limits on the north side. Fanned by heavy winds the fire soon spread to the old Charlevoix golf course and to the rear of property which borders on U. S. 31. Included in the loss were more than 500 pine, evergreen and ornamental trees planted on the old golf course.

The fire department has been called out 15 times in the last five days to put out grass fires, Chief Marshall said Tuesday noon. Everyone is warned of the danger of blazes where the ground is so dry.

Public Will See New Look at Argonne Opening

With what truly is a new look inside, the Argonne is being reopened Thursday, after a complete redecoration.

The interior walls are upholstered in cream and blue leather. A new floor has been laid in the central and the dining room. All woodwork has been redone in a light shade New fixtures are installed.

The owners, William Matzinger and Charles Filiatroult, are planning for their grand reopening Saturday night, which also will be the first of the Saturday night dances the Argonne will have.

J Hop Will Be Held at School April 30

Plans are being made for the annual J-Hop to be given by the Junior class of the Charlevoix high school at the high school gym on Saturday, April 30.

Dancing will start at 8:10 to the music of a Traverse City orchestra.

Bids for the dance given in honor of the graduating class may be obtained from the following committee: Audrey Stevenson, Joan Crump and Annamae Maxwell.

Bergeon Again Elected Head of County Board

Starting their 81st annual session, the same number as that of the present Congress, Charlevoix County's Board of Supervisors met here Tuesday.

Arthur Bergeon was renamed as permanent chairman for the year. Lawrence J. Malloy was appointed chairman of the apportionment committee. Claude Pearsall heads the agriculture; W. F. Bashaw the equalization; H. C. Stephens the finance; and C. B. Meggison the public grounds and buildings committee.

The county Welfare Department submitted its report. A total of $29,007.85 was taken in from appropriations. Farm and hospital operations brought in $11,028.13. Disbursements were $30,770.97. Of the balance left, $13,300 was transferred to the direct relief fund.

Direct relief for the year cost $32,457.22.

On Jan. 1, 1948 the two funds had a cash balance of $5863. One year later this had shrunk by $4901.92 to a balance of $961.08.

Much of the rest of the Board's session will be taken up by work on the tax roll.

The Tow Line

News of folks, your neighbors and mine . . .but did you know that—

Did everybody see the eclipse Tuesday night? And that extra display of Northern lights? . . . These are busy days down at the Hamilton Boat Yard. With the sunny days folks begin to get that spring urge to get the nightic off their boats and begin thinking about the water again . . . Chase S. Osborn, our ex-Governor of Michigan, is dead at his home at Possom Poke in Possom Lane, Ga., If ever a man ever lived a full life it was Mr. Osborn. . . Belated birthday greetings to Capt. Hubert Paddock. The event was duly celebrated Sunday night with a birthday dinner.

Mr. and Mrs. Clyde Ogden have returned to their home in Ironton after spending the winter in Cadillac . . . The Robert Bridge family is at home again after spending several weeks in the South . . . Miss Linda Bowman of Albion College is spending the Easter vacation with her parents, Mr. and Mrs. E. B. Bowman. With her for the week is a friend, Jack Zimmerman of Albion, also a student at the college . . . House cleaning is in the air and some women about town have even got friend husband cleaning too, and many a man is showing his ability with the paint brush.

Remember Shirley Henry? He was around Charlevoix at one time and now we are informed that he has become the new mayor of Howell . . . When we look at the new, long skirts for spring, we suddenly realize that they are truly the post-war's biggest letdown . . . The Harold Bedfords are home and word has also been received that the Wilbur Clines are leaving Texas April 18. Helen Rose Cline has become a member of the Episcopal choir in Harlingen and will be in the Easter Cantata they are giving there. Following the holiday the family will start north . . .

We know that spring is definitely here when we can hear the hoarse moan of a steamship whistle off shore and can sight freighters on the horizon on Lake Michigan . . . Mrs. Millie Withers was quite excited Sunday evening when she looked out from their window on Mercer Boulevard and

Yummy! Pupils Visit Sugar Bush, Sample Product

The two first grade classes paid a visit to the sugar bush at Bill Parson's farm last week.

The youngsters were taken to the farm on the school bus and were shown how the trees were tapped, the sap gathered and boiled into syrup. Best of all, they got to sample the syrup during the different stages.

They were accompanied by their teachers, Mrs. Elizabeth Trimble and Mrs. Bertha Shetterley.

City Red Cross Leader Passes In Chicago April 6

Word has been received here of the death of Miss Belle B. Greensfelder, well known summer resident in Chicago on April 6. Funeral services and burial were held in Chicago.

Miss Greensfelder, a registered nurse, organized and taught Red Cross classes here during World War I and later served overseas. She and her family were also among the organizers of the present Charlevoix Hospital. She had been coming to Charlevoix for about 40 years.

Surviving are two sisters, Rose and Thekla, both of Chicago.

There are about a dozen old time Charlevoix pictures at The Courier. These have been in the front window. We want to get them back to the owners. If any of them belong to you, would you call at the office and pick them up? Thanks.

Lutherans Lay New Church Corner Stone

With an audience which overflowed the community room at the City Hall taking part, the Bethany Lutheran Congregation Sunday held corner stone laying services.

Less than two years old, the Congregation is now constructing its new church on South Bridge street south of the Kit Carson Lumber Co. The corner stone was laid Sunday.

At the worship service at 3:30 p. m. at the City Hall, Sue Miles played the prelude. Rev. H. F. Krach gave the invocation. The sermon was delivered by Rev. C. F. Boerger of Cheboygau. Zion choir from Petoskey sang. Following the benediction, the congregation drove out to the new church.

There Rev. Krach, assisted by Steve Rabb, chairman of Bethany Congregation, placed the cornerstone of the new edifice.

The building itself is being constructed entirely by the men of the church. The building, 26 by 74, will have one floor. There will be an auditorium, chancel, pastor's study, kitchen and lavatory.

Line Crews Start Work on $40,000 Project on Beaver

REA Linesmen have started work on the Island that will amount to an estimated expenditure of $40,000.

During the week, the White Swan brought across 11 men, two REA trucks and all the equipment necessary.

Work completed since their arrival includes adjustment of lighting facilities in the village, poles erected down Trail Road as far as Sand Bay, a distance of 2½ miles, pole holes dug to the airport. The longest line will run down the new highway to the south end of the Island, a distance of 10 miles.

Church Group Will Give Bible Drama

The story of the rich young ruler will be presented in dramatic form next Wednesday evening by the Young Peoples Missionary Society of the Church of God.

The 45 minute play "The Great Refusal" will be given in the church. It tells the story of the curing of the leprosy of the wife of the young ruler, and of the couple's refusal to follow Christ.

It will start at 8 p. m.

Kiwanis Will Not Have Amateur Show

There will be no Kiwanis Amateur Show this year, according to Dean Davenport.

Too little variety of acts and small net return were two of the reasons for giving it up. Instead, this year the club may present a minstrel show.

Michigan Knows When It Is Well Off

The voters of Michigan last week did right by themselves when they reelected Charles Ziegler as Highway Commissioner.

In these days of winning state and federal elections by making wild-eyed promises, it is an unusual event when a public official campaigns solely on the basis of what he has done—and then wins.

That shows two things. First, the man has a record of solid accomplishment which cannot be belittled nor attacked successfully. Second, the public is beginning to prefer facts to fancy promises.

Michigan picked the right man to head its road program when it re-elected Charles Ziegler.

We Need More Like Him

In Cong. Charles E. Potter, this district has a far better man down at Washington than most of us realize.

He's good on three counts.

He thinks things through. He votes as he believes he should for the best interest of the nation, not just to win votes. He works hard to serve his district.

While I was down there, I heard of two specific cases.

First was the rent control measure. He opposed it because he contends that rent control is a local and not a national matter. Detroit, Oskaloosa, Walla Walla, Bangor and Atlanta each has its own problem and conditions. When Washington tries to make them all fit the same pattern, something is bound to be wrong somewhere.

Potter believes that except on unquestionably national problems, Washington should let the state and local governments run their own affairs. So he votes against rent control. It wasn't party politics that decided his vote; it was adherence to a fundamental principle of government.

The second vote showed moral courage of a high order and a willingness to go counter to most of his party in the interest of good government. It was on this Rankin Veteran Pension bill.

Potter saw it for what it was—a gigantic raid on the present and future federal treasury in the interest of personal political power. Not only did he vote against it, but as one of the young war veterans in Congress, he risked his political future by speaking out boldly against it. So courageous was his stand that the Washington News of March 25 praised his stand and his courage in its lead editorial.

But he is more than just a "no" voter. He is getting things done. Up here we all know what the lamprey has done to our fishing. Down at Washington, Potter is a member of the Merchant Marine and Fisheries committee. Even though a member of the minority party, he has persuaded the committee to hold hearings on the problem. (The Democratic chairman, ineidentally, paid him the unusual compliment of having him preside at these hearings—something almost unheard of at the capitol.)

Technical experts and commereial fishermen were brought down to testify. On the basis of what was developed, the committee undoubtedly will report out a bill he is now drafting. It will provide for a federal grant of $350,000 to seek a solution to the menace. Work will be carried out in cooperation with that being done now by the Lake states and Ontario.

As every fisherman on the Lakes knows $350,000 would be a tenfold bargain if the trout and whitefish could be brought back in any degree.

Our Congressman has come a long ways in the two years he has been at Washington. He's a credit to this district. Northern Michigan must keep him there.

Meet Your Michigan

Letter To the Editor

Charlevoix, Mich.
April 11, 1949

Dear Mr. Editor:

I would like to add my voice to the many who heartily endorse the band shell as described by Mr. Miles in his recent editorial, "A Dream For Charlevoix."

I've thought a lot about a band shell for quite some time, and am convinced that it could become one of the best investments that could be made for Charlevoix.

The city band, for one, would welcome such a project. It is disheartening to work as those folks work, to present a concert, only to be told after the concert that it couldn't be heard.

But I'm not only speaking of this project with the City Band in mind. Isn't is within the realm of possibility to eventually have, in addition to the summer band concerts, a concert series presented by professional artists? I believe that such a dream is possible—but first we have to have the shell in which to present such concerts.

An undertaking of this kind is not one to be rushed, but I hope this dream is not allowed to die. I hope there are enough citizens in Charlevoix who recognize the possibilities of the band shell, and who will form a committee to investigate the feasibility and cost of such a structure. I hope that this can be done before the entire project is "pooh-poohed" as just a 'Dream for Charlevoix."

Sincerely yours,
Clarence A. Odmark.

Son Sends Bermuda Lilies to Mother

Mrs. Anna Eccleston was a pretty happy mother when she returned home Monday evening to find an Easter gift sent from Bermuda by her son, Pfc. John Eccleston who is stationed there with the Army Air Force. Sent by airmail from Hamilton, were three stalks of Bermuda lilies with sixteen buds which will be blooming by the end of the week.

SIGN OF THE TIMES—The U. S. Dept. of Commerce, analyzing business figures for 1948, stated that Americans are saving from income now. For the first time since pre-war, personal spending failed to top income.

Train Schedule Starts April 25

Starting April 25 Charlevoix will have a different train schedule over the Pere Marquette.

Planned to serve the passenger needs rather than mail, as at present, the north bound train will arrive at 7:15 p. m. By leaving Grand Rapids at 12:30 p. m., it will connect with the train leaving Chicago at 8:15 a. m. and the one leaving Detroit at 8:20.

The southbound train will leave here at 10:20 a. m. and reach Grand Rapids at 4:40 p. m. There it will connect with the train that reaches Chicago at 9:10 and with the streamliner arriving in Detroit at 8:15 p. m.

The northbound resort specials will start on June 22 and run Mondays, Wednesdays and Fridays. The last will be Sept. 9. The southbound specials will be Tuesdays, Thursdays, and Sundays from June 23 through Sept. 11. There will be pre-and post-season trains on June 17 and Sept. 18. Cars with roomettes and bedrooms will be added this year.

• J. J. Schotton of St. Louis, Mo. spent several days last week here on business. He is the owner of the yacht, Chez Moi.

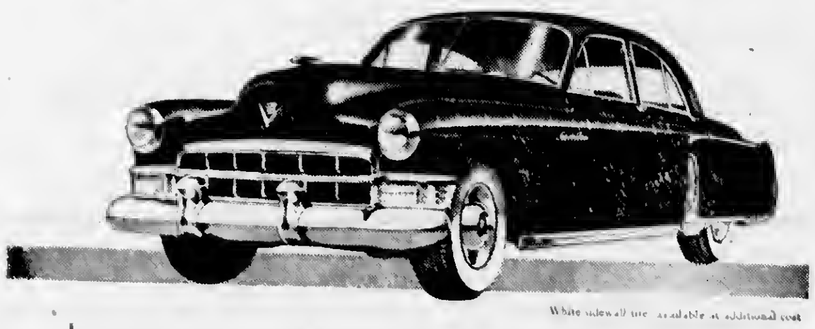
Writes its Owner's Biography!



White sidewall tires available at additional cost

It seems safe to say that there is no material possession which speaks more eloquently of the man who owns it than a Cadillac car.

Wherever it is driven, it offers authentic testimony as to its owner's good taste—his concern for the safety and comfort of his family and friends and his general standing in the field of endeavor in which he has chosen to make his contribution to the world's affairs.

Indeed, if a complete list were published of those who own and drive this distinguished car—it would be obvious that it has become a hallmark of achievement in almost every walk of life.

That this should have happened is entirely logical for Cadillac cars have been built, for almost half a century, to the most uncompromising standards of excellence. As a result, Cadillac stands alone in all the things that make a motor car a distinction to possess and a pleasure to utilize.

The 1949 Cadillac is the grandest of them all, in every way. Why not visit our showrooms and see for yourself? You are welcome at any time.

President's Tea Climaxes Shakespeare Club's Year

As a climax to their year, the members of the Shakespeare Club met Monday afternoon at the home of their president, Mrs. George Haggard for its President's Tea.

Following a business meeting, the members spent the afternoon in a social manner, gathering about the tea table, decorated with daffodils and pussy willows. Mrs. Arthur Fitch and Mrs. F. F. McMillan poured.

For the coming year the new officers for the Shakespeare Club will be Mrs. A. J. Stelter, president; Mrs. Robert Wexstaff, vice president, Mrs. Karl Erber, secretary-treasurer.

Plans were made for the banquet at which time the women will entertain their husbands on April 26 at the clubhouse at Camp Charlevoix.

Talk On Biblical Art Receives Much Praise

One of the outstanding talks given before the Congregational Guild in many months was last Thursday when Mrs. Richard Chapman of Bellaire, a relative of Mrs. Archie Livingston, gave a talk on Biblical Art at the home of Mrs. Hubert Paddock.

The research for the talk started from a picture in Mrs. Chapman's home, "The Son of Man" painted by Warren E. Sellman of Chicago in 1924 With many other pictures of Hoffman, Reubens, and other artists depicting Jesus with his disciples, in the Garden and on the Cross, Mrs. Chapman gave a keen interpretation of them and concluded with her reasons for choosing Sallman's painting as her favorite.

Mrs. Chapman's paper was highlighted by two numbers, sung by the Charlevoices with Mrs. Florine Stelter at the piano.

In the absence of Mrs. Edward Shanahan, president, Mrs. Archie Livingston presided.

So greatly was the afternoon enjoyed that another request was made that Mrs. Chapman repeat the paper on Thursday afternoon of this week at the Church of God at 2:30.

VFW Starts, Equips New Clubroom for Boys Who Flock There Evenings to Learn to Box

Believing that the best way to help boys be a credit to themselves and their community is by giving them something constructive to do, the VFW has fixed up a gym that is open evenings for all the boys in town.

It is on the second floor of the old Courier building, which the VFW has rented from Mrs. Rollie Lewis.

Part of the equipment has arrived and been installed. Up and in use are two body bags, a speed bag, plenty of skipping ropes and a 12 foot training ring. There also are boxing and training gloves and hand bandages.

Jack McDermott, who trained Charlevoix's Golden Glove entries this winter, is in charge. He uses the learn-by-teaching system whereever posible. The older boys serve as referees and coaches for the younger ones.

Shown above soeking the body bags are Jerry Left and Bruce Barber. Bob McDermott has just tossed a hard right at the speed bag.

Next Wednesday night Jack McDermott will take five boys from the VFW Club down to an invitational meet at Traverse City.

Beta Sigmas Give Tea for Pledgees

The Beta Sigma Phi sorority gave a spring tea at the home of Ione Mosier on Sunday honoring the pledges of the organization.

A centerpiece of yellow roses, tapers in silver candelabra and a silver tea service graced the refreshment table. Miss Mosier presided at the tea table.

Plans are now being formulated for the initiation banquet to be held at the Argonne on May 3.

Talk on Orient Features Last Dickens Meeting

Spring flowers, bunnies and Easter eggs decorated the home of Mrs. Earl Young when 22 members of the Charles Dickens Club met for their last regular club meeting of the year.

The speaker of the afternoon was Mrs. Gerald Selby of Suttons Bay who gave an interesting and informative talk on her trip to the Orient with her parents. Going there as a child, vivid impressions were made, many of which she passed on to her listeners. Also, Mrs. Selby showed many beautiful articles purchased in China and Japan, which have become treasures down through the years. With Mrs. Selby was Mrs. Carl Nelson of Traverse City.

Preceding the meeting election of officers was held for the coming year. They are, president, Mrs. L. E. Towe; vice president, Mrs. Arthur Wexstaff; secretary-treasurer, Mrs. Carl Kohler; librarian, Mrs. Roy Bennett.

The closing feature of the afternoon was the President's Tea

Mrs. Leonard Oliver Is Honored at Shower

Council to Seek More Parking for Tourist, Customers

How to get more and handier parking for the tourist, and more industry here were two problems which were laid before the new city council at its first meeting Monday night.

With the applications before it, the Council approved the renewal for the coming year of three liquor licenses. Those for Steve Dubell, Earl C. and Patricia Gardner were for Class C permits. That for Mrs. Della R. Lomas of Moonlight Gardens was for a tavern.

The Council soon will ask for bids on repairing the dock at the end of Clinton street.

Good Will Trip Is Proposed for Area

Designed to get the businessmen and communities of Northern Micigan better acquainted, a Good Will Cavalcede will be discussed at a meeting in Gaylord Tuesday.

Attending will be representatives of the various towns and Chambers of Commerce in Charlevoix, Emmet, Otsego and Cheboygan counties. It will be at 8 p. m. in the Otsego County C of C building.

Preliminary plans for the Cavalcade call for cars and floats from the towns in the four counties to meet at Petoskey some day in May and make a trip through Harbor Springs, Cheboygan, Gaylord and to Charlevoix.

State Deer Loss Light This Year

While the conservation department is not conducting regular sportsmen's tours of deeryards this spring, it will take care of voluntary group applications submitted.

Barring freak weather at this late date, all indications point to its having been a good winter for the state's deer herds and that no concentrated mass starvations occurred. Less than a half dozen losses have been uncovered so far, however, few special searches have been undertaken by game men.

Groups still interested in taking tours of deeryards should write to L. A. Davenport, regional game supervisor at Roscommon, Otto Falling, district game manager at Gaylord, or John Byelich, district game manager at Mio.

BEAVER ISLAND

By Mrs. J. C. Hanley

(April 6 Letter)

Fishermen who were enthusiastic about an early start this season were at a standstill this week due to the condition of the harbor. Ice floes drifted in from the Straits, jammed the horbor and closed a wide orea outside the harbor.

It is always a thrill to see the first boat to the Island after three months without navigation. Saturday, when the White Swan brought over the mail, only a few drove down to the south end of the Island where the Swon lay anchored a mile off shore. Unable to get into the harbor, it was necessary to unload at the head. Only mail was brought across and one passenger to the Island, John Ricksgers.

The grand total after beaver season closed was 16 beavers trapped. Mr. and Mrs. Chuck Kleinheintz tropped five each and the McDonough boys three each. The beavers range from 19 to 43 pounds.

Tuesday, Mrs. Cora Portt was honored on her 82nd birthday by her daughter, Mrs. Fred Spalding. A noon day luncheon was served to eight friends at the Spalding home. Those invited were Mesdames Lawrence Malloy, Jomes H. Gallagher, Andrew Gallagher, H. R. Pischner, Rolland McCann, Nora Gallagher, James W. Gallagher and Dan Boyle. After the luncheon, card games, singing and music were enjoyed.

Much concern was felt for Vesty McDonough during the week. His serious illness brought his daughter, Mrs. Charles Teeter, River Forrest, Ill., and his son, Bob of Petoskey to the Island.

James McCann attended the game club meeting held in Charlevoix during the week.

As the Beaver Islanders drift back from Chicago, all say the party this year was bigger and better than ever.

Hon. George Whalen, "mayor of the Island" and master-of-ceremonies at "Yacht Night", held annually at the Shamrock during the lay-over after the Mackinac race, was at the party representing the Chicago Yacht Club.

On his return to the Island from Chicago, James H. Gallagher visited his son, Norbert in Rochester, Ind., and daughter, Edith in Owosso.

Bert McDonough, Johnny Andy Gallagher and Don Benner are the keepers at the Head Light House this season.

To accommodate the crew coming to the Island Tuesday, the King Strang Hotel will open up, the earliest the hotel has ever opened up.

The Beaver Island Association of Commerce hasn't let any grass grow under its feet during the winter months. Secretary Archie LaFreniere reports over 3000 Beaver folders have been sent out, chiefly to automobile clubs.

Another sailor left the Island to report to his boat. Carl Left flew to the mainland Friday for the season.

Mrs. Joe Dillingham returned to the Island Friday. She has been confined to the Charlevoix Hospital since she was gored by one of their cows.

Bans of marriage were called Sunday for Peter Gallagher and Dolores Krail of Lansing.

The monthly meeting of the Altar Society was held Sunday afternoon in the Parish Hall.

State Appoints New Forester

Appointment of George S. McIntire as state forester is announced by conservation director P. J. Hoffmaster.

Succeeding Marcus Schaaf as chief of the conservation department's forestry division, McIntire assumes charge of the 3,600,000 aeres embraced in Michigan's 22 state forests. Schaaf retired March 31 after 39 years of state service.

Plans are being formulated for the August dinner.

Says Old Timer, "Just wont to give the road crew a plug after last week's dig. Those feilows sure got busy and did a good job smoothing out the kinks in Kings Highway."

Movie makers in Hollywood estimate that 65 million Americans over 12 years of age, see a movie at least once in three weeks.

From where I sit ... *by* Joe Marsh

There'll Always Be a "Gawker"

"Harry the Hermit," as he's called, came into town last week and, as usual, caused quite a stir. He looks like a cross between Santa Claus and Daniel Boone.

We had a friendly glass of beer together and I asks him, "Don't you ever get annoyed at the way some people laugh and stare as you go by?" "Shucks no," Harry says. "Only while they're laughin' at me, I'm feelin' a mite sorry for them. Imagine—folks so ungrown-up they can't see I'm really just the same as they are underneath."

From where I sit, Harry's a lot more "civilized" than the people who make fun of him. He's contented, lives the way he believes is right without harming anyone—and what's more, he's tolerant of others whose tastes in living are different from his.

Maybe we all don't look the same, or act the same, or eat or drink the same, but in a free country, why *should* we?

GRANDPA OF THE CABLE TRAIN — Possibly you've seen modern tractor-drawn cable trains hurrying Long Distance telephone cable across the Michigan countryside. Back in 1882, two pioneer telephone men hitched a locomotive to a farmer's plow, turned a deep furrow five miles in length and "planted" an assortment of wires to determine the effect of soil conditions on them. From this early experiment came facts helpful in developing modern underground cable!

BRAIN TEASER—You can probably stump most of your friends on this one. In which case does your voice travel the longest distance to reach the person you're talking to: (a)—When you telephone your neighbor on the next farm? (b)—When you speak to somebody across the room? Answer: When you talk across the room. When you telephone your neighbor, your voice just goes an inch or so to the mouthpiece. From there on it travels as an electric current right to the listener's telephone receiver.

SUPPOSE you could reach only one other telephone. Your telephone wouldn't be worth very much to you, would it? Actually, today you can reach more telephones than ever before . . . doctors, vets, equipment dealers, friends, relatives. And we're still adding new telephones at record speed. This means more people you can call—more jobs your telephone can do for you.

HOW MODERN MIRACLE OF DESIGN MAKES THE NEW DODGE *DIFFERENT!*

Different! LONGER on the inside ...SHORTER outside!

Different! WIDER on the inside ...NARROWER outside!

Different! HIGHER on the inside ...LOWER outside!

WHO SAYS all cars are alike? Just look at the new Dodge, the car that dares to be different! Different in the sleek lines that flow from true functional styling. Different *inside—and out!*

Inside, this new Dodge is bigger three ways—longer, wider, higher! But outside it is actually shorter, narrower, lower. No bulky lines to balk you when parking or garaging your new Dodge.

Here is a miracle of design that puts *your* comfort first. Wide opening doors that make it easy to get in and out . . . inside all the head room, leg room, elbow room you could ask for.

Topping all, is the flashing performance of the famous Dodge "Get-Away" Engine . . . the velvety smoothness of Dodge All-Fluid Drive.

Before you decide on any car, see how much *more* Dodge gives for your money today!

FENDERS are bolted on . . . easy on your pocketbook to repair, or even replace, if dented or damaged.

LUGGAGE COMPARTMENT . . . big as all outdoors. Spring-balanced lid raises and lowers at fingertip touch.

GET-AWAY ENGINE . . . big compression engineered for more power . . . faster pickup . . . greater economy.

Ockrants Take Trip to South Africa, Europe; Find Cape Cities Clean, Modern, Attractive

To South Africa by freighter and back via Queen Elizabeth is part of the story of the winter vacation enjoyed by Mr. and Mrs. William Ockrant of Charlevoix and Cincinnati.

In a letter dated April 6 he writes:

Mrs. Ockrant and I just returned from an approximately three month's trip that took us about as far away from home as we could get. We left the early part of January from New Orleans on a combination passenger and cargo ship through the southern waters nonstop to Capetown, Africa. We had a most pleasant 22 days but instead of being what we thought might be a boringly long time was seemingly a very short and pleasant one.

We spent about a month and a half on the various parts of South Africa where we had the opportunity of visiting many places in and around Capetown, Durban and Johannesburg. We were very fortunate in having very close friends at all of these places. The cities of South Africa, particularly those that I mentioned, are very modern and extremely beautiful. Capetown is one of the most beautiful cities that I've ever visited and I've been to many.

We visited the interior and saw something of the native life and country. We then flew via the Belgium Congo to Amsterdam, and after a little sightseeing trip there flew on to Paris where we remained some little time. We then came back to New York from Cherbourg on the Queen Elizabeth.

While our trip, as stated above, was extremely enjoyable and very very interesting, I can assure you that we were both mighty happy to get back to the United States again and to have the opportunity of visiting with our young daughter, who is at college in the East, and then back home.

While the first newspaper that I took to read was the Charlevoix Courier, I was unhappy to be greeted with some of the bad news, such as the passing of our good friend, Guy Smith, and the unfortunate illness of little Jon Henry in Florida.

Sincerely,
William Ockrant.

University Seeks to Keep Its Top Teaching Staff

The high standing of the University of Michigan among the nation's universities is threatened unless more adequate financing is provided by the State.

This was revealed in a report made here Saturday by University President Alexander G. Ruthven. State appropriations for the University operations, the report shows, have lagged far behind the growth of the University, while other states are keeping abreast of enrollments.

Appropriations per student have dropped from $507 a year in 1929 to $456 for the current year. The University now serves more than 21,000 students a semester compared to 9,600 in 1929, and in addition serves directly more than 400,000 Michigan residents through some form of adult education program.

The University has requested a State appropriation for operation of 12,500,000, an increase of $2,750,000 over the current appropriation.

Chief danger, the report points out, is that without more adequate financial support the University will be unable to hold some of its ablest young men on the faculty or to employ needed new ones. The report shows that in real income the salaries of Michigan staff members are 12 to 18 per cent below the pre-war rate while other professions and occupations show increases from 90 to 123 per cent.

Potato Growers Meet at Gaylord

Potato producers of this district will meet at Gaylord April 20 to select two men to represent them on the North Central Potato Committee for 1949-50.

The meeting will be at the Gaylord Court House at 7:30 p. m. At the meeting the new marketing policy also will be discussed.

Present committee member is Floyd E. Jenkins. Darius D. Buell is alternate.

Whitmore Lodge to be Opened by New Owners On Former Frank Brown Estate South of Here

The new Whitmore Lodge, formerly the Frank Brown estate on the East Jordan road, will be opened about May 1.

It is owned and will be operated by Mr. and Mrs. Seth Whitmore, formerly of Lansing. Mrs. Whitmore will manage the lodge. Her husband is executive secretary of the Ingham County Table Top Licensees' Congress.

Report On Mabs Annual Meeting

At the recent annual meeting at Michigan State College, the Michigan Artificial Breeders' Cooperative heard a report on last year's activities and got ready for another year of progress.

A. C. Baltzer, Extension dairyman for the college who was recently assigned to devote full time to the artificial breeding program in the state, was named to continue as secretary-treasurer for the cooperative.

There are now 17,000 farmers belonging to the cooperative. Sixty-five counties in the state are using the services from the central bull stud. During 1948 almost 121,000 cows were served by local inseminators. The cooperative now owns 70 registered bulls.

The board of directors voted to make a patronage dividend to members who used services during 1945 and '46. This will be mailed to members within the next two or three months along with the dividend declared by the board last year for those members using service in 1944.

The new president of the MABS is Frank Heim, Guernsey breeder from Jackson. He replaces Wesley Mahaffey of Marlette. A new member of the board of directors is Palmer Wallbom, an Upper Peninsula Holstein breeder from Sault Ste. Marie.

Tree Planting Time

It's the shipping season for seedling trees from the forest nursery at Michigan State College. Nurseries everywhere are shipping too, so let's have some snggestions about handling these seedlings.

Getting the trees into the ground as soon as posible is best. Remember the tree is a living thing and subject to shock from the change in location. Keep the roots moist from the time they are taken from the package until put in the ground. Make the hole big enough to take the roots without doubling. Put the seedlings into the ground as deep as a quarter to a half inch deeper than the "root collar" indicates it was planted before. Pack the soil firmly about the roots.

Field Leasing

Each year at the end of the growing season, a number of disputes arise between renters of leased fields and the owners about who should pay this charge and that. E. B. Hill, head of the Michigan State College farm management department urges folks to prevent these disagreements by agreeing on the terms of rental at the time of renting the land. The use of a rental form will be a big help in preventing misunderstandings which sometimes come from oral agreements.

Hill also points out these items which will help improve the fertility of leased fields that are in poor shape:

1. Make the lease for more than one year. This will permit the renter to follow a good crop rotation.

2. Make provision for the application of fertilizer and manure and the turning under of green manure crops.

3. If lime is needed this should be applied by the landlord.

Mrs. Mary Cameron Rites Held Here

Mrs. Mary Cameron, 91, pioneer resident of this community, died Friday at the home of her son, Arba H. Cameron in Detroit where she had lived for the last five years.

Funeral services were held at the See Funeral Home at 2 p. m. Monday with Rev. Gaylord D. Howell officiating. Burial was in the Brookside cemetery.

Born in St. Marys, Ont., on Feb. 28, 1858, the former Mary Ann Rogers was married to Alexander Cameron on Sept. 22, 1881, and came to this community a year later. Mr. Cameron was a contractor and builder and constructed many of the homes at the Chicago Club. He preceded her in death on Sept. 21, 1915.

She was a member of the Methodist church for more than 67 years.

Surviving are one son; one grandson, Donald A., of Western Springs, Ill.; a brother, Will Rogers of Vancover, B. C., and three great-grandchildren.

Pie Crust A new pastry cloth will soon be available. Made of plastic, the dough is placed between two sheets, rolled, the top removed and then the bottom peeled off after the dough has been placed in the pan. Rolling pin and table remain clean of flour.

Marols Cases Sent to Circuit Court

Robert Price, 26, of Boyne City waived examination in justice court here Saturday on a charge of statutory rape and was bound over to the present term of circuit court. He was released after furnishing $2500 bond.

Edward Morrison, 19, of Petoskey, was given a preliminary hearing in justice court Saturday on a charge of abduction and rape and bound over to the present term of circuit court. He was released earlier on $2000 bond.

Justice H. E. Paddock heard both cases.

"Permalube is 10 ways better

—the all-round long-lasting motor oil"

TO BE CLASSED as premium, a motor oil must have certain proved qualities designated by the American Petroleum Institute. In simple terms, a premium motor oil must be fortified against harmful changes during use—changes which cause varnish, sludge, and bearing corrosion.

When you buy Permalube, you get a motor oil that fully meets these requirements—and then goes out and beats them 10 ways! It's the all-round, long-lasting, premium-plus motor oil.

In the engine of your car, Permalube never quits. It's long on mileage and short on acid-forming tendency. It actually keeps your engine clean. It fights heat, it wards off wear and greatly lengthens engine life. It cuts oil consumption to the bone!

When you buy premium-price oil, why not get premium-plus quality?

STANDARD

PERMALUBE has these "premium-plus" qualities: 1. low oil consumption; 2. superior break-in ability; 3. maximum engine cleanliness; 4. minimum ring sticking; 5. increased effective filter life; 6. minimum combustion-chamber carbon; 7. protection against engine wear; 8. exceptional cold-engine performance; 9. good control of water sludge; 10. protection against foaming.

IT HAPPENED ON . . . .

BEAVER ISLAND

By Mrs. J. C. Hanley

Holy Week services were announced Sunday by Fr. Giles. Holy Thursday, Mass at 8 a. m. Holy Hour, 7 to 8 p. m. Good Friday. Mass of the Presanctified at 8 a .m Way of the Cross, 2:45 p. m. Holy Saturday, Mass at 7 a .m Easter Sunday, Masses at 8 and 10 a. m.

Election day on the Island placed in office two new Justices: Fred Spalding and Vernon LaFreniere.

Road Commissioner, an office dusted off and rejuvinated this election, was won by Pat LaFreniere. Pat made no pre-election promises, but since he's in, he's casting glances around for improvements.

Voters marked their ballots in two new election booths set up in the Parish Hall.

A certain truck owned by a local candidate had been put into use to transport voters to and from the polls on election day. During the afternoon, something went wrong with the starter, so Tom Gatliff was called into service.

Under the truck with his head as far up into the motor as possible, opposition forces saw a good chance to play a trick on Tom and at the same time slow down operations. Cautiously, the valves on the rear tires were loosened and BOOM! down went the truck and WHOOPS! up went Tom's head into a space too close for comfort. Getting Tom extricated took some maneuvering, according to Johnny Greene, who engineered the maneuver. Withal, Tom got the starter fixed, the tires refilled and said candidate won the election.

discovered they had company, a herd of ten deer. What a thrill! Lots of company will arrive in Charlevoix for the Easter holiday . . . Did you know that the Les Balls were formerly Upper Peninsula folks. Les hails from Calumet.

Sadie Faulkner is confined to her bed these days with a bad knee . . . Do you remember when Johnston's ice cream was tops around these parts and one could buy it for 25c a quart . . . If you think that Mrs. Otto Krueger is wearing a broader smile than usual, there is a good reason. There is a new grandchild, Peter LaVallee, down at Berkeley, Mich. Mrs. Krueger has been there for two weeks caring for the young man and his mother. Mr. Krueger drove down to bring her back home and incidentally to pass his approval on the young man. There are two other children in the LaVallee family . . . P. R. and Phoebe Ross are back home from Texas.

Mrs. H. R. Fowler has returned to her home here after spending the winter with her sister and brother-in-law, the Nat Burneys at Grosse Pointe Park . . . What a sad homecoming it will be for Mr. and Mrs. Russell Dundas when they get here from Florida and find that so much of their hard work of the past two years went up in smoke last Sunday morning when Grey Gables caught fire . . . George Hovey is sporting a new Ford this week.

Mr. and Mrs. E. Filatrault of Houghton Lake spent the week end with Mr. and Mrs. Bill Matzinger and Chuck Filiatrault . . . What a beautiful place the Argonne is fast becoming with its new interior . . . Mr. and Mrs. Robert Dickie who have been spending the winter in Farmington will visit in Mt. Carmel, Ill., and St. Louis, Mo., for a few days before returning to their home here . . . The Lowell Merica family will spend the Easter holiday in St. Louis . . . Mrs. Charles Robertson and two daughters, Sharon and Susan of Adrian, are visiting her mother, Mrs. Edward Heise, for a week.

Mrs. Margaret Novak is at the Charlevoix Hospital for observation. She was taken there Monday.

CARD OF THANKS

I wish to thank the St. Mary's Altar Society, friends, nelghbors and relatives for the visits, flowers, eandy, fruit, baked goods and cards. Also the hospital staff for the excellent eare during my recent illness.

News of folks, your neighbors and mine . . .but did you know that—

Easter has come and gone and with it a number of guests. Housewives were busy last week end getting the "ham and" ready for the big dinner . . . Mr. and Mrs. Dale Stafford of Detroit were here for the week end at their cabin on Lake Charlevoix . . . With thoughts of a good smelt run, many cottages were open all around the lake . . . Speaking of smelt, did you know that they can be served in many ways and if you are looking for variety in preparing them, write to the Bulletin Office, Department of Public Relations, Michigan State College at East Lansing and you will be rewarded by an attractive folder illustrated in color. Ask fnr Experiment Station Folder "Fish Recipes, Smelt."

Mrs. Alberf Edwards is planning in the naar future to go fo the annual ragional meeting of the Federated Garden Clubs at Grand Rapids. She is president of the Charlevoix Garden Club thls yaar . . . Personal nomination for one of the cleverost kitchens I have seen in some time is that of Margaret Schroeder . . . Mr. and Mrs. Otto Kane had as their week end guests their son, Bill and his friend, Bill Fletcher, of Ann Arbor . . . The Towe family spent Easter as guests of cousins who live on Otsego Laka near Gaylord.

In a letter from Will E. Hampton of Ann Arbor he sends his check for another year of The Courier and then adds: "In May it will be 59 years that I have been a reader of the paper and its predecessor by another name. I presume there may be someone else on your list who has paid for the paper longer, but doubt if anyone has been a more constant reader" . . . All of which brings up an important question: do you know of anyone who can break that record?

Guests for Easter at the home of Mr. and Mrs. Henry Ingalls for the holiday dinner were Mr. and Mrs. Ed Lakies, Mr. and Mrs. Harold Pearl, Mr. and Mrs. James Woodward, Mr. and Mrs. Lee Mason and children, Phyllis, Louis, Darlene and Theodore, Mr. and Mrs. J. M. Iogalls and son of Ellsworth . . . Guests at the home of Mr. and Mrs. Angus Fochtman for the week end were Mr and Mrs. F. Williamston.

The Frank Milwards are home from Texas and looking and feeling fine. They had a wonderful winter down in Harlingen and Mrs. Milward said they had planned on going on to Florida but they were so amazed by the good food they could get at such reasonable prices that it was one of the big things that kept them in Texas, plus the fact that they had no reservation in Florida.

Mr. and Mrs. John Schroeder had several couples in Saturday night at their home to square dance in their recreation room. Everyone was thoroughly enjoying himself, either dancing or watching others go through the antics of a set. Suddenly the dancing ceased when Carrie Sessions stumbled and fell, cracking a bone in her hip. She was taken to the hospital where she was x-rayed and made comfortable. It will be necessary for her to be confined to her bed for a few weeks.

The Pete McFarlands are home and really have a Florida tan . . . I have been looking at my dish drainer, since I have learned the many uses it can be put to in addition to the one for which it was orginially intended. One can gather flowers in it; use it as a garden basket to carry small tools seeds, bulbs. Seed packages and bulbs may be put in the silverware section; to invert over tender plants or small seedlings in the garden border as a protection against cats; to carry fruit jars to the cellar; to carry small washings to the line; to transport plants from window garden to sink when a shower bath is in order.

Did you ever see as many Easter outfits as were seen on the streets of Charlevoix Sunday? Had to look twice at some of my best friends . . . Don Feagan has a beautiful colored shot of Fisherman's Island that he took with one of the Charlevoix famous sunsets highlighting the Island as well as Lake Michigan. One does not even have to stretch his imagination to hear the sound of the waves beating against the shore . .

Band Leaves Tomorrow for Ann Arbor to Play in All-State Music Contest

The Charlevoix High School Band will leave by school buses Friday to participate in the State Band and Orchestra Festival being held this year in Ann Arbor.

Charlevoix earned the right to participate by receiving a I rating in the District Festival held at Petoskey in February.

There are eighteen class C bands eligible to participate, all having qualified with a I rating in a District Festival.

Charlevox is scheduled to appear at 11:10 a. m. Saturday in the auditorium of Ann Arbor high school. The band will play three numbers: the warm-up march, "Show Boy", by Huff, the number required of all class C bands: "Carnival of Roses" by Olivadoti; and the number selected by the band, "Two Moods" by Grundman .

These numbers will be judged by three of the outstanding band men in the United States. Following this, the band files down to the sight reading room to play two numbers it has never seen. This is done before another judge. Each of the judges rates the band in one of five div-

This Section Will Have Column In Downstate Papers

Charles E. Marentette, of Harbor Springs, has been retained to write a weekly tourist and travel column on the northern Michigan resort area for Federated Publications, Inc., of Battle Creek. The column will include reports from the Charlevoix area.

Federated publishes the Battle Creek Enquirer-News, the Grand Rapids Herald and the Lansing State Journal.

Marentette's column will appear in the Sunday editions of each of the three newspapers starting in mid-June and continuing through mid-September. It will deal exclusively with the resort area extending north to the Straits from Alpena and Traverse City. The column will be aimed at providing up-to-the-minnte reports on availability of accommodations, rates, area attractions, etc.

Marentette is a former downstate newspaperman and was in charge of two separate bureaus for The Associated Press. He is now publisher of the Northwestern Michigan Trav-O-Guide and a freelance writer.

Final Report Made On Uniform Fund

Annual Daughter Banquet Planned

The program for the annual Mother and Daughter banquet to be given at the Congregational church dining room on Wednesday evening, April 27, was completed by the program committee on Monday evening.

The mothers and daughters will enter a dining room decorated in a spring motif to a march played by Mrs. A. J. Stelter at the piano. Mrs. C. S. Webster will give the invocation.

Mrs. Clarence Heise will give the address of welcome and introduce the toastmistress, Mrs. Charles Bellinger. Colleen Reed will give the toast to the mothers and her mother, Mrs. J. K. Reed, will respond with a toast to the daughters. Group singing will also be included on the program.

Committees in charge of arrangements are: tickets, Mrs. Harold Withers, chairman, Mrs. C. H. Sternberg, Mrs. Lester Smith and Mrs. R. J. Nowland; program: Mrs. Sternberg, Mrs. Smith and Mrs. Charles Heise; kitchen: Mrs. Allen Campbell and Mrs. Lena Swanson, co-chairmen; dining room: Mrs. A. F. Novotny, chairman. The banquet is sponsored by the Margaret Parker circle of the Congregational church.

Peter Gaskin Hit In Eye by BB Shot

Peter Gaskin, 10-year old son of Mr. and Mrs. James Gaskins, is a patient at Little Traverse Hospital where he is being treated for an eye injury suffered late Monday when he was hit with a shot from a BB gun.

The accident occurred near Mt. McSanba where a group of boys had gone for an outing. While playing in the woods a shot from the gun struck young Peter in the eye. He was taken to the Charlevoix Hospital for treatment and later taken to Little Traverse.

His condition is reported as favorable.

Campbell & Supernaw Rearranging Store

Campbell & Supernaw's store is undergoing a fairly major overhaul.

The office at the southeast corner has been taken out and moved to the back room. The meat section will be moved over to that corner. The produce rack then will be shifted to the present meat section and the grocery display area made that much larger.

"We're sort of torn up now," say the partners, "but we'll be fixed much better before long."

Fishermen Fly Up to Go After Perch At Ironton

Four perch fisherman from downstate came up the quick way Thursday—and brought thair own fishing boat with them.

Thay came in a SaaBee Amphibien belonging to and flown by Ed Dameter of Saugafuck. Tha trip took an hour and 55 minutes. With him ware Arlo Slenfz of Kalamazoo, Ben Rutgers and Dutch Schurmann of Holland.

They landed at fronton, bought minnows and proceeded to tish from the plane's cabin, which opened out in front.

City Will Enter North Cavalcade

Charlevoix will be given an opportunity to tell the rest of Northwestern Michigan about itself—and to learn about the other places up here—on this area's first Good Will Cavalcade.

The Cavalcade will be May 25. It will consist of floats and cars from most or all of the cities and villages in Charlevoix, Otsego, Emmet and Cheboygan counties.

Its purpose is two fold. By making this joint effort, it is hoped that the four counties, whose interests are alike, will develop a united feeling. Also, the Cavalcade will show the rest what each town has to offer in the way of tourist and other attracions.

Plans for it were made Tuesday night when 35 representatives from eight of the nine towns concerned met at Gaylord. The date, May 25, was selected as being most satisfactory to the greatest number. Each place agreed to have at least one float and four cars.

The Cavalcade will leave Petoskey Fairgrounds at 9 a. m., go to Harbor Springs and then to Conway, north to Mackinaw, and back through Indian River, Vanderbilt, Gaylord, Boyne Falls, Boyne City, East Jordan and break up at Charlevoix.

Stops will he made in each of the larger places. Lunch will be eaten at Cheboygan. Each community will know in advance when the Cavalcade will be there and all citizens given a chance to see the parade.

S. E. Coleman is heading the plans for Charlevoix.

Citizens Cut Gifts to Red Cross; It Must Cut Services

For the first time in as long as the members of the local chapter can remember, Charlevox has failed the Red Cross.

The failure is that of the local residents inasmuch as the summer people have contributed as generously as they have always done in the past.

The Fund drive which was extended and ended April 15 indicated a net total of contributions amounting to $831.28, less than half of Charlevoix's quota—$1700.

It will be necessary to curtail seriously the Red Cross activities. Where as the County Chapter has furnished accredited Red Cross Life Guards for our beaches it will be impossible to do so this summer. The local Chapter must confirm and register anyone attending the Aquatic school at Ludington and only through their efforts can this credit he given.

Home service and Disaster Service along with aid to Veterans and those in the Armed Services will also be curtailed but the expenditure of the funds will be apportioned to these services.

When asked to explain why he thought the Fund drive had failed, Ralph Hamilton, County Chairman, stated "Fund drives that have been conducted in Charlevoix recently confused the public and the local Chapter thought that it would leave the decision with the citizens of Charlevoix if they wished the Red Cross to continue its humanitarian job. It can only be assumed that they desire curtailment."

Mrs. Al Durgan Passes In Flint

Word has been received here by Mrs. F. E. Cartier of the death in Flint Monday night of Mrs. Al Durgan.

Residents here for some 30 years the Durgans left Charlevoix about 15 years ago for Flint, Mrs. Cartier says. Surviving are Mr. Durgan, a son and two daughters.

Smelt CoOperate with Heavy Runs in Nearby Creeks

The best smelt dipping in the North right now seems to be at Lake Charlevoix.

Porter Creek at Advance, Stover and Inwood and Woods at Charlevoix, and Hortons at Hortons Bay are producing smelt in satisfactory quantities for most dippers.

Conservation officer Ed Starback says Boyne is not up to par, early dipping is a fizzle but the very late fishermen sometimes get good catches. Hortons has been good but he beheves it is about over. The Jordan River has not produced any exceptional catches.

At Advance, Archie Karlskin and his fellow patrollers held back the fishermen until the smelt were well started and the catches Saturday, Sunday, Monday and Tuesday nights were good.

At Charlevoix, the Rod & Gun Club members, with Bonnie Nickerson and Glenn Ingalls directing the work, did the same on Stover, Inwood and McGeagh.

Tuesday at midnight Nickerson says there was a good dip at Stover and Inwood produced fine catches both Monday and Tuesday.

The prizes offered by the Board of Commerce through the Rod and Gun Club are for the largest total dips in one evening. However, Ted Miller possibly has come up with the champion individual smelt. Tuesday night he netted a 10¼ incher at Stover.

Just about all the fishermen cooperated fully once the Derby plan was explained to them, President Nickerson says. Many from downstate were here, he adds. For instance Tuesday he met men from Lowell, Tawas and other Michigan cities.

There has been some criticism, mostly uninformed, of the role being played by the Rod & Gun Club members. Bonnie Nickerson, club president, says the facts are these:

The Derby was planned by the all county Charlevoix County Chambers of Commerce. This group after making the general plans, asked the sportsmen's clubs in the three towns to handle the local details. The Rod & Gun members agreed to do this.

These men neither made the rules nor planned the event. All they are doing is putting up signs, which are paid for by the county, patrolling the streams and try to help make the smelt dipping a greater attraction for the home folks and for those from away who contributed so largely to the income of Charlevoix.

Council Trees Planted by 27 Families

While the white man may have a fanciful legend concerning the Council Tree Ring on Greensky Hill, the Indians have another version, which they say is the truth.

It was Susan Ahgosa who came forth with the story.

"I know the white men have a story about the Council Trees and I believe it came from one of our women near Elk Rapids who told it as a legend to a writer many years ago. It is not true and we Indians are tired of that story."

And this is what really happened.

"In 1836 my husband's grandfather, who was Chief Ahgosa of the Ottawa tribe, went with some other chiefs from Indian River, Cheboygan and Petoskey to Washington. They made a treaty which gave Old Mission Point to us. Andrew Jackson was president at that time and we told him we didn't want to sell our land and he told us to make our reservation. We did at Old Mission.

"In 1838 Peter Doherty, a missionary, came from New York state to teach the Indians.

"The old medicine man said to Chief Ahgosa, 'You better accept this white man. I am getting old. The way I believe will be no good when the white man comes. Accept the teaching and the religion of the missionary. I am going in the spring with the first thunder. Don't bury me. Set me up against a tree and there will be no more medicine men in our tribe.'

"The medicine man died in the spring but he was buried.

"The Indians accepted the teaching of Doherty. He taught them how to build log houses and a chapel. Then a house was also built for him and a mission school.

"Pretty soon the white people came and took up the land. President Andrew Jackson didn't know what to make of it.

"Our people crossed over to Omena and built another school on 160 acres. It boarded boys and girls and gave them an education. My father was one of the pupils. Isahel Oliver's father and grandfather were other students. Ther-

This and That and The Other . . .

Gordon Freedman was curious as to what Congress would do about the Hoover report on saving billions of our taxpayers' money. He wrote to Cong. Charles E. Potter. In the answer, Cong. Potter said that Congress in creating the Hoover Commission gave the President authority to make the recommended changes simply by executive order. So now, with the way pointed out, it is up to President Truman whether or not he wants to have a more efficient government and save our money —or play politics.

Down in Detroit a Circuit Judge has ordered one of these new and efficient porcelain-and-steel houses torn down because it violates a 1925 building restriction, intended solely to bar inferior construction, which the modern home isn't.

A lot of our starry-eyed do-gooders are yelling for low cost housing at government expense. But when some private firm finds a way to build a better house for less money, the building trades find a way to block it. It might hurt profits and union membership.

Of all the proposals for a war memorial, the band and concert shell down by the lake sounds the best. Personally, I should hate to see good money invested in a traditional chunk of stone or metal. A living memorial, such as the band shell, can mean so much more, both for those who have gone and for those coming on.

True it might cost more. But before we give up the idea, let's find out how much and if we can do it.

20 Years of Service

Harry Hooker is no longer on the City Council. But it hardly seems fitting that his leaving that body should go completely unnoticed. Not after 20 years of faithful service to this community.

Folks who have never served on a city council do not realize what that job means. To those who worked at it as Harry Hooker did, it meant an average of one or two phone calls every day, calls which usually came when other work was in progress.

It meant being often late for meals. It meant complaints and requests. It meant investigating situations and helping get special jobs done. And above all, during the years it meant criticism and fault finding from those who wanted something that the Council could not grant.

All these things are true of Harry Hooker. They are equally true of every citizen who accepts an elective city post. Twenty years of such service and personal sacrifice certainly merit a thank-you from the community.

It's Strange But True

Down at Washington I ran into one of the strangest things I ever heard of. It's a federal bureau that is trying to kill itself off, commit suicide. The usual pattern, of course, is to get bigger and bigger.

Another strange thing about this agency is that it has the best answer to the threat of Communist growth in Latin America that I have heard of. In fact, it was the only one which seemed to go directly to the crux of the problem.

The agency is the Institute of Inter-American Affairs. Its aim is to help any of the other countries (which want such help) to improve the standard of living of the 90 percent of the population which is at the bottom. It works in three ways—health, food, education.

Its system is fairly simple. An offer of cooperation is made by our embassy. A country, say Bolivia for example, says it's interested in education. The education head of the Institute and the Bolivian Minister of Education draw up an agreement as to the general aims and financing. The Institute provides technical experts and experience and some money; Bolivia furnishes money and teachers.

The actual working out of the program is directed by an Institute staff member.

The general idea is to teach the teachers. The work is not the old conventional 3 R's and rote learning. The lessons have to do with gardening, sanitation, community life. Americans staff the normal schools at first but as rapidly as possible Bolivians take their places. Additional normal schools teaching the new methods are set up. Their graduates go to central schools where they in turn pass on the new ideas to teachers already in the field. Soon the new ideas are being applied right out in the little mountain villages.

The director, Dr. Willfred Mauck, told me of two typical cases.

In Peru he paid a wholly unexpected visit far back in the Andes. On a Saturday and Sunday, parents, children and even the village priest were making adobe bricks and working on the new school. Five year olds solemnly marched behind mamma carrying a brick atop their heads. It was the first thing which ever had inspired the whole community to a joint voluntary effort.

In Bolivia a community sent delegates to headquarters to ask for a school. The answer was no—there was no road by which supplies could be hauled in. Two months later the delegation was back with the same request. The answer again was no for the same reason. But, said the delegation, there is a road now. The community had built 50 miles of it fit for auto travel in two months. It got the school.

The program is doing three things. It is fighting Communism at the only level where the fight is effective—the common man and woman. It is beating it by showing that individual freedom can mean a better life than can the dictatorial state idea. And it is showing the Latin people that Uncle Sam is a friend and not a grasping yanqui colossus.

Milk, and Scenery

Despite Hollywood movies, there are a lot of folks in this country who drink other things than alcohol.

The YMCA Hotel at Chicago has just issued a summary of the year's business. It dispensed more than a quarter million pounds of fluid milk to its guests. Milk and cream in all forms totaled 127 tons.

WHY?

(Editor's note: The Michigan Survey is starting a series of bulletins, each with one question which it feels Michigan citizens are entitled to ask. Below is a digest of the first one.)

Dept. of Mental Health

State Mental Hospital costs rose:
1943-44 $ 9,381,992
1949-50 $25,267,110
or 169.3%.

Mental Hospital Employees:
1943-44 3673
1949-50 6849
or 91.7%.

Hospital Population increased:
1943-44 20,647
1949-50 24,117
only 10.8%

Cost of living index increased between 1943 and 1948 only 37.9%.

Why, the Survey asks, should costs and staff increase so much.

Speech, Hearing Institute Is Set for Next Month

The Traverse District Office of the Office of Vocational Rehabilitation will sponsor a Speech and Hearing Institute beginning on or about May 10 in the Petoskey High School.

Persons 16 years old or over and of work age (this includes farmers and housewives) who have any kind of a speech difficulty, a cleft palate, or who are either deaf or hard of hearing are eligible to apply for admission. Those who have hearing aids and do not find them satisfactory may also attend. Speech and hearing specialists from the Central Michigan College of Education will be there to give proper diagnoses and recommendations for treatment.

A physical examination and personal interview are required in order that specialists may better know the general medical condition of those attending. If you are unable to pay for these medical examinations, other arrangements may be made. You may secure the application form from your school or county nurse.

It is necessary that all application cards reach the Traverse City Office before April 22.

New Highway Law Would Appoint County Commissioners, Use Twp. Funds for Roads

The new highway bill which is before the state legislature would make a number of changes from the present, Angus Fechtman explained to the Kiwanis Club last Monday night.

Unlike many past laws, this new draft is the result of considerable study. After an 18 months study of Michigan's highway needs, the Good Road Foundation made a report to the state on its findings. This new measure is based on the recommendations made in that report, which was non-partisan.

Michigan highways would be divided into state and county systems. The state highway commission would have jurisdiction over the former.

The latter would be again divided between a county primary system and county local roads. Much of the present township roads would be classed as the latter. There would be no more township roads.

The law would set up a Motor Highway Fund. All gas, weight, diesel and motor carrier taxes would go into it. Of all these moneys, 44 percent would go to the state system: 37 percent to the counties and 19 to the cities and villages.

Three fourths of the money that goes to the counties would be for the county primary roads and one quarter for the local roads. But for all work done on these local roads, the townships have to match it dollar for dollar. As the law is drawn, the present sums which the state is turning back to the townships would have to be used for road purposes, and local taxes used to operate the township government.

County road commissioners under the new law would be appointed by the Board of Supervisors and not elected as now. The county commission would have to submit biennial reports and programs to the State highway commissioner who would have more control over local building and maintenance.

The weight tax would be boosted from 35 to 50 cents a hundred and the gas tax from 3 cents to 4.3 a gallon.

Potluck Is Postponed

The potluck supper planned by the members of St. Mary's Rosary Altar Society for their husbands on Thursday evening has been postponed until a later date.

Farm construction is expected to cost farmers 450 million in 1949 the Government estimates.

Church Initiates New Facilities

Maunday Thursday was celebrated at Christ Episcopal church by a candlelight service for which some 20 members of Petoskey's Emmanuel Church choir and congregation joined with the Charlevoix members.

Following the service light refreshments were served in the newly equipped and decorated basement of the church. Much has been accomplished by the efforts of Christ Church parishioners toward providing, in part, the facilities of a parish house within the church building.

A ping pong table and dart board have been provided for the youngsters, gas cook stove and new cupboards for use of the Women's Guild. Ladies of the Guild have personally covered 60 chairs with three coats of paint. Bill and Bob Carey did the general decorating of the basement; Leland Barker built the new cupboards.

Red Dane Breeders Hear Talks On Cattle, Program

A group of interested Red Dane cattle breeders met last Wednesday at Ellsworth to discuss the breeding and testing programs that are to be carried on.

Ed Rebman, Charlevoix county Agricultural agent, opened the meeting with remarks concerning the interest in the Red Dane cattle in this locality. He stated that a group of 15 farmers made a field trip to Harrisville to visit four Red Dane herds early this year. Later on an association was organized for both Charlevoix and Antrim counties.

A. C. Baltzer, Extension specialist in Dairying from Michigan State College, was the speaker for the evening. He discussed the history of the Red Dane in the United States and stated that Michigan is the only state which has definite program. He also explained the testing methods so that records may be kept on both mothers and daughters for registration purposes. After the talk he showed pictures of the Red Dane cattle and of the other bulls used in artificial insemination.

MY HOSPITAL BILL $137.44
BLUE CROSS COVERED IT IN FULL!
PLUS $220.00 TO THE DOCTOR

CASE #33-P49124-58

Mr. _____, Blue Cross Hospital and Surgical Plan subscriber, spent 54 days in hospital. Charges included semi-private room, operating room, laboratory, drugs and dressings, oxygen—total: $1372.44. Blue Cross Hospital Plan covered this in full. In addition, the Surgical Plan paid $220 for surgical services—a total of $1592.44 paid by Blue Cross.

Chances are 1 in 10 you will need hospital care this year

HOSPITAL costs have gone up—they are more than *double* what they were in 1941. And figures show that one out of every ten persons will go to the hospital in 1949. Doesn't it make good sense to protect yourself and your family now—when you can get protection for only a few cents a day.

Blue Cross—the hospitals' and doctors' own non-profit health care plans—your best protection at the lowest cost

The Blue Cross *Hospital Plan* pays for a broad range of service benefits (up to 120 days of hospital care) in any of the 172 participating hospitals in Michigan. NO CASH LIMIT on the benefits covered.

The Blue Cross *Medical-Surgical* Plans give added benefits . . . pay liberal amounts for operations . . . pay for your doctor's visits to the hospital. Low in cost—just a few cents a day.

Talk over with your employer how your company can provide this protection for you

Or ask your friends who are members of Blue Cross. Blue Cross is available to employed people *without physical examination* or health statement, through the group enrollment plan.

The United States has about three-fifths of the world's gold stock, 24 billion dollars worth.

A new plane designed by Douglas Aircraft will carry 50 thousand pounds 12 hundred miles.

Statistics show that passengers riding beside the driver suffer 82 percent of injuries in auto accidents.

Center Stage Will Give Plays Again

Charlevoix County again will have summer drama.

Center Stage '49 will present a season of stock plays during the vacation period at East Jordan as it did last year. Marilyn Lief and Bernice Loren once again will head the company. The plays will be given in the high school.

To help raise some needed money for the summer attraction, East Jordan is putting on a pancake supper April 27 at the I. O. O. F. Hall there. It will be from 5 to 7:30 p. m.

Resort Group Will Meet at Jordan

Officers of the West Michigan Tourist and Resort Association, and citizens interested in the tourist business, will meet at East Jordan May 12.

The meeting is planned so that all concerned can talk over problems and plans for the summer. It is for Charlevoix and Antrim counties.

Many Items Packed In Corner Stone of New Bethany Lutheran Church In Charlevoix

While Rev. H. F. Kraeh read the list of articles to be placed in the cornerstone of the new Bethany Lutheran Church, Steve Rabb held the copper box containing them. Mr. Rabb is chairman of the congregation. At the pastor's left are Rev. C. F. Boerger of Cheboygan, John Wolf, designer of the new church building, and E. J. Libka, treasurer of the congregation.

City Power Plant Is Getting Spring Painting, Fix Up

ployees. That saves money.

"It's just like this winter when we overhanled the 500 kilowatt Rathbun engine. George Smith, our chief engineer, directed the whole job, our regular men did all the work—new rings, regrind, even had Carl Kohler turn the cams. All we booght were new parts."

The sidewalls and ceiling of the main room have been painted cream. The lower 40 inches of the walls, the steel work, most of the floor and the engines themselves will be in two shades of gray. Also repainted will be the office and meter room. The job will require about 30 gallons of paint.

Outside, as soon as there is time, the crew will wash the streaks off the two big diesel fuel tanks which have the Charlevoix advertising on the ends.

One sizeable rewiring job is now being done and another has been completed. The new one is at Garfield and Sherman. There new poles, transformers and larger wires have been put up which will supply ample current for lights and stoves.

Also, a new street light is being placed at that corner.

The same thing already has been done along Division avenue and Petoskey street. There were complaints of low voltage. An added circuit was added, heavier wires put in and now there are no more complaints.

"We're lucky here. He have a 4000 volt system which for this size community is the most efficient. I've worked east and west in this country, and in six of 'em in Europe. There's a lot we need to do here but we're started right," Hill says.

Grange Offers $15,000 In Prizes for Essays On Soil Conservation

Mrs. Clyde Warner, Deputy Master of Michigan State Grange, today announced a nation-wide essay contest on "Conservation of Our Soil Resources" will be conducted by the National Grange and American Plant Food Council, beginning at once and ending June 15, with state and national prizes totaling $15,000 for young men and women through 20 years of age.

The contest is open to any young man or woman, regardless of Grange membership, who will not be more than 20 on June 15," Mrs. Warner explained, "but all entries in this area should be sent to the nearest Subordinate Grange for processing by June 15."

The following National and State prizes are offered by the American Plant Food Council.

National—first prize, a 1949 Buick Super, 4-door sedan; second prize, Chevrolet DeLuxe, 4-door sedan; third, $750 and fourth, $250.

State—first, $150; second, $75 and third, $50.

Entries must not exceed 800 words and will be judged on the basis of 55 points for effectiveness, 20 points for originality, 15 for practical application of subject matter and 10 for grammatical correctness.

Granges near Charlevoix are Maple Grove, Rock Elm, Marion Center and Barnard.

those from the health departments and the community who will act as resource persons and consultants in discussion groups. Among them will be Miss Gladys Griffith, Elementary Education Consultant of Central Michigan College; Dr. Clyde Campbell and Dr. Kenneth Nelson of the Institute of Counseling, Testing and Guidance; Miss Lorraine Shepard, Specialist in Elementary Education and Miss Alma Goetsch, specialist in Art Education, all of Michigan State College; Robert Gillespie, district Child Consultant, Department of Social Welfare.

Dr. A. F. Litzenberger, Mrs. Marion Rice, R. N., and Robert Coleman of the District Health Unit; Miss Katherine Warner, R. N., of Petoskey; Miss Mary Ecker, Emmet county Child Welfare agent; Karl Festerling, 4-H Club agent; Judge Floyd A. Supp of the Probate Court; Gordon Freedman, C. L. Johnson and J. W. Scoggin of Petoskey, as laymen who employ students or recent graduates.

For the first time special attention is being given to bus drivers, school lunch program managers and cooks. Trooper Don Downer of the Michigan State Police at Traverse City, will hold a special discussion group for bus drivers. Miss Emma Fero, Home Demonstration agent in this district, and Mrs. Helen Herren, of the Department of Home Economics at Central Michigan College will address those interested in the school lunch program.

The program will open with the talk by Miss Middlewood which will be followed by smaller discussion groups on special subjects. A final summarizing session will close the program.

The Institute is being arranged by Bruce Blanchard, Emmet county school commissioner, and Mrs. Walter Bergeon, Charlevoix county school commissioner. Attending will be school personnel from Petoskey, Harbor Springs, Pellston, Alanson, Boyne Falls, Boyne City, East Jordan and Charlevoix as well as rural and parochial school teachers in both counties. About 300 are expected for the institute.

Board Increases Insurance On Building, Books

Realizing what a lot of valuable property there is in the Court House, the Board of Supervisors last week boosted the insurance on the building and contents by $77,000.

This cost $2680 more in premiums, but the Board left that the danger—and the value of the records—made the extra investment essential.

A tentative hodget of $112,750 for the coming year also was approved. The final budget will be adopted in October; this one merely outlines what the Board thinks the various departments will cost to run, Clerk F. R. Bulow says.

Welfare with $25,000 is the chief item. $7000 is set aside for payments to state institutions, another form of relief. The Ironton Ferry is down for $3000.

A definite appropriation of $11,000 was made to the Road Commission. This is to match federal funds to be osed on secondary roads. If the county had not supplied the money, an equal amount would have been lost as far as Charlevoix county is concerned.

The Board also approved a request from the Boyne City Sportsman's Club to put dams on Porter and Deer Creeks to help the trout fishing. However, consent of affected property owners must first be obtained.

Timber is being consumed in America at one-and-one-half the rate of growth.

Rites Are Thursday for Charles Withers

Charles Withers, 62, Marion township farmer, died early Monday at the Little Traverse Hospital, Petoskey, after two years of ill health.

Funeral services will be held at the See Funeral Home at 2 p. m. Thursday with Rev. G. Russell Parker of Northport officiating. Burial will be in the Brookside cemetery.

Born in Marion township on March 13, 1887, Mr. Withers was married to Sophia LaLonde on June 8, 1915. He was a member of the Farm Bureau and the Marion Center and the State Grange. He had also served as township treasorer for two terms.

Besides his wife he is survived by two daughters, Mrs. Burwell (Christine) Meston of Bay City and Mrs. Lee (Frances) Sanhorn of Traverse City; three grandchildren, nephews and nieces.

Mrs. Aghosa Tells Story of Indian Council Trees

(Continued from page one)

ess Walker's folks were, too.

Have you ever seen the beautiful white church with the tall spire at Omena. It is a Presbyterian church Doherty built that and the Indians helped. Mr. Doherty was a very strict Presbyterian. He taught the Indians how to be good, not to play ball on Sunday.

From Bay Mills near the Soo came another missionary to act as an interpreter. He was Peter Greensky and he was a Methodist. He taught the Indians how to be happy. He held prayer meetings They were shooting meetings held in the houses of the Indians.

Finally 27 Indian families decided they would like to go to another location so that they could have the kind of religion that Mr. Greensky was giving them Those families came across the lake in canoes and landed at Oyster Bay. They looked about for a location and then started to build a church. This took several years.

A log house was built for Mr. Greensky and his wife Susan. Also the lake was named for her. She was a good woman. A clearing was made about the house and a tree was planted for each of the families that had come. These were tied back with basswood to make them crooked.

"To enable them to build the house and church some of the Indians went to the Governor in Detroit and asked for a plow, a team of oxen and a wagon. Oh, I remember the house built within the circle of trees very well.

"Greensky had brought people with him who were willing to come. With his religion there were no more Indian doings, no more pow pows. No treaties were made, either. The Indians were good Christians. There have been no council fires since that time."

State Engineer Approves Plans for Power House

Plans for the transformer house at the new bridge were approved last week when George Foster was here to confer with City Supt. A. G. Leitch.

Foster is chief of the highway department's bridge engineers.

The transformer house will be on the east side of the south approach abutment. Inside it will have the transformers for reducing the city's 2300 volt current to 220 for the four bridge motors.

The house will be 6 by 8 feet, of concrete and will be built into the bank, with its flat roof about level with the park lawn. All wires in and out of it will be carried through underground conduits.

SERVICE—A Boston, Mass., clothing merchant added a novel touch to his window display, recently, when he allowed strips of cloth to protrude through window slits so that passerbys could feel the fabrics from which his suits were made.

Rod and Gun Club Hears Report on Doe Law, Makes Plans to Develop New Club House Site

Deer damage, walleyed pike for Lake Charlevoix and a new clubhouse were among the many things discussed at the April meeting at the Rod & Gut Club.

Pres. Bonnie Nickerson told of of being down at Lansing and meeting at the Rod & Gun Club. partment men. The antlerless deer law that is coming up before the Legislature should be enacted, he says. Deer are doing great damage to farms in the area from Ellsworth south to Benzie county, and a short post-season season for does is needed to control the herds. Cherry orchards and bean crops have suffered the worst.

Doe permits would be given in limited numbers and the kill would be limited to those years when it is needed and to the numbers required to keep the deer herd at the right size. Farmers and conservation men, who know the problem first hand, are for the measure, he said. Nickerson also stated that Sen. Frank Andrews of this district was among those who helped kill the bill which wnuld have given the Conservation Department regulatory powers over such matters, a hill which conservation clubs on the whole approved.

Plans for developing the new property given the Rod & Gun Club by Mr. and Mrs. Robert W. Allen were discussed. These included a rifle range, completion of the skeet range and getting ready to build the new club house.

The club is presenting a certificate and life memberships to the Allens in appreciation of the help.

Don Swinton outlined some of the plans for the Michigan United Conservation Clubs convention which will he here June 16-19.

The club is investigating the possibility of getting wall eyed pike fry to plant in Lake Charlevoix to improve game fishing here. The fry likely would have to be obtained from Minnesota, President Nickerson said.

Bud Foster said that Fred Stencil of Cheboygan would be here May 5 to show pictures taken in Canada. This will be the regular May meeting Members may bring guests.

Suomelas Attend Rites for Mother in Hancock

Mr and Mrs. Uno Suomela and sons, Neil and Dale, spent the week end in Hancock where they attended the funeral services for Mrs. Suomela's mother, Mrs. Liisa Honkala, who had died April 12 in a Tacoma, Wash., hospital. Funeral services were held at the Memorial Chapel, Hancock, on Monday.

Stamp Needed by Trout Anglers

Thousands of Michigan trout fishermen preparing for the season opening April 30 should not overlook purchasing the $1 trout stamp and pasting it on their regular fishing license.

More than 1,400 stamps have been purchased so far this year. Total trout stamps issued in 1048 amounted to 166,733 according to the conservation department.

Resident and nonresident alike must have the stamp pasted on their fishing license, as the duck stamp is glued on the hunting license, when they get out on the trout lakes and streams April 30.

While fishing for brook, brown and rainbow trout every angler must have the stamp with him—with one exception. The wife of the licensed resident angler may fish for trout on her husband's stamp the same as she fishes for other species on her husband's license.

Chart, Bulletin On Lakes Are Ready

Two new government publications are available to boat owners.

Farm Topics

By ED REBMAN

DDT, Flies, and Dairy Farming

No doubt most of you have heard the news going around that DDT should no longer be used in dairy barns or on dairy cows because there is danger of getting it into the milk. Here's the information on the subject from Michigan State College.

As yet there is no case of human DDT poisoning. However, tests by specialists of the United States Department of Agriculture have shown that small quantities of DDT sometimes can he detected in milk following its use in dairy barns.

The college folks recommend that dairymen substitute the insecticide Methozychlor (Meth-oxy-Chlor,) for DDT in spraying inside dairy barns and on dairy cattle. Use 40 pounds of the 50 percent wettable methoxychlor to 100 gallons of water. Apply it to walls and ceilings in a coarse spray and avoid run-off. Repeat the treatment when flies become annoying. Make sure not to spray methoxyehlor on feeds, watering cups, or mangers.

Beautiful Lawns

By this time a good many people have given their lawns that early spring "shot" of fertilizer. That's fine, and we hope it is coming along in good shape. To keep it coming the same way you should give the lawn some more feeding throughaut the summer. A second application of fertilizer should be made about May 15 to June 1. Use about 20 pounds of milorganite for each 1000 square feet of lawn area. In case of shade-tree competition, apply ten pounds of milorganito per 1000 square feet every two weeks during the summer. The last application should be made about Sept. 1.

Thin-Shelled Eggs

Grading stations report as high as eight to ten percent of their egg receipts are discounted for thin shells during spring and summer months.

Since egg shells are made up mostly of calcium, make sure the birds are getting plenty of it. It can be furnished hy oyster shells which should be kept available at all times. Keep them near the mash so the hen's don't have to hunt for them. If they aren't eating enough, sprinkle a few on the mash every two of three days. Vitamin D is necessary to help hen use the calcium or oyster shell so watch the vitamin D content of the feed.

Fabers Are Leaving

Dr. and Mrs. Earl Faber are leaving Charlevoix Sunday. Dr Faber has been practicing for some weeks now at his new office in Greenville. They have a house awaiting them and will move this week. June Kirkwood will stay here with the Versal Seymours until school ends.

A Capella Choir from Alma to Give Concert Here Next Wednesday; Event Open to Public

The Alma College A Cappella Choir of 44 voices will appear at the Charlevoix high school auditorium Wednesday at 11 a. m.

This is one of the concerts scheduled on their annual spring tour. This program is being arranged through Mr. C. A. Odmark, director of music in the Charlevoix schools.

Prof Eugene F. Grove, head of the Music Department, is director of the choir, which is recognized as one of the outstanding musical groups among the colleges of Michigan.

Other appearances on this tour will include Detroit, Lapeer, Sandusky, Kalkaska, Petoskey, Harbor Springs, Rogers City, Alpena, Oscoda and Saginaw.

The concert is open to the public.

Fireworks at Lansing Says Rep. Anderson

There were some hot fireworks down at Lansing two weeks ago, according to a letter from Rep Louis Anderson.

The House had up for consideration a concurrent resolution which would ask Congress to call a convention to propose a new federal amendment This amendment would halt federal spending and taxing below its present level

Some of the Democratic representatives wanted to explain why they voted no on such a measure. First to speak was a first year member from Detroit, a woman. She got excited by her defense of New Deal spending and wound up by accusing those who supported the Michigan resolution of attempted gag rule, moral cowardice, plain cowardice and all being traitors.

That was a little too much for her colleagues to swallow. They glossed over the affair but the House had a hot afternoon, Rep. Anderson reports. The resolution was adopted, incidentally.

Pre-Retreat Dinner to Be At Traverse

The Northwestern Michigan Laymen's Retreat group will hold a pre-Retreat dinner meeting at the Park Place Hotel in Traverse City on April 27

At that time plans will be completed for the retreats to be held at Leland Lodge, Leland, on June 3-4-5 and June 5-6-7.

Rev. Fr. Kenneth Ward, C. P., will be the retreat master and Rev. Fr. Edwin Fochtman, O. F. M., retreat director.

To The Lowest Bidder

The Norwood Township Board will let to the lowest bidder, the job of painting both the exterior and interior of the Norwood Township Hall, located in the village of Norwood.

The bidder must agree to do the following things:

(1) Paint the interior of the Hall with one coat of a good grade of flat paint.
(2) Brush off all old loose paint from exterior of Hall.
(3) Renail all loose siding.
(4) Reputty windows where putty is gone.
(5) Paint the exterior of the Hall with two coats of a good grade of outside paint; color must be white.
(6) Furnish all materials and labor.

The Norwood Township Board Reserves the right to accept or reject all bids that come into their possession.

All bids must be filed with the Township Clerk, on or before the 2nd day of May, 1949.

IT HAPPENED ON . . . . BEAVER ISLAND

By Mrs. J. C. Hanley

On Beaver Island the Easter parade started early with practically all on the Island taking part. Destination—Holy Cross church to attend 8 a. m. Mass.

The altar of Holy Cross church was beautifully decorated with white snapdragons, ferns and Easter lilies, the work of the Dominican Nuns.

The day was fair, a bit on the frosty side, but not too chilly to sport fussy Easter bonnets and spring coats.

Easter week end brought a number of young folks home to join the family circle.

Motoring to Charlevoix and flying across via McPhillips Flying Service Saturday were Bertha McDonough, who came to visit her parents, Mr. and Mrs. Bill McDonough; Mr. and Mrs. Arthur Houston and sons, Ypsilanti, to visit Mr. and Mrs. Frank Nackerman: Rodney Nackerman, Pontiac, and Bill Houston were also in the party.

Burnie LaFreniere, who is employed in Detroit, returned to visit his mother and all the family.

Dorothy Stevens, Detroit, was a guest of the LaFreniere family.

Mr. and Mrs. Norman Gallagher and son were the guests of Mr. and Mrs. W. J. Gallagher.

Bob McCann arrived from Chicago to visit his parents, Mr. and Mrs. Roland McCann.

Roger Ricksgers, who is attending school in Big Rapids visited his father, John Ricksgers.

All the REA men who are working on the Island, returned to the mainland to be with their families for Easter.

One of the REA men, Devere Middleton, met with an accident during the week. The big toe on his right foot was badly injured when a pole fell on it. Dr. Palmer recommended an X-ray to determine the extent of the injury.

Wheels of industry are turning once more on the Island. Wojan's mill has started sawing and lumber piles are beginning to rise.

Yum yum! Beaver Island maple syrup is so delicious! Two ambitious teensters, Mary and Robert Bonner, tapped around 100 trees and collected enough sap to yield 14 gallons of maple syrup.

Archie LaFreniere, Sr.'s boats, touched up and ship-shape, are anchored in a neat row in front of his cabin, all set for business.

Checker Champion Charlie, that's what they called him. A week ago, Charlie "Harlem" Gallagher was crowned king of the Island's checker players. During the week, he was dethroned by Bill Pat McDonough—but the contest is still on. Watch for latest developments next week!

Saturday afternoon, a Coast Guard sea plane from Traverse City flew to the Island to take Dominic Gallagher to Chicago to be with his son, Andrew, and for medical treatment. Due to Dominic's serious illness, Andrew arrived on the Island Wednesday to accompany his father to Chicago.

The Island has been without a rainfall for several weeks. Conservation officer Carl Keubler reports the danger of forest fires is at a peak due to the dryness. Caution is asked all who are working in the wood.

Come spring, the baseball bug begins to bite and what a nip that insect can take! Island lads are ready victims and the fever is on. Bats and balls have come out of retirement and several games have been played between the Beaver Braves and the REA workmen.

Military Rites Held for Two War Veterans, Leonard Evers of Navy, Isaac Denemy of AAF

The bodies of two Charlevoix men who lost their lives in action during World War II are being returned here this week for final rites and burial.

They are Leonard R. Evers, 25, Seaman first class, who was killed in action on May 26, 1945, while serving aboard the minesweeper, USS Gayety, in the Pacific; and Tech. Sgt. Isaac W. Denemy, 32, radio operator and gunner on a B-17 stationed in England, who was killed on April 24, 1944, while on a mission over Germany.

Leonard R. Evers

Military funeral services for Seaman Evers were held at the See Funeral Home at 1 p. m. Wednesday with Rev. Gaylord D. Howell officiating. The Veterans of Foreign Wars were in charge of military rites. Burial was in the Brookside cemetery. The body had arrived from Fort Sheridan, Ill., at 3 p. m. Tuesday after being returned to this country from a military cemetery at Zamami Schima, Kerama Retta, Ryukyu Islands.

Born in Charlevoix on Nov. 3, 1919, he attended the Charlevoix high school and enlisted in the U. S. Navy on May 26, 1942. He received training at the U. S. N. T. C., Great Lakes, Ill., and at the Amphibious Base at Norfolk, Va., before leaving for sea duty in Nov., 1942. He returned in Oct., 1944, for a month's leave before leaving for a second tour of sea duty in Dec. 1944.

He is survived by his parents, Mr. and Mrs. Amandus Evers; a sister, Mrs. James W. Gallagher of the Soo, and one brother, Sgt. Stanley A. Evers, on duty with the U. S. Army Air Force in Germany.

Isaac W. Denemy

Military graveside services for Tech. Sgt. Denemy will be held at St. Mary's Catholic cemetery at 2 p. m. Saturday with Rev. Leo Malinowski officiating. Military rites will be in charge of the American Legion.

Mr. Denemy was born on Beaver Island on Sept. 27, 1912, and later lived at Harbor Springs before coming to Charlevoix where he attended the Charlevoix school. On July 11, 1932, he was married to Clara Loonsfoot and they made their home here and for a short time in Detroit where he enlisted in the U. S. Army Aid Force in November, 1942.

He received training at Scott Field, Ill., Shepard Field, Tex., and Salt Lake Cty, Utah, before leaving from Kearney, Neb. for duty in England on Feb. 26, 1944. Enroute to Europe his plane crashed at Quebec and he made the crossing by air on March 12, 1944.

He was killed on a mission over Germany when his plane was hit and crashed. Other members of the crew were taken prisoner. His body was returned here from a military cemetery in Belgium.

Besides his wife he is survived by two sons, William and John, who now reside in Petoskey and his mother, Mrs. Willam Duiker of Charlevoix.

State Says Gas Must Be Higher

Price of gasoline in Charlevoix County went up six-tenths of a cent Friday.

Cause was a survey made under the provisions of the Michigan Fair Trade law. The state hired a certified accountant firm which checked the cost of doing business in Emmet and Charlevoix counties. This was the first such survey made since the law was enacted in 1937.

The accountants found that the dealers must get a minimum of 5 cents per gallon, instead of the 4.4 cents margin they have been getting above wholesale. The dealers were instructed to advance the price by the state.

Current Costs Less Now, Old Power Bill Shows

Electricity costs less now than back in 1908. And the city council no longer "requires that the electric current be used with judgement and proper economy."

Last week Junior Supernaw brought to The Courier an old electric bill to L. Orlowski & Son, dated Sept. 1908. It was for 17 kwh. They cost $1.61. Today the same current would be $1.15.

The rates and rules were given on the back. Adopted April 1, 1900, they provided that current would cost 10 cents a kilowatt. If you bought $20 worth a month you got a 20 percent discount. If your bill was under $5, you got only 5 percent off.

Stores paid a flat 50 cents a month for every 16 candlepower lamp, and 25 for 8 candlepower ones. Lamps were furnished annual customers free.

Head of Kiwanis to Speak Here

Kiwanians here will be hosts to two state officers Friday night.

They will be the District Governor, Dr. C. M. Loesell of Ypsilanti; and Frank A. Stalger, secretary-treasurer of Port Huron. The dinner meeting will be in the Methodist church.

Dr. Loesell is head of the Natural Scenic Department at Michigan State Normal. In Kiwanis he promoted his home club's first

DR. C. M. LOESELL

Circus back in 1935, was vice-president and then president of the club and lieutenant governor of his district. Since then and previous to being elected head of Michigan Kiwanis he served on many state and international committees.

He also is a member of the Ypsilanti city council, chairman of the Board of Health, a Sunday School superintendent for 15 years, secretary of the National Student Loan Foundation, and for two years president of the American Federation of Lutheran Brotherhoods.

The Charlevoix club will resume its Monday meetings April 25 when the annual spring Ladies Night is held at Barnard. L. E. Towe will show colored pictures he took during his Navy cruise in the Caribbean.

31 Club to Stage Gay 90's Party

The 31 Club of Bay Shore plans to have a Gay Ninties Dance next Saturday at the Maple Grove Grange Hall.

Lloyd Cole, Jack Deschermeier, Jr., Alice Johnson and Janis Bailey are the committee making arrangements. Proceeds will be used for club sweaters and records.

The club held a regular meeting at the Murray school Wednesday night.

Sutton-Fochtman Engagement Announced

Albert Sutton of Lansing announces the engagement of his daughter Bonnie to Richard A. Fochtman, son of Mr. and Mrs. Angus L. Fochtman.

The wedding will take place this fall.

Beaver Island Will Seek Air School

The Beaver Island airport committee met April 15 with representatives of the Straits Air School to approve suggestions relating to airport facilities in order that the school may operate at the Island airport.

In order to have the approval of the State Department of Aeronautics, the committee agreed to supply the necessary buildings at the airport, telephone connections with the village.

In the past ten years, one thousand churches in New England have closed, the Portland Grangers' Convention was told.

The training program will be conducted by the Straits Air School of Mackinaw City. The school hopes to be able to start the actual flight instructions within the next week. The school will have planes available on the Island at all times for the convenience of the students. There will also be a 1948 Stinson Station wagon on the field for charter use to the mainland.

Among the first of the veterans to sign up under the GI Training Program are Lester Gallagher, Peter Gallagher, Archie LaFrenicre, Bene Connaghan, Robert Ricksgers.

News of folks, your neighbors and mine . . .but did you know that—

Spring is surely more than a state of mind in northern Michigan when daffodills are in full bloom, trees are budding and the arbutus is in bloom. Sunday the Archie Livingstons and the Ed Edwards hied themselves tn their favorite arbutus spot and there it was, waiting for someone to find it hidden down under the wet leaves.

You can imagine that Mrs. William Heering has forgotten all about her favorite hobby, that of collecting china cups and saucers. For she has a new interest in life right now. It's a new granddaughter. Last week Mr. Heering took her to Detroit to the Ronald Campbell home and Thursday little Chris Anne Campbell arrived. The Campbells have another child, a two year old son . . . .

Got a bang out of Judge Harold C. Kessinger of Ridgawood, N. J., when he recently said, "I wes born on Main Street, I lived there before it was paved, before Henry Ford motorized it, before Sincleir Lewis satirized it, before the labor unions orgenized it, before the chain stores standerdized it, and before the Federal Government subsidized it" . . .

Perch fishing is good' . . . Mr. and Mrs. Charles Hahn and children of Muskegon Heights arrived here Saturday bringing with them Mrs. Manie Fessenden who will spend the summer at her home at Littlewood. Mrs. Fessenden is especially happy that she has a new acquisition at Littlewood, a telephone.

The Tom Coxe family will be back from Scottsville, Ariz., early in May . . . Leelanau County folks were Sunday guests at the L. E. Towe home. They were Mr. and Mrs. Carl Nelson and daughter, Sylvia, Mr. and Mrs. Gerald Selby and two daughters, Mr. and Mrs. Tom Lathers, Mr. and Mrs. Ben Taylor and Mr. and Mrs. Adolph Rufli.

The Ben Browns are expected home soon from Florida . . . James T. Milliken of Traverse City hes just introduced a constitutional amendment in the senate at Lensing, proposing to meke terms of county elective officers four yeers insteed of two. If edopted by the legislature, you folks will be voting upon this emendment proposal at the November, 1950, election.

Speaking of Traverse City, plans have been made for the annual ritual of "Blessing of the Blossoms" ceremony, which will take place on May 15 at the Bowers Harbor orchard. The cherries should be in full bloom by then. Remember last year when several of us went from Charlevoix and spent most of the afternoon trying to find the place? Hint to the Chamber of Commerce: please mark the road better so that strangers can find the way.

Even though they did not get as high a rating as their band leader wished, we are still proud of our Charlevoix Band and we think they are tops . . . Have you seen the interior of Art's Dry Cleaning establishment? It has really gone all out and has a modern new front office that would be the envy of a big city shop . . .

Susan Aghosa gets her Reader's Digest via the Talking Book method. The articles are sent to her each month. Susan says she has to turn them off sometimes for the world conditions depress her. It's hard to realize when one lives in a sightless world that such conditions can exist. Some persons can find blessings even in their afflictions!

Mabel Goddard Elliott writes that she and her husband were in Washington, D. C., recently for a few days, just in time to see the cherry blossoms in full bloom. Had a grand trip . . .

Pythians Entertain Grand Chancellor, Neighbor Lodges

Pine Lake Lodge, Knights of Pythias, was host Monday night to William M. Swikert, Grand Chancellor of Michigan.

The lodges at Elk Rapids and Traverse City also were invited to send delegations to take part in this official visit.

Mr. Swikert, whose home is Otsego, spent the day in Charlevoix.

• Mr. and Mrs. William Butters returned Sunday from Coral Gobles, Fla., and are preparing to open Sunset Lodge for the summer.

Dentist Dad Tries New Theory On His Young Son

It isn't often e dentist gets a chence to try out something new for the first time right at home.

Last week the Dental School of the University of Michigan sent out a bulletin about youngsters' teeth. It seid that if one was knocked loose, the tooth might be saved by pushing it back in place and holding it there.

The next day Jimmie Young, son of Dr. and Mrs. Fred Young, bumped one of his teeth loose. Doctor did as recommended. The tooth is doing all right.

4-H Achievement Day Next Week

Some 350 4-H Club members will have their annual Achievement Day next Thursday at Boyne City.

The exhibits will be set up Wednesday afternoon. That evening at a supper at the Hotel Dilworth, E. A. Wenner, district extension supervisor, will speak and present pin awards to the leaders.

Thursday there will be a movie at 10:30 for the club members. The style review will be in the afternoon. Six Bay Shore boys will give an archery demonstration.

Beaver Island Loses Life Time Resident In Vesty McDonough

Sylvester McDonough, 77, pioneer resident of Beaver Island, died early Friday morning after an illness which extended over the past year.

Vesty, as he was known to all his friends, was born on the Island and with the exception of a few years, spent his entire life as a resident of Sand Bay. This past February, Mr. and Mrs. McDonough celebrated their fifty-first wedding anniversary. He was a member of the Third Order of St. Francis and the Holy Name Society of Holy Cross church.

Besides his wife, he is survived by two daughters, Mrs. Frank O'Donnell, Beaver Island, and Mrs. Charles Teter, Lake Forest, Ill.; three sons, Lloyd and Lawrence, Beaver Island and Robert of Petoskey; 14 grandchildren and one great grandchild.

Funeral services were Monday at Holy Cross church with Father Giles officiating. Pallbearers were his grandsons, Joseph and Bruce McDonough, Richard and Ronald O'Donnell and two nephews, Ray and Jack Cull. Glenn See was in charge of services.

Barnard Grange to See Pictures of U. S. Islands

Pictures in color of life on St. Thomas and Puerto Rico will be shown Friday night at the regular meeting of the Barnard Grange.

Mrs. W. J. McKay, Grange lecturer, will be in charge of the program. L. E. Towe will show the colored slides he took while in the Antilles. The program starts at 9 p. m. and ends at 9:30. Refreshments will be served afterwards.

Rod and Gun Club Plants 2000 Trees

Two thousand new red pine seedlings have been planted out at the new Rod and Gun Club property.

The year old trees were obtained from the Higgins Lake State Nursery through the Conservation Department. Sunday seven members went out and in some five hours set out 750. They were Leland and Bruce Barker, Glenn Ingalls, Bonnie Nickerson, Pete and Guy Scott and Harry Walstad.

Then Monday morning the Conservation Class at the High School had its annual tree planting trip and set out the balance. Pete Scott, Steve Parteka, Miles Russell and Glenn Ingalls had marked out the lines for the trees before the boys arrived.

Directing the planting were Ed Rehman, county agent, and Max Novak, teacher of the class. Also along were Ellsworth Besemer, Floyd Ayres and Wallace Kiefer of the Veteran Training program.

The area planted is at the south edge of the Club's tract and is a low-lying plot now covered with a stand of poplar which will supply needed shade.

New Bakery Is Nearly Ready for Opening

Charlevoix's new bakery may open this Saturday; if not ready by then the opening will be next week.

So announced Amuel Smith, the new owner who has leased and is equipping the Birnkrant building formerly occupied by Fales Department Store.

The bakery equipment all is here and most of it is installed. Chief item is the big automatic oven. Fired by bottled gas, instead of having a brick hearth, the baked goods are carried on trays which revolve. This means more even heat, Smith explains.

The owner himself has worked for the Ward Baking Co., in Chicago for years. Besides himself, he expects to have two or three experienced Chicago bakers here.

He plans to make a full line of breads and pastries at the start until he learns what folks here want, then he will concentrate on those items.

Bi-County Teacher Institute to Be Here This Friday

The Emmet-Charlevoix county teachers institute will open at the Charlevoix gymnasium at 9:45 a. m. Friday. Bruce Blanchard and Mrs. Walter Bergeon, Emmet and Charlevoix county school commissioners, have announced.

Max Damoth, president of the Charlevoix county M. E. A., and Francis I. McDowell, president of the Emmet county M. E. A. will preside at the various meetings and introduce the speakers.

The bus drivers have asked that their meeting with Trooper Don Downer of the Michigan State Police be held early in the day. This meeting has been called for 9 a. m.

The special session for school lunch room managers and cooks will be held at 2 p. m.

Nancy Kipke, Beverly Looze Named 1949 Valedictorian and Salutatorian

Nancy Kikpe — Beverly Looze

Nancy Rae Kipke has been named valedictorian and Beverly Looze salutatorian of the graduating class of Charlevoix high school, H. E. Bingham, high school principal, announced this week.

Miss Kipke, daughter of Mr. and Mrs. Ray L. Kipke, has maintained a record of A in every course through four years of high school.

Miss Looze, daughter of Mr. and Mrs. Fred J. Looze, has a record of 3.833 out of a possibble four points.

Both girls have been active in extracurricular affairs besides maintaining their scholastic records. Miss Kipke has played alto saxophone in Charlevoix's band for four years; served as class secretary during the freshman year and class president during the sophomore year; had leading roles in the junior play, "When I Was Green" and the senior play, "Mistakes at the Blakes"; was outstanding as a cheerleader for three years; was a member of the senior annual construction staff; and participated on many other class and school committees. She plans to enter the nursing profession.

Miss Looze has served as editor of the school paper, 'Crimson Flash', during the sophomore, junior and most of the senior years; was class president as a junior; was a leading character in the junior play "When I Was Green"; important member of the committees planning the J-Hop and was active on other class and school committees. She plans to enter elementary school work by attendance at Central Michigan College.

Other students of the Class of 1949 whose work enables them to be included among the first ten are Shirley Black, Sharon Butler, Shirley Cunningham, Sally King, Helen Light, Dale Mathews, Sally Swinton and Susanne Webster.

Bleha Is Elected President of City Board of Commerce

A member drive was planned at the first meeting of the newly elected Board of Commerce and plans made for the industrial survey at the second.

New officers also were elected at the first meeting a week ago. Charles Bleha is president and Richard Edwards vice-president. S. E. Coleman continues as secretary.

New committees named were:

Industrial: John Knight, Kit Carson, Robert Fochtman.

Membership: Cornelius Geiken, Kit Carson, Richard Edwards.

Business: Arthur Bergeon, Keith Wagner, Richard Edwards.

The member drive will be made to enlist all those who cater to or benefit from the tourist trade. The dues paid in will take care of local expense of the Board's work.

Garden Club Meets May 3

The Charlevoix Garden Club will meet on Tuesday with Mrs. Joe Foster. Originally scheduled for April 26, the date has been changed to next Tuesday. The meeting will be in the evening instead of the afternoon.

Tracksters Take Their Dual Meets

Coach S. E. Coleman's thinclads chalked up two more victories last week by scoring 87¾ points against Grayling on Wednesday while the visitors made 21¼ points. On Friday Harbor scored 42 points while the Rayders made 61.

In the Wednesday meet Charlevoix won 12 first places while Grayling had one, the mile which was one hy Jack Trudeau. The meet, run in a strong wind, showed no outstanding times and distances.

In the Friday meet with Harbor each won six first places with the visitors taking honors in 100 yard dash, 220, 440, 880, the mile and the low hurdles, while Charlevoix won the high hurdles and the relay and medley in the track events, the shotpput, high jump and the broad jump in the field events. The pole vault ended in a three-way tie with Parsons of Charlevoix and Moyer and Mulder of Harbor sharing the honors.

The next meet will be a dual battle at Petoskey this week.

Struthers' Work In Jamaica to Be Described, Shown

A first hand report on the work being done by Mr. and Mrs. Charles Struthers at Half Way Tree in Jamaica will be given Sunday night at the Church of God.

Telling what he saw on a visit there will he L. E. Towe, who visited Jamaica during his tour as an observer with the U. S. Navy. He also will show colored pictures he took while with Rev. and Mrs. Struthers.

Afterwards a movie, "Making the Church in Jamaica" will be shown. It visually tells how the Church started its missionary work in the Caribbean. The Third Missionary Chart will be presented.

The program, which is open to the public, starts at 7:30 p. m., instead of 8.

Barbershoppers Pick New Chapter Officers

Officers for the coming year were elected last Thursday night by the Charlevoix Barbershoppers.

John Grupa was unanimous choice for president succeeding Don Feagen. Harry Gregory was chosen vice-president and Jerry Scudder reelected secretary. To help him, L. E. Towe was voted in as assistant secretary.

The SPEBSQSA meets every other Thursday at the Sugar Bowl at 8:30.

Can Anyone Beat 11 Inch Smelt?

Can anyone beat an 11 inch smelt?

Thursday night Mrs. Getchell Campfield caught one that size out at the stream running through Camp Charlevoix.

Henrys On Wey North

A letter from Mrs. Dal Henry says the family left Florida Monday and was headed North. She adds "Jon is fine. She has been out of the hospital since March 20."

• Mr. and Mrs. Arthur Heilig and two children returned home Saturday from a ten days visit with relatives in Cincinnati and Dayton.

Summer Carnival Planned to Aid City's Hospital

A summer Carnival as a benefit for the Charlevoix Hospital will be put on during Venetian Night week end this July. Dean Davenport has agreed to direct it. Funds reised will be used for the Hospital Fund.

Charlevoix Fighters Win All Three of Their Matches

Charlevoix sent five boys to Traverse City last Wednesday to compete in the amateur fights there.

They came back with three victories, one no-decision in an exhibition bout, and one boy didn't fight.

Jerry Left was ruled out by the Traverse doctor, although Charlevoix physicians said they found no reason for this. Don Burke at 184 put on an exhibition fight with John Hopkins of Manistee, weighing 218 pounds and standing 6 feet three.

Winners in decision bouts were: Middleweight Pat Martin, 154, over Fred Thomas, 158, of Manistee.

Bruce Barker, 112, over Marvin Moldenhauer, 110, of Traverse City in the bantam class.

Louis Mason, 126, over Jerald Ballentine, 130, of Traverse City, featherweights.

Dancing at J-Hop to Start at 8:30 Saturday Evening

Dancing to the music of Lloyd Fiesel's Traverse City Trojans orchestra will begin at 8:30 Saturday evening as the annual J-Hop opens in the Charlevoix high school gymnasium which will be transformed into a seascape for the occaston.

Blue and white will be the colors featured in the decorations.

Cheboygan Team Will Play Sunday

The Charlevoix softball team will face Cheboygan here Sunday at 3 p. m.

The visitors will be the Center Tool team which knocked the Knight Owls out of the State Championship last year in the much-disputed 12-11 game.

Last Sunday in the opening game of the season played in football weather the Petoskey Cements edged Charlevoix 3-4. Paul Wager whiffed 15 of the locals, while Gallagher and Supernaw fanned ten. Charlevoix made 5 errors to Petoskey's 2. That about tells the story as the runs all were tainted except for Manville's last inning homer. Even that could have been held to a triple by faster fielding.

Norwood Local Will See Demonstration

The Norwood Local of the Farmers Union will hold the regular May meeting May 6 at the Local's hall on US-31.

It will start at 8:30. Following the business session, there will be an aluminum demonstration with the supper served by the demonstrators.

Eveline Purchases Interest In Truck

Charlevoix fire trucks will answer all calls from Eveline Township citizens on the west side of South Arm.

The Township has purchased an interest in the city truck to obtain this service.

City Will Make Full Survey of Factory Assets

Charlevoix will be having an industrial resources survey made this spring.

Its object will be to interest manufacturing concerns in putting a plant here by showing what Charlevoix has to offer.

Alderman John Knight twice this week explained how it works. The first was Monday night at City Council meeting; the second Wednesday night at the Board of Commerce session. At the latter, detailed plans were worked out for making the survey.

Alderman Knight got the plan from the state Bureau of Economic Development at Lansing, of which Don Weeks is director. The Bureau supplies the city with a outline of the information needed. There are fourteen sections, each covering some aspect of the community.

When this information is gathered and arranged, the completed survey is sent to Lansing. There the material is made available to any interested firm.

At the same time, the city can use the same material and do its own promotion, supplementing that of the state Bureau.

Knight said that other communities, with no greater advantages than Charlevoix, had found the plan works for them.

Council Okays Plans for Summer Softball League

Many miscellaneous matters took the attention of the City Council Monday night.

S. E. Coleman asked what were the wishes of the aldermen regarding the softball field and program for the summer. He was told that the Board of Commerce should take charge. This will mean changing the present night lighting poles, reconditioning the field, and hiring a supervisor to organize a city league and direct the summer schedule.

Nothing was said about how much the program would or could cost.

A petition signed by ten citizens asked the Council to close an alley or driveway extending from Hurlbut to Upright streets and 148 feet east of Grant. The Council will act next meeting, after looking over the alley.

The new Pontiac police car is expected to be ready within a week. It was bought upder the deal made last year with Walt Moore, whereby he supplies the city annually with a new car for the police, taking the old one in trade.

The Miller Boat Co., asked permission to build a 12 by 12 bait house. The application was turned over to the City Superintendent. The liquor and dance license of the Beach Hotel was renewed. Mayor Ray Hamilton said he would give the Council his list of appointees next meeting for their action.

Norwood Folks Turn Out for Annual Clean-Up Day At Cemetery

Some 25 residents of Norwood Township turned out Saturday despite the cold weather for the annual clean-up bee at the cemetery. They raked the entire plot, burned the leaves and trash, and had a potluck dinner served at noon at the Town Hall.

Carrying on a project started during the past days was the group shown above. Driving the tractor is Bob Holecheck. Handling the slip scraper is William Parsons. Ready with shovels are Will Alward and Floyd Wagner. Kibitizing at the left is Dale Parsons. The men were leveling the unused plot along the south fence so that grass there could be cut with a mower and the plot eventually used.

Here and There, This and That

It is to be sincerely regretted that a lot (in fact, most) of us Charlevoix businessmen forgot to put our flags out two days last week. Services were held Wednesday and Saturday for two of our war veterans, whose bodies were returned from foreign graves.

Sure, we're all busy, but putting our flags out is little enough for us to do to show our respect for the memories of those men, and our esteem for their families. With all of us, it merely was forgetfulness. But let's not forget in the future.

There's been some confusion over a bill now before the state legislature. The proposed measure would allow the Conservation Commission to charge fees for some services at state parks, and to build hotels or cabins where there is no chance of private individuals doing it.

When fully understood, I do not believe there can be much sound objection to either idea.

The fees would be charged for things like car parking. The idea is the same as that of a fare on the Trouton Ferry—let the folks who use the facility help carry the cost. The state is like Charlevoix county, it has been running behind on its public service. Either the money comes from the users or from users and non-users alike.

The hotel building program would be on a self-liquidating basis. It's the same plan the University and MSC have used for years with their dormitories. The buildings are put up where needed and the income pays for them. The taxpayer isn't out and the public has the cabin where otherwise we'd lack that much more attraction for the tourist.

The sucker season evidently is with us once more. I've met with two examples lately. First is the house to house roofing salesman. He has a good line of talk, but (as with one definite case I know here) his product doesn't measure up to his words. He's interested in collecting and getting out. You'll get a better deal locally—and if the product doesn't stand up at least you have the seller here where you can have the satisfaction of telling him about it.

The other was the old name racket. If you get a card saying your name recently appeared in a newspaper, and saying you will be sent the clipping for 25 or 50 cents, don't bite. These fake "clipping bureaus" (and they clip in two ways) find your name in some paper, write you and in return for the quarter, send you a postcard with the clipping pasted on. Likely you've already seen it.

How do I know about it? I bit about a dozen years ago.

New Sawdust Block Made Here Can be Nailed, Sawed; Lighter Than Concrete; Won't Burn

Something new is being produced by Clarence Rabach out at the N & R Concrete Products.

It's a block you can nail into, that can be sawed with a metal saw, that has a lot of insulating qualities, and doesn't weigh much. It's made of sawdust.

For five or six years, concrete men have been working on the problem of using something besides sand and gravel in cement blocks. They're heavy, don't insulate well, and will absorb moisture. But they do carry weight well, are low in cost and do not cost much to lay. The problem was to find someway to keep the good qualities and duck the poor.

About the same time several men came up with similar answers, using wood in some form. Wood, either as "wood wool" or sawdust, mixed all right in place of sand and was light, but the acids in the wood didn't agree with the chemicals in the cement.

Finally, chemists found that by adding a small amount of a certain compound, the wood's tannic acid would be neutralized and the concrete be all right, that chemical made possible the light weight cement block.

Old sawdust is used for several reasons, but chiefly because it gives a better block. Out at the N & R, the blocks are 70 percent sawdust. They are more of a tan shade than the ordinary concrete product. And they weigh 23 pounds instead of 40.

Due to the chemical action, the sawdust does not deteriorate. A sawdust block will last "a lifetime", in the words of one engineering report. It will not burn. It has six or eight times the heat insulation quality of a standard cement block. It blocks moisture seepage and even when dunked in water, absorbs moisture slowly. Because of this, plaster can be put directly on it.

Rabach says it is good for outside walls and for insulation of such things as walk-in refrigerators, milk houses and chicken houses. But he does not recommend it for basement walls. It still is too new; tests haven't been completed on how soil acids will affect it.

Potter Finds Folks Want Less Taxes, More Services

In March Cong. Charles E. Potter sent out a set of ten questions to folks in this district, to see what we citizens believe on current problems.

This week he sent The Courier a copy of the results.

WHY?

Each week the Michigan Survey, a citizen group keeping tab on how our government is run, sends out a question on some phase of state-affairs.

This one, the second, is on our prison system, called the Department of Adult Corrections. The Survey wants to know why there is such a great disparity between the costs and the work done:

Administrative and operating costs between 1044-45 and 1949-50 rose from $4,640,673 to $8,988,700. That's a

93.3% Increase.

Department employees increased during the same time from 1062 to 1,482. A

39.5 % Increase.

Convict population rose from 7,520 to 8,540.

13.4% Increase.

Cost of living gained only

35.8%.

MSC Alumni Meet at East Lansing June 3-5

East Lansing — An estimated 2,500 alumni of Michigan State College will "take over" the campus Saturday, June 4, when they return for the 1949 Alumni Day celebration.

The three-day program will begin with registration Friday afternoon in the Student Union building, and conclude with Commencement Sunday afternoon in Jenison fieldhouse.

Highlight of the Alumni Day will be the annual banquet of the Patriarchs Club, which this year honors the class of 1899 on its golden anniversary. Michigan State President John A. Hannah will preside at the affair, scheduled for Saturday noon.

Music Festival Met 8

East Lansing—Approximately 10,000 persons from Michigan and surrounding area are expected to attend the third annual Michigan State College Festival of Music to be held May 8, 9 and 10 on the East Lansing campus.

The chemical designation for the element plutonium, an ingredient of the atom bomb, is PU.

Rites Are Tuesday for Mrs. Durgan

Further details on the death of Mrs. Matilda Durgan, former Charlevoix resident have been supplied by Mrs. Glen Ellis of Petoskey.

Mrs. Durgan, wife of Albert Durgan, was 80 when she died at their home in Columbiaville. For 16 years they had lived here, where he ran a draying business. They left in 1911.

Surviving are Mr. Durgan; a son Guy of Detroit; two daughters, Mrs. Lillian Lambert of Flint and Mrs. Gertrude Hill of Flint, and six grandchildren. Mrs. James Gaskin, Sr., of Charlevoix and Mrs. Ellis attended the funeral Thursday at Columbiaville.

Deer Suffered No Winter Kill

Starvation losses of deer were practically nonexistent in any part of the state this winter.

The animals now are scattered over the entire summer range in the northern half of the lower peninsula, according to L. A. Davenport, regional game supervisor for the conservation department. There was some yarding of deer in the Gaylord and Vanderbilt areas, but little elsewhere in this half of the state. Davenport said the worst areas have been thoroughly searched and starvation losses were negligible.

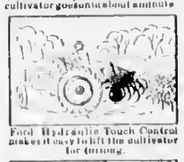
Now, here is a CULTIVATOR that really knocks out weeds

Dearborn FARM EQUIPMENT

With Ford Triple-Quick Attaching cultivator goes on in about a minute



Ford Hydraulic Touch Control makes it easy to lift the cultivator for turning.

Easily adjustable front axle steering guide permits accurate front steering.

Hydraulic Touch Control sets sweeps or shovels for uniform working depth.

Some folks say a cultivator ought to "let air into the soil," "help retain moisture" etc. We say you cultivate to get rid of weeds. The other things are important, but knocking out weeds is number one. And we'll show you the cultivator that does it.

What's more, this cultivator can be attached to the Ford Tractor in about a minute! Now, that is a big advantage . . . especially when changing from cultivating to mowing and back again. Time surely is money now.

Study the pictures! See how easy cultivating is with Ford Hydraulic Touch Control. Let us demonstrate this cultivator for you . . . Rigid or spring shanks.

This prescription can make a healthy nation sick

There is talk of giving the people more "security" by extending government control to medical care. It is nice talk — but it doesn't make for a nice future. Europe is full of tragic examples of people running to the government for security, only to find that the more it got, the sicker the nation became. Your doctor has nothing to lose from compulsory health insurance; he would have a guaranteed practice with guaranteed pay — and all the prerogatives of a bureaucratic life. But how about YOU — you, the person who pays with a shrunken take-home wage? Will you be better off — or worse? Get under all this "nice" talk, and see where you end up. Let your doctor give you the real facts about government controlled medicine so that you can weigh the ugly side of it as well as the sugar-coated promises.

How We Licked The Parking Problem

For a while it looked like we'd have to put up parking meters. Folks working in town—including some of the store owners—were taking up all of the space along Main Street.

Farmers coming in to shop never found a place to park, and sometimes had to hog stuff a half mile or so. Some started to do their buying in other towns. Finally, store owners and farmers had a get-together with the result that the empty field near the depot was fixed up for all-day parkers.

Now farmers get their shopping done comfortably, and the merchants have a better place to park than they had before. Just took a little friendly co-operation to make everybody happy.

From where I sit, most differences can be ironed out by just talking things over—maybe with a cup of coffee or glass of beer—and seeing the other person's side of it. Next time you have a problem or a little difference to settle, why not try just that?

IT HAPPENED ON . . . . BEAVER ISLAND

By Mrs. J. C. Hanley

No sooner had the ink dried on last week's news casting than a fire alarm in St. James alerted the entire community. The fire, started by a youngster playing camping in the vicinity of back beach, had gotten a good start before being discovered. Every able bodied man in the village rushed in assist in pulting out the flames which were rapidly traveling towards George Miller's cabin. Within a hour the fire was brought under control. About two acres were devastated, including several tall pines.

It's green-up time on the Island—and clean-up time, too. One is greeted with gratefulness—the other with—oh, well, it has to be done sn we might as well get at it.

Monday evening, the members of the Altar Society sponsored a dance and cake walk at the Parish Hall. Those who stond on the lucky numbers in the cake walk were: Mrs. George Ricksgers, Anthony Greene and Mary Catherine Hanley. The proceeds from this affair will go towards acquiring additional kitchen equipment in the hall.

Barney Mooney has started construction on a cabin for Martin W. Amos, superintendent nf the Indian Harbor Belt Railroad, Hammond, Ind.

Truman Ramsey flew to the mainland Tuesday on business.

Henry Allen visited the fsland during the week in the interest of the lumber projeet at camp No. 3.

The Dan Gallagher home was well lighted for the wedding reception of Peter and Dolores. Lines were run to their home during the week.

Additional Gf's who have signed up for the flying course are: Charles Kleinheintz, Joe Dillingham, Ted and Walter Wojan.

Mrs. Rolland McCann returned to Chicago with her son Bob, and was his guest for a few days.

Dominic Gallagher is a patient at the Marine Hospital in Chicago where he is under observation.

Mrs Gus Mielke has been ill during the past week.

Patrick Bonner is on the sick list.too.

Marcella Beatman returned to Detroit Saturday after eight weeks spenl with her mother, Mrs. Agnes O'Donnell.

Out of town relatives and friends who attended the funeral of Vesty McDonough were: Wes Roushorn, James Roushorn and daughter, Kay, Mrs. Alfred Paulson, Mrs. Mary Sendenburg, Thomas McDonough, all of Escanaba; Mrs. Edwin McCann and Mrs. Annie McCann, Charlevoix; Charles Teter, Lake Forest, Ill.; Mrs. Robert McDonough, Petoskey; Mrs. Erma Vorhies and Mrs. Harold Overmayer, Mishawaka, Ind.; Bob Bridge and Joe McPhillips.

Mr. and Mrs. Les Soergel and three sons, South Bend, visited her parents, Mr. and Mrs. Gus Mielke.

Bernard O'Donnell, Chicago, has been visiting bis parents, Mr. and Mrs. James O'Donnell. He left the Island the first of the week, accompanied by his mother who will visit her daughter, Mrs. Jack Boyle and other relatives.

Kraai-Gallagher Nuptials Celebrated At St. James

The marriage of Dolores Kraai daughter of Mr. and Mrs. Frank Kraai of Lansing, and Peter Gallagher, son of Mr. and Mrs. Dan Gallagher, Beaver Island, was solemnized Saturday morning at Holy Cross church, Father Giles O. F. M., officiating.

The bride, attired in a light tan tailored suit, white accessories and corsage of white carnations, entered with her father. They were met at the altar by the groom and his best man, Lester Gallagher.

The bride's only attendant, Charlotte McDonough, wore a pink dress suit featuring a box type coat with white accessories Her corsage was of white carnations.

The bride's mother, Mrs. Frank Kraai, was gowned in a pink street dress. Her accessories were white and she wore a corsage of white carnations.

Mrs. Dan Gallagher, mother of the groom, wore a blue dress with white accessories. Her corsage was of white carnations.

After the wedding, a reception was held at the home of the groom on Trail Road. In the evening, a dance in honor of the bride and groom was held in the Parish Hall.

Cong. Potter Urges Kiwanis District Meeting to Support Hoover Commission Plan

Above: Lieut-Gov. W. D. Wood presents gifts to secretary Frank Staiger and Kiwanis Governor C. M. Loesell.

Below: Kiwanis President G. B. Meggison introduces Cong. Charles E. Potter at the club's divisional banquet.

Kiwanians from five clubs in this division held their annual Division Dinner and meeting here last Friday with Rev. W. D. Wood, the lieutenant governor, in charge.

Guests of honor at the dinner in the evening were Dr. C. M. Loesell, Michigan Governor; Mayor Frank Staiger of Port Huron, state secretary; and Cong. Charles E. Potter of Cheboygan.

The dinner was served by the ladies of the Methodist church in the church basement.

Cong. Potter urged the Kiwanians to support the Hoover Commission's program. The plan as proposed, he said, will save the nation at least 3½ billions annually without the loss of a single essential service. As examples of the items uncovered by the Commission during its work, he said the Army claimed 25,000 tanks; only 16,000 could be found. The Navy was paying $68 for a certain engine part; it was shown the same item could be bought for $6.80.

The Hoover plan will end a lot of such waste. The House has passed a joint resolution which would give the president power to put into effect all the recommendations. This resolution is now before the Senate. Letters to both Senators and to Con. Potter will help enact the legislation. Once it is adopted, then President Truman can put the plan into effect and save money for the taxpayer.

Rev. Wood called on the past lieutenant governor of the division to rise. Then the presidents of each of the five clubs reported on what is being done by them. Mayor Staiger described the work done at the state office and Governor Loesell discussed the work of the clubs and what improvements can be accomplished this year.

Clubs represented were Sault Ste. Marie, Cheboygan, Rogers City, Petoskey and Charlevoix.

• Mr. and Mrs. Scott Wilson who wintered in Bradenton are expected back this week. Mr. Wilson will take up his duties as manager of the Belvedere Hotel.

New Balcony Is Added at Parkside

Seating 12 to 16, a new balcony has been added at the Parkside by the McFarlands.

It occupies what formerly was waste space above the kitchen on the south side, and is reached by a stairs from the main dining room. A big picture window there will allow diners to look out over the park and one corner of the lake.

For a Better America

In 53,000 rural communities, 3,000,000 members of farm women's Home Demonstration Clubs are studying better home making methods. Under the slogan that "Today's Home Builds Tomorrow's World," these women are working for a better America. On the occasion of National Home Demonstration Week (May 1-7), Kroger extends to these Home Demonstration Clubs its heartiest congratulations and good wishes.

Well, it looks at though Spring has come to stay, for a while at least, out here on our Pin Cherry Road. Flowers are blooming in the woodlots as well as the bright daffodils along the garden fence of Mrs. Price, Sr. It won't be long until mothers will be putting in their time finding vases for the bouquets the children run in with all day.

Mr. and Mrs. Clare White have had the pleasure of the company of their son-in-law and daughter, Mr. and Mrs. Earl Bacon of Detroit. They also have been visited by their daughter, Mrs. Jerry Kimball of Detroit and her two children.

On Friday, Mr. and Mrs. Thurlow McLellan visited the Frank Bakers.

Several people from this community attended the community supper held at the Presbyterian church at Bay Shore. A good crowd attended and after the supper the evening was spent in singing hymns. Mr. and Mrs. Bruce Green were presented with an electric coffee maker in appreciation of the electrical work done by Mr. Green for the church.

Mr. and Mrs. Al Leist entertained with a party at their home last Saturday night.

Saturday night was also the night of the Gay Nineties Dance put on by the 31 Club. Music was provided by the use of the Club's record player. There was quite a crowd.

Last Tuesday a good many people from here and Bay Shore attended the funeral services for Leonard Evers at Charlevoix.

Mr. and Mrs. Ed Davis of Bay Shore visited at the home of Mr. and Mrs. Perry Davis one day last week.

Mr. and Mrs. Bob Beatty spent Sunday at the home of Mr. and Don Cipher. Mrs. Beatty is Mr. Cipher's mother.

Sunday evening supper guests of Mr. and Mrs. Frank Baker were Mr. and Mrs. Charles Konkle of Petoskey.

Friday evening the 4-H exhibit and program at Bay Shore was well attended. Most of the neighbors here turned out for it and were certainly well entertained. The Club members had done a lot of work with plastic and had made several lamps and trays. The plastic work is rather difficult to do, especially for children as young as the Bay Shore Club members. A well planned program was put on by the school children and some clever plays were acted out. Bob Tripp played selections on the accordion. Karl Festerling gave a talk on the progress of 4-H work. At the close of the program lunch was served by the Club mothers.

Last Tuesday evening, Mrs. Fletcher Johnson and Diane and Butch of Petoskey called at the home of Mr. and Mrs. Dick Zipp.

Mrs. Marvel Hair of Traverse City visited over the week end with her parents, Mr. and Mrs. William Hair.

George Deschermeier visited at the home of Mr. and Mrs. A. G. Tillotson at Bay Shore one evening last week.

Mrs. Cummings Entertains at Party for Husband

Mrs. Lloyd Cummings entertained with a surprise party Saturday evening honoring Mr. Cummings' birthday anniversary. The evening was spent playing cards, followed by refreshments which included a birthday cake. Prizes were won by Mr. and Mrs. Ed Gregory, Mrs. John Fratrick, and Charles Dhaseleer. Sixteen guests were present.

Hostesses Give Party for Group of Friends

Mrs. Joe McPhillips and Mrs. Perry Smith, Jr., entertained a group of friends at the former's home Thursday evening. A social hour was followed by refreshments.

Anne Higman, who left Monday for a three weeks vacation trip to California, and Mrs. Robert Goss were presented with gifts from the group.

Other guests were Mrs. F. W. Young, Mrs. Gordon Bartlett, Mrs. Robert Kelley, Annabelle Cunningham, Mrs. Robert Heise and Mrs. Kirwin Mulligan of Pontiac.

Maxine Lewis Weds Eugene H. Bergmann

In an impressive ceremony solemnized at 3 o'clock Sunday, Faye Maxine Lewis, daughter of Mrs. Lola E. Lewis, became the bride of Eugene H. Bergmann, son of Mr. and Mrs. Fred Bergmann. Rev. Jackson E. Turner read the service before an altar decorated with baskets of pink and white snapdragons.

Preceding the ceremony Betty Potter sang "Because" accompanied by Mrs. A. J. Stetter who played the traditional wedding marches.

Escorted to the altar by her brother, Russell Lewis, the bride was attired in a white bengaline suit dress, navy accessories and a headdress of white carnations. She carried a colonial bouquet of the same flowers.

Bonnie Sutton, her only attendant, wore a pink suit dress and brown accessories. Her headdress and bouquet were of pink carnations.

Alfred Bergmann assisted his brother as best man and ushers were Charles Bergmann, another brother, and Richard Fochtman.

Mrs. Lewis selected a navy suit, white and navy accessories and a corsage of white carnations for her daughter's wedding. Mrs. Bergmann, mother of the bridegroom, wore a navy print dress, navy accessories and a corsage of pink carnations.

Immediately after the service a reception was held at the home of the bride's mother. The refreshment table, decorated with pink and white snapdragons, featured a three tiered wedding cake topped with pink roses.

The couple left on a wedding trip through the Upper Peninsula. For traveling the bride wore a navy suit and navy accessories. They will make their home at 807 Bridge street on their return.

Both are graduates of the Charlevoix high school and the bride attended Michigan State College.

Among those from out of town who were here for the wedding were Mr. and Mrs. William Weigand, Mr. and Mrs. Howard Reincke and daughter Orpha, Mr. and Mrs. Don Lee, and Mr. and Mrs. Raymond Groessar, all of Suttons Bay; Mrs. Leo Friend and daughter Marjorie of Harbor Springs; Mr. and Mrs. Luther Brintnall of Boyne City; Mr. and Mrs. Versal Shearer of Ann Arbor; Mr. and Mrs. Edwin Gregory, Mr. and Mrs. Sam Sanborn, Mr. and Mrs. Oscar Hinshaw, all of Traverse City; Mr. and Mrs. George Fairbotham of Grayling.

GREATLY ENLARGED MIDLAND PELLET

DR. PHELPS VOORHEES about 6 years ago began work on the problem of pelleting seeds. Typical of the amount of work and research that went into the process, over 7600 tests were made on the pelleting of sugar beet seeds alone. Today as an example of the success attained, large commercial growers in all sections of the country and the U. S. Department of Agriculture are planting thousands of acres of pelleted seeds. Now Rayl's makes these new seeds available at

Mr., Mrs. R. Martin Are Hurt In Crash

Richard Martin, 45, of Charlevoix and Beaver Island, is a patient at the Charlevoix Hospital.

He is recovering from serious injuries received in an accident at Bay Shore Sunday afternoon when he suffered a fractured pelvis and internal injuries.

The accident occurred when a car driven by George Sharrow of Charlevoix sideswiped a second car driven by Neiland Baker of Hayes township. The Sharrow car which was enroute to Petoskey, then went in the ditch and overturned several times.

Sharrow was held on a reckless driving charge and appeared before Justice H. E. Paddock on Monday. He was ordered to pay a $25 fine and $5 court cost.

• Richard Edwards, Albert Edwards and Herbert Edwards of Windsor, Canada, spent Monday with the Albert Edwards, leaving at midnight to return to Canada and their work the next morning.

Dickens Club Has Final Meeting

The grand finale of the club year of the Dickens Club was held last Thursday evening at one of the Bert Houston homes on Michigan avenue when aomo 55 persons sat down in the attractive dining room overlooking Lake Michigan for a cooperative dinner. Food making up a real old fashioned picnic was served.

Following the dinner the retiring president, Mrs. E. B. Bowman welcomed the husbands of the members who were the guests of the evening. Then she introduced the new president for next year, L. E. Towe spoke for a short time on his experiences in the Caribbean

GIRL SCOUT NEWS

The Charlevoix Girl Scout Board will meet at the City Hall on Monday. The camping committee will meet with the board at that time.

Annual Girl Scout meeting will be held on Friday. Program in which all scouts will participate will be announced next week.

Series of Parties Honor Two 84th Birthdays

Mrs. Ella Brenner, who observed her 84th birthday anniversary April 17 and Mrs. Nettie Huggard whose 84th birthday will be May 1 have been honored at several parties given for them during the last week.

On Tuesday the members of the Jolly Club honored them with a surprise handkerchief shower and party which included birthday cake.

On Wednesday evening the Carey-O'Brien Circle of which they are also members honored them at the regular meeting of the group. They were each presented with a plant, many cards and handkerchiefs.

On Saturday evening before her birthday Mrs. Brenner's family gathered for a party. Among those present were Mrs. Leonard Curtis, who came from Detroit for the occasion, Mrs. Irene Carey, Mr. and Mrs. Leo Carey, Mrs. Nettie Huggard, Mr. and Mrs. S. E. Coleman and Joe Hyland.

• Mr. and Mrs. Clair Webster were guests of Mr. and Mrs. Carroll Fiedler for dinner Sunday. Callers later at the Fiedler home included Mrs. Ilah McKay, Don Ecklund, Mr. and Mrs. John Funk, and Mr. and Mrs C. H. Leismer.

• Miss Florence Gibson has arrived from Detroit to make an indefinite stay with her parents Mr. and Mrs. William Gibson.

Customers' Corner

Many millions of housewives in several thousand communities have helped to build A&P by their patronage, their suggestions and yes, their complaints.

Through them we have learned much about what women like or dislike and have tried always to conduct our business accordingly.

You can do a great deal to help us improve our service to you by telling us what pleases you or displeases you in your daily contact with our stores and our people.

All of our employees would be glad if you would point out whenever we fail to meet your needs or to make your shopping pleasant and economical. Please write:

News of folks, your neighbors and mine . . ,but did you know that—

It's May, and the woods -out around Mc. McSauba were proclaiming their own private May Day Sunday when May flawers were in bloom everywhere . . . Mrs. Pete Joyce of Pantiac is spending two weeks with her parents, Mr. and Mrs. Orville Hiltan. Last week Hazel Murray and Mlldred Fratrick had a stork shower for Mrs. Joyce at the Barnard Grange Hall, at which time she received many gifts from her hometawn friends.

Did you realtze that this was such an important national week? It is "Be Kind to Animals Week", "Natianal Music Week" and "National Family Week" bumping right into next Sunday whlch ls Mother's Day. Think it is abaut time that we concentrate on Dad and praclaim a "Be Kind to Husbands Week" . . . Geargе Haggard spent Monday in Manistee.

Mr. and Mrs. J. H. George ere back home from Ft. Pierce, Fla., where they wlntered. "Some of the world's best fishing is et Ft. Pierce," said Mr. George, "all kinds of fish." On their return they came by Washington, D. C., Harrisburg, Pa., and on to Bridgeport, Conn. where Mrs. George's sister lives. The Georges drove down in their little truck with the decorating sign and Charlevoix the Beautiful on the sides. Mr. George seid thet more folks esked why the slogan for the town and he explained its location on the three lakes, etc. A risIng vota of thanks to the Geerges for acting as publicity folks for their home town.

It's a small world. Bernie Schrader was in The Caurier affice the other day and started asking questians about Vieques Island and a certain Lieut. Gen. K. E. Rockey. The person in question was one of the cammanding officers on the U. S. S. Taconic where the editar was abaard for six weeks. The reason Bernie was so well informed was that he was chauffer for Rockey for a year or so during his Marine hitch.

The Morey Hantas are here from New York and Florida where they have been during the winter, Mrs. Hanta arrived Saturday but Mr. Hanta has been here since early April getting the Olds-Anderson cotlage in readiness. "I do not like New York," he said. "ft is all right for a week or two, but, after seeing all the good shows, it is good place to leave."

Tulip time in Holland this year will be from May 18-21. It should be quite a sight. Dorlng the war years no tulips were planted and most af the famaus Tulip Lanes had died out by 1946. Now, again the planting goes on and the length of the lanes have been increased. City planting is supplemented by individual and eivic organizations. The largest recent mass planting has been of 50,000 bulbs on the spacious hospital grounds, the bulbs coming from The Netherlands.

Birthday congratulations to Mrs. N. R. Huggard and her brother, Grant Hammond, who celebrated their birthdays on Sundey. A dinner was givan in honor of them at the Hammond home with covers lald for ten persons. May 1 ls a red letter day in their familly with two birthdays and three wedding anniverseries on that date.

The Pete McFarlands are building a restaurant down at Deerfield Beach, near Pompano, Fla., which is the kind one dreams about. The restaurant with its two wings, more than 70 feet long, will he built eround a patio with its fountain and palm trees. On Highway 1, such a spot will surely attract plenty of tourist trade and be a mecca for Charlevoix folks enroute to Maimi and other points soath.

Folks coming back from Florida tell how beautiful Georgia is now with the pink and white dogwood in bloom, especially in the city of Atlanta.

Greg Shedko is driving a new Mercury these days, one of the kind with all the gadgets controlled with buttons. Son Warren initiated the car Saturday night by taking his partner to the J-Hop . . . It was a thrilling time for many a girl who attended the J-Hop in her first evening gown, and some of the strapless variety too . . . Fishermen. Fishermen, everywhere!

George Smith of Lansing was seen on Bridge Street Monday morning . . . Shutters are coming off many of the summar places end cleaning folks are.

Good Catches Reported as Trout Season Opens

Fair luck was reported by dozens of opening day fishermen who went out after trout Saturday morning.

Although most of the fishing was dane on the streams, the Barnard mill pand proved popular. Fixed up last summer with a new dam built by the Sportsman Club members, it was stocked last summer and fall.

Shown above in waders is J. C. Marshall who caught one rainbow. Out in the boat are Bill Fessenden, Charles Bleha and Tommy Fessenden. The oarsman is holding up the 16 inch rainbow he caught.

Also fishing there Saturday were Stewart Bost, Harry Powers, Nathan Boss, William Mayer, Bob Coleman, Robert Wexstaff and Carlton Smith. Powers brought in the best creel, seven rainbnw and one brown. The pand alsa is alive with suckers. About as many were caught as were trout. All of them were left an the hank.

Fessenden initiated the bass season by hooking a pound and a half fish. He threw it back.

One of the best opening day stories is about Archie Livingstan. He went out, caught five trout, came back, cleaned them, and fried them for Mrs. Livingston's and his breakfast.

Elmer Woodard did the unusual over at East Jordan. Fishing right at the mouth of the river he landed a fine steelhead and a rainbow.

Jim Bowman likely was the proudest boy in town Sunday noon. That morning he had gone out to Loeb's Creek and caught 14 brook trout, the largest two measuring ten inches. He had them for dinner Monday.

Tracksters Beat Petoskey, 72-36

The Rayders track and field team in a dual meet at Petoskey an Tuesday tallied 72 points with 10 first places while Petoskey captured 36 points and 3 firsts.

Jim Jolliffe placed first in the 100 and 220 yard dashes; Ran Cunningham the low hurdles; Ross Case, high jump; Charles Fairbanks, shatput; Greg Bryan, 440 yard dash; Fenn Welcheimer, 880 yard run; Dale Mathews, pale vault, and the relay and medley.

Petoskey placed first in the mile, broad jump and the high hurdles.

The Charlevoix team will participate in the Central Michigan Relay at Mt. Pleasant Saturday.

County Red Cross to Curtail Some of Its Services

The directors of the Charlevoix county chapter of the American Red Cross met in East Jordan Thursday evening to receive a report on the funds drive and to make plans for the 1949-50 program.

Loton Willson, campaign chairman, reported $3,435.76 was raised in the county. The county quota was $6,000.

The directors decided to continue disaster, veterans and servicemen's programs but to curtail other services. The chapter will continue to make arrangements for persons to attend the Aquatic school at Ludington but the community sponsoring the person must pay his expenses.

Mrs. Robert Davis, of Boyne ity, has resigned as secretary effective June 1 and Mrs. Claudia Nichols, also of Boyno City has resigned es a director.

Another meeting to continue with the plans has been called for Mey 20 et Boyne City.

Del Clow to Open Dairy Bar, Store

Charlevoix will be having a new dairy bar, its first, opening about June 1.

Del Clow has leased the store in the Krahnke building next to the post office. To be known as Del's Dairy Store, he plans to handle dairy products, picnic supplies, cheese and possibly a few baked goods.

Equipment will consist of a 30 foot counter, fountain, four booths and display cases.

Mr. Clow has owned stores in Ellsworth and Dearborn and for 20 years was with the Detroit Creamery.

Pomona Grange Will Meets at South Arm

The Charlevoix County Pomona Grange will meet at the South Arm Grange Hall Monday.

The business meeting is at 8:30 p. m. A program will be given by the young people of Resort Grange of Emmet County. There will be a potluck lunch following the progrem.

Mother, Father of Mrs. Wallace Die In Auto Accident

Mr. and Mrs. Louis Wallace were called to Sturgeon Bay, Wis., by the death of Mrs. Wallece's parents in an auto accident.

The accident occurred Thursday evening when the car, driven by Mr. Peters, was struck by a truck. Mrs. Peters was killed outright and Mr. Peters died Sunday of injuries received in the accident.

Double funeral services for the couple were held at the Catholic church in Sturgeon Bay on Wednesday.

Stella Kovar Joins Marines

ft's Private Kovar now—Stella has jeined the Marines.

She's now down at Parris fsland, S. C., for boot camp training. There she was one of 15 recruits chosen to etlend a specialists school teaching personnel administration. The course will lest 12 weeks. At the end she will become a Pfc.

When she and other Detroit recruits were sworn in, the ceremony was televised. She is the daughter of Mr. and Mrs. Thomas Kovar.

Catholic Women to Meet in Gaylord

The Gaylord deanery of the N. C. C. W. will hold its annual election of officers and spring meeting at St. Mary's school in Gaylord at 8 p. m., May 12, Mrs. Arthur Heilig, president of the organization has announced.

Members will be present from Boyne City, East Jordan, Charlevoix, Bellaire, Mencelona, Kalkaska, Grayling and Gaylord. A program and social hour with refreshments will follow the business meeting.

East Jordan Team to Be Here Sunday

Charlevoix's softball team will face East Jordan here at 4 p. m. Sunday.

The Cheboygan Center Tool team did not show up Sunday, due to the weather. Instead the game was against a team from the two Coast Guard tenders.

Traffic Expected to Roll Across New Span Soon

Traffic may be rolling across the new bridge in three or four weeks, weather permitting.

Several miscellaneous small jobs and a sizable one remain to be done, Among the farmer are:

Pouring of the concrete of the approach span on the north side. The south approach was poured two weeks ago.

Pouring of the retaining walls and walk to the new transformer house. The side walls of the house were finished last week and the roof slab this week. The three transformers for the bridge have been on hand snice last fall. They will be installed by the city and connected up as soon as the house is completed and the wiring into the control room is ready.

Finishing the pavement and sidewalks at each end of lhe bridge.

Pouring the conerete handrails at each end.

The major joh remaining is the painting of all the steel work. It will be started as soon as the north approach span is paured and likely will take abaut two weeks. The aluminum paint will be sprayed on.

When all these are completed, the construction machinery will be cleared away and traffic allowed to use the new bridge. No special ceremony is planned far that time by the city.

After all this is done, of course the clean-up job still remains. The big Leudtke scow and crane are expected in the last of the month, if all goes according to schedule on the main bridge.

The temporary pontaan bridge belongs to the state. The 120 foot span itself likely will be taken apart possibly inta three pieces for ease in handling. ft will be shipped away or stored until it is needed again. What will be done with the pontoon is not known.

Then the crane will be used to pull the piling of the temporary installation. After that the work of dismantling the wooden viaduct and hauling away the dirt fill will be done. Last job of all will be to clean up the park and reseed the lawn. Then the city will be loaking more like its usual self.

Mail Comes, Goes On New Schedule

Mail comes and goes these deys an a new schedule.

According to Peter Timmer it is:

Southbound train leaves at 10:15 a. m. for Grand Rapids. Mail closes at 9:15.

Star route leaves for Kelkaska and connects with Grand Rapids at 1:45 p. m. Mail closes at 1:15.

Northbound train leaves at 7:15 p. m. This goes to Petoskey and connects with southbound train for Bay City and Detroit. Mail closes at 6 p. m.

All mail arrives and is distributed by 10 a. m. except that from Petoskey and the north on the morning train.

Camp Charlevoix Enrollment Good

More horses will be added to the string at Camp Charlevoix this summer, Major Ken Smith said Tuesday.

He will be up again in two weeks with the first load and will stay a week at that time. Kendall Cummings, who was the camp's cowboy two years ago, will return again. He now has his master's degree from the University of Arizona.

The enrollment at the camp is good and about equal to last year's he said.

Girls to Register for Camp May 20

May 20 has been set for the deadline for registration for Girl Scout troop camp and Girl Scout day camp.

All Girl Scouts planning to attend either of the camps must register with their leaders or with Mrs. Leroy Allers for troop camp and Mrs. Robert Kelley for day camp before that date.

SPEB Chapter Meets Tonight

The regular meeting of the SPEBSQSA will be Thursday evening at 8:30 at the Sugar Bowl.

Four Generations of One Family Attend Banquet

Four generations were seated at one of the tables Wednesday night when the Mother-Daughter banquet was given at the Congregational church by the Margaret Parker circle. The four were Mrs. E. R. Jones of Norwood, Mrs. Clarence Heise, Dee-Ann Geneit and Mrs. Dan Geneit.

One hundred, forty-four persons were served with the tables being most attractive in spring colors and flowers.

Mrs. A. J. Stelter played the march for the persons to enter the dining room after which Mrs. C. S. Webster gave the invocation.

The address of welcome was given by Mrs. Clarence Heise. She introduced the toastmistress, Mrs. Charles Bellinger, who presided in her usual charming manner. Colleen Reed gave a poem, which was a toast to the mothers. Mrs. J. K. Reed, with her touch of humor, made the response. Group singing concluded the program.

Late Hours, Stuck Truck Cannot Stop Fishermen

Some folks sure like to go fishing.

Bud Gill and Les Weir are two of them. Bud's the genlel Ironton sklpper. Les is secretary-treesurer of the Ryder Coal Co., of Kalemezoo. Thursdey until midnight Les fished for perch at the Ironton pier until Bud finished running the ferry.

Then they started out, smelting in a truck. On the wey, they got stuck. It took until 2:30 to get the truck pried out and rolling. Then they sterted smelting. They came beck (But won't say when) with a bushel of fish.

Mission Work In Jamaica Described At Church Service

A description of the educatianal and missian work of Rev. and Mrs. Charles Struthers in Jamaica farmed much of the Sunday evening service at the Church of God.

Three reels of color film depicting the church work there were shown by Glenn Snyder with Mrs. John Funk telling ahout the scenes and persons. L. E. Towe also showed some pictures he took while on the island and told about Jamaica and its needs.

Health Head Gives Children's Report

Dr. A. F. Litzenburger, director of the health department serving the counties of Antrim, Charlevoix, Emmet, and Otsego, reports that 128 children from the area received treatment at the Central Michigan Children's Clinic at Treverse City, which is operated by the Children's Fund of Michigan.

In addition, 21 other children were referred to the Child Guidance Center at the Clinic. 134 pairs of glasses were provided for children in the district by the Program for the Correction of Visual Defects.

The Children's Fund dental program gave service to 1,108 children, who made 2,364 visits to the clinic. 979 teeth were extracted, 1,623 fillings inserted, and 3,934 miscellaneous operations performed.

Merchants Asked to Enter Car In North Cavalcade

Charlevoix husinessmen who want to tell their story to northwestern Michigan will have an apportunity May 25 through the Northern Michigan Gnod Will Cavalcade.

Plans for this were made by representatives of eight cammunities meeting at Gaylord last week. Its purpose will be to acquaint folks in Charlevoix, Otsego, Emmet and Cheboygan counties with what their own erea has to offer in the way of business and recreatian.

Charlevoix's Board of Cammerce is entering a float. Individual husinesses are asked to have cars, or floats, in the Cavalcade to help tell the story of Charlevoix.

The machines are to gather at Petoskey Fair Grounds at 8:30 a. m. on May 25 and form in line by 9. From there the route will be through Harbor Springs, Cheboygan, Gaylard, and end at Charlevoix late in the afternaon.

Frank Oleksy Finds Odd Curiosity In Belvedere Cottage

There's been a real curtosity in The Courier window since Tuesday.

Frank Oleksy found it at the Broun Cottage on the Belvedere. Once it was a squirrel which evidently had crawled into a hole above the fireplace during construction and was sealed in. The heat mummified it, the moths took off all the hair.

Band Plays At Gaylord Festival

Wednesday the school band was in Gaylord playing at the annual Northern Michigan festival.

At the morning session, the group played two numbers, then marched in a parede through the busines section. Leonard V. Meretta of Western State College was adjudicator. In the evening he directed the concert of the massed bands.

Hurt When Wheel Locks

Mrs. Harold Clark and her daughter, Betty, teacher at Hortons Bay, were in the Charlevoix Hospital Wednesday morning with severe lacerations. Coming into town about 8 a. m., a front wheel of their car locked when coming down the hill beyond the cemetery.

Underwater Radar Installed On Tug

The first electronic fathometer on a commercial fishing boat in this section was installed here Saturday by the Hamilton Boat Yard.

It was on the Major, owned by Nelson Brothers of Northport. Robert Hamilton did the work. The little $800 contraption bounces high frequency electronic impulses off the lake bottom and by means of a flasher light shows how many fathoms down it is. fn effect, the device is a underwater radar that works vertically.

Summer Carnival Will Raise Funds for New Hospital

Purpose and general plans for the big Summer Carnival to be sponsored by the Charlevoix Hospital are outlined in a letter being sent out by the Board.

Signed by H. A. Craig, Board president, the letter is being sent to all organizations in the community. It says:

"The Charlevoix Hospital Board has unanimously voted to undertake a most unusual project this summer for the purpose of helping to raise funds for the construction of a new hospital.

"This first project is going to be a great two-day outdoor Carnival, to be held on the weekend of July 30-31.

"Since it is impossible for the Board to devote the necessary time to make this project a success, we have appointed Dean Davenport as chairman to coordinate all community efforts. It is our hope that this step will be a starting point that will snowball into a tremendous movement on the part of the entire community in order that we may realize our goal at the earliest possible date.

"The Carnival will culminate with the Venetian Night Parade on Sunday evening, July 31.

"It is important that every group in the area take part in this project and we respectfully request that your organizatian appoint a person to represent your group. A general meeting will be held on Thursday, May 19 at the Community Room in the City Hall in Charlevoix."

Report From the Front Lines

Last March the Board of Commerce received a letter which could well have received considerable publicity. It was from the Foster Boat Co., and was about Capt. Joe Howard. It told of the work Joe did at the winter boat show. Here are some sentences from it:

"We who watched Joe function as Charlevoix's 'Ambassador of Good Will' at the Chicago Boat Show feel . . . Charlevoix is fortunate to have so capable a representative."

At a show of this kind the "hours are long, the floor is hard, and one has to meet a ceaseless flow of all kinds of people and try to answer a bewildering assortment of questions. Joe was right on the job, appearing to enjoy every minute of it.

"It was surprising the number of folks who came down to the show expressly to see Joe and talk about Charlevoix. A lot brought along their friends . . . No other resort area enjoyed representation anywhere nearly as effective as Charlevoix.

"In St. Louis . . . many people stopped to ask about Joe, who has certainly made and held hundreds of friends for Charlevoix."

The Rule Benefits the Public

It may be the weather, and it might be the new work-to-eat rule, but the relief load of Charlevoix County has taken a sudden drop. The rule was adopted a couple of weeks ago.

During January, February and March the average case load was 146. On April 23 it was 75. According to Roy Gregory, most of those 97 are old folks, those needing suppementary ADC help, or similar cases.

Only two were able-bodied individuals and they both were working earning the groceries supplied by county funds doing some public work.

"The new system's working fine," saye Mr. Gregory. "So far I haven't heard one objection to it."

One thing is certain. We taxpayers are not going to squawk at the idea of the county saving money by insisting that men and women able to work do so if they want to eat. That same rule applies to the rest of us.

Meet Your Michigan

WHY?

This week the Michigan Survey, a citizen group studying Michigan's government, asks why our public Welfare Service costs have gone up faster than have the cost of living or the case load. The figures are:

Administrative and operating costs, all state welfare agencies,
1944-45 ..... $4,100,682
1049-50 ..... $7,137,254
73.7% increase

Old Age Assistance, Aid to Dependent Children, Aid to Blind,
1944-45 ..... $2,133,384
1949-50 ..... $3,380,226
58.4 % increase

Cost of living increased only **35.8%**

Number of persons served
1944-45 102,054
1949-50 121,750
19.3% increase

The costs in the first two items are for administrative and operating costs only; they do not include amounts paid to recipients.

Spring's Here — Work On Boats Is Sure Proof

Spring has certainly taken hold in Charlevoix.

Real, genuine Spring. In a few gardens, daffodils have opened up. The park and lawns try to look green in spite of the unseasonable drouth. Windows are washed and lawns slicked up. The city street gang has swept the winter's accumulation of sand and gravel off the pavements and sidewalks.

But down along Round Lake the sure signs have developed. Max Scamehorn, Pete Bennett, and Ward Brothers all have had their fleets of row boats out and ready for the perch fishermen. On good biting days the lake has had clusters of 25 and 30 boats anchored over the good fishing holes night and morning.

Canvas covers are beginning to come off the yachts at Ray Hamilton's boat yard and the men there got several hulls repainted during the sunny days.

The Conservation Department's Patrol Boat No. 1 was tied up at the foot of Mason street. There a lot of bow planking has been replaced and the complete repainting job started.

The crew of the steel Patrol No. 2 also has painted and been working on the net lifting machinery being permanently installed on deck this season.

Spiritualist Temple Will Be Dedicated Here Next Sunday

The Christian Memorial Spiritualist Temple, 216 Antrim St., will be dedicated at services to be held May 8.

Rev. Flossie McColm of Beaverton is here to assist in the organization, the dedication and the presentation of the charter to the Charlevoix church, the fiftieth in the state. Vice president of the Snowflake camp and a veteran of 40 years service in the church, Rev. McColm will remain as pastor until one can be appointed.

The dedication service will be held at the new church room at 10:30 a. m. At noon a dinner will be served at the IOOF Hall. Services will convene at 2:30 p. m. with a special service at 4:00 p. m. A mass meeting at 7:30 p. m. will close the activities. At 5:30 p. m. a potluck supper will be held at the IOOF Hall. Meals will he under the supervision of the Golden Link Auxiliary. Lectures, sermons, vocal and instrumental numbers will be featured at the services.

Among those from out of town who are expected to assist in the dedication are Rev. George Jewett of Grand Ledge, president of the I. S. A. P.; Rev. Myrtle DeBoe of Grand Rapids; Dr. Lon and Dr. Madge Hunt of Dowagiac; Rev. Grace Monk of Plainwell; Rollo Johnson, lecturer of Central Lake; Rev. and Mrs. L. B. Winney, Jackson musicians; Mr. and Mrs. Harry Smith of Cadillac, who will also participate in the musical program.

The new church room is in the home of Joe Gornell, president of the local church, who has dedicated his home to the new church.

Esther Kay Marries; to Live In Caracas

The marriage of Miss Esther Kay to Anthony Deltnfo of East Greenwich, R. I., and Caracas, Venezuela, at Miami Beach, Fla., on April 25, is being announced by her brother-in-law and sister, Mr. and Mrs. Don Swinton of this city.

After a wedding trip to Barbados the couple will return to Caracas to make their home. Both are employed by the Texas Petroleum Co. The bride has been in South America since August, 1948.

Three Others Helped

Four men built the new cupboards at the Episcopal church, it seems. Besides Leland Barker, whose name alone was reported to The Courier last week, Tom Carey, A. C. Mort and Mike Hamlin helped.

Here's protection that never quits-

Permalube is 10 ways better*

• In the engine of your car, Permalube never quits. It's long on mileage and short on acid-forming tendency. It actually keeps your engine clean. It fights heat; it wards off wear and greatly lengthens engine life. It's the all-round, long-lasting, premium-plus motor oil.

To be classed as premium, a motor oil must have certain proved qualities named by the American Petroleum Institute.

In simple terms, a premium motor oil must be fortified against harmful changes during use—changes which cause varnish, sludge, and bearing corrosion.

When you buy Permalube, you get a motor oil that fully meets these requirements—and then goes out and beats them 10 ways!

At today's high level of motor-car values, your car needs all the protection it can get. When you buy premium-price oil, why not get premium-plus quality?

*PERMALUBE has these "premium-plus" qualities: 1. low oil consumption; 2. protection against engine wear; 3. maximum engine cleanliness; 4. minimum ring sticking; 5. minimum combustion-chamber carbon; 6. increased effective filter life; 7. superior break-in ability; 8. exceptional cold-engine performance; 9. good control of water sludge; 10. protection against foaming.

Funeral Services Held at Barnard for Mrs. Matchett

Funeral services for Mrs. Barbara Matchett, 63, wife of Robert Matchett, were held at the Barnard Methodist church at 2 p. m. Tuesday with Rev. Howard Moore of East Jordan officiating.

Burial was in the Barnard cemetery. She died Saturday evening at the Charlevoix Hospital where she had been a patient for nine days. She had been in ill health for several years.

Born near Grand Rapids on March 2, 1886, the former Barbara Kemp was married to Mr. Matchett on April 16, 1908 and came here to make her home. The couple resided in Marion township until five years ago when they moved to Charlevoix. She was a member of the Barnard Methodist church.

Besides her husband she is survived by two daughters, Mrs. Vernard Hurd of Jackson and Mrs. Lee Shapton of Lansing; a son Sanford of Charlevoix; seven grandchildren; one brother, Fred Kemp of Tacoma, Wash., and two sisters, Mrs. Marie Heal of Grand Rapids and Mrs. Ruth Hackmuth of Clare.

Up to the time of her illness, Mrs. Matchett was known among her neighbors for her ready willingness to help whenever sickness or other trouble came.

Rites Held In West for Charles Struthers

Funeral services for Charles W. Struthers, 78, former Charlevoix resident who has lived in the West for more than 50 years, were held at the Pegg Mortuary, Beaverton, Ore., at 2:30 p. m. Tuesday. Mr. Struthers died Saturday at his home at Allow, Ore.

Born in Charlevoix, he was educated in the rural schools and later at the Valparaiso, Ind., Business School. At the age of 21 he went West on a bicycle and settled in Portland, Ore. He later operated a large ranch near Beaverton. He retired recently and moved to Allow. He returned here for a visit, his last one being the summer of 1945 when he spent several weeks in Charlevoix.

He is survived by his wife, Zella of Allow; two daughters and a son of Portland; a sister, Mrs. Viola Peterson of Portland and two brothers, John and Andrew of Charlevoix.

104 Guests Attend Birthday Dinner at Methodist Church

One hundred, four persons sat down to a birthday dinner Thursday night at the Methodist church parlors. It was sponsored by the B. P. M. Circle, Mrs. Joe Arvilla, chairman.

Each table was cleverly decorated to represent a month in the year. There were two hostesses at each table. They were: January, Laura Chew and Lila Arvilla; February, Marguerite Ikens and Ella Sweet; March, Freda Stewart, Helen Belding; April Arlene Davis, Marie Rabach; May, Ilene Edwards, Helen Meggison; June, Betty Howell, Marian Broussard; July, Barbara White, Ruth Schwab; August, Margaret Schroeder, Mildred Jones; September, Shirley Stokan, Opal Ingalls; October, Holly VerWys, Mede Gregory; Novemher, Lillian Crump, Betty Burns; December, Marguerite Williams, Madeline Heise; Leap Year, Mrs. Hazel MacMillan.

Mrs. Harry Foster, Mrs. Florine Stelter and Mrs. Abby Lewis acted as judges and found it a real task.

Finally the September table of Mrs. Ingalls and Mrs. Stokan was awarded first place, the second place going to the February table of Mrs. Ikens and Mrs. Sweet.

Two members of the circle had birthdays which were properly acknowledged with the traditional birthday song. The women were Laura Heise and Laura Chew.

Following the chop suey supper there was group singing, a quartet number by Roger Sweet, Beverly Trimble, Donna Evarts and Velma May. The concluding number was a flute solo by Mrs. Marian Broussard with Mrs. Betty Burns at the piano.

Gets Teaching Position

Linda Bowman has realized a two year ambition. At Albion College she has majored in speech work and dramatics. She wanted to teach in those fields but was afraid she might not be able to find a place. Last week her folks, Mr. and Mrs. E. B. Bowman, received word she has signed a contract to teach speech and dramatics next year at the Mt. Clemens High School. She will graduate June 6.

St. James Seniors Feted at Banquet

The graduates of St. James school, Beaver Island, will be honored with a banquet on Thursday in the Parish Hall.

Besides the seniors, guests will include the parents of the graduates, Father Giles, the members of the School Board with their wives, Mrs. George Miller, the leader of the girl's sewing club, and George Miller.

Joy McDonough will act as toastmistress. The following will give after-dinner speeches: Mary Malloy, Charlotte McDonough, Patricia O'Donnell, Patricia Ramsey, Mary Margaret Greene, Mary LaFreniere, Walter McCauley, Emmett Schmidt, Sally Cull, Eileen Gatliff, and Dorothy Lewis.

The Hall will be decorated in streamers and balloons of old gold and royal blue. Candles of the same colors, specially designed favors, hand-painted place cards, and spring bouquets will adorn the tables.

All arrangements have been under the leadership of the Junior class with Mary LaFreniere as president.

Grey Gables Being Rebuilt After Fire

Grey Gables, badly damaged by fire while Mr. and Mrs. Russell Dundas were on their way home from Florida, will be ready for business within three and possibly two weeks.

The fire started on the roof on the east side and burned down through into the third floor. Water and smoke played havoc with the second and first floors.

The roof on the east side has been rebuilt and now sheetrock partitions put in for all the third floor rooms. A bath also has been installed there.

On the second floor, the rooms have been redecorated and much of the woodwork redone. Another bath has been added there and one rebuilt. Floors also have been refinished.

On the first floor, a sound absorbing ceiling has been put in the two dining rooms. All the walls have been repapered; the woodwork and floors refinished.

Mrs. Cox Honorad At Stork Shower

Mr. and Mrs. Harry Coblentz observed their fifty-fourth wedding anniversary on Sunday.

Members of the Christian Memorial Spiritualist church held a surprise party for the couple at 216 Antrim street. Members and other friends including several from out of town joined the couple in the celebration.

A large cake inscribed with "Harry and Sadie, 54 years" was a feature of the refreshments served at a table decorated with violets and daffodils. Mrs. Coblentz cut the cake.

• Pfc. Chalmer Reed has been visiting here enroute from Wichita Falls, Texas, to Chanute Field, Ill., where he will train at the technical school as weather observer. He was on a ten day furlough after completing basic training. The son of Mrs. Clara Reed, he is the grandson of Mrs. Dora Hamilton.

IT HAPPENED ON . . . . BEAVER ISLAND

By Mrs. J. C. Hanley

The presentation of the high school play, "Sunbonnet Jane of Sycamore Lane," last Thursday evening started off the round of activities preceeding Commencement Day.

Thursday evening the seniors will be honored with a banquet and dance in the Parish Hall. The Juniors are in charge.

It was a beautiful day Wednesday when our new county superintendent of schools. Mrs. Sally Bergeon, visited the Island for the first time.

Mr. and Mrs. James Elms and family are back after six months spent in Arkansas. James (Buster to all his friends) is busy making preparations for the opening of the Shillelagh.

The Association of Commerce held an important meeting Monday evening at the King Strang Hotel. The meeting was open to the public.

C. I. O. representative Joseph McNamee was on the Island during the week conferring with REA workmen.

Mr. and Mrs. Paul Helfin, Chicago, arrived Tuesday to spend the rest of the week on the Island. They were the guests of Mr. and Mrs. Joe Gallagher.

Mrs. Vesty McDonough returned with her daughter, Mrs. Charles Teter to her home in Lake Forest, Ill., for an indefinite stay.

Mr. and Mrs. Lloyd McDonough left Tuesday for Grand Rapids for medical attention. Reports have it Lloyd felt the sting of the surgeon's knife this time—a minor operaton. For Mrs. McDonough, the doctor had good news—condition very favorable.

Tuesday evening, the Game Club met at the Dairy Bar.

Beaver Island's smelt run resulted in quite a scoop for those who made the effort. Now the suckers are in the little Jordan River is a popular spot. Sucker scooping is the most exciting fishing season on the Island. Who wouldn't get excited over getting a bushel basket of fish in ten minutes time!

A group of Mrs. Roland McCann's friends helped celebrate her birthday Wednesday evening with a party in her home. Music and card games entertained the guests who were: Mr. and Mrs. Fred Spalding, Mr. and Mrs. Frank Nackerman, Mrs. Nora Gallagher, Mr. and Mrs. James H. Gallagher, Mrs. Annie McCann, Mrs. Lawrence Malloy, Mrs. James W. Gallagher, Mrs. Elizabeth Gallagher, Mrs. Ellen Pischner and Mrs. J. C. Hanley.

Mrs. Adu Martin was called to Grand Rapids during the week on account of the illness of her daughter, Mary Helen.

Louis Hadad, Chicago, was a recent visitor to the Island.

Elston Pischner redecorated the interior of their home, erected a new fence around the yard and moved the family back in their own nest on Main St., after occupying the Les Emery house during the winter.

Bruce McDonough, accompanied his parents to Grand Rapids to bring back Lizzie, his heart's desire. Friday, the White Swan brought Lizzie to the Island—a dandy Model T truck that has a horn with a toot that brings back to mind the ear of "get out and get under to fix up the automobile" days.

The White Swan brought across a Chevrolet truck for Truman Ramsey.

Returning to the Island for the McDonough-McCafferty wedding were Father Victor Gallagher, Rose and Bernell Greene, Lillian Connaghan and Roger Rieksgers.

Madonna McDonaugh Weds Barnard McCafferty

The marriage of Madonna McDonough, daughter of Mr. and Mrs. Bertrand McDonough and Bernard McCafferty, son of Mr. and Mrs. Francis Mooney, was solemnized Saturday at 10 a. m. at Holy Cross Church, Father Victor Gallagher officiating.

The bride was given in marriage by her father. Her bridal gown was of lustrous white satin and had a fitted bodice, long sleeves and full skirt. Her veil, held in place by a tiara of seed pearls, was full length. She carred a colonial bouquet of yellow tea roses.

Robert McDonough was best man. Margaret Ellen McDonough, sister of the bride, was maid of honor. She wore a blue taffeta gown featuring a bustle effect, long blue matching mitts and a tiara of blue taffeta flowers. She carried a colonial bouquet of pink roses.

Mrs. Bertrand McDonough, mother of the bride, wore a navy suit with matching hat. Her corsage was pink carnations. Mrs. Francis Mooney, mother of the groom, wore a tailored green suit. Her corsage was pink carnations.

Mrs. Dan Boyle, grandmother of the bride, wore a navy dress, black accessories and a corsage of gardenias and sweet peas.

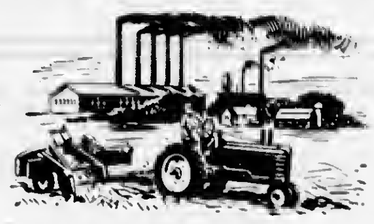
Breakfast was served after the wedding ceremony at the King Strang Hotel. In the afternoon, a reception was held from 2 to 3 o'clock at the bride's home. In the evening, a dance was held in the Parish Hall.

Mr. and Mrs. McCafferty will make their home in Grand Rapids.

BABY TALK

Mr. and Mrs. Dale McCann of Flint announce the birth of a daughter on May 2 at Women's Hospital.

• Callers at the home of Mrs. John Bugbee on Monday were Dr. Jack Supernaw of Madison, Wis., and King Saunders of Lansing.



THE MORE WE PRODUCE THE MORE WE CAN SHARE

Everybody benefits under our American way of life. We produce twice as much today as we did in 1910. And income per household has jumped from under $2400 to about $4000 (in dollars of similar purchasing power). But it takes labor, plus management, plus bank credit, to get these results. By pulling together under our free enterprise system—workers, businessmen and bankers can make production hit a new peak.

Principal to Attend Sasslan

Miss Frances Milner, Charlevoix Elementary school principal, plans to attend the annual Department of Elementary School Principals conference at the Hotel Winona in Bay City on May 6.

The planet Neptune is 30 times farther from the sun than is the earth, and is probably colder than 330 degrees belaw zero.

Sumerian women of thousands of years ago used gold compacts complete with tweezers, earpicks, and hand-scratchers.

Scalping, practiced by some American Indians, was painful but not necessarily falal, since the part taken was usually a small circular patch of skin just back of the crown of the head.

Local Items

• Thomas Bacot returned home Tuesday after spending the winter in Detroit. His sister, Mrs. Anna Hummel and Mr. and Mrs. True Raven and two children brought him home and will remain for a brief visit.

• Mr. and Mrs. Leo Allard and Mrs. Thomas Bacot spent Sunday in Boyne City with Mr. and Mrs. Max Harper.

IN MEMORIAM

In loving memory of a dear wife, mother and grandmother: Mrs. Grace Hewitt, who passed away two years ago, April 26, 1947.

Mom bade no one a last farewell,
She said goodbye to none,
The heavenly angels gathered near,
And a loving voice said come.
But we will meet again someday,
Never more to part;
And the sorrow will be lifted
From our sad and aching heart.

Her husband, Mr. Lon Hewitt
Her children, Mr. and Mrs. Lynn Sheldon and family
Mr. and Mrs. Charles Schwab and family.

IN MEMORIAM

May brings sad memories of our dear one at rest.
In memory of John D. Walker, husband and father.
He will always be remembered
By those who loved him best.
His life a beautiful memory
His absence a silent grief.
He sleeps in God's beautiful garden
In the sunshine of perfect peace.

Mrs. John D. Walker,
Children and grandchildren.

Letter from West Coast to Sisters Describe Washington Quake, Terror, Damage Caused

Mr. and Mrs. Robert Craudall of Milton, Wash., have written to the farmer's sisters, Mrs. Jeff Novotny and Mrs. Arthur Falling, relating their experiences during the recent earthquake.

They wrote: "We received no damages outside of being scared to death while the quake lasted. There were heavy losses which were confined to old brick buildings, chimneys and fireplaces. The quake covered such a wide territory that the loss was very high. The hardest hit were the school buildings and state buildings. Some have been condemned.

"We have to admit that it wasn't a pleasant experience. The ground shook very severely for nearly a minute and reminded one of a bowl of jello.

"We were sitting in the truck eating lunch when the truck quivered and we both looked to see if it was moving as it was parked on a slight grade. Then it got so heavy we realized it was a quake. We jumped from the truck and, believe me, it was a terrible feeling as everything was moving. Our trucks and bulldozers were in the woods and were all rattling. We feared the trees would uproot and fall on them. Several trees fell but there was no damage.

"The shoreline along the bay settled about 50 feet and caused cracks, and earth slid but fortunately no one was caught in it.

"We hope it doesn't happen again as it is an experience a person can do very well without. In 1945 we had a quake here but it was nothing compared to this one."

The Probate Court for the County of Charlevoix.

At a session of said Court, held at the Probate Office in the City of Charlevoix in said County, on the 14th day of April, 1949.

Present, Honorable Floyd A. Supp, Judge of Probate.

In the Matter of the Estate of ELDEN HILTON, Deceased.

Kenneth L. Armstrong, having filed his petition, praying that an instrument filed in said Court be admitted to Probate as the last will and testament of said deceased and that administration of said estate be granted to Kenneth L. Armstrong, or some other suitable person.

It is Ordered, That said 19th day of May, 1949, at ten o'clock A. M., at said Probate office is hereby appointed for hearing said petition;

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, once in each week, for three weeks consecutively, previous to said day of hearing, in the Charlevoix Courier, a newspaper printed and circulated in said County.

FLOYD A. SUPP,
Judge of Probate.

MY HOSPITAL BILL CAME TO $1178.45
BLUE CROSS COVERED IT ALL!
AND IN ADDITION, PAID $195.00
FOR SURGEON FEES!

CASE #33-P49110-59

Mr. _____, age 62, a Blue Cross member for some time, was suddenly taken ill and hospitalized for 107 days! His bill included operating room, anesthesia, lab. tests and drugs. Blue Cross covered it all. And paid $195 to the doctor for surgical care.

From an actual case in the Blue Cross files

Chances are 1 in 10 that you will go to a hospital this year!

YOU CAN NEVER TELL when sudden illness may strike. That's why you and your family need Blue Cross protection—priceless protection for only a few pennies a day per member. Blue Cross is Michigan's most widely used non-profit health-care plan. It is sponsored by the doctors and hospitals themselves.

No other health-care plan offers so much for so little

Blue Cross pays out in benefits an average of 85 cents out of every dollar received from subscribers! Blue Cross offers such advantages as: . . . identical benefits for each enrolled member of your family . . . no physical examination or health statement. Blue Cross Hospital Plan pays up to 120 days of hospital care. No cash limit on benefits covered. And Blue Cross Medical-Surgical Plan pays stated amounts for Surgical Services and for your doctor's visits at the hospital.

Ask your employer to get the full story about how your company can help provide this protection for you.

Judges Appraise Performance of Charlevoix Band

C. A. Odmark, band director, has received the criticism sheets from the State Band Festival at Ann Arbor.

The Charlevoix band was one of 18 Class C bands from 260 in the state to receive high enough ratings to participate in the state festival.

At Ann Arbor they received one second division and two third divisions rating in concert work and a second division rating in sight-reading. These gave them a final official rating of III.

This does not mean the band did not give a good performance for it must be remembered that they were striving for perfection in the festival.

Faulty intonation and lack of depth were two of the principal criticisms. This, two judges said was probably due to the immaturity of the players.

The band received many fine comments: Among them were 'a neatly uniformed band'; 'musicianship is very commendable'; 'this sounds like a young band'; 'this group has had some excellent coaching'.

The conjecture of the four judges was well-put in one of their comments: "You have a nice Class C band. Your school and community can be proud of it and your able conductor."

busy getting places in readiness. Understand that several folks are planning on returning early this year . . .

One of the funniest sights we have seen on Bridge Street was Monday morning when little toddler Ricky Miller came out of the Post Office. In his mouth was a pipe. Course it was empty but it was all the same to him. Guess he could have a pipe if Mr. Scott, his neighbor whom he thinks is tops, has one . . . Winter is officially over when the snow fence comes down and the one on the library corner was missing last week . . . Comm. Ed. Shanahan was here for the week end with his family, flying in from Washington.

Had such an interesting letter last week from Eleanor Ratigan in Florida who mentioned that all the Afromobiles in Palm Beach had Mackinac Island license plates on them. Along with the letter was a clipping about afromobiles. They have real memories attached to them, as Palm Beach used to have about 500 of them, were once a functional part in the social life there.' We quote from the article: "Remember the old Afromobile station in the middle of the street at Olive and Clematis and Mr. Flagler and his treasure hunt. The popular event was held annually. Since it took place after dark, the chairs carried torches and hustled the searchers from place to place in their quest for the treasure, which was usually money hidden somewhere in town. Clues were given and both old and young took part. Wagering was high and the audience was heavy. The winning chair boys were naturally well awarded." Smacks of the Treasure Hunts that Charlevoix has each fall, only folks here have to dash around in automobiles. But, it's fun.

Farmers Approve Seal on Products, New Vet School

The farmers' concern with legislative matters was discussed at the Barnard Farm Bureau meeting April 21 at the J. L. Boss home.

Approved by the members was the Michigan "seal of quality" bill now before the lawmakers. This "seal of quality" would be placed on packs of Michigan farm products which are of higher quality than that required by present grading laws.

Last year, even though there was a bumper potato crop in Michigan more outstate potatoes were sold in Detroit than ever before. The proposed bill, it is believed, would build up demand for Michigan products.

The bill which would provide $2,265,000 for the veterinary medicine school at MSC also was endorsed by the Barnard group. Additional facilities and more equipment are needed at the college to train veterinarians and do research work.

The group does not believe the state should operate in the red, but that new taxes should be levied, possibly a tax of 4 percent on net income of corporations.

The Recovery Act, a part of the Old Age Assistance law, was discussed. Governor Williams has said it should be repealed, but the Barnard Farm Bureau members feel that it should be retained since the Department of Social Welfare states that the annual cost of old age assistance was reduced by more than three million dollars by this law.

• Sunday guests at the home of Mr. and Mrs. Charles Warner were Mr. and Mrs. Giles Warner, Mr. and Mrs. John Rivenberg, Max Brander, Mr. and Mrs. Glenn Thompson, Gordon Warner, Donald Tower, all of Grand Rapids, and Mr. and Mrs. Bert Warner, Mrs. John Rickard and Mr. and Mrs. William Habel of Charlevoix.

Walter McCauley to Head Sodality

Holy Cross Sodality elected the following officers: Walter McCauley, Prefect; Sally Cull, secreaury; and Mary Margaret Greene, treasurer. These officers will be installed at a special ceremony in Holy Cross church on May 22; they will assume their duties in September.

Walter McCauley, son of Mrs. Elizabeth McCauley, has achieved the distinction of being the first boy ever to be Prefect of the Sodality here. He has served in the capacity of treasurer during the past year, and is a Junior in St. James school. Sally Cull is the daughter of Mr. and Mrs. Mike Cull and is a sophomore at St. James school. Mary Margaret Greene, the daughter of Mr. and Mrs. Anthony Greene, is a Junior.

Driver License Revoked

Pleading guilty to a charge of driving while under the influence of liquor, William F. McCash Tuesday morning paid a fine and costs of $55. Justice Hubert Paddock also revoked his driver's license for one year and put him on probation for the same term.

What can we do to give you better service in your A&P store?

We want A&P service to be every bit as good as the quality foods you get in our stores; and every bit as satisfying as thrifty A&P prices.

Good service calls first of all for courteous treatment. But we must also strive to be prompt, helpful, efficient and accurate.

Your advice and suggestions can help us keep our service the way it should be.

We hope you will let us know if we should ever fail to give you good service; or if you have any suggestions as to how we can make your A&P a better place to shop. Please write:

Tracksters Take Trophy, Title at Central Relays

Charlevoix's Track and Field team won the Class C Central Michigan Relay at Mt. Pleasant on Saturday with a total of 41 ½ points. They were one of 38 Class C teams entered in the meet.

This is the first time Charlevoix has won the Central Relays. The nearest competitor was South Lake with 38⅛ points. Charlevoix's victory came as a decided upset and surprise since the team strength did not show up until the final events.

Saturday the Northern Michigan Class C field and track meet will be held here. Pellston, Harbor Springs and Grayling will send teams.

The Rayders ran up their points with three first places, one second, one third and one tie for third.

Firsts were taken in the Central medley, Greg Bryan, Neil and Dale Suomela and Jim Jolliffe; 440 relay, Bryan, N. Suomela, Ross Case and Jolliffe; 880 relay, Bryan, N. Suomela, Jolliffe and Gerry Gibbons.

Charles Fairbanks placed second in the shot put. The mile relay team composed of Jim Bowman, Victor Gibbons, George Haggard and Fenn Welcheimer placed third. Ross Case tied for third in the high jump.

Others who made the trip to Mt. Pleasant were Ross Case, Ron Cunningham, Bill Wallace and Dwight Smith, who went Friday with Coach S. E. Coleman; and Don Gill, Gerry Left, George Verwys, Don Hardy, Charles Cross, Brad Foster, Jim Fiedler, Jack Dodge, Jack Parsons and Ted Browe, who went on the bus with Uno Suomela, Joe Smith and the other participants.

Light Calendar Faces New Term of Circuit Court

Circuit Court will be held here starting Monday with Judge Charles L. Brown presiding.

Only two new cases are on the criminal calendar. Vernal Wallace, Jr., and Edward Morrison are charged with statutory rape and abduction-kidnapping; Robert Price with statutory rape.

On June 7 Judge Howard L. Campbell of Cadillac will come here to hear motions for a new trial made by two members of the Galoshes Gang, Albert Mulvey and Alexander Jeronis.

The case of Mrs. Della Prough against John K. Bader in connection with the fatal explosion and fire at Ironton last year is listed but likely will not be heard until the summer or fall term.

Three new divorces will be heard: Shirley vs. David John Neill, Jr.; Betty R. vs. Robert E. Willey; and Ruth H. vs. William J. Schwah

Pictures by Pupil to Be Feature of Novotny Recital

Next Sunday at 4 p. m. Mrs. Tony Novotny will present some of her piano pupils in a recital at the City Hall.

Those who will play are: Nancy Taylor, Glenn See, Patsy Rabb, Worth Besemer, Marlene Boss, Bonnie Wakefield, Beth Lewis, Quinton Walker, Freda Taylor, Janice Howe, Shirley Wakefield, Rena Knudsen and Arthur Taylor.

A feature of the program will be the Nutcracker Suite by Tschaikowsky. Quinton Walker has painted a picture for each of the eight numbers in the suite, and these will be shown as each one is played.

The recital is open to the public.

The Tow Line

News of folks, your neighbors and mine . . .but did you know that—

Dorothy McKinney was called to Traverse City Friday by the illness of her father, who had been taken to Munson hospital . . "Hi there, how have you been this winter?" and as we turned to look, there was Joe Abbey, who has been in Scottsdale, Ariz. for the winter months operating a sport goods store in the resort spot there . . . Mrs. Ira Hemphill of Pontiac visited her brother, Henry Hair for a few days.

Poison ivy has cropped out on many youngsters about town. The prize story of the week wes about some young boys who went to the doctor for shots. Seid one of them, "We knew Junior would get peppored. We saw him playing in some poison ivy but we didn't tell him. He is our enemy. He destroys things we build in our neighborhood." Now thet is really getting evenl . . . Miss Floy Edson is hoping thet if all goes well thet she will be hanging her Charlecote sign "Open for business' by the first week in June.

Rev. G. R. Parker of Northport will be guest speaker next Sunday at the Church of God at both services . . . Mrs. Ruth Miller left Friday morning for Cleveland, O. where she will be for a few days and then will go to Ann Arbor where she plans to be for three weeks taking a special course at the University of Michigan.

Mrs. Jim Votruba, son Francis and daughter Mrs. Ray Rutsela, all of Lansing were here for Mother's Day with Mr. and Mrs. Andrew Zeitler . . . Other guests for Mother's Day were Mr. and Mrs. E. A. Joselyn of Sturgis, who spent the week end with Mr. and Mrs. Jone Durance. On the side porch of the Durance house are the prettiest little wren houses, evidence of what Mr. Durance has been doing in his little shop through the winter months . . .

The Wilbur Clines arrived home from Texas Thursday ond look as though they were 100 percent healthy. They were accompanied home by Robert Sloan. The party took plenty of time getting home, spent some time in Houston, Corpus Christi, New Orleans and then five deys in Chicego . . .

Parking Meters Start Operating Next Wednesday

Parkng meters will start operating here next Wednesday.

The Council set this date at this week's meeting. As soon as they can be obtained the city also will install two hour meters along Clinton street between Bridge and the lake in an effort to keep that space clear of all day local parking and open for visitors.

Speeding on Division street was discussed and Floyd Supp suggested that speeders be allowed to set their own fines; $1 for every mile above the limit. The street is to be oiled when the weather gets warmer.

Parallel parking is to be followed on Antrim street. Judge Supp also suggested the boulevard on State opposite the court house be removed and the center made into a parking area.

Boys with BB guns are causing too much damage and word was passed for the police chief to check on them.

The American Legion was asked to submit a proposal for properly identifying Memorial Park.

40 Seniors Leave On Annual Trip to Niagara Falls

Forty members of the graduating class of the Charlevoix high school left early Tuesday morning on their annual class trip to Niagara Falls. They were accompanied by Mr. and Mrs. Ray Kipke and Mr. and Mrs. C. A. Odmark, as chaperones.

The group arrived in Detroit about noon Tuesday, attended the New York Yankee- Detroit Tiger baseball game at Briggs Stadium and spent the night at the Tuller Hotel.

Wednesday morning they toured the city and at 3 p. m. were on board the S. S. Noronic for the overnight trip to Buffalo, N. Y. On Thursday they plan to visit Niagara Falls and other points of interest and return to Detroit Thursday night. They will return to Charlevoix late Friday.

Clean-Up Week Will Start Monday; Get Rubbish to Street

Clean-up Week will start next Monday.

During the week the city truck will go about picking up the trash put along the curbs.

About the only things barred are big tree limbs and loose peper. In fact, all rubbish must be in containers which can be handled easily and quickly by the street crews.

The rubbish must be placed at the curbs.

Athletic, Editorial Awards Presented At School Assembly

At a special assembly held Monday 29 students received recognition for their contributions in basketball, track and journalism.

Coach Ray L. Kipke emphasized the true value of athletics as he awarded special letter certificates to William Barber, Ross Case, Charles Fairbanks, Tom Hamlin, Don Hardy, Pat Martin, Warren Shadko, Dwight Smith and William Wallace.

Track coach S. E. Coleman presented letters to boys who have not received letters in some other form of athletics and therefore were eligible to receive them in track. They were Dale Mathews, Don Mort, Neil Suomela and Fenn Welsheimer. All four are seniors.

D. C. Maltby praised 16 seniors for the time and effort they have contributed to the school paper, "Crimson Flash."

Gold pins were presented to the following seniors: Editor, Beverly Looze; reporters, Don Burke, Shirley Black, Sharon Butler, B. J. Cunningham, Shirley Cunningham, Sally King, Nancy Kipke, Joan Montgomery, Sally Swinton and Sue Webster; artists, Ruth Blanchard, Patti Hamilton and Dorothy Tookalo; typists, Helen Light and Imogene Stafford.

First Cruise Ship of Season to Dock Here on May 28

The S. S. North American will dock in Charlevoix on Saturday, May 28, while out of Detroit on a Decoration Day cruise, E. J. Goebel, vice-president of the Chicago, Duluth and Georgian Bay Transit Co., has notified Capt. Joseph Howard, harbormaster, and S. E. Coleman, secretary of the Board of Commerce.

The boat will arrive at 4:30 and remain until 6:00 p. m.

Beginning June 26 and extending through the summer months the North American will dock here every Sunday afternoon on its regular Voyeger cruise out of Detroit.

BLUE RIBBONS

350 4-H Members Display Work

Approximately 600 4-H club members, their parents and friends attended the one day program in the Boyne City gymnasium on May 5.

Exhibits from 350 members, which totaled about 1,300 articles were set up on Wednesday. Following a supper at the Hotel Dilworth, attended by 37 4-H leaders, the group returned to the Gym and judged the show themselves. All exhibits were given placings of A, B, or C.

Largest club was a knitting group of 58 led by Mrs. L. B. Karr of East Jordan. In the handicraft exhibit some fine desks were made by the boys of the Marion Center group, under the leadership of James Rayman and the Charlevoix group led by Dick Jolliffe. Mrs. Stanley Lord's clothing members from Norwood took many of the ribbons in their classes. All four members of the Nimble Finger club placed on the county Honor Roll.

Thursday started with a feature movie. A hot lunch was served to nearly 200 members by the Boyne City hot lunch cooks. High light of the afternoon was the style revue in which 100 girls modeled the garments they made. Even those who made aprons participated. Ira Bowman of Boyne City judged the style revue. Twenty-three girls were selected as a style revue roll of honor. These were:

Many of Rural Schools to Have New Teachers

Only two rural schools in Charlevoix county are without teachers for next year, Mrs. Walter Bergeon, county school commissioner, stated this week as she announced the names of those who already had signed contracts.

The schools where vacancies still exist are Chandler and Hortons Bay. Laverne Norton, who taught at Chandler this year, has resigned. Miss Betty Clarke, who was at Hortons Bay, has accepted the position at Marion Center.

Mrs. Mildred Coblentz, who was at Marion Center this year, has transferred to the Bay Shore school. Mrs. Ruth Hair, who was at Bay Shore, has not signed a contract to date.

Mrs. Gordon Moeller of Charlevoix has accepted a position at North Bay school in Bay township, formerly held by Mrs. Anna Warner who will teach the Home Economics at Ellsworth next year.

Other teachers who will return to their present schools are Mrs. Goldie Sommerville to Ironton; Mrs. Anna Left to Peaine township school on Beaver Island; Mrs. Blanche Paul to Murray School in Hayes township; Mrs. Grace Warner to Norwood; Mrs. Ethel Smolett and Mrs. Genevieve McKerrachei to Walloon Lake school and Mrs. Lenna Murphy and Mrs. Laverne Barnes to Clarion school in the Melrose township unit. The Dominican Sisters teach at the St. James school on Beaver Island.

Closing dates for the rural schools are: Bay Shore, May 13; Hortons Bay and Murray, May 20; Ironton, Clarion and Walloon Lake, May 17; North Bay, June 3. The closing dates for the others have not been announced.

City Is Getting Behind Hospital's Summer Festival

Organizations here are making plans already for their part in the summer carnival being planned as a Hospital Benefit, according to Dean Davenport.

Fifty groups have been contacted. All industries here say they will cooperate. Several organizations have their committees appointed and are working on their project. Three have their activity selected and are ready to go.

There will be a general meeting of all committee chairmen May 19 in the City Hall at 7:30. One of three, the meeting will clear plans for each organization. Meanwhile Davenport is ready to consult with any group.

Community Choir Rehearses Tuesday

A rehearsal of the Community Choir for the Baccalaureate service has been called for Tuesday at the high school gym by C. A. Odmark, director.

Letters have been sent to members but anyone wishing to join is invited to attend the rehearsal. The choir is composed of 35-45 voices from the various churches in town.

Board to Ask Bids

The county Road Commission met Monday. At the next meeting the members expect to ask for bids on a new patrol grader for the county.

HOT OIL

Council Decides to Play Safe

Charlevoix will continue to use the same diesel fuel and oil this summer during the peak load period, but this fall will try varieties bought through local dealers.

That was the policy adopted by the City Council Monday. Local dealers had asked that the city buy oil from them. The utility committee had met with them and Monday it reported.

During the summer every engine will be needed, it said. A shutdown of any one could mean real trouble. Three years ago when a change was made in oil the diesels had to be shut down and overhauled due solely to the fuel. The oil now used works well. In the fall, other oils could be tried and shutting down a motor then would not cause any real difficulty.

The oil dealers, with Glenroy Ikens as spokesman, said they could supply fuel of the same specifications and with a guarantee of the supplying company.

Mayor Ray Hamilton and Committee chairman Spike Goss pointed out that a guarantee could be collected but it would not supply power from an engine being overhauled. They also said that on the previous occasion, the oils were of the same specifications but other differences made the trouble.

Former Mayor Karl Erber, representing the Sinclair Oil Co., freely admitted that summer motor trouble at the plant would be a serious headache for all concerned.

In the fall, the Council agreed, bids would be asked and other oils tried.

Bridge May Be Ready for Traffic Memorial Day

Traffic over the new bridge by Memorial Day week end is the goal of the crew hard at work there.

It is only a goal, not a certainly, they say. But it is what they are shooting for.

One notable step was made this week. Power was put into the control house by the city at 2:25 p. m. Monday. Some work remains to be done on the outside of the transformer house but the equipment all is installed. The wiring may be far enough along so the power can be used to lift the span this week.

Some concrete work and painting are the major jobs left.

Plan for Memorial at New Bridge Is Approved by City

Suggested by James Whitley to the civic committee, and by it to the City Council Monday, a plan for a memorial to the service men and women of Charlevoix was approved unanimously Monday night by that body.

The memorial would consist of a bronze plaque with a fitting inscription, and would be mounted on one of the approaches of the new bridge here.

The Council adopted a formal resolution setting forth the whole plan and submitted it to the State Highway Department. If the Department approves the idea; the memorial committee will order the plaque and arrange for its dedication at some appropriate time this summer.

Whitley, a member of the committee, served two years through the African and Italian campaigns where he was twice wounded.

Other members are Judge Floyd Supp, John Geer, Morris Dixon, Sam King, Drew Young and Ralph Hamilton.

H. A. Mauck New Scout Executive

H. A. Mauck has been employed as Field Scout Executive of the Scenic Trails Council, Boy Scouts of America.

As a Scout in St. Paul, Minn., he grew up in a Troop of which he later became Scoutmaster.

Early in 1944 he joined the professional staff at St. Paul. In January of 1947 Mauck became a member of the staff in the Southwestern Michigan Council and made his residence in Niles.

On the Scenic Trails Council, Mr. Mauck fills the position vacated by E. J. Ziebell.

Committees Named for Poppy Sale

The American Legion and the Veterans of Foreign Wars have appointed committees to make plans for the annual Memorial Day program on May 30 and for the special Memorial Day Sunday services to be held at a local church.

Further plans for the program will be announced next week.

Charlevoix County is like most of its citizens.

It has too many demands for money and not enough cash.

Given the job of dividing the money, the Allocation Board on Monday decided it wanted to hear from more sides and adjourned without assigning shares in the tax dollar.

The members are Mrs. Sally Bergeon, chairman, Lillis Flanders, H. C. Stevens, Guy C. Conkle, Jr., Ross Renwick of Walloon Lake and Alfred G. Rogers of East Jordan.

There are only 13 mills of tax to be divided, since the Sinking Fund proposal adopted at the April 4 election sets aside two mills for building purposes. The 1948 division was:

Schools	5
Townships	1
County	9

The schools say that they must have 7 mills to carry on. To obtain matching Federal funds, the Board of Supervisors appropriated $11,000 to the Highway Commission for secondary road construction. This about equals 1 mill. The townships insist they still need that 1 mill, all of which leaves the county only 4 mills.

On the other hand, the county suggests the schools get 4 mills and consider that the $11,000 goes to them since the road work is largely on routes used by school buses. To which the school men reply that gravel does'nt pay teachers' groceries.

The Chairman is to call the next meeting. Then the county, townships and schools will be represented and a grand time likely will be had by all.

Mayor Reappoints Same City Staff for Coming Year

Mayor Ray Hamilton Monday night appointed his city staff, all of whom were confirmed by the Council.

They are: Chief of police, Clarence Heise.

City engineer and city assessor, A. G. Leitch.

Harbormaster, Capt. Joe Howard.

City attorney, Norman Ance.

Fire chief, Charles Marshall.

Street commissioner, Leo Allard.

Health officer, R. S. McClintock.

During the discussion, the mayor explained that the city engineer is a separate office from that of city superintendent, but the two jobs were combined for economy's sake.

School Asks Future Pupils to Pay Visit

"There Are Strange Things Done . . ."

Last week the House of Representatives, made desperate by the delaying tactics of part of the membership, passed an amendment to the Unemployment Insorance Law.

The House has done a pretty sane job of law-making so far this session, but it sorely slipped up bad on HB 433. The new provision allows an employee to quit a job and then draw unemployment compensation.

I can remember back in 1922 debating the question. Wisconsin was the only state having such a law at that time, and we argued all one winter on the theory and benefits of unemployment insurance.

The basic idea of the law is that industry—both labor and management—will put certain sums aside to take up the slack periods of employment which seem to be with us periodically. The money definitely is to be used only when no employment is available. It is to be a safety net, not a featherbed.

Now our Representatives are wrecking the program. Because if an employee can quit a job and draw unemployment pay, it means less money available when real need comes. It means the loafer can get the cash and the honest worker foot the bill. It will mean higher rates, which will be reflected in higher prices and less money for everyone.

At a time when our Michigan government is short of money, it seems strange that our Reppresentatives would approve a raid on one of the major state funds.

The University has two million lopped off its appropriation. MSC is not likely to get the Vet school it needs so badly. There is talk of curtailing many public services. But a barefaced steal which will do no one any good is approved.

Truly, strange are the things done at Lansing.

It's Worth Seeing

There are lots of famous beauty spots in this country. The Georgians justly brag about their peach orchards and red clay. Virginia has its apple orchards and Washington the famous cherry trees. Kentucky's blue grass country is wonderful with big houses and white fences.

But our Traverse Cherry section doesn't need to take a back sent for any of them. Last Sunday the blossoms were not at their best but still that whole section gave a breath taking view from the top of every hill. It will be worth going to see next Sunday, especially with two big events planned: the Blessing of the Blossoms on the Old Mission peninsula, and the Cherry Bossom Lane trip over in Leelanau.

Needed—A Little More Uniformity

Within the last three weeks there have been two cases come into Justice Court which provides some striking contrast As far as The Courier can learn from official records and testimony of witnesses, these are the facts:

Case 1. A car was being driven fast and down the left side of the highway. It hit another machine, whose driver had done his best to get out of the way. The case was handled by the sheriff's office. The only charge brought was that of reckless driving. On this basis, Justice Hubert Paddock set a fine of $25 and costs.

Case 2. A car was being raced along a city street. It finally was stopped, the driver arrested. No one was hurt and no damage done. The next morning the operator was charged with drunken driving. Justice Paddock, on that charge, set a fine of $50 and costs, gave a year's probation and revoked the driver's license for one year.

Whether or not an individual drinks is his own personal affair. But when he drinks and drives—then his drinking immediately becomes very much a public concern. Because sooner or later that combination means injury or death to someone. All too often it is the innocent bystander.

Loss of the right to drive may seem like a stiff penalty. But the loss of a life, or a seige i nthe hospital, or disfigurement for life also are serious.

The same law applies everywhere—city as well as county. Drunken driving is as dangerous one place as another. In the interest of public safety, the same charges should be made and the same stiff penalties given for violations no matter where they occur.

Too Many Demands, Too High Cost Sink '49 Plans for Lighted Field, Softball Program

Too much cost and too many demands evidently have sunk plans for an expanded softball and recreational program this summer.

The Council had turned the planning over to the Chamber of Commerce. Monday night the directors met at the City Hall and conducted a hectic hearing.

First piece of news was that a night lighting system would cost about $1650, plus some labor and expense to the city. To carry on a summer program would require the service of a paid director.

Next appeared Ivan Phillips and Louis O'Neil representing the North Side parents. The North Sides, they explained, felt that section should have a recreation grounds and similar program for the smaller kids who couldn't travel clear to the ball field for an hour's fun. About $750 would cover the first year's cost, they estimated. Besides, Phillips pointed out, it wasn't fair for the North Side to be left out on all the good things of civic life.

A little addition showed the total up around $3500.

At that point the directors decided they had heard enough and passed the responsibility back to the Council. Although not formally reported to that body Monday, the Council unofficially suggested that the idea had got out of the present financial capacity of the city treasury and some less pretentious plan must be thought up or the idea dropped for now.

Contractor Starts US-131 Paving

Highway Commissioner Charles Ziegler announces start of 6.666 miles of concrete pavement construction on the US-131 relocation from one mile northwest of Elmira, Antrim county, north to Boyne Falls, Charlevoix county.

The south 2.953 miles of the project will be paved with 22-foot concrete and the north 3.713 miles with 33-foot concrete. Loselle Construction Co., Wyandotte, is the contractor and the contract price is $381,403.57. Completion date is Sept. 1.

Army, Air Force Quotas Increased

Three men from this area can be enlisted in the Army and three in the Air Force during May, according to Sgt. J. Niedzielski, in charge of the Recruiting Station at Petoskey.

This is an increase over the previous quotas.

Standards for enlistment have been lowered somewhat. Men in good physical condition who score 80 or more on the Army's mental tests are eligible as are those who are slightly below top physical standards but can score 90 or more on the mental tests.

Veterans who enlist within 90 days after their discharge may re-enlist without regards to quotas. However, those veterans with dependents may be re-enlisted only if entitled to enlistment in the grade of corporal or higher.

The Recruiting Station is at 303 Howard street, Petoskey.

County Has Distinctive Ad, Seven Pages of Write-up In New West Michigan Booklet

Seven pages of write-up, pictures and ads in the new "Carefree Days" are devoted to Charlevoix County.

The publication is the advertising booklet issued annually by the West Michigan Tourist and Resort Association.

It follows the 1948 book in its slightly smaller page size and in describing all the counties of West Michigan. Tables at the back give lists of police posts, summer camps, state parks, airports, schedules for airlines, railways, buses and ferries, county parks, state forests, camp grounds, shuffleboard courts, golf courses, places to stop and eat.

Charlevoix County has a distinctive page ad. In former years each community put in one of its own. This year, under the leadership of the County Chamber of Commeree, the Board of Supervisors approved a unified ad. It lists Charlevoix, Boyne City, Boyne Falls, East Jordan, Walloon Lake, Beaver Island and Ironton. The ad also shows how the county is an all-year recreation spot by giving the various attractions of each of the seasons.

New Turkey House to Handle 1600 Poults for Williams

Designed to handle 1600 turkey poults, a new building is being completed out at the Rowley Williams farm.

It is 24 by 48, one story high, with a solid concrete floor. The siding and roof are nf inch thick insulating board treated to make it waterproof. No shingles are needed. Rafters are of cedar poles cut on the place.

An aisle for feeding will go down the center. At each side will be four pens, about 10 by 12. Opening into each pen is a window, four feet high. This window can be slanted open at the top for ventilation, lifted to let the poults run outdoors, or taken completely out for cleaning the pen.

The building runs north and south, since that will give more sunlight over the whole floor area, Williams says.

Outside of each pen, he plans to put a movable 12 by 12 wire pen. This has a screen floor, and is built of cedar logs and posts. It will permit the poults to get outdoors.

Using a smaller single house and one of these pens, Williams this spring raised 199 of 204 poults he started. These turkeys now are in the field south of the house and are being readied for the summer trade. Guarding them at night in their wire enclosure is one of the Williams' dogs.

Hook, Line Not Needed Here; Just Bare Hands

Dick Hull doesn't believe in hook and line fishing, not when ha catches perch barehanded.

It was Friday morning at tha dock back of the theatre. Dick saw a whopping big perch lazily sunning itself by one of tha piers. He reached down carafully—and almost had tha fish. The perch immediately headed for deep water.

But in five minutes it was back at the same spot in tha sun. That time Dick didn't miss. It was 13 inches long and full of eggs.

Letter to the Editor

In a recent letter to the editor of a Michigan newspaper, a reader wrote: "The Kroger store is an exception, as you always get courteous treatment and good service there". That's music to our ears. It tells us we're succeeding in our efforts to make every Kroger store a symbol of courtesy and good service.

Millions are saying KROGER TENDERAY is the

"Finest Beef I ever tasted!"

...and the BEST VALUE.

Kroger's Tenderay method makes finest grain-fattened beef naturally tender without ageing.

Shirley Babel to Be Queen of East Jordan's Mexican Fiesta This Coming Saturday

East Jordan is celebrating its second annual Mexican Fiesta week through Saturday.

Festivities will be climaxed Saturday with a colorful parade of school children, horseback riders, gaily decorated vehicles. The King and Queen of the Fiesta, Shirley Babel, 16, and James Nachazel, 17, will lead the parade and reign over a full evening's program in the high school auditorium.

Shirley is the daughter of Mr. and Mrs. Leonard Babel of Eveline. James is the son of Mr. and Mrs. Frank Nachazel, East Jordan. Both are students in the high school.

The King and Queen were selected first by fellow students in the upper four high school grades. Final desicion rested with judges composed of Barney Milstein, president of the Charlevoix County Chamber of Commerce; Guy Watson, president of the Rotary Club; and Jay Hite, representing the retail merchants division of the Chamber of Commerce.

The evening of May 14, the auditorium of the high school will be transformed to a gay Mexican street scene. Continuous entertainment in the "arena" and on the stage will be offered to visitors.

The East Jordan P. T. A., sponsors of the Fiesta, were beseiged with requests to repeat the gala affair again this year. Both adults and children in East Jordan are wearing costumes throughout the week in keeping with the theme of the Fiesta.

The Farm Bureau group will meet next week Thursday evening, May 19, with Mr. and Mrs. Frank Matchett.

The W. S. C. S. is entertaining the Ladies Fellowship group of the Reformed church on Thursday of this week.

The 3 M's will meet on Friday evening at the Clarence Himebauch home.

William Mayer of Stockbridge was a week end visitor at the Howard Gornell home.

Mrs. Frank Matchett went to Detroit Saturday to spend Mother's Day with her five daughters there, incidentally getting aequainted with her new grand daughter.

Mrs. Lee Shapton and small son left for her home in Lansing Sunday after spending the week with her father, Robert Matchett.

One of Barnard's old residents Mrs. George Ager, spent Sunday with her son, Will and family and attended church here.

A family party was enjoyed at the Charles Warner home on Saturday night in honor of the newlyweds, Mr. and Mrs. Doyle Warner whose marriage occurred on Tuesday.

Great Granddaughter Crowned May Queen

Mr. and Mrs. Harry Walstad have received a clipping from a Phoenix, Ariz., newspaper picturing their granddaughter, Valeta Ann Hoover, as May Queen of the nursery at the Good Samaritan Hospital.

The child, daughter of Mr. and Mrs. Forrest Hoover, was the oldest of the five babies in the premature nursery at the hospital. The combined ages of the five was 90 days and their combined weight at the time was 18 pounds and two ounces.

Valeta Ann weighed two pounds and eight ounces when she was born on March 28. On May 2 she weighed three pounds and fifteen ounces.

Susannah Metcalf Is Knoxvilla Librarian

Miss Susannah Metcalf, former Charlevoix girl, is now in Knoxville, Tenn., and filling a responsible role as assistant Librarian in the library of that city.

During the war, Miss Metcalf, who already had had an A. B. degree, returned to the University of Michigan and got another degree in Library Science. She worked in the University Library and after graduation went to the City Library in Jackson, Mich., where she has been for the past two years. Then, she was given the Knoxville position which is a big advancement.

From where I sit ... by Joe Marsh

How Would You Say It?

Curley Lawson's sa[illegible] East and a few of us got talking when he was here visiting, and I couldn't help noticing how differently he said things.

For instance, he said, "Lifting that 200-pound *bag* of cement almost killed me." "You mean *sack* of cement?" asks Curley. (That's the way we'd say it.) "No," interrupts young Elliott who'd spent a lot of time down South, "He means a *'poke* of see-ment.'"

It was good for a chuckle, anyway. Bag, sack or poke—we knew [illegible] was trying to say. It just depends on where you are in the U. S., which way sounds right.

From where I sit, whenever we criticize someone for sounding funny to us, we ought to think how we sound to *them*. It's the same as choosing your liquid refreshment. I'm accustomed to a moderate glass of beer—you may like ginger ale—but who's to say the other's wrong? I'd say we're both *right!*

IT'S YOUR MONEY

You have the right to boss your own money. You can spend it all, give it away, or bank some of it for the future. But *you* make your own decision. Maybe you take for granted this right to spend or save. Some people do. But let's remember that it's a right we enjoy because we live under the free enterprise system—the American way. In a communistic country, you would *have* to spend every cent to keep alive.

TURKEY POINTERS

For the poultryman who is new at turkey raising, we give the following instructions as published by an expert. We're sure you'll find some helpful suggestions. Read it and see. Remember, in the co-operative program you are partners; in the old line program you are just customers. Co-operation needs you and you need it.

PREPARATION FOR POULTS

1. Provide at least 1 sq. ft. floor space for each poult.
2. Have brooder warm fully 24 hours before the poults arrive.
3. Check brooding equipment, especially thermometers.
4. For litter, use one inch of Dri-Bed absorbent litter under hover. Hold in place by nailing 1x1 inch strip 3 ft. around outside of hover. Before poults arrive have on hand 100 lbs. of Farm Bureau Turkey Ration and 20 lbs. Farm Bureau Chick Scratch for each 100 poults.

POULTS ARRIVE

Prevent chilling and overheating in handling. Place poults under hover, maintaining a temperature of 95 degrees on a level with their backs at outside edge of canopy. (100 degrees if electric heat is used.)

FIRST 3 DAYS IMPORTANT

Wateh brooder temperature carefully and provide ample ventilation. Keep them confined to warm area. Place no more than 200 to 250 poults to one brooder.

DON'T STARVE POULTS

Heavy losses during first few days of poults lives may be due to starvation. A few brightly colored marbles placed on top of feed encourages poults to piek at them and they get a taste of feed, in this way they are induced to eat.

WATER

Only clean, fresh, warm water should be used. One drink of eold water may cause death. Supply two founts for eaeh 50 poults. Dip each poults beak in warm water to teach it to drink. Place founts on planks.

FEED

Farm Bureau Turkey Ration should be fed in small metal or lath troughs built so that poults run into them. Allow at least 2 lineal inches of hopper spaee for each poult. Keep mash before poults at all times.

For best results use open formula Turkey Starter and Grower Mash available at

Advise New Fly Control Methods on Dairy Cows

New advice on fly control came this week from officials of Michigan State College and the U. S. Department of Agriculture.

They recommend that Methoxychlor replace DDT as an insect control spray on dairy cows because of possible contamination of milk with the DDT spray material.

No case of injury to human is known, but the fact that the presence of DDT even in minute quantities in milk would be contrary to pure food laws makes the new recommendation necessary.

Use of DDT to control flies on animals other than cows is still advised. DDT can be used to control flies on beef cattle and swine if 60 days elapse between application and slaughter of the animals.

DDT can still be used to control flies in breeding places and resting places outside dairy barns. Manure piles and moist soil mixed with manure are typical places where flies multiply.

Ray Hudson, head of the MSC entomology department; Dr. Earl Weaver, dairy department head; and George Brown, animal husbandry department head have conferred on federal findings and advise that methoxychlor is the material to use for dairy cattle fly control. The recommendations, being carried to farmers through MSC specialists in the Cooperative Extension Service, call for the use of the methoxychlor inside dairy barns and directly upon dairy cows.

County agricultural agents have been notified of the new spray program and are ready to give farmers advice on using the methoxychlor in place of DDT on dairy cattle.

Legume Seeding Demonstration at Grass Day

If you would like to see a complete demonstration of how to seed a legume, that's just one more reason why you should plan to attend the "Grass Day" scheduled for your area in June. By using two or three tractors, drills and other equipment, the whole process is handled in less than an hour. Lime and fertilizer is applied according to the results of a soil test. The only thing not guaranteed is the first rain after the seeding, and in some cases at "Grass Day last year, this was provided too.

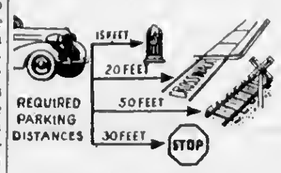
Don't take a chance—know and OBEY your traffic laws!

Have you ever stopped to really think about our traffic laws — the reasons behind them? They are made to protect you . . . and even wrong parking may mean the loss of a life—perhaps your own!



Look at the chart above — study these distances for safe parking. Then check over the parking rules below. Make sure your parking violation may not endanger you or someone close to you.

YOU MUST NOT PARK:

1. Where signs prohibit parking.
2. Within 15 feet of a fire hydrant.
3. So as to obstruct traffic, such as at a sidewalk.
4. Within 20 feet of a marked crosswalk at an intersection.
5. Within 30 feet of any traffic stop sign.
6. Opposite a safety zone.
7. Within 50 feet of a railroad crossing.

These are the laws of parking. A violation may mean a ticket — it may spell danger! Learn these rules — don't ever take a chance—know and OBEY your traffic laws!

Girl Scouts Make Public Report On Past Year's Work

The Girl Scouts of Charlevoix presented their second annual festival at the City Hall community room at 8 p. m. Friday.

As an organization supported in part by the Community Chest, the program was presented by the Girl Scouts, their leaders and the Girl Scout Council as a report to the public and to show what has been accomplished by the Girl Scouts in the last year. Sixty-four Brownies, 58 Intermediate and 12 Senior Scouts are registered.

The program opened with a brief welcome by Mrs. Charles Bleha, president of the Council, followed by a flag ceremony.

The following program was presented:

The Brownie story, troop 5, with Mrs. Robert Kelley and Mrs. Lawrence Swanson; Cornish May Dance, troop 4, Mrs. George Plum and Elaine Taylor; Camp Safety skit, troop 8, Louise Young and Pat Hamlin; Brother and Sister dance from "Hansel and Gretel", troop 6, Mrs. Herbert Campbell and Mrs. Carlton Ikens.

Brownie songs, troop 7, Mrs. Franklin Curtis and Mrs. Fay Davis and troop 9, Mrs. Abe Verwys and Mrs. Kenneth Bryan; Mariner Scout skit, troop 1, Mariner Scouts, Mrs. Lester Smith and Ruth Richards.

Troop 2, Edith Olach and Betty Strehl, presented a display of camp equipment and handicraft. Troop 3, Mrs. Lowell Merica and Mrs. Leon Joseph displayed handicraft, materials and completed work.

Mrs. Robert Richards, vice president of the Girl Scout council, presided at the leaders' investiture service when special recognization was given to the above named leaders.

Awards also were made to the Scouts who sold the most cookies during the recent cookie sale. They were Sandra VonDohlen who won first place, Cynthia Smith, second and Janet Krulik, third. Troop 4, with Mrs. Joe Smith as cookie chairman, was given an award for the largest sale as a troop.

Camp films taken at the various camps in 1948 by Mrs. Ralph Hamilton were shown and an official film, Girl Scout Leader, will also be presented. Several numbers by the Girl Scout chorus under the direction of Mrs. Dean Davenport completed the program.

Other Girl Scout Council officers and committee chairmen are: secretary, Mrs. Harry Gebeau; treasurer, Mrs. Don Swinton; registrar, Mrs. Ray Kipke.

Nomination and membership committee, Mrs. C. M. Bice; finance, Mrs. Ralph Hamilton; troop camp, Mrs. Leroy Allers; day camp, Mrs. Robert Kelley; training, Mrs. Robert McClintock; troop organization, Mrs. Dean Davenport; program, Mrs. Hubert Paddock; public relations, Mrs. George Roll.

Driver Gets Michigan Award for His Rescue of 4 year Old Girl from Blazing Farm Home

The heroic rescue of a four-year-old girl from a blazing farmhouse won for a Lansing man, E. L. Mall, the Michigan Trucking Association's "Driver of the Year" award for 1948.

Governor G. Mennen Williams presented the trophy to Mall, who also received numerous other awards.

The dramatic act occurred while he was driving near West Enfield. He came upon the farm house which was a mass of flames. Screaming for help, the child's father lay on the front lawn, helpless because of paralysis.

Mall was beaten back by flames at the front door. So he smashed a window and climbed inside. As he entered ,the gasoline stove exploded violently, showering him with blazing fuel. Despite his burns, he burst into the bedroom and gathered the lump child in his arms, finally staggering to safety.

Ground Water Level Continues to Gain

A marked hike in ground water levels of .9 of a foot brought the April measurement up to 2.6 feet, the conservation department reports, but still below the April 10-year average of 3.15 feet.

Tests conducted last month at shallow wells in the north-central part of the lower peninsula bear out the department's prediction that the upward trend started in February would continue. The rise is expected to continue this month, but at a lower rate.

The name "rubber" comes from the earliest use of the substance, which was to rub out pencil marks.

Wheat Growers Must Ask 1950 Allotment by June

In expectation that wheat acreage allotments may be in effect for the 1950 wheat crop which will be planted this fall, the Charlevoix County AAA Committee has been compiling the necessary acreage data upon which individual farm allotments will be established, according to LeRoy Hardy, committee chairman.

The individual farm allotment will be established soon and notice of this allotment will be mailed to each farmer so concerned whose acreage data was available to the county AAA committee.

Because their acreage data may not be on record in the county AAA office, farmers who grow wheat for harvest in either 1945 or 1948 and who did not grow for harvest in either 1947, 1948 or 1949 and who intend to plant wheat this fall for harvest in 1950, should request a wheat acreage allotment from the county AAA committee. This request should be submitted in writing to the county committee prior to June 1. Likewise, farmers who have never in the past grown wheat but who intend to plant wheat this fall should also request an allotment prior to June 1, 1949.

Norwood Cemetery Rules May Change

New rules for the management of the Norwood Cemetery will be drawn up at the combined meeting and Work Bee Saturday.

This was decided at the annual meeting April 23 when a committee of five was appointed to suggest changes in the present regulations. Saturday noon the committee will make its recommendations. The meeting then is expected to adopt a report. This will be submitted in turn to the Township Board which alone can make changes in the cemetery rules.

Among the things which have been discussed are the use of stones as a curb around lots; and gravel instead of grass in lots.

The work bee Saturday will finish the cleanup job started April 23.

MSC Dairy Experts to Address Farm Meeting May 17

An important dairy meeting has been scheduled for next Tuesday evening at the East Jordan High School, starting at 8:00 p. m.

Two specialists from Michigan State College are planning on attending. One is George Parsons, Extension Dairyman, who is largely responsible for the success of the artificial breeding associations throughout the state of Michigan. The other is Dr. Glen Reed, Extension Pathologist, who has lots of experience in treating diseases of dairy cattle.

Farmers should bring with them any questions they have.

WIDER on the inside . . . NARROWER outside! There's extra value in the spread-out elbow room of the wide, wide seats. Yet the new Dodge is smaller on the outside . . . easy to park, easy to garage, easy to thread through crowded traffic.

LONGER on the inside . . . SHORTER outside! The new leg room in Dodge gives extra value in stretch-out comfort. Doors open wide, too . . . let you get in and out easily without squirming or twisting—and without knocking your hat off, either.

HIGHER on the inside . . . LOWER outside! More head room is another Dodge extra value you'll appreciate. Instead of low, slanting seats that force a cramped position, Dodge knee-level seats are actually higher for relaxing comfort, better vision.

If you want extra value, you'll want DODGE!

There's extra value in Dodge beauty that flows from true functional styling . . . in the design that provides more head room, more leg room, more elbow room, greater vision for all passengers.

There's extra value in Dodge's Get-Away engine with its surging acceleration . . . its higher compression that squeezes extra miles from every gallon of gas . . . the smoothness of Dodge All-Fluid Drive at no extra cost.

Yes, you'll want Dodge for the extra value you get all the way from double-life hydraulic brakes and Safety-Rim Wheels, to the luxurious comfort of full-cradled ride and knee-level seats.

Add to these the Dodge reputation for dependability and economy and you'll discover why wise buyers say . . . "If you want extra value, you'll want Dodge."

IT HAPPENED ON . . . . BEAVER ISLAND

By Mrs. J. C. Hanley

St. James Seniors Given Dinner-Dance

An occasion of impartance to every graduating class of St. James High Schnnl is the banquet and dance given annually by the Juninra.

This year, the affair was exceptionally colorful. The Parish Hall, newly decorated in recent mnnths, had a canopy of blue and yellow crepe paper with large bunches of yellow balloons placed at intervals down the center of the hall. The tables, in U shape, held lighted tapers and hlue and yellow favors. In large hlue letters outlined in yellow, the class motto: "Fidelity to Little Things is a Great Thing", was arranged on the velvet stage curtains.

Joy McDnnough acted as toastmistress.

The graduates, Mary Malloy, Charlotte McDonough, Patricia Ramsey and Patricia O'Donnell, wore white formals. Their corsages were pink and white carnations.

The eighth grade girls dressed in formals, served the dinner.

A program dance followed the banquet. During the evening confetti was distributed. Parents af the graduates and members of the schaol board acted as chaperanes far the dance.

Beaver Island's harbor, bauntifully filled with perch during May and Octaber, attract fishermen from all over the atate. This week, the perch came in for the spring run. Parties of fishermen are arriving by plane and boat.

Suckers are swarming into the Jordan River in full strength. Caught in large quantities, they are usually smoked.

The Shillelagh has opened for the season. Village children have been giving Buster a rush on sundaes and floats.

Mr. and Mrs. Martin Amos, Hammond, Ind., are guests at the King Strang Hotel. The Amos' log cabin is well under way.

Mr. and Mrs. Lloyd McDonough returned to the Island Wednesday. With them came a lot of good-looking merchandise for the store.

Charles Kleinheintz has purchased the farmer Shang Martin home. The house, pratically destroyed by fire last year is being torn down by Kleinheintz and a new home will be built an the site.

Mr. and Mrs. Lester Connaghan and family have moved back to the Island. They are occupying the McDonald home.

Bride and groom, Madanna and Bernard McCafferty are spending their honeymoon an the Island.

It was a pleasure to look upan the bevy of Beaver Belles at the senlar dance. In formal attire, the girls resembled a lovely garden of flawers in frocks of pastel shades.

Charlotte McDanough, Sally Cull and Mary Malloy made their formals and we are justly proud af them. They had none of that "home-made" look. Mary also made her sister Bernadette's formal. Rosemary Nackerman made a formal for her sister, Ellen.

The girls nf the sewing class presented Martha Miller with a corsage of gardenias in appreciation of her help. Martha and George were honored guests at the senior banquet and dance.

Judge and Mrs. R. E. Boyle, Lansing, spent a few days at their cabin on Sand Bay. They returned to their home Thursday.

Mrs. George Ricksgers spent the past week in Chicago visiting her father and mother. Mrs. Ricksgers returned to the Island Saturday accompanied by her brother, John Maloony, her aunt, Mrs. John King, both of Chicago.

Mrs. Ben Buss, Chicago, is visiting her nieces, Mrs. Willie Schmidt and Mrs. Ada Martin.

Mr. and Mrs. Hugh R. Gallagher, Chicago, arrived Friday for a visit.

Dr. and Mrs. M. P. Sorenson, Mr. and Mrs. H. R. Braman, Greenville, came up for the perch run. They are guests at the King Strang Hotel.

Mother's Day dawned bright and beautiful on the Island.

The altar at Holy Cross church was beautifully decorated for Mother's Day with mixed bouquets of white and yellow snapdragons and blue carnations.

New Book Tells Story of R. E. Olds

Several personal friends of R. E. Olds have received copies of his latest book, "Auto Pioneering," a biography of this auto pioneer who summers in Charlevoix.

It is interesting to note that Olds took a childhood obstacle, the chore of caring for the family horse, and turned it into a blessing that made him an outstanding automotive genius of his time. Resenting his task, for it took considerable time caring for the horse when he wanted to be at work in his father's machine shop, young Olds decided that a horseless carriage would do away with a family horse.

Lincoln's first inaugural address was rushed by Pony Express from St. Joseph, Mo., to the Pacific coast in the fastest trip ever made by the express—seven days and 17 hours.

Eugene Barber Is Promoted

Eugene A. Barber, son of Mr. and Mrs. Elmer Barber, who is a member of the Headquarters Squadron, 3535th Bomb Training Wing statlaned at Mather Air Force Base, has been promoted from the grade of Sergeant to Staff Sergeant.

Staff Sergeant Barber is a chief clerk working in the Reserve Farces section. Priar to enlisting in the service in June, 1946 Barber attended local schools in Charlevoix and graduated fram the Charlevaix high schaol in 1946.

His wife, Mrs. Mary Barber is residing with his parents in Charlevoix.

2 North Side Homes Have New Owners

Two pieces of property have just changed hands here.

Dr. and Mrs. L. E. Grate have purchased Westgate, the Ely property just west of the Chicago Club grounds. There are five acres of ground and a beach on Round Lake.

Mr. and Mrs. Harry Williams of Chicago have bought the home now occupied by Mr. and Mrs. Malvy Niswander at 307 Dixon. They plan to make their home here.

Earl A. Young handled both transactions.

First of the High-Compression Engines of the Future

OLDSMOBILE'S "ROCKET" GETS MORE POWER, MORE MILEAGE...FROM TODAY'S GASOLINE!

"88" LOWEST PRICED CAR WITH "ROCKET" ENGINE

*Hydra-Matic Drive standard equipment on Series "98" and "88" models, optional at extra cost on "76." White sidewall tires optional at extra cost.

Power! Completely new, *high-compression* power! Power that sets this "88" Oldsmobile apart from every other car! That's the "New Thrill" action of the "Rocket"—Oldsmobile's ultra-advanced new engine that takes fullest advantage of *today's* fuels! It gets *more* exciting energy from *less* gas by using the Futuramic principle of high-compression. And the revolutionary thinking behind the "Rocket" makes possible magical *smoothness* and *quietness!*

To point up this brand new kind of performance, Oldsmobile built a brand new kind of car—*the Futuramic* "88"! The "88's" compact new Body by Fisher accentuates that "Rocket" Engine flash and dash! The "88" has Futuramic styling! And, in the "88," Hydra-Matic Drive* teams up with the "Rocket" to give you extra gas economy and greater driving ease! You've got to *try* it to *believe* it! ("Rocket" Engine, and Hydra-Matic Drive as standard equipment, are also featured in the Series "98" Oldsmobile.)

The Tow Line . . .

(Continued from page one)

expected home early in June from Port Orange, Fla. They plan to come back by train this year. Also, they hope that they will be here in time for Harold Chew's marriage, but don't know whether they can make it or not . . . Birthday congratulations to little Colleen Smith, who was all of one year old last week. "I didn't give a party for her," said her mother, Billie Smith, "she had two birthday cakes and somehow they were both eaten up."

Congretulations to the Girl Scouts, their leeders end the Girl Scout Council. The girls put on a real show last Friday night at the High School gym America needs more Girl Scouts and more leaders to carry on!

"See what I just got from Norway," said Mrs. Norm Ance the other day and she displayed one of the most beautiful handknit sweaters I have seen since the day that Mrs. Frank Noble returned bringing other handknit products from that country. The sweater is a royal blue with red figures knitted in it . . . Just got used to seeing the lights again in the home of Mrs. Nora Moran, who spent several months in Florida. Then, all was darkness again. She went to Chicago to visit her daughter and to be there for Mother's Day.

Mrs. Earl Young received a letter a few days ago from her daughter, Virginia, giving the details of her big thrill recently when she was chosen "Queen for a Day" on the radio program. She was given many things: clothes, a washing machine and even the stroller that she wanted for her two kiddies. In addition she and her husband, John Dubas were sent to San Francisco and Oakland on a trip, where they were royally entertained. Flowers from Australia were flown especially for her to wear. That's a thrill that a gal will remember to hand down to the grandchildren!

Mrs. Ida Wells received word Saturday afternoon that her mother, Mrs. Charles Gray, had suddenly passed away that day. Mrs. Gray had been a resident of Charlevoix for the past eight years. About a month ago she went to a daughter's home in Mt. Clemens where she died. Mrs. Gray had been in poor health since Christmas . . . "Well, here we are, freckles and all," said Mrs. Ted Foster as the family stopped in front of The Courier office last week, having just arrived from Florida. Every one of them looked the picture of health . . . Another Florida couple to arrive this week are the Jerry Scudders.

Either there must be a powerful lot of fish in Round Lake or they are doing an excellent job of playing hide-and-seek with the bait for the place has been really peppered with boats during the past week or ten days. Fishermen everywhere and some real strings of fish reported . . . A ride through the countryside nowadays is really something. Seems as though the blossoms have just burst in bloom overnight, in fact, the blossom tour scheduled for May 22 over on beautiful Leelanau peninsula has had to be moved forward a week, May 15. One can go to the Blessing of the Blossoms ceremony on Old Mission peninsula, and then drive around Leelanau peninsula. Surely would make a heautiful ride.

In a recent letter from Will Hampton he told of having taken the Courier for 59 years and now comes along Elisha Geer who says the paper has been coming to the Geer household for 71 years. Another record! Speaking of Mr. Hampton, at the recent annual party of the Shakespeare Club a poem, "A Toast to the Ladies" was read. Cleverly done, the toast was discovered to be originally written in 1905, and given at the annual banquet then which was held at the home of Mrs. Crouter. Many of the names incorporated in the toast are of women who have now passed on, but they all did their part in making the club what it is today.

Mrs. Mae Ladd has just been putting the finishing touches on a strawberry barrel which is going to be a real eyeful when all the strawberries start bearing. A recent issue of one of the popular magazines started folks to work and since we have heard of several other persons about town who have started making the same type of barrel . . . Mrs. Charles See arrived home from St. Petersburg, Fla., Sunday where she has been for the past six months.

Work at Grey Gables Is Completed Early

Grey Gables was ready for business Monday.

It was a week earlier than expected, according to Russell Dundas, because everyone connected with the job cooperated in the repair and refinishing of the resort home.

• Mrs. T. L. Pearl has returned to her home here after spending the winter in Detroit. Her son and daughter-in-law, Mr. and Mrs. Thad Pearl, brought her home and remained for the week end.

Auto Electric Has Complete Paint Job

Auto row on Antrim street is having further changes made.

The Auto Electric has a coat of cream paint on the front and the lettering all redone. Inside the enlarged garage has been painted white, waterproof color being used on the walls.

• William Flynn and Bert Crandall arriveyd here last Wednesday. They drove up from Southern Pines, N. C. where they spent the winter.

Model Laundry to Open Monday

The Model Laundry will open for business Monday.

This week final work was done on the new 60 horse boiler which replaces the old one. It is stoker fired. The laundry would have been opened before this, Mike Hamlin says, except for the time needed to move and set the new equipment.

China, Dish Sale Will Be Saturday

The Girl Scout China and dish ale which had been postponed rom May 7, will be held this Saturday.

The goods will be displayed in front of the Dallas Henry shop at 409 Bridge St. At the same time a baked goods sale will be conducted in the Henry Beauty shop.

The sale is for the purpose of raising funds for this year's camping trip.

$18.75 Is Needed for Band Uniforms

Only $18.75 more is needed to complete the fund needed for the new band uniforms.

Since the last report, there have been two anonymous gifts totaling $15, the Knights of Pythias gave $10 and the Band Mothers added another $2 to their previous total.

That makes $511.75 on hand. $530 is needed.

Frank Courier Passes Friday

Bridge street is going to seem different for a long while to come. Frank Courier won't be coming along it with his big smile and his joking remarks which never had anything but pure fun in them. In the winter his bright jackets, the gayest bit of color in town, won't be there. And missed most of all will be that friendly spirit which liked everybody.

For Frank was an unusual person. He raised flowers and had a sort of genius for them. Not the usual flowers so much as the odd ones. He'd go out in the woods and come back with some novel plant or bush that he'd set out and nurse and coddle until it

Legion Auxiliary to Sell Poppies On Decoration Weekend

The American Legion Auxiliary will sell poppies during the week end of May 26-27-28, it was announced at the regular meeting of the Auxiliary held at the home of Mrs. John Zeitler on Monday evening. Mrs. Harry Powers is general chairman for the poppy sale.

Mrs. Harry Walstad was named to represent the auxiliary at the Charlevoix Hospital Carnival meeting to be held Thursday night at the City Hall.

Following the business meeting refreshments and a social hour were enjoyed by the members present.

Coxes Remodel House of Jewels

Mr. and Mrs. Tom Coxe, who returned last week from Scottsdale, Ariz., have started to remodel their House of Jewels on Petoskey avenue in preparation for reopening it about June 15.

New lines for men and women, which they handled in the West, will be stocked this summer here. Meanwhile starting Saturday they plan to have a one week sale. Because of the work going on in their own building, they have rented the Woolen Goods store in Earl A. Young's building for the ono week.

McCabe Softball Team Here Sunday

The Charlevoix softball team, with Gallagher pitching 4-hit ball, shut out Boyne City Sunday afternonn, 3-0.

Charlevoix could get only 7 hits off Burns with Ager contributing 2. Both teams made 2 errnrs.

Sunday at 2 p. m. the Charlevoix team will face the fast McCabe Hardware outfit from Petoskey.

Treasury Bond Sale to Start

May 16 marks the opening of the U. S. Treasury's Savings Bond Campaign known as the "Opportunity Drive."

The slogan for it is: "Put More Opportunity in Your Future — Buy U. S. Savings Bonds." The sales drive is from May 16 to June 30. Michigan's quota is $18,000,000 in the Series E bonds.

• Harry Gebeau has gone to Grand Rapids to attend the DeWitt Consistory being held there this week.

City Softball League Proposed, Players Needed

Anyone not on one of the three present teams who would like to play softball in a city league this summer is esked to leave or phone his name to the Michigan Cleaners.

The three organized teams are the Barnard, High School and Alley Rats.

The aim is to form a City league with six teams at the start. To do this, additional players are needed. A split season will be played, starting about June 1 to July 15, and then July 15 to Sept. 1. At mid-seasen, the Belvedere, North Side and any other available teams will be invited to join.

The winner of the second half will play the first half winner around Labor Day for the first annual Charlevoix City League Softball championship.

To make the competition more even, Gallagher and Supernaw, who are the only two good pitchers at present, will be barred from that position. This also will help develop new pitching talent.

Norwood to Have Achievement Day Friday Night.

Norwood will he having a 4-H Achievement Day of its own Friday night at the Town Hall.

The four members of the Nimble Fingers club will stage a style revue of the clothes which won awards for all four of them at the County Day two weeks ago. They are Lois Ann Wagner, Betty McBride, Beverly and Elizabeth Richardson. Mrs. Stanley Lord is their leader.

K. C. Festerling will show club pictures before the revue. After it the pupils of the Norwood school will hold a cake walk at the hall. They also will sell cake, coffee and articles they have made to raise money for a class trip to the Soo May 28.

Guy Baker, 60, Boyne Publisher, Rites Wednesday

Charlevoix County lost one of its three publishers when Guy Baker of Boyne City died Sunday.

He had been staying home due to heart trouble but had seemed so much improved his brother, W. Ray Baker, had flown back to New York two days before.

A native of Boyne City, Mr. Baker had played pro bascball after finishing high school, then came back and started learning the printing trade. During the first war he served as corporal with the 85th Infantry.

He and the former Agnes Blanshan were married Dec. 31, 1919. Both worked for the Boyne Citizen until 1932 when they started their own puhlication. Five years later Mr. Baker and his brother bought The Citizen and have published it since.

Mrs. Baker plans to continue on as publisher.

Funeral services were Wednesday with burial at Boyne City.

Police Stop Cars, Seek Hold-up Artist

All drivers going across the Pine River bridge here Saturday night found themselves being stopped and their ears thoroughly searched by State Police.

It was part of a road blockade which covered the entire area about Traverse City. Sought was the hitch-hiker who that afternoon had held up Albert Kreiser of Traverse , tied him up and taken his car and $2.08.

The troopers were from the Cheboygan post. Caught at a Traverse City travern, Henry Bristol of that city confessed to the robbery and to a previous hotel hold-up for which another man had been arrested and was being held.

Christ Church to Have Communion

Holy Communion Services will be held at Christ Episcopal church Sunday at 9 a. m.

Rev. Michael Kundrat of Cadillac will be the celebrant. Sunday School will be at 10 a. m. as usual but there will be no 5 p. m. evensong service.

The Tow Line

News of folks, your neighbors and mine . . .but did you know that—

Mr. and Mrs. Harold Gratton of Pontiac spent the week end here. They brought Mrs. Blanche Smith back with them so that she can open her house for the summer. Mrs. Smith is going into the doll clothes business this summer . . . Boats are beginning to appear on Round Lake and are now tied up at the slips . . . Was taken through the new J. D. Hobinson home on the Belvedere this week. The family will live in their interesting winter heme in Orlando, Fla., during the winter months.

Charlevoix is going to have a big job on its hands with the M. U. C. C. Convention here, come June at the Belvedere Hotel. To have 700 or 800 persons as our guests during that time is going to mean that the town folks will have to do their bit, showing folks that we are "Charlevoix the Hospitable", as well as "Charlevoix the Beautiful."

Del Henry is back home from Floride with more sporty sport shirts for summer. Wonder who will buy the shirt off his back this summer? . . . Some folks who got their tomato plants out early found out that the worms did not get them, but Jack Frost did . . . Then there was the mother about town who was givan some new curtains for her house for a Mother's Day gift. In a naive way she asked if the family were going to get drapes for dad for Father's Day. What, no neckties!

Men are busy at the cemetery getting everything in readiness for Decoration Day . . . The lawn seats on East Park (or Boat Park as Geik calls it) have been placed along the sidewalk and have already been initiated by the bench warmers. Also, the parking meters are back, so town folks KNOW summer is here . . .

Did you know that we have an artist in our midst, although he calls himself a has-been. It's Earl C. Gardner, who purchased Turner's Bar. Mr. Gardner has played a trumpet in two leading dance bands in the country, Paul Whiteman's and Fred Waring's.

Ken Forbes is now moved in his new home on the south side. "Yas, sir, we live in a four room house with a thrae cer garage," ha said . . . The big, old crane that has been in usa for many months on the bridga daparted from Charlavoix's main street Monday afternoon. It's work is done, which also means that it won't be long now! . . . Several from Charlevoix attended the festivities down Traverse Way Sunday.

Mrs. Cora Miller of Levering spent the week end with the Angus Fochtman's . . . Lottie Rathburn has been absent from the Courier office for a few days because of illness . . . Harry Zeitler was in Detroit Friday and Saturday attending an automobile dealer's meeting . . . Mr. and Mrs. Glenn Krohn entertained 12 friends at their home Sunday evening at Ironton. The Krohns have been doing considerable remodelling and redecorating at their Ironton cottage and it is now most attractive.

Meeting to Make Carnival Plans

Organizations which will cooperate with the Charlevoix Hospital in its Summer Carnival and Benefit during the Venetian Night week end this summer should have a representative at the meeting this Thursday at 8 p. m. .

So says Dean Davenport, chairman of the Carnivval committee. The meeting will be in the City Hall.

It is important because of the many problems and plans which will be settled at that time, he says. As far as possible, the various types of booths to be used will be selected at this time. Each organization will be told the type of booth it will have.

A list of selected activities will he outlined and added ones asked from the organization representatives.

In addition to the formally organized groups, any folks interested in the Carnival and wishing to take part with a booth or other entry will be welcomed. However, one of the group should be at the Thursday meeting, Davenport says.

Members of the Hospital Board will be present to answer questions regarding the need for a new Hospital. All proceeds from the Carnival will go into the New Hospital fund.

VFW Will Sell Poppies May 28 On Street Here

Memorial Poppies will he sold here by the VFW Auxillary on Saturday, May 28.

Mayor Ray Hamilton has given the official city apprnval of the plan.

Mrs. Howard Griffin is chairman, Mrs. John Geer is assistant chairman. Committee members are Mrs. Ted Coblentz and Mrs. Albert Russell. All members will sell the pnppies, which are made hy disabled veterans still in the hospitals. The proceeds go to help these same men who make the traditional flowers.

M. U. C. C., about which Charlevoix will be hearing a lot during the next five weeks, stands for Michigan United Conservation Clubs.

It is the organization which will be having its annual state convention here June 16, 17, 18 and 19. The attendance is estimated at from 700 to 900 or more.

The M. U. C. C. is composed of some 350 clubs having a total membership of 55,000 conservation-minded men and women all over Michigan. The Rod and Gun Club here, the Jordan at East Jordan and the Boyne Sportsman's Club at Boyne City are examples of typical clubs.

Most of these local organizations will be sending one or more delegates to the summer meeting here in June. Announcements have just gone out from state headquarters to members throughout the state. Calling it "The greatest gathering of sportsmen and conservationists in Michigan" the announcement lists the rates and accommodations.

The headquarters will be at the Belvedere Hotel. The other hotels in Charlevoix also will be open to help handle the crowd but several hundred will have to stay at private homes and rooming houses.

The program lists something for all four days. Pres. Louis D. McGregor of Flint will call the opening session at 1 p. m. on June 16. Reports on such things as wild life, game conditions, national affiliations, fisheries and

Boy Scouts Show New Way to Cook

Twenty-eight Boy Scouts from Charlevoix showed the newest method of outdoor cookery Saturday at the Petoskey Window Parade.

In proportion to the size of the troop, it was the largest delegation at the Camporee held Friday and Saturday at the Magnus State Park.

The cookery was done with metal foil. As shown above, a fire was built in a sand-filled wash tub (to protect the pavement). Then the food was wrapped in pieces of aluminum foil and dropped into the fire and ashes. In from five to 20 minutes the cooking was done and samples were handed around to on-lookers.

Putting on the show were members of the Pine Tree and Chipmunk Patrols. Shown in the picture are Bill Golden, Charles Rose, Roger Pischner, Gordon

Mol, Tom Bleha, Bob Richards, David Glassford, Dick Bryan, John Connolly and Mark White. Commissioner Frank Oleksy and Senior Scout Charles Krahnke accompanied the Scouts. Driving over with them were Gaylord Howell and Leon Joseph.

A Lot of Valued Work Well Done

Elsewhere in this issue appears a list of 4-H Club leaders from this area.

It shows the extent and range of training being given the young folks by these adults who voluntarily give time and effort so the youngsters coming on will be prepared to build a better rural life.

Don't let any one tell you that these boys and girls do not profit. Just ask the young folks who five and ten years ago were members of clubs. The story everywhere is the same— the 4-H is one of the best constructive forces in our rural life today.

The Courier wants to take this means of paying its respects and voicing its admiration for these men and women who lead these groups. The whole community, town and country, owes them a lot.

The Memorial Decision Is a Good One

While passing out commendations, one certainly goes to the committee on the World War II memorial.

The idea of a bronze plaque on so public a spot as the new bridge is excellent. The committee is doing a fine job.

But in this connection, the community should complete one other piece of work. Our World War I memorial still is incomplete.

How many folks here know that it is the plot of ground with the red maples across from the Lakeview Hotel? That each of the beautiful trees was planted in memory of one particular serviceman? That the land at one time belonged to the American Legion which planned a clubhouse there, but that it was turned over to the city as a memorial park?

There should be something to tell what the park is and to give the names of the servicemen honored. A boulder and plaque like that commemorating the Battle of Pine River would meet the need well.

Why don't the service organizations and the city get this done at the same time the other plaque is being ordered and do merited honor to the dead of both the two wars?

Why There's Old Age Assistance

Down at Lansing the Ingham Senator, Harry F. Hittle, this spring tried to get a provision through the Legislature forbidding the state from recovering Old Age Assistance costs from estates of former recipients. Senator Hittle's idea fortunately was defeated, and in commenting on it, the Ingham County News gave one of the best analyses of relief I ever have read.

Although it confines its remarks to the Old Age part, the same general principal applies to all relief money paid by the government to an individual on the basis of need. Said the News:

"No one earns old age assistance. It is not the reward for living 65 years. It is not a pension for services rendered. It is public aid granted on a basis of need. If there is no need, there should be no grant."

The Man Who Really Carries the Burden

Michigan Mirror

Non-Partisan News Letter

By Gene Alleman
Lansing Observer for
Michigan Press Association

Since 67 per cent of state-collected revenues are automatically returned to local governments for spending, the big question before the legislature this week—as solons raced for final adjournment—was this:

How much can we reduce the state deficit next year through economy cuts in appropriations for state institutions and state agencies?

Governor G. Mennen Williams warns that a $60 million deficit is impending despite legislative efforts to trim state operating expenses.

"After cutting off crippled children, slashing the state college and university, reducing the staffs of our mental hospitals and making other cuts," he said, "the appropriation bills would still leave us about $50 million short, after using up the expected $10 million surplus we will have left June 30, 1949."

The governor's solution: Tax corporation profits 4 or 5 per cent.

The Republican-dominated legislature has chosen, as its policy, a program of economy for state service (financed by 32 per cent of state-collected revenues) and no new taxes or increase of existing taxes. The outcome will be a treasury deficit, of course. The only question is "How much?"

That the Republican legislature has given the governor a ready-made issue—its "failure" to tax corporation profits and thus avert a deficit—is already indicated by Governor Williams' strategy.

The Republicans' answer will probably be in the affirmative: The legislature "saved" the public from increased taxes by requiring economy in state appropriations.

Judging from the spring election strategy, the GOP position may also be this: "We saved the state from a C. I. O.-inspired raid on the state treasury."

Republican State Chairman Owen J. Cleary hammered away throughout the spring campaign that the C. I. O. had dominated the Democratic state convention. It was openly charged that the C. I. O. was telling Governor Williams what to do.

Michigan's bi-partisan government, so called at least, was brought about by the switching of approximately one-half million voters from the Kim Sigler banner—all in two years' time.

Although Republican leaders feel that the election of a Democratic governor was a by-product of a protest vote against the Republican governor-nominee, Governor Williams has accepted the verdict as a mandate for social causes he advocated.

One wise-cracking newspaper reporter recently observed at the capitol: "What Williams needs in 1950 is another Kim Sigler."

Williams believes he has everythingshe needed to win.

The legislative session of 1949 was predestined to be a stalemate and drew between these two conflicting viewpionts. And since Governor Williams is ready to campaign for re-election in 1950 on the Republican-made issues, the final answer obviously must come from the voters in November, 1950.

Bills adopted by the legislature include the following:

Fishermen can catch panfish of any size. The conservation director may designate which water may be fished for rainbows in the fall.

Campers on state land must get free permits and must clean-up the grounds before leaving.

Old age welfare (assistance) maximum benefits are increased from $50 to $60 monthly.

Salaries of circuit judges creased $2000 year.

Agricultural inspection transferred to general fun

Adjustment in fees and sal. for probate judges, jurors, t ship officers and many othe

Workmen's compensation ments raised.

"Loopholes" in state tax are plugged for better rev collection.

Broaden the qualifications the director of the departmen mental health.

Redefines rural districts to clude third class districts.

Change In Old Age Law Does Not Mean Many Increases

Few changes have been made in the Old Age Assistance Law passed by the Legislature and signed by Gov. G. Mennen Williams.

It retains the provision under which the state treasury can recover sums paid out from the estate of a person who received this relief.

It did increase the monthly limit from $50 to $60 and in case of hospital or convalescent care from $60 to $80. However, the county office here points out that this means no increase in most cases. Since the cost of living has not advanced, no more will be paid individuals needing food or clothing.

Only exceptional cases will receive more help. In these cases, most have been getting this extra help anyway from direct county relief. The increase thus merely means that the money will be coming from taxes paid the state instead of from county funds.

Roy Gregory, county welfare director, estimates that one third of the present county cases are carried simply to supplement the Old Age Assistance funds. A large share of these, he expects, will now be dropped from the county roll.

OutBoard Boats Must Have Belts, Coast Guard Says

An outboard motor, plus a boat equals a motorboat and as such must carry an approved life preserver for every person aboard under Federal law.

Furthermore, the Coast Guard here has received orders from the Cleveland office to start checking all craft both in Charlevoix and other places to see the law is complied with. Not only will the craft be examined for lifeboats, but to see that it is properly registered.

The fisherman who rents an outboard shares responsibility under the law with the boat owner if the life belts are not on board. Violators are liable to a $100 Federal penalty.

Imprisonment in ancient Rome was used only to detain a prisoner until tried, when he was either killed, physically punished, or freed.

Adams Guns Now At Traverse City

If any Charlevoix folks are interested in what is left of the Ira Adams gun collection, it can be seen down at W. M. Brown's sport store in Traverse City.

Mr. Brown was in Charlevoix Friday. He doesn't have much of the orlginal collection left, he says. Many of the finer pieces like Livingston's gun disappeared through the years, and he disposed of duplicates and less valuable items.

But there still is enough left to make it a real tourist attraction. His store is at 247 East Front street.

Bob, Bill Carey Praised by Paper

Retelling the story of the "Carey dynasty" in Northern Michigan sports, the Lansing State Journal on Wednesday carried a picture and story of Bob and Bill Carey at Michigan State.

It was written by George Alderton, well-known out at Ironton.

Alderton recounts the 16 year story of the six Carey boys in Charlevoix athletics, and goes on to tell how the twins are out for football at Lansing. Both are working for berths at end, and are members of the spring training squad.

NOTICE

to Business Men:

It has come to our attention that, in certain Michigan Bell exchanges, advertising is being sold which is to appear on a "false cover" for telephone directories.

In that connection, we would like to call attention to the following provision of our tariff on file with the Michigan Public Service Commission:

"Directories regularly furnished to customers are the property of the Telephone Company and are loaned to customers; they are to be returned to the Telephone Company on request. No binder, holder or auxiliary cover of an advertising nature, except such as may be provided by or with the consent of the Telephone Company, shall be used in connection with any directory furnished by the Telephone Company."

In order to render good telephone service, it is necessary that we retain full control over our directories, which are an essential part of telephone service. We consider the above tariff to be a statement of a sound and necessary business policy and one which must be enforced.

Legal action has been taken to enjoin two persons who have sold advertising on and distributed such "false covers" for telephone directories.

Bowlers Receive Trophy at Wind-up Dinner of Association; Two Teams Tied for Title

Prizes in cash and trophies were presented last Wednesday night to Charlevoix bowlers at the big wind-up dinner held at the Argonne.

More than 200 keglers from the Petoskey league came for the chicken dinner and program. Past President Lyle Dunham presented the winner's trophy for the Charlevoix league to Marvin Mathews, head of the local group. Two teams, Chatterbox and Argonne, are tied for it and Mathews, as a neutral, received it for them. The tie is to be bowled off this week.

Other teams in the league are Abbey's, Coffee Cup, Walt Moore and Mathews Brothers.

The Argonne team received $10 for having the three high games. Walt Moore got $10 for the high single game. W. Matzinger rolled the three high individual games and Al Weatter was high individual for a single game.

In the Petoskey League, Elmer Doerr tied for third in the singles. Vern and Marvin Mathews placed fourth in the doubles and Teg Ager and Ralph Klein were fifth in the doubles.

Setting It Straight

Pictures have got The Courier into three errors lately. Two weeks ago Gordon Neff was identified as Charles Bleha in the fishing scene taken on trout opening day out at the Barnard pond. Last week it was Roberta Mayne and Judy Cunningham in the Girl Scout pictures. And Lo-Anne Anderson's name was omitted from the list of Beta Sigma Phi members.

Betty Switzer to Wed Anthony E. Novotny

Mr. and Mrs. Henry Switzer of Muskegon announce the engagement and approaching marriage of their daughter, Betty M., to Anthony Edward Novotny, son of Mr. and Mrs. A. F. Novotny of this city.

Both are graduates of the Charlevoix high school. Mr. Novotny was recently discharged from the U. S. Army Air Force after serving a three year enlistment.

The wedding will be an event of late July.

Court Awards $5000; Accepts Pleas of Guilt

Kerosene that was too explosive and cost two lives in July, 1947, also cost Rouse & Sons of Boyne City $5000 in Circuit Court Monday.

The court, with Judge Charles L. Brown presiding, gave a consent judgement of that sum to Irving L. Kinner of East Jordan, acting as administrator for his wife's estate. She and a 19 month old son died as the result of an explosion in their East Jordan home. Kerosene used in their stove had been bought from a dealer who in turn bought it from the Rouse company.

The county probation officer is investigating further the cases of Vernal Wallace, 16, and Edward Morrison, 19, of Petoskey. Monday both of them pleaded guilty to charges arising from an affair with a 13 year old girl. They previously had pleaded not guilty. Wallace accepted a statutory rape charge and Morrison pleaded guilty to kidnapping. Sentences will be given later.

Charlevoix to Have 4 MSC Graduates

Four of the seven seniors who will be graduated from Michigan State College June 5 will be from Charlevoix.

They are Floyd E. Harwood, Joan E. Nelson, Virginia M. Ranger, William M. Sanderson. Also from the county are Shirley S. Barton and Glenn A. Trojanek of East Jordan; Morris D. Gilliam of Boyne City.

All seven will receive bachelor's degrees. It will be the 91st commencement exercises.

More Rooms Needed to Care for Extra Convention Guests

(Continued from page one)

waterfowl will occupy the afternoon.

Friday morning will be devoted to discussion of ways to improve game conditions. Included will be such topics as a rabbit bag limit of 3; getting farmers' cooperation in creating small game refuges in the pheasant belt; racoon hunting licenses; fox bounty; tree cutting as it affects deer.

Friday afternoon will hear organization affairs threshed out with several changes in by-laws proposed.

Saturday morning fish will be the main topic with some 20 individual questons listed. These include things like winter fishing restrictions on non-resident anglers; opening of bass season; control of taking of minnows; lowering creel limit on trout and size limit. Reports from various committees will be given Saturday afternoon.

A brief session Sunday morning will conclude the formal convention.

Along with this formal business will go lots of fun. Thursday afternoon there will be a trip to Camp Charlevoix for the wives and children. In the evening a boat trip on Lake Charlevoix will be open to everyone.

Friday morning at 9 a. m. the wives and children again will be given a special trip, this time to Beaver Island. The vessel will dock there by noon. Dinner will be served and the return trip start a 2 p. m. Arrangements are being made to have a large lake vessel available for this instead of the regular ferry boat which could not handle the size crowd.

At 6:30 p. m. a beach party is planned on the Belvedere beach. The Rod and Gun Club is arranging to have Charlevoix fishermen prepare and serve typical fish bouillon as the main dish. The city Band will give a concert at that time.

The big banquet of the convention will be Saturday evening at the Belvedere dining room with a two hour program afterwards.

BABY TALK

A seven pound baby girl was born Monday to Mr. and Mrs. Bruce Bartlett of Los Angeles at the Lockwood Hospital in Petoskey. Mrs. Bartlett has been here for the past two months with her sister, Mrs. Leo Berg. Mr. Bartlett arrived from California about two weeks ago.

Births recorded at the Charlevoix Hospital recently include:

A daughter, Guendia K., born to Mr. and Mrs. Everett Roof on May 10.

A daughter, Judith Anne, born to Mr. and Mrs. Edward Johnson of Central Lake on May 11.

A son, Thomas Otto, born to Mr. and Mrs. Otto Merritt of East Jordan on May 11.

A daughter born to Mr. and Mrs. Archie Hunebaugh on May 12.

A son born to Mr. and Mrs. Benjamin Timmer on May 13.

Twins, a son and daughter, born to Mr. and Mrs. Dale Yettaw of Ellsworth on May 16.

A daughter, Toni Lee, born to Mr. and Mrs. Robert Goss on May 16.

Flowers from Hawaii Flown Here for Club

Sixteen members of the Charlevoix Garden Club enjoyed a potluck dinner at the home of Mrs. P. R. Ross on Tuesday evening.

Roll call for the meeting waa answered to with "What Bird I look for in my garden." Mrs. Charlotte Edwards gave a report of the State Federation meeting in Grand Rapids which she recently attended.

Mrs. Ed Shanahan had the lesson with the subject "Accent On Hawaii." Having lived for 13 months on the Islands she told of the climate, dress of the natives, described a Hawaiian feast, life on the Islands and what it means visiting the Dole Pineapple Plant. Several articles purchased in the Islands were displayed.

Then to the amazement of the members, Mrs. Shanahan opened a large florist box and there were fresh flowers just flown in from Hawaii for the occasion. Two leis were also in the box, one made entirely of baby orchids. It was easy to see how the natives could take multi-colored leaves, the ginger and other plants and make the oriental flower arrangements at which they are artists.

The June meeting will be at the home of Mrs. Arlo Wickersham and will be a picnic at 1 o'clock at their country home. This will also be the meeting for the election of officers.

Plan Life Saving School

Owasippe Scout Camps, near Whitehall will be the site of a national Red Cross aquatic school June 12 to 22. One of forty aquatic schools in the nation sponsored by Red Cross this summer, the camp will be the scene of intensive training in swimming, life saving, small craft, first aid, and accident prevention for an estimated 90 men and women.

Work of Junior Farm Bureau Is Outlined to 38

Thirty eight young folks were the guests Monday night of the Farm Bureaus of Eveline and Ironton at a dinner and program in the Rock Elm Grange hall.

Dinner was served them and half a dozen Bureau members by a committee of eight: Mrs. Fred Allen, Mrs. Leonard Babel, Mrs. Hiram Brock, Mrs. John Brock, Mrs. Walter Kemp, Mrs. Homer Nasson, Mrs. Oakley Saunders and Mrs. Arlo Wickersham.

Arlo Wickersham introduced Anna Brock, president of the county Junior Farm Bureau, and Don Crandall, past president. Both told their idea of the value of the Junior Farm Bureau to the young farm folks.

Ben Hennick was next introduced. He is state director of the Junior Farm Bureau. Dividing the 38 into small groups, he asked each to suggest ways they could earn money for their group. Among the proposals were painting and repairing mail boxes, planting trees for farmers on eroding land, doing wild life conservation work, and putting on a chicken barbecue as a benefit for the Charlevoix Hospital.

The concluding part of the program were colored slides which showed some of the various activities of the local and state Junior Farm Bureau groups.

New Grandson Arrives

Mr. and Mrs. Angus Fochtman again are grandparents. Mr. and Mrs. Robert Riggle of Lansing on Saturday became the parents of a 7 pound, 2 ounce boy, their third. She was the former Mary Helen Fochtman.

County Fair Will Be Like 1948 In Most Ways

Final plans for printing the 1949 fair premium book for the Charlevoix County Fair was discussed last week at a meeting of the board of directors.

Through the cooperation of the State Department of Agriculture and Michigan State College, a uniform classification for all premiums has been suggested. Also additional classes of livestock have been added to make it more worthwhile for exhibitors.

The program for this year's fair will be somewhat similar to last. Horse racing will be in the afternoon of the first three days, Sept. 7, 8 and 9 and horse pulling will be on Sept. 10, according to Ed Reeman, County Agriculture Agent.

Saturday will also be children's day. Special progroms will be planned and prizes offered for contests. The carnival company has agreed to reduce the prices on rides for children's day.

Persons wishing to obtain copies of the premium book may obtain one by writing to Ed Rebman in the Federal Building, Boyne City.

Kroger

Doing a Good Turn

In a Kentucky town the local Boy Scout troop had no meeting place. So the Kroger manager set aside a part of his basement, repainted it, added a special door and gave the Scoutmaster the key. Now the Scouts have their own quarters. Kroger believes in being a good citizen and encouraging the development of good citizenship.

Doe Visits Foster Plant, Accepts Food From Men, Willingly Poses for Camera

Charlevoix is getting to be a wild place, or else the deer are becoming tame.

Proof of it is out at Foster Boat Co. There the above scene took place. The yearling doe calmly wandered around the plant yard, poked her nose in at doors, accepted sandwiches from lunch boxes, but was more interested in posing for the camera than in accepting salt tablets from Clair Webster. Gene Bergmann, right behind her, had not had much better luck trying to get her to eat out of his hand—when the camera was ready.

Burr C. Blanchard Is Wed In East

St. Stephens Rectory, Shamokin, Pa., was the scene of the marriage of Florence Sockoloskie and Burr C. Blanchard Saturday, May 7. Rev. Casimir Kabara read the service in the presence of 70 guests.

The bride is the daughter of Mrs. Anna Sockoloskie of Shamokin, Pa., and the bridegroom is the son of Mr. and Mrs. Clinton Blanchard of Charlevoix.

The bride selected a white slipper satin grown fashioned with lace inserts and a long train. Her fingertip illusion veil fell from an orange blossom tiara and she carried a shower bouquet of white roses.

Mary Delores Miller of Newark, N. J. niece of the bride, as maid of honor, wore a gown of nile green net with a full skirt, a halo net hat trimmed with ostrich feathers and carried a bouquet of yellow tea roses.

Vincent DePiante, Jr., of Shamokin, Pa., nephew of the bride assisted the bridegroom as best man.

Following the ceremony a reception was held at the home of the bride's mother.

After a wedding trip through Canada the couple will return to Charlevoix to make their home. For traveling the bride chose a gray tweed suit with matching accessories.

Among the out of town guests were Mr. and Mrs. Roy Goodwin of Petoskey, Max T. Blanchard and Ruth Blanchard of Charlevoix.

Bride-to-Be Honored Guest at Shower Here

Miss Ann Kikse of Holland, whose marriage to Don Boss, son of Mr. and Mrs. John Boss, Sr. of this city, will be an event of June 15 at Chandler, Minn., was honored guest at a bridal shower given Saturday evening at the home of Mrs. Jay Boss.

Seventeen guests enjoyed an evening of games with prizes going to the bride-elect and Mrs. John Martin, Jr. A social hour and refreshments followed.

A table tastefully decorated with an umbrella in pastel colors held the many gifts presented to the guest of honor.

In July, 1850, 500 ships lay in San Francisco Harbor, deserted by crews that had gone hunting gold.

are they planning to make your pay check look like this?

Bureaucratic planners talk glibly about "free" medical care under the compulsory government plan — but it's pure poppycock. There is no such thing as "free" medicine. Your doctor, your hospital, your nurse, your prescriptions will all be paid out of your weekly wage. Deductions will be made from your pay check to cover the cost — up to 4% — maybe more — and you'll have a take-home pay that has shrunk considerably. So stop a minute and figure out the cost when sugar-coated promises are made to you about getting medical care for nothing.

Remember: It won't be the doctor who pays for compulsory health insurance; it will be YOU — forever and ever! Visit with your doctor about this matter and get the practical side of it as well as the pretty promises.

RECORD OF THE COUNCIL

MAY 9, 1949

The Common Council of the City of Charlevoix met on the above date with Mayor Hamilton presiding.

Aldermen present: Davy, Goss, Heering, Kohler, Knight, and Young. Absent: None.

Minutes of previous meeting were read and approved.

(15) Bridge Memorial Resolution Adopted.

Moved by Alderman Davy, seconded by Alderman Kohler, that the following Preamble and Resolution be adopted.

WHEREAS, nineteen men from Charlevoix and vicinity gave their lives in World War II that government of the People by the People might live; and

WHEREAS, it is most desirable that some structure of public use created by the government they fought to preserve be dedicated to them; and,

WHEREAS, The State of Michigan, through its Highway Department, with the aid of the United States, has almost completed a bridge across the channel known as Pine River between Lake Michigan and Round Lake in the City of Charlevoix, Michigan; and,

WHEREAS, It is the opinion of this Council that it would be most fitting and proper to dedicate said bridge to those heroes from Charlevoix and vicinity who gave their lives that the right to worship God as one chooses and the right of the People to govern themselves be not destroyed.

NOW, THEREFORE, BE IT RESOLVED: That this Council does hereby request the State of Michigan, through its Highway Department, to so dedicate said bridge.

BE IT FURTHER RESOLVED, That the State of Michigan is hereby requested, through its Highway Department, to permit and place in a suitable place on said bridge a plaque of suitable size and design which in addition to the names of the men from Charlevoix and vicinity who gave their lives in World War II, there be these words:

DEDICATED TO THOSE HEROES FROM CHARLEVOIX
AND VICINITY WHO GAVE THEIR LIVES IN
WORLD WAR II

BE IT FURTHER RESOLVED, That said plaque, its size and style be determined by a committee acting in cooperation with the Highway Department of the State of Michigan, and that the cost of said plaque be made public subscription and from any other funds available, or made available, for such purpose,

BE IT FURTHER RESOLVED, That the State of Michigan, through its Highway Department is requested to officially name said bridge, CHARLEVOIX MEMORIAL BRIDGE.

BE IT FURTHER RESOLVED, That Ralph S. Hamilton, Secretary of the Charlevoix County Road Commission is hereby appointed chairman of a committee to be by him formed, to have charge of the things necessary to be done in and about the premises.

BE IT FURTHER RESOLVED, That a copy of this resolution, under the seal of the City of Charlevoix be forthwith forwarded to The Honorable Charles M. Ziegler, State Highway Commissioner, Lansing, Michigan; to Mr. N. F. McKinney, Bridge Project Engineer, Charlevoix, Michigan; to Post 1153 Veterans of Foreign Wars, Charlevoix, Michigan; and to Post 226 American Legion, Charlevoix, Michigan.

Adopted by the following Yea and Nay vote:

Yeas: Davy, Goss, Heering, Kohler, Knight, Young. Nays: None.

(16) Parking Meter Resolution Adopted.

Alderman Davy offered the following resolution supported by Alderman Goss.

RESOLVED, That the regulation of parking under Ordinance No. 226 which provides for the regulation of parking by use of parking meters, be placed in effect and enforcement commencing on Monday, May 16, 1949 and that the Clerk publish notice thereof in the Charlevoix Courier.

Resolution adopted by the following Yea and Nay vote:

Yeas: Davy, Goss, Heering, Kohler, Knight and Young. Nays: None.

(17) Payroll Approved.

The finance committee having examined bills totaling $9,188.91, recommend they be allowed. Moved by Alderman Kohler, seconded by Alderman Young that the bills be allowed and orders drawn for their amounts.

Motion carried by the following Yea and Nay vote:

Yeas: Davy, Goss, Heering, Kohler, Knight and Young. Nays: None.

(18) Mayor's Appointments Approved.

The Mayor appointed Clarence Heise as Chief of Police. Moved by Alderman Goss and seconded by Alderman Davy that the Mayor's appointment be approved. Motion carried.

The Mayor appointed A. G. Leitch as City Engineer. Moved by Alderman Kohler and seconded by Alderman Goss that the Mayor's appointment be approved. Motion carried.

The Mayor appointed A. G. Leitch as City Assessor. Moved by Alderman Heering and seconded by Alderman Davy that the Mayor's appointment be approved. Motion carried.

The Mayor appointed Joseph Howard as Harbor Master. Moved by Alderman Heering, seconded by Alderman Knight that the Mayor's appointment be approved. Motion carried.

The Mayor appointed Norman Ance as City Attorney. Moved by Alderman Heering, seconded by Alderman Davy that the Mayor's appointment be approved. Motion carried.

The Mayor appointed Charles Marshall as Fire Chief. Moved by Alderman Goss, and seconded by Alderman Knight that the Mayor's appointment be approved. Motion carried.

The Mayor appointed Leo Allard as Street Commissioner. Moved by Alderman Heering, and seconded by Alderman Davy that the Mayor's appointment be approved. Motion carried.

The Mayor appointed R. S. McClintock, M. D., as Health Officer. Moved by Alderman Davy, seconded by Alderman Knight that the Mayor's appointment be approved. Motion carried.

On motion the Council adjourned.

IT HAPPENED ON . . . . BEAVER ISLAND

By Mrs. J. C. Hanley

Scholastic Honor At Island Won by Mary Malloy

Mary Malloy, daughter of Mr. and Mrs. Laurence J. Malloy of Beaver Island, has achieved the distinction of having the highest number of honor points of any member of her class.

Miss Malloy had her 12 years at St. James. She has been active in all school events, having been secretary-treasurer during both her junior and senior years. She assumed the leadership in financing the Banquet and Prom in 1948.

Leading roles in four plays have been taken by Miss Malloy, the latest being that of Jane in "Sunbonnet Jane of Sycamore Lane."

Miss Malloy has been prominent in the religious activities of the Island, too. She has been a member of the Sodality for four years, becoming prefect in her senior year. For three years, Miss Malloy has been enrolled in the Cell Group, being chosen leader in her junior year.

In recognition of her scholastic achievement, Miss Malloy will be presented with a medal at the graduation. She plans on entering nursing.

In deciphering secret messages the assumption of probable clew words is often necessary.

Group to Improve Island Airport

Beaver Island's airport has been approved by the Civil Aeronautics Association for the GI training program.

The airport committee met Monday evening with the Island GI's. The committee agreed to build an adequate hangar, enclose the airport with electric fencing to keep out roaming cattle and horses, erect an administration building to house office, telephone and automatic lighting facilities.

Crowning Rites Set for Sunday At Beaver Island

Holy Cross church will be the scene of the annual May Crowning ceremonies on Sunday, consisting of the reception of new members, the installation of officers, the crowning of the statue of the Blessed Virgin, and Benediction.

The new members to be received are: Bernadette Malloy, Ellen Nackerman, Grace Marie McCann, Grace Batliff, Robert O'Donnell, Patrick LaFreniere, Gilbert High, Dorothy Lewis, Robert Bonner, Henry Dubiel, Peter Greene, Richard O'Donnell, Kay McDonough, Gerald Hanley, Kenneth Ricksgers, nd Patrick Wabaninke.

The following officers will be solemnly installed by Father Giles the Spiritual Director of the Sodality; Walter McCauley as Prefect, Sally Cull as secretary, and Mary Margaret Greene as treasurer.

A colorful procession will then form in which all the Island children of school age will participate. Mary Malloy, Prefect of the Sodality, will crown the statue of Mary while the children sing, "Bring Flowers of the Rarest," Bruce McDonough and Larry Cull will serve for the Benediction services.

Tuesday evening, members of the Third Order of St. Francis met at the home of Mrs. Irene LaFreniere. A message of thanks has been received by the Third Order from Pope Pius XII acknowledging the spiritual bouquet sent on the occasion of the Holy Father's golden jubilee.

Mr. and Mrs. O. C. Wright, who have spent the past six months in Miami, returned to their home during the week.

A meeting of the township board was held Wednesday evening. A spring clean-up was authorized. Saturday a truck will cruise the village with crew to pick up cans and rubbish. To expedite the job, have cans in containers by roadside.

Mr. and Mrs. William Reify are visiting relatives in Muskegon.

Three more street lights will brighten the village—one to be placed at the County Garage road; one at Wojan's mill and one at Tom Gatliff's corner.

Logs are rolling in from camp 3 to Gus Mielke's mill.

A nice stand of lumber is stickered around Wojan's mill, the results of James Gallagher's logging this past winter.

Ed Young was on the Island for several days.

Thursday evening, Father Giles called a general meeting of the parish in the hall to discuss plans for the August dinner. The following will act as chairmen of committees: Mrs. Grace Cole, Mrs. Lawrence McDonough, Mrs. George Ricksgers, Mrs. Mike Cull, Frank Nackerman, W. J. Gallagher, Lloyd McDonough.

Carline Left invited 17 friends to her home Sunday to help celebrate her birthday. Those invited were: Audry Gatliff, Margie Martin, Alice Dubiel, Margaret and Beverly O'Donnell, Sally Dubiel, Rosalie Bennett, Mary Bonner, Thelma and Mary Schmidt, Mary Catherine Hanley and Margaret Ann LaFreniere.

It is reported several coyotes have been found dead lately. Distemper is said to be the cause. The same malady killed off a number of Island dogs during the winter.

The potential water power of Africa is nearly equal to that of any other three continents combined.

The advantage of many commercial codes is that they condense the message into one-fifth the space.

Cherry Orchard Set on Contour; Many Trees Planted

E. B. Watkins, farm planner for the Charlevoix Soil Conservation District, has announced that the first cherry orchard to be set on the contour was on the farm of Clayton Healey of East Jordan.

Mr. Healey had five acres surveyed in order that the rows of trees may be in the level rather than up and down hill. He also has established 1,000 feet of grass water way with the assistance of the farm planner.

Joe Leu of East Jordan has received assistance on fifteen acres of his farm. Contour strips were planted on these 15 acres. Kenneth VanHoesen of Charlevoix has two acres of cherry orchard that will be laid out on the contour as soon as possible. Several other cooperators will also have soil conservation work done in the near future.

Herman Webber, soil scientist for the Soil Conservation Service in Traverse City has completed soil surveys on the following farms: Clayton Healey, Joe Leu, Perry Looze, Art Nicloy, Orvel Bennett, Clarence Staley, Lyle Peters and George Khoster. All of these men are from East Jordan. Work with other groups will follow as soon as possible.

The Charlevoix District received 16,950 trees which were placed on the farms of those cooperators who had signed up in the program. These trees included 9,900 white pines; 4,525 red pine; 1,000 scotch pine; and 1,125 white spruce. Three of the directors received some multi-flora rose plants for experimental purposes as a living fence. It has been assumed that the multi-flora rose will not grow this far north. If it does however, many more plants will be brought in in the future.

The board of directors ask that anyone wishing to sign up for assistance should first contact the leader of the organized group in their community, or if there is no organized group they should attempt to form a new group.

Fingerprints as a means of identification were used from the earliest days of the Orient, when rulers used their thumbprints as an official signature.

40 Attend Anaual WCTU Breakfast

The annual W. C. T. U. May Breakfast was held at the Congregational church at 8:30 a. m. Friday with forty members and their guests present.

Mrs. Bessie Leisner of Petoskey district president, spoke on the diamond jubilee of the W. C. T. U. The local union voted to become a jubilee union.

New recruits dedicated by their mothers were Toni Frances Novotny, daughter of Mrs. Charles Novotny, and Larry Laverne, son of Mrs. Martin Elzinga.

Mrs. John Funk was in charge of the meeting; Mrs. Guy Smith led the devotions and Mrs. Carroll Fiedler sang a solo. The tables were tastefully decorated with spring flowers.

IF YOU DRIVE A CADILLAC, the sketch above tells a story.

Somewhere on the streets or highways you have your car to a velvety stop to give a "lift" to a youngster whose thumb is pointed the same way you are—and you watch his face light up as he settles down beside you.

"Boy, a Cadillac!"

You know, without asking, what is going through his head. He's dreaming of the day when he himself grows up to man's estate and has a Cadillac of his own.

It is only natural, of course, that Cadillac should occupy this unique place of honor in the dreams and aspirations of American youth—for Cadillac is the only car in America whose name and crest have been reserved exclusively for cars of the very highest character. It is the only fine-car name that has meant the same—for decade after decade.

This year, the Cadillac name has a special luster—for Cadillac cars are powered by a great new V-type engine—the creative masterpiece of Cadillac's renowned engineering division. Performance is so brilliant, from every standpoint, that it simply must be experienced in order to be believed.

Why not experience it yourself? You are welcome in our showrooms at any time.

Mrs. Barber In West

You cannot always believe what the Army says. It seems. Last week a news story came from Mather Field, Calif., saying that Mrs. Eugene Barber was living here with his parents, Mr. nnd Mrs. Elmer Barber. The Courier carried it. Now it appears that Mrs. Barber isn't here, hasn't been here, and that she and Eugene have an apartment in Sacramento.

Spud Planter Real Novelty

Kenneth Forbes is telling about the sensation a Michigan style potato planter made in York State.

Last month he took one down to his father-in-law at Heuvelton as a birthday present. Some 15 neighbors dropped around to see it work. None ever had seen one before.

On their way back Mr. nnd Mrs. Forbes came by way of Harrisburg to visit her son who is at a military academy and was one of two students picked by the Army and Navy for special training. They also had an opportunity to see the recovered Hohenzollern crown jewels. Ken says the jewels were impressive and so were the numbers of MP's with machine guns who were standing all around.

The Courier

Frank Courier's Unexpected Death Is Felt by Many

(Continued from page one)

thrived in the big yard on Hurlbut street.

Another thing he enjoyed were those trips he and Mrs. Courier took. In the fall up to Canada and East. Or in the winter to Florida or Texas to see new things and visit past or present Charlevoix folks down there.

Typical of Frank was his attitude toward the school kids, especially the athletes. He enjoyed all sports and took in all the games, not just those at home. He was one rooter the players always knew would be on hand to plug for them and kid them along.

But of all the sports, track was his favorite. Not necessarily because he liked it most, but because few folks were fans and he felt the boys deserved much more attention than they were getting out on the track and field. So he became an ardent track enthusiast—to help give the runners and jumpers more of a square deal.

His death was so unexpected Charlevoix is having a hard time realizing he is gone. A patient at the Charlevoix Hospital for several days with a heart condition, he had seemed to be improving. Then Friday evening almost without warning the end came.

Only 56, he was born in Eveline Township Dec. 4, 1892. His entire life was spent in this community, the last 30 with the Brown Motors. He had retired there a year ago December so he would have more time to do the things he enjoyed and to take life a little easier. He was a member of Knights of Pythias and the Masonic lodges. He and the former Laura Brown were married Nov. 4, 1923.

Surviving are Mrs. Courier; two brothers, James of Charlevoix and John of Davison; a sister, Mrs. Bernice Knop of Muskegon; two nieces who were raised by his parents, Mrs. Clayton Saunders of Belleville and Mrs. Walter Dudek of Saginaw; and several other nieces and nephews.

The funeral services were at the See Funeral Home Sunday at 2 p. m. with Rev. Jackson Turner officiating. Burial was in Brookside cemetery.

One thing especially would have pleased Frank. The track team turned out in a body to show how it felt about their loyal friend.

Bridge Is Likely to Be Opened to Traffic In June

It will be sometime in June before traffic will start rolling across the new bridge according to the latest opinion from the men directing the work.

Kenneth McFadden, supervisor of all the electrical work, turned the power on Friday to raise and lower the big double spans for the first time. There are still some minor adjustments being made on the brakes which regulate the motion of the leaves, but aside from that the four 15 horsepower motors and their complex controls all are connected and working.

Major mechanical job remaining is placing and connecting the safety barriers. As far as the bridge itself is concerned, it might be painted and ready for traffic by May 28. But it is doubtful in the barriers can be ready by then. And without them there will be no using the bridge.

These barriers consist of two at each end for traffic and two for pedestrians. Those for traffic are composed of heavy steel leaves which lift up from the pavement and will stop any vehicle short of an Army tank.

In addition there are warning barriers or arms at each end which will halt traffic before it rams into the steel leaves.

The pedestrian barriers are similar but shorter arms which drop across the sidewalks at enther end.

All these various gates are controlled automatically. When the bridge tender pushes the handle to start raising the bridge, all the barriers have to be in position before the power goes into the main motors. The several steps take place in sequence so there is no chance of raising the bridge and not closing the gates first.

Some concrete work still remains to be done, but it is not much. At the north end the approach section of the pavement still remains. Some of the sectional steel guard rail also had to be put into place Wednesday.

To those who have wondered what will be done about the site of the old Alhambra Hotel, it will be given a top dressing of black dirt and seeded with grass. It will be kept that way until the state finds a better use for it.

The Lamb equipment is being moved to other jobs as fast as it is not needed. One of the big cranes was taken on a truck Monday to Fennville where a six span bridge is to be built across the Kalamazoo river. The cement mixer in about two weeks will be taken apart and hauled to Benton Harbor for another bridge job.

Beaver Insists on Right-of-Way For a While

That little white line down the middle of the pavement is not reserved for motorcyclists — or beavers.

The conservation department reports a belligerent beaver held up traffic on M-55 east of Prudenville by insisting on the right-of way down the middle of the pavement. Several times motorists were forced to stop and carry the plodding animal off to the side of the road only to have him return to the middle of the concrete and continue on his way.

Finally one exasperated local motorist pulled a bag out of his car trunk and with the help of others removed the animal to a beaver pond a short distance from the highway.

Customers' Corner

Millions of women come to our stores every day to save money on their family food budgets.

But we are just as proud of the fine quality of our food as we are of our thrifty prices. For price without quality means nothing. It is the combination of low prices and high quality that builds A&P's great values.

That is why we have been able for many years to give our customers this guarantee: "If for any reason anything you purchase is not satisfactory, return it and your money will be cheerfully refunded."

Your advice and suggestions can help us maintain our high quality standards. You will be doing us a favor if you will let us know should the quality of the food you buy at A&P ever fail to satisfy you.

And let us know, too, if you have any suggestions as to how we can make your A&P store a better place to shop. Please write:

Beaver Island, City Men Buy North Shore

The North Shore will be running to Beaver Island again by June 5, and maybe sooner.

Wednesday she was to be taken over by the newly formed $40,000 Beaver Island Transit Co., composed of Richard Lyons, Mark Cross and many of the citizens of the island. The purchase ends the threat to Beaver prosperity made by the failure of Jack Lyons to operate the craft, the only practicable water link for tourist and summer residents.

Last winter the government required a new sprinkler system on the vessel. Lyons, who owned the North Shore, advanced freight rates considerably to pay for the improvement. The Islanders took goods across on a fish tug. Lyons did not start his boat this spring.

Meanwhile the mail has been hauled by Roland McCann's Venus II.

Under the new setup, the two Lyons brothers, who hold the mail contract, will sub-contract it to the new company. The North Shore will start regular runs as soon as an okey is received from the Coast Guard. The sprinkler system will be installed within a couple of weeks. The boat already has been overhauled.

Here Monday to work out final details with Richard Lyons and Cross were Fr. Giles Berthiaume, R. W. Carlisle and Lloyd McDonough of St. James.

Mrs. Ed Burns, 95, Passes Saturday; Rites Monday

Funeral services for Mrs. Ed Burns, 95, Charlevoix's oldest resident, were held at the See Funeral Home at 2 p. m. Monday with Rev. Gaylord D. Howell officiating.

Burial was in the Brookside cemetery. Mrs. Burns died at her home early Saturday morning following an illness of several months.

Born near Madison, Wis., on Dec. 9, 1853, the former Katherine Cravin, studied nursing at the Cook county hospital in Chicago. She also practiced her profession in Madison and the Mendota Asylum before coming to Charlevoix about 42 years ago. A short time later she met and married Mr. Burns. She continued to practice nursing until a few years ago. She was a member of the Methodist church and was active in the church circles. She was also a member of the W. C. T. U.

On her 95th birthday anniversary last December she received felicitations from President Truman. The year before she had received a letter from former Gov. Kim Sigler.

She is survived by her husband who is a patient at the Charlevoix Hospital where he is recovering from a severe hip injury received recently in a fall. She also leaves two nieces in Wisconsin.

Petoskey Softball Team Here Sunday

Charlevoix will face McCabe's of Petoskey again this Sunday at 2 p. m.

Gallagher pitched and batted Charlevoix to an 8-0 victory over McCabe's Sunday, allowing only 3 hits and hitting 2 home runs. After the game most of the team went to East Jordan where they won a 10-7 slugfest with Perry Smith making 2 triples and a double.

Only 12, Quinton Does Illustrations

"Always have liked to draw," said Quinton Walker, when asked how long he had been at his hobby.

"I draw at school quite a bit," he added, "especially in Arithmetic class for that is the study I like the least."

At the home of his mother, Irene Walker, there is evidence that this young 12 year old Indian boy has spent many a night filling scrap books with his crayon and pencil sketches for his mother's delight.

For the past two months Quinton has been busy on a real art project. The idea was given to him by his music teacher, Mrs. Tony Novotny, who suggested

Memorial Parade, Program Planned

Charlevoix will honor its war dead in a special Memorial Day program being planned by the Leslie T. Shapton Post No. 226, American Legion, and the Veterans of Foreign Wars Post No. 1153. Frank Poole is general chairman.

Floyd Black will be marshall of the parade which will form at Park avenue at 9:30 a. m. The Charlevoix high school band, Boy and Girl Scouts and other children participating will gather at the school.

Included in the parade, which will start at 10:00 a. m., will be the color bearers, the color guard, the firing squad, veterans organizations and other veterans, Auxiliaries, Boy Scouts, Girl Scouts, other patriotic organizations and the children in school buses.

The parade will halt briefly at Memorial Park where a prayer will be offered, taps sounded and wreaths cast upon Round Lake in memory of the sailor dead.

The parade will then continue to Brookside cemetery where the program will be presented: Star Spangled Banner by the Charlevoix high school band under the direction of C. A. Odmark; Invocation; Gettysburg Address, Sue Miles; Memorial Day address, Judge Charles L. Brown, of the 13th Judicial circuit; floral tribute; Salute; Taps; America by the band; Benediction.

On Sunday a special Memorial service will be held at the Methodist church with members of the American Legion and the V.F.W., their Auxiliaries and other veterans attending in a body. Rev. Gaylord Howell will give a special Memorial sermon.

In case of inclement weather the Monday program will be held in the high school gymnasium.

Funeral Services for Mrs. Mayne

Mrs. William H. Mayne, 72, a life-long resident of Norwood township passed away late Tuesday after a long illness.

Funeral services will be Thursday at 2 p. m. at the See Funeral Home. Burial will be in Norwood Cemetery.

Three Teachers Will Not Return to School In Fall

Three members of the present Charlevoix public school faculty will not be returning for another term, Supt. Roy G. Bennett has announced.

D. C. Maltby, commercial teacher, Mrs. Dorothy Richards, junior high English and speech instructor; and Mrs. Mary Meier, who assisted in the kindergarten, have returned their unsigned contracts.

Their positions have not been filled to date, Mr. Bennett added. All other faculty members have returned signed contracts.

4-H Summer Camp to Be July 6-9 At Church Grounds

Once more the County 4-H club members will be able to have a summer camp of their own.

It will be July 6, 7, 8 and 9 and as in previous years, it will be at Church of God camp grounds of Charlevoix.

Summer projects were planned Wednesday night at a meeting attended by county leaders, Kenneth Ousterhout and Mrs. Ruth DeRosa, assistant state club leaders.

Products of these summer projects will be displayed at the county fair, Sept. 6-10.

Psychiatrist Will Be Here Thursday

Dr. Gregory Miller, chief psychiatrist at the State Hospital at Traverse City will be the speaker Thursday night at the Congregational church.

This will be the grand finale meeting for the Congregators for the year. The meeting has been made a public one.

Also the meeting will serve as a hail and farewell meeting for teachers and others who will be leaving for the summer, and those who have lately returned after being away for the winter from Charlevoix.

St. James School to Graduate Four

St. James School will hold its annual commencement exercises Thursday. To graduate are: Mary Malloy, Charlotte McDonough, Patricia O'Donnell and Patricia Ramsey.

Fr. Raymond Oosdyke of Angola, Ind., will deliver the address. Fr. Giles Berthiaume will present the diplomas. Mary Malloy will be presented with a pin in recognition of her scholastic achievement as honor student of her class.

A formal dance to honor the graduates will be given in the Parish Hall.

Ellsworth Aids Hospital

Members of the Ellsworth Pilgrim Missionary Society are sewing and mending for the Charlevoix Hospital, Supt. Ann Baumgartner, has announced. They are one of many groups in the community who are giving time and materials for the hospital.

Baccalaureate To Be Sunday

Rev. W. D. Wood has chosen the subject, "The Business of Living," for his sermon at the Baccalaureate service to be held at the school auditorium at 8:00 p. m. Sunday for the graduating class of the Charlevoix High School.

Also featured on the program will be selections by the Charlevoix community choir under the direction of C. A. Odmark.

The program for the baccalaureate service follows: Processional, "Pomp and Circumstance," Elgar, Mrs. Florine M. Stelter; Invocation, Rev. Jackson E. Turner; Hymn, "O, Worship the King, All Glorious Above," congregation.

Scripture reading, "First Kings" Chapter 21, Verses 1-3, Rev. Gaylard D. Howell; prayer, Rev. Howell; "Adoremus Te", Palestrina, and "Open Our Eyes", MacFarland, sung by the Charlevoix Community Choir, directed by Mr. Odmark.

Sermon, Rev. Wood; hymn, "Love Divine, All Love Excelling," congregation; Benediction, Rev. Turner; Recessional, Mrs. Stelter.

Six Teams Will Play In Softball Summer League

The City Softball League was set up this week with six teams: Barnard, High School, Alley Rats, Moore's Garage, Glenn See and Michigan Cleaners.

Different colored shirts will be bought for their teams by their sponsors. Someone with $25 is needed for the Alley Rats. Simple rules were adopted. A team 15 minutes late forfeits. No profanity or umpire baiting is allowed. Two arguments with the umpire suspends the player.

The first practice schedule is:

May 27—Barnard vs. Moore.
May 31—School vs. See.
June 1—Alley Rats vs. Cleaners.
June 2—Moore vs. See.
June 3—Alley Rats vs. School, 7. p. m.
June 3—Barnard vs. Cleaners, 8:30 p. m.

Regular play starts June 6 wit heach team playing the others twice in the spiil season. A boys league will be formed to play preliminary games. Teams already lined up are:

Moore's: B. and W. Henley, Meggison, Lusk, Cellner, Mailhot, Abbey, K. Cox, Bennett, Livingston, P. Walker, Stein, W. Moore.

Cleaners: Bill and Bob Carey, Smith, Martin, Case, Riley, Hardy, Plumm, Sommerville, J. Johns, Bergmann, Willis, J. Warner

The Tow Line

News of folks, your neighbors and mine . . .but did you know that—

Mrs. Henry Hilton has returned to her home here after spending several weeks in Mackinaw City with her cousin, Frances Durance . . . Alton Durance is now here from Detroit to spend the summer at his farm near Mt. McSauba . . .

Little Donald and Dorothy Cooper, twin boy and girl of the Ted Coopers were all of five months old Monday. They celebrated the occasion by being wheeled down town by mother and lay in their double carriage smiling and giving their many admirers a good once over. They made a good looking buggy full!

H. C. Heckler is home again after spending the past two weeks in Grand Rapids where he served on Federal Jury. There were 12 members on the jury with two alternates, and interesting folks, according to Henry. Mr. Heckler found himself after a vote was taken as Foreman of the jury. It was a two week's experience that he wouldn't have missed for anything—plenty of hard work, some fun and a lot of experience.

'Tis a small world. Friday Mr. and Mrs. Ed went to Ann Arbor where Mr. Towe was initiated into the Ann Arbor chapter of the Sigma Delta Chi, at the University, an honorary national journalism fraternity. On the way we picked up three hitchhikers, college fellows, below Alma. In conversation with them we mentioned that we were from Charlevoix. "Oh, you must know the Carey boys," one of them piped up. Not only that they also knew Don Carey, Dick Hardy and Nancy Heering.

Jay Adams of Marion said he found some old check stubs up in the old house recently and discovered they had been printed by the Sentinel Steam Printing Company. Can anyone remember those days in the old Sentinel office? . . . Mr. and Mrs. R. M. Wilcox of Detroit were week end guests at the Ray Hamilton home. Mrs. Wilcox is a sister of Mrs. Hamilton . . .

Evelyn Hayward, who wintered in Lockport, N. Y., is back at her cottage and just "digging in" out there at Sequanota, getting her work done in the garden. She is expecting guests for Memorial week end, Mrs. Helen Thompson Seibel and two friends from Kalamazoo. Also, expected soon is Mrs. Stevens Chamberlain, her sister and aunt from Webster Grove, Mo. . . , There is also another light in the next cottage, the George Buttrick cottage. This week Mrs. Buttrick arrived from New York City accompanied by the Scotts from England. Mrs. Scott is a sister of Dr. Buttrick.

Don't forget to take a peep in The Courier office window at the art work done by 12 year old Quinton Walker, depicting several movements from Tschaikowsky's Nutcracker Suite. It is wonderful to know such a budding young artist is in our midst.

Mr. and Mrs. Ted Jancha of Augusta announce the birth of a son, Paul Stanley on May 18.

Summer Carnival First Step In Building New Hospital; Need for It Is Explained

The why and the how of the new Charlevoix Hospital were outlined for the Kiwanis Club Monday night by members of the hospital board.

Speaking were Harry Craig, Mrs. Edward Shanahan, Miss Ann Baumgartner, Gordon Freedman, George Haggard, various club members and guests.

As outlined by Mr. Craig, this area now has a 30 bed building which cannot meet present day building standards. Any money invested in it from now on is largely thrown away. The wise thing is to start on a new one.

If Charlevoix doesn't build a new hospital, we soon will not have one. And the money which would have gone for it will be going over to the Petoskey hospital.

This area needs a hospital and for its own economic future it must get started on one immediately, George Haggard asserted. He said it wasn't up to the government nor the summer folks nor anyone else but ourselves to raise the first sizable chunk of needed money.

Plans already drawn can and will be revised so that a 50 bed building will cost only $350,000.

Last Wednesday night 30 organizations sent representatives to a meeting at the City Hall to plan the Summer Carnival.

Formal Opening of Memorial Span to Be Part of Venetian Night Celebration Program

Hon. Charles M. Ziegler, state highway commissioner, will be the guest of Charlevoix at the formal dedication July 30 of the new bridge and World War II Memorial here.

His acceptance of the city's invitation was received this week.

Thus three major events will be taking place here that week end. There will be a dedication, Venetian Night and the hospital's Summer Festival.

The dedication plans have been outlined tentatively.

Early in the afternoon there will be a parade through Charlevoix. Invitations will be sent to nearby towns to have their bands and representatives here to take part. At the bridge, the traditional ribbon will be cut with a pair of giant shears made for the occasion.

Mr. Ziegler will be welcomed by Mayor Ray Hamilton and will give the formal dedication address.

The approval of the Highway Department has been given to the proposal of the Veteran groups here that the bridge be declared a memorial to the dead of the recent war. The memorial plaque will be unveiled at that time.

In the evening a formal dinner will be given for Mr. and Mrs. Ziegler by either the Board of Commerce or the city officials. They have been invited to be the guests of the city during the Venetian Parade the next evening.

Archie Rounds Elected to High I. O. O. F. Office

Archie D. Rounds was elected Friday to the second highest office in Michigan Odd Fellow fraternity.

He is the new Grand Senior Warden. Next year he will be elevated to the position of Grand Patriarch, the highest in the Grand Encampment.

The annual election took place Friday at Port Huron where the Grand Encampment was held this year. Next year it will be at Petoskey.

The new Grand Senior Warden is a member of the Charlevoix County Encampment, but his subordinate lodge membership is at Dearborn. He also belongs to the Canton in Ludington.

Cobb Sisters to Lead Revival Meetings Here

Two weeks of revival meetings similar to those of last year will be conducted here by the Cobb Sisters at the Church of God.

The sisters are Marlene, the evangelist, and LaVelle, song leader.

Their first service will be next Sunday morning. Because of Baccalaureate Sunday evening, there will be none then. But after that the sisters will conduct services every night at 8 p. m. through June 12.

City's Teachers Given MEA Posts

Charlevoix teachers were given a majority of the offices of the County MEA Tuesday at the annual meeting in Boyne City.

C. A. Odmark is president; Leonard Burns, treasurer; Uno Suomela, member of the executive committee; Max Novak and Mrs. Dorothy McRae, delegates.

Twenty-two attended from here.

Track Team Takes Second Place In Regional Meet

The Charlevoix thinclads placed second in the Regional track and field meet at Cadillac on Saturday with 36½ points. Hart was first with 37 and Reed City third with 36.

Jim Jolliffe won first places in the 100 and 220 yard dashes. Greg Bryan placed first and Charles Cross second in the 440 yard run.

Charles Fairbanks won a second place in the shot put. Fenn Welsheimer, a second in the 880 and Ross Case tied for second in the high jump; Ron Cunningham took fourth places in the high and low hurdles.

Charlevoix's 880 relay team won their heat and placed second in the meet.

Coach S. E. Coleman will take at least eight members of the team to Lansing to participate in the state meet on Saturday. Jolliffe, Case, Fairbanks, Welsheimer, Bryan, Cross, Dale and Neil Suomela will make the trip. A ninth member may accompany them.

Children's Day Sunday

Sunday will be Children's Day at the Congregational Church.

• Capt. and Mrs. Harry McRae returned home recently after spending the winter in southern Michigan, Windsor, Ont., and in Chicago with relatives.

Coming Events

May 26—V. F. W. meeting. Final arrangements for Memorial Day. All members requested to be present.

May 26-27-28 — Buddy Poppy sale by V. F. W. Auxiliary.

Little Credit for Anyone

Neither the Legislature nor the state administration can do much justified crowing over the recent sessinn just ended. At least that is the general cnncensus I picked up from everyone with whom I talked last week end while we were downstate.

The Governor undoubtedly will make political capital of the fact the Legislature wouldn't enact his program and didn't have one of its own to substitute.

The Republican law-makers can come back and say that the Governor's program was a speendthrift one which would raise the cost of living for those least able to afford it. (Which is just what a corporation tax would do—in addition to driving business out of the state.)

But it is true ton, that narraw partisunship and lack of real leadership marked the session. The legislators refused to go along with the Governor and boost taxes. But they lacked the conrage to cut state spending enough to come close In balancing the budget. By doing nothing they merely postponed the inevitable decision, and multiplied the trouble.

I do not know which is the best policy for Michigan—to cut costs or boost income. My hunch is that the former is better for everyone in the long run and I believe that costs could be cut and shifted without seriously curtailing any essential service.

But it is certain either one is preferable to neither.

Well, Why Shouldn't We Be There?

Murl H. DeFoe, editor of the Charlotte Republican-Tribune, has a gripe about the Encyclopedia Brittanica.

Doc in his editorial column explains how he went to look up the facts about Queen Charlotte of England and discovered that collection of knowledge does not list his home town, only Charlotte, N. C.

Now, I don't want to hurt my good friend's feelings, nor make any unpleasant compurisons between my present home town and my birthplace. But after all, the Brittanica editors have to use some other yardstick than just mere size. Candidly they must be men of sound judgement and fine discrimination.

Thought for the Week

"Sncial security", says one of our national do-gooders, "has abolished the poorhouse."

Perhaps so. Unless it puts into the poorhouse those folks who so far have managed to keep out of it by hard work and thrift.

Norwood Clothing Club Winners Put On Style Revue of Own to Display Work

With all four members winning places on the county 4-H Honor Roll, Norwood clothing club members put on a style revue of their own Friday night.

After the revue the four posed together with their leader, Mrs. Stanley Lord. Left to right: Lois Wagner, Beverly and Elizabeth Richardson, Betty McBride and Mrs. Lord.

Elizabeth made a little sister dress for her cousin, Bonnie Richardson, who lined up with them.

Sentinel of 1884 Packs Lots of Interest In Its Items About Wrecks, Boats, Spanish Doctress

A old Sentinel received by his father, H. S. Harsha was brought to the office last week by John Harsha.

It was dated July 30, 1884. Although its appearance is different, the old paper packed a powerful lot of news punch. Samples of items from it are:

Rev. H. M. Joy, D. D. . . . is in town rusticating.

Capt. T D Smith has purchased the wreck of the schooner Ketchum, which went ashore near Leland, and will rebuild her here.

C. G. Lewis has purchased the North Star and will run her as heretofore.

The steamer Thos. Friant of Grand Haven arrived here Friday and has been pleced on the Harbor Springs and Charlevoix route, making two trips a day. The Friant carries 200 passengers and has a piano and other luxuries in her cabin.

Miss Cynthia E. Cleveland, the superlative maseuline lecturer, lawyer and calico politician of Dakota, lectured here Wednesday evening. There were 24 present.

Cong. John Anderson of Kansas who originated the two-cent postage bill, is spending the summer in Charlevoix.

But there was one item which was a puzzler. It sounds interesting, maybe violently so: "The 'Spanish doctress' was in town last week. Tar-feathers-Devlin-Ironton."

It was once believed that the king's touch could cure certain forms of tuberculosis.

Pictures, Movies Mark Carol's Birthday Party

Carol Reinhart celebrated her tenth birthday anniversary with a party given by her aunt, Mrs. R. L. Suratt, on Friday. Little friends gathered for games, refreshments which included ice cream and birthday cake and a session of picture taking. Later they attended the movie.

Guests were Judy Stokan, Peter Gaskin, Billy Murray, Margot Mona and Dean Davenport, Dee-Ann Geneit, Wallace and Elaine Poole.

America's Lowest-Priced Straight Eight!
Until they see the actual figures, few people realize that the big, beautiful Pontiac eight is America's lowest-priced straight eight. Not only does it undersell all other straight eights by a substantial margin, but it actually costs less than many six-cylinder cars!
The fact that the Pontiac eight gives so much for so little is the basic reason for the great and growing popularity it enjoys.
Pontiac has distinguished appearance, and distinctive Silver Streak styling. Its spacious Body by Fisher is handsomely upholstered and appointed.
And finally, it is powered by the world's sweetest engine—a great straight eight which is supremely smooth and quiet, instantly responsive to the accelerator, packed with power—an eight which gives peak performance and economy.
We honestly believe that no other car carries such definite assurance of really enjoyable performance at so low a cost. We invite you to come in and take the wheel yourself. We're sure you'll be very pleasantly surprised.

Phyllis Mason Is Picked to Attend 1949 Girls' State

Phyllis Mason, 17 year old Charlevoix high school junior, will attend the annual Girls' State at Ann Arbor on June 14-22, according to Mrs. Harry Walstad, president of the local American

Legion-Auxiliary, the sponsoring organization.

Miss Mason, the daughter of Mr. and Mrs. Lee Mason of 504 Newman street, attended the Flint schools before coming to Charlevoix. She is editor of the high school paper, Crimson Flash; science is her favorite subject and she plans to enter nurses' training when she graduates from high school. As a hobby she corresponds with young people in Turkey, France and Holland.

The annual Girls' State is held on the University of Michigan campus and is sponsored by the American Legion Auxiliary, and other civic, social and fraternal organizations. Miss Mason will give a detailed account of her week's experience to the local Auxiliary when she returns.

Girl Scout News

Brownie troop 7 ended their activities for the year with a bicycle hike and picnic on Saturday. The 14 brownies accompanied by their leaders, Mrs. Franklin Curtis and Mrs. Fay Davis and assisted by Mrs. Charles Duerr, went to Mt. McSauba where they enjoyed the outing.

Girl Scout troop 1 met Wednesday to make further plans for their camping trip to Wilderness Park on June 18-26. They also voted to pay $3.00 to the Power Squadron for their Marine books.

Several members of troop 2 who are not attending an established camp met with them and will go camping with troop 1. They are Debby Bergeon, Janet Kruhk, Elaine Peters, Jackie Cooper, Joyne Dutcher, Amy Kipke, Carol Cross. Mrs. Lester Smith and Mrs. Irene Shadko will go camping with the troop.

Fourteenth Birthday Celebrated with Party

Doris Neilsen whose 14th birthday anniversary was Sunday was honored at a surprise birthday party at the home of her parents, Mr. and Mrs. Tom Neilsen Sunday. Nineteen friends enjoyed an afternoon of baseball and other games topped off with refreshments which included a large birthday cake.

Guests were: Irma Thomson, Pat Mort, Marilyn Bulow, Virginia Smith, Lyone VanZant, Nancy Ikens, Gladys Aulick, Corolyn Smith, Leona Scott, Maria Neilsen, Betty Gill, Charles Krahnke, Victor Gibbons, Tom Bleha, Charles Rose, Chuck Donaldson, Harold Hamlin, Dick Bryan and Milford Saunders.

Louis Young to be Wed Saturday, Guest at Shower

Louise Young, whose marriage to Robert Gill will take place Saturday, was honored at a bridal shower given at the home of her parents, Mr. and Mrs. Earl A. Young on Friday evening by the Ladies Aid of the Church of God and the nurses of the Charlevoix Hospital.

Guests enjoyed a social evening and refreshments which featured a bride's cake.

Elmer Barber Surprised At Birthday Party

Friends of Elmer Barber gathered at the Barber home Saturday for a surprise party honoring his birthday anniversary. Mrs. Don Garvey, who with Mr. Garvey, spent the week end here, was also honored for her birthday anniversary on Sunday.

A social hour and refreshments served by Mrs. Barber were enjoyed by the 15 guests present.

Mrs. McBride, 77, Dies at Carson Home Monday

Mrs. Emma McBride, 77, died Monday at the home of her son-in-law and daughter, Mr. and Mrs. Kit Carson, with whom she had lived for the last nine years.

Funeral services will be held at the Watson Funeral Home in East Jordan at 2 p. m. Wednesday with burial in the Sunset cemetery.

Born in Springdale, Ont., the former Emma Secord was married to Robert McBride in December 1899. They came to this country in 1904 and lived in the lumbering center of Deward before coming to East Jordan in 1916. Mr. McBride died in 1932.

Surviving are three daughters, Mrs. Carson, Mrs. Barton Stevenson of Muskegon and Mrs. Kenneth Brown of Charlotte; three brothers and five grandchildren.

• Mrs. Susan Aghosa left Tuesday for a weeks visit in Traverse City.

Quinton Walker Completes Series of Music Sketches

(Continued from page one)

that he draw different pictures depicting the several movements of Tschaikowsky's "Nutcracker Suite" which pupils were going to play in the spring recital. Quinton was playing one of the movements himself, "March of the Toy Soldiers."

The pictures were at the recent recital. Besides the Toy Soldiers there are Dance of the Reed Pipes, Russian Dance, Waltz of the Flowers, Nutcracker, the Arabian Dance, Dance of the Candy Fairy, Chinese Dance and the Nutcracker and Mary. The same pictures are on display at The Courier.

Animals are Quinton's chief delight in drawing and the Disney Bambi has captured his imagination. Many different drawings of it are in the scraphook.

"I like to draw any of the Disney characters," he added.

In the fifth grade room there is evidence of the young man's art work on the board. At Christmas time Quinton drew Santa and the Christmas carollers for a decoration. Now Toy Soldiers decorate the board.

When asked what he would like to do when he grew up, Quinton promptly said, "I want to be a doctor." Even so, his art work would make an interesting hobby for relaxation.

"My brother Stewart draws too," said Quinton and then he proceeded to find examples of his brother's handiwork.

The entire family seems to have an artistic talent. The mother makes wonderful Indian baskets, an art which is fast disappearing and now the two boys are interested in art and music.

"I never had any advantages," said Mrs. Walker, "but I am going to see that my sons get some education."

Barnard 4-H Stages Own Show

The Barnard 4-H Community Club held their Exhibit Night at Barnard Grange Hall on Friday evening. A business meeting was followed by a program given by the 4-H members which included: Welcome by William Parsons, Master of Grange; a dress review by the girls; a hilarious skit. Also presentation of awards to the boys handicraft, and tractor maintenance groups by the club president, Jim Fiedler. After a pot luck lunch was served, Karl Festerling showed movies of a typical American community 4-H Club not much different than our own club.

Nita Brumm is top county girl in sewing. Her dress is a pink formal.

Craft Corner Gives $252 to Hospital's

A total of $252.23 was turned over to the Charlevoix Hospital Building Fund Thursday by Mrs. Gordon Freedman.

It represented the results of a year's work and donated time by a group of Charlevoix volunteers.

Coffee was considered an intoxicating beverage by early Mohammedan priests.

The actress Eleonora Duse played Juliet when she was only 14 years old.

The pyramids of Egypt contain plaster-work at least 4,000 years old.

CARD OF THANKS

We wish to express our appreciation to friends and neighbors for their deeds of kindness, beautiful flowers, cards and sympathy extended to us at the time of the death of our little son.

We especially wish to thank Rev. Meulman for his kind, comforting words, Mrs. Vandenburg, Mrs. Vanderark and Mrs. Meulman for the music; Franklin Brown and Glen Bradford who assisted as bearers.

Mr. and Mrs. Allan Potter.

Those Who Served

Monday America salutes the men and women who served in defense of our country in all wars, and honors the memory of those Americans who did not return. We join in a hopeful prayer that their lives, lost in the struggle for peace, were not given in vain.

Barnard News

By Mrs. Clyde Smith

Much improvement is noticed in our local cemetery since the bee on Wednesday evening. Another is planned this Wednesday to complete the job.

Some of our W. S. C. S. members went to Boyne City Wednesday to hear Lulu Tubbs, missionary from Africa.

Sandy Matchett had the misfortune to get barbed wire in his eye last week, necessitating a visit to the doctor.

A nice crowd attended the Farm Bureau meeting at the Frank Matchett home. An interesting discussion was led by Mrs. J. L. Boss about Brannan's Farm Price Plan.

Mr. and Mrs. Clyde Smith visited their son-in-law and daughter, Mr. and Mrs. Millard Taylor and family near Petoskey on Sunday also calling on relatives in Boyne City.

Rock Elm News

By Mrs. A. B. Lawton

Funeral services were held at the Assembly of God church, East Jordan, Sunday for Mrs. Victor LaCroix, who passed away in the Lockwood Hospital at Petoskey May 12.

She was born in Canada, Jan. 27, 1878. Surviving are her husband, two sons, two daughters, and two granddaughters. A daughter and a son preceded her in death.

She was a member of the Gospel Assembly of God church. The LaCroix family have been residents of this district for many years.

Clark Community

Mrs. Wm. Parsons

Mr. William Jolliffe was pleasantly surprised on Saturday evening when friends dropped in to help him celebrate his birthday.

Mr. and Mrs. Eugene Best of Ellsworth visited Mr. and Mrs. George Parsons Sunday.

Mr. and Mrs. Clyde Warner attended a Grange meeting in Cheboygan County Saturday night.

Eveline Orchard

By Mrs. Leonard Babel

Mr. and Mrs. Harold Thomas and son, Bob, Mrs. Finley Holborn of East Jordan and Marie Thomas of Mt. Pleasant attended commencement excercises at Flint on Friday at the Hurley School of Nursing. Miss Marjorie Thomas is a member of the class of 1949.

The Helping Hand Club will meet at the home of Mrs. Oakley Saunders Wednesday, June 1.

There will be another Teen-Age dance at the Rock Elm Grange Hall Saturday evening, 8:30 until 11:30 p. m.

Ole Neilson, Sr., went to Lansing last week. He stopped at Holland for the tulip festival.

Wayne Saunders of Traverse City spent the week end with his parents, Mr. and Mrs. Oakley Saunders.

Mr. and Mrs. Noel Thomson entertained 20 guests Sunday at their home honoring Mrs. Thomson's birthday.

Mr. and Mrs. Ole Neilson and family were Sunday dinner guests at the home of Mr. and Mrs. H. E. Cunningham of Charlevoix.

Mr. and Mrs. Scott Hale of Grand Rapids, parents of Mrs. Noel Thomson are spending a couple of weeks at the Thomson home.

Six couples enjoyed a miracle Maid demonstration supper Wednesday night at the home of Mr. and Mrs. Jim McClanaghan.

John Knudsen spent a day last week at Big Rapids and Freemont, on business for the Heinz Pickle Co.

Louis Babel and son Louis, Jr. of Detroit spent last week at the home of Mr. and Mrs. Leonard Babel.

Carl Anderson left last week for Manitowoc, Wis., after spending several weeks with his family here.

Bay Shore News

By Joan Daschermeier

Mrs. Ernie Dietze and son are spending a few weeks with her sister, Mrs. Vic Shureb and daughter of Detroit.

Mr. and Mrs. Fletcher Johnson of Petoskey, Miss Lela Johnson of Bay City, Miss Ethel Zipp of Saginaw and Ernie Dietze drove her there and returned Sunday evening.

Mrs. Lyle Barnes and son Arthur of Charlevoix and Mrs. Carrie Price were Saturday callers of Mrs. Joe Deschermeier.

The Club 31 sponsored a dance at Maple Grove Saturday evening and is planning another for this coming Saturday.

Traverse Man Is Masonic Head

Hugh J. Johnston, former mayor of Traverse City and its "most useful citizen in 1938", was elected and installed 99th Most Worshipful Grand Master of Michigan Masons in the Scottish Rite Cathedral at Detroit May 25.

A retired Michigan Bell Telephone district superintendent, Johnston holds a long record in civic activities. As a resident of Petoskey he served as a director and president of the Chamber of Commerce.

Before moving to Traverse City he was director of the Port Huron YMCA.

While the new Grand Master is a resident of Traverse City, and even though Traverse City Lodge, No. 222, is his mother lodge it was nevertheless, under sponsorship of Durand Lodge, No. 344 of Petoskey, that he entered the official line of Grand Lodge.

Chuck Burnett of Petoskey was a caller of Joseph Deschermeier Jr., Sunday afternoon.

CROP Says County Hit 75% of Goal

In the final state CROP report, Charlevoix County is credited with reaching 75 percent of its goal.

The goal was a $2000 car of honey; $1506.46 was raised.

Bay County was top in the list, supplying 425 percent of its quota of beans. The other counties in this area and their percentages were: Cheboygan, 60; Emmet, 88; Otsego, 17 (incomplete returns); Antrim, 86; Grand Traverse, 42.

Only one or two offsprings reach maturity from the millions of eggs produced yearly by a single fish.

From where I sit ... by Joe Marsh

Two Heads Are Better Than One (Or None)

I get a kick out of buying stuff down at the hardware store. And I always ask for a little advice from one of the two brothers who run it, because I know beforehand exactly what the answer will be.

Like when I needed a new garden hose. "Henry," I says, "how about this new plastic hose—is it really as good as rubber?" "Well," he says, "I'm inclined to think it is—but you'd better ask Tom."

I found Tom in back and asks him the same question. "Well," says Tom, "in my opinion it is—but you'd better ask Henry." "I already have," I says, "and when you two cautious old codgers agree I'd bet my life on the decision."

From where I sit, your own opinion is worth a lot—but so's the other fellow's. That's why I keep saying, over and over, let's be tolerant of the other person's point of view—whether it's on politics or farming—or whether you like milk shakes and he prefers a temperate glass of beer.

Bob, Bill Carey Recognized at State as Two of Three Most Promising Frosh Grid Players

News of the Carey boys at MSC comes from the Spartan Sports Service. A news story distributed from East Lansing says:

"After the annual spring football practice game at Michigan State last Saturday, the big talk centered on three freshmen. There was Bob Ciolek, from Michigan City, Ind., who showed that MSC has an up and coming passer and first class quarterback. And then there were two boys who hail from Charlevoix, who came through with a marvelous performance in their first trial under actual game conditions.

The last two mentioned are the twin brother act of Bill and Bob Carey. The act was split for the game with Bob playing left end for the Green team, which had the first string from last year's squad, and Bill who played across from his brother in the right end slot.

This was the first time that Bill had ever played on the line. As Coach Munn put it, "We converted Bill to end in the third week of the spring practice and he has shown his worth. He certainly surprised us." As for the surprise that Biggie had particularly in mind was the last scrimmage play of the game. Bill gathered in one of Ciolek's passes and toted it across the double stripe for the only White TD.

Early in the first half Bill took a pass from Ciolek but the ball squirted out of his hands. A couple of plays later Bill was thrown another and this time he got it. After shaking off five tacklers he was blocked out of bounds and didn't stop going until he crashed into the wall along the west side of the field. At this moment, Coach Munn, who was sitting up in the press box taking life easy at the time, commented, "I want those Carey boys to try but I don't want them to knock the stadium down."

Big Bob traded off with varsity regulars. "Red" Gilman in that left end spot throughout the game and got a chance to see a lot of action. He caught one pass for a gain of 12 yards.

Coach Munn's comment on the play of the pair was, "These two boys have greatness in them if they want to show it."

After the spring practice, the team and coaching staff got together for an outing. At this time awards are handed out for the most improved player in spring practice, the outstanding player of the game and the player who turned in the most surprising performance. It was the name of Bill Carey that Coach Munn called for the most surprising performance.

Receive Big Cocoanut

Mr. and Mrs. John Funk received a large cocoanut from Jamaica on Monday, a gift from the latter's son-in-law and daughter, Rev. and Mrs. Charles Struthers. The cocoanut weighs three and three-quarters pounds and is 7 by 12 inches.

Sausage is referred to in writings as old as Homer's Odyssey.

More Parking Space Planned At City Dock

More parking and economy highlighted the two hour session of the City Council Monday.

Mayor Ray Hamilton asked and received Council approval for plans for more parking by the City dock. The drive from Bridge street will be the same as before the bridge work started. Then a short distance in from the sidewalk, the pavement will be widened the length of a car at each side to provide angle parking there.

In addition, the bank west of the alley north from Dutcher & Johnson's store will be cut back to allow more parking. About 100 more cars can be taken care of, the mayor said.

Herbert Schofield and Bert Pearl, representing property owners along Grant street, asked the council to stop traffic through the alley between Elmihut and Upright. The council finally approved the idea of putting up signs at the entrance and a fence across the alley halfway between the streets.

A salesman from the Addressograph Co., tried to sell the city a new $1625 machine for addressing electric bills and making out tax statements. The present machine was obsolete 20 years ago and is worth $15, he said. The aldermen decided to keep on using the obsolete machine.

Mayor Hamilton had just finished outlining the financial situation of Charlevoix. A year ago the city was $60,000 in the hole, since the power plant and installation costs exceeded the bonds by that amount. During the year this shortage was cut to $30,000. This year, he said he hoped by strict economy the city would be able to wipe out that remaining $30,000.

Charlevoix Boxers Win 6 of 8 In VFW Meet

Charlevoix boxing fans gathered at the high school gym Friday evening to witness the boxing show presented by the local post of the V. F. W.

The local lads met a Traverse City team and won six of the eight fights on the card. Teams from Petoskey and Manistee were unable to attend.

In the 85 pound class Skip Smith of Charlevoix, defeated Richard Arthur of Traverse City by a decision. Don Hanson, TC, defeated Louis Mason, Charlevoix, in the 222 pound class. Stan Whitely, Charlevoix, won over Skip Forton, Traverse City in 128 pound class. Joe McDermott defeated Tom Erber in the 97 pound class. Both are from Charlevoix.

In the only K. O. of the evening Pat Martin, Charlevoix, downed Del Peckum, Traverse City, in the second round. Jim Brennan of East Jordan, boxing with the Charlevoix team, defeated Ken Kirsch, Traverse City. Both bouts were in the 152 pound class. In the 140 pound class Lawrence DeWitt, Traverse City, defeated Jack Russell, Charlevoix. Buddy Barber, Charlevoix defeated Pat Brennan, East Jordan, in the 110 pound class.

Golden Edenburn of Traverse City was the referee. Dean Davenport and Ray Kipke were judges and Glenn Rose, time keeper. Jack McDermott trained the local team in the V. F. W. quarters set up recently.

The ring was loaned to the Charlevoix group by Boyne City.

• Mr. and Mrs. Joseph W. Smith and two children arrived Sunday from Port Arthur, Texas, for a two weeks visit with his parents, Capt. and Mrs. Oscar Smith.

Argonne Takes City Title, Beats Chatterbox Team

The Argonne bowlers proved themselves the champions of the Charlevoix league by winning the playoffs Sunday.

The team was tied with the Chatterbox Five which had won the first half of the season's title, the Argonne taking the second half. Sunday the players went to East Jordan, to be on a neutral alley, and rolled six games. The Chatterbox gave the Argonne bowlers a handicap of 23 pins a game.

After the games were finished, the players and their wives drove to the Argonne which entertained the whole group at a chicken dinner.

Old Dishes, China Sale on Sidewalk Pays Girl Scouts

Old dishes and china paid off Saturday for Troop 2 of the Girl Scouts.

Unable to find a suitable building for their old china sale, the girls simply set up a sidewalk bazaar on tables in front of Del Henry's shop on Bridge street. With the weathermen cooperating, and helped by their leaders, the girls netted $37.31 during the day. Their leaders are Edith Olsch and Betty Strehl.

The money will be used to help pay for a five day outing for the troop at Ocqueoc starting June 4.

• The Robert Richards family spent a busy week end. Saturday they drove to Evart where Ruth will teach next year. Sunday they went to the Soo, a place Bobby never had seen. As soon as school is out they plan to visit Zanesville and Harrison, Ohio, for a couple of weeks.

The organ- on now has a dozen of these orms and hope by next year ıcrease that number to 24 . . . you know that there is an rnational Shut-In Day and it comes next Sunday, June ıis year? It all started some years ago when Clarence E. ver of Marietta, Ga., was told had only 10 days to live. yer and faith gave him ngth to pull through although still has a crippled body and been a shut-in ever since. t of his misfortune grew the ernational Shut-In Day. Remember your shut-in friends with all, a card, a cheery letter or a de gift.

The Zack Whytes arrived home om Cincinnati, where they have en for some months. Zack was The Courier office to say that l those rumors floating around wn that he had purchased the ountain City House to house olored people were unfounded far as he is concerned. "I ave no part in such a story," id Zack. " would never think f purchasing such a place unless had the good will of the towns- eople in such a transaction. My ome is on Ferry Avenue." Zack aid he was even flooded with nail during the winter months sking if such a story was true. am sure that Zack has the re- pect and good will of all the olks in Charlevoix and his attiude and conduct in regards to the story only increases that respect.

Speaking of Zack, many a person about town has heard him play his original piano compositions "There's a New Romance Started" and "I've Lost You". Now he tells us that the Zimmerman Music Co., in Cincinnati is publishing these two numbers and already he has seen proof on his music. The songs should be out within a few weeks. Surely the haunting melody of "There's a New Romance Started" should make the hit parade.

It seemed good to see the Hardy twins, Lyla and Lylas, home again from Saginaw. The girls were seen about town this week end with their husbands and their parents, the Jud Hardys . . . Did you ever see so many folks in town as this week end? Truly there was a record crowd at the cemetery for the Memorial Day exercises . . . Also many of the summer homes are now lighted and the folks here. It seems wonderful to see the homes opening again. These are the days when we grow from a small town into a city almost over night.

Things are astir out at Camp Ta-Wa-Ma-Na again and this week end the camp director, W. J. Gunnerson, his wife and children, Mr. and Mrs. Oscar Felden, Mr. and Mrs. Walter H. O'Connell and Mrs. H. Heckman of Detroit were here to look over the property and start things in readiness for the coming camp season . . . Mr. and Mrs. Howard North plan to go to Detroit and Ann Arbor this week end and will return with Mr. and Mrs. Ray Shearer, who will be here for the summer in their house trailer. Mrs. Shearer, the former Elaine Edwards, plans to open a flower shop this summer on Bridge Street. The shop will occupy the front of the Abstract office.

Harry Gebeau really got a thrill recently when he was in Grand Rapids at a Shriner's meeting. Suddenly the Shriners had a surprise pulled on them, namely, the personal appearance of Rubinoff and his violin. "It was a $150,000 Strad," Mr. Gebeau said, "and was it a beauty. How he could play." . . . Mrs. Ruth Miller arrived home this week from Ann Arbor where she has been during the month of May . . . Bob Shanahan came home from the University last week end, just in time to get out that old derby hat, grab the big bass horn and play with the fellows who formed an impromptu band Saturday to serenade the folks on the North American.

Mrs. Esther Hawley is now at home again where she is recuperating from a major operation performed at the Charlevoix hospital . . . Vincent Hatchett and Pat McIntosh of Detroit were guests of John Zeltler, Jr., over the week end . . . On June 7the girls of Beta Sigma Phi will solicit homemade items to be sold in the Fancy Goods booth for the hospital benefit which will be held July 30 and 31 . . . Yes, sir,

North American with 260 Makes Season's First Stop

Old friends met Saturday when the Georgian Bay Line's SS North American docked here. They were Capt. G. W. Durham, of the cruise ship, and Port Capt. Joe Howard, shown above on the ship's bridge.

Carrying 260 pasengers, the North American made her first stop of the season here Saturday.

It was the opening cruise of 1949 from Chicago to Sault Ste. Marie and return. Scheduled to arrive at 4:30, she docked at 5:30 and stayed only 45 minutes. However, almost all the passengers took the opportunity to go ashore and wander about town.

When she left, several Charlevoix folks were aboard, making the trip to the Soo and return over the week end.

The North American will make Charlevoix a regular port of call on her summer schedule starting June 26. One thing will be changed. Because of the danger to children, tossing coins from the ship to the dock will be forbidden. Officers of the Georgian Bay Line, who were on the ship, Saturday, told Port Captain Joe Howard the rule will be strictly enforced in the future. They also asked the cooperation of the city police in stopping the practice.

Poultry Plant Meeting June 10

All farmers who are raising poultry and who would like more information in regard to selling their broilers through the Charlevoix Cooperative Poultry Processing Plant are invited to attend a special meeting to be held on June 10 at the City Hall in Charlevoix, starting promptly at 8:30 p. m.

Many growers have been asking questions relative to plans that are being made for handling both chickens and broilers. The purpose of this meeting is to bring together these growers and the Board of Directors and management of the processing plant. H. O. Wilson from the Land-O-Lakes Cooperative who sold the

Track Team Scores 11½ Points In Final State Meet

The Charlevoix track and field team won 11½ points at the state meet at East Lansing on Saturday to close a successful season.

Charles Fairbanks took a third place in the shot put; Jim Jolliffe placed fourth in the 220 yard dash; Ross Case tied for fourth with three others in the high jump.

The 880 relay team, composed of Neil Suomela, Greg Bryan, Ron Cunningham and Jim Jolliffe placed fourth.

The record for 120 yard high hurdles set by Charlevoix's one-man track team, Big Bergmann, in 1938, was broken by Jack Goodrich of Dundee, a member of the team which won the meet with 41 points. The new record is :15 seconds, bettering Bergmann's record by six-tenths of a second.

Former Resident Succumbs In East

Funeral services for Mrs. C. C. Monahan, 53, a former Charlevoix resident, were held at Hartford, Conn., on Tuesday. She died unexpectedly at her home in Hartford on Saturday.

Born in Petoskey, the former Marion Esther Babcock resided there and in Charlevoix before going to Detroit. She was married to Monahan about 24 years ago. They have resided in the East for 16 years.

She is survived by two nieces, Mrs. Versal Seymour, of this city and Mrs. John B. Martin of Detroit; two nephews, Dale McCann of Flint and Richard McCann of Ludington.

Several Belvedere Families Arrive

Belvedere Club folks who were here for the week end were Mr. and Mrs. L. I. Replogle and children of Oak Park, Mr. and Mrs. Robert Ware and Mr. and Mrs. Walter Ware of Oak Park, Mr. and Mrs. Myron Hickey of St. Louis and Mr. and Mrs. F. Carl Schumaker also of St. Louis.

The Clarence Roe cottage was opened and the Roe family had a house party over the week end with the family returning so that they would be home for the birthdays of the R. E. Olds.

Mr. and Mrs. George Schwab of Nashville, Tenn., are also at their cottage but plan to remain.

Judge Brown In Detroit

Judge Charles L. Brown is in Detroit for two weeks presiding in circuit court there. He left Tuesday morning.

School Meeting July 11 to Pick Two Trustees

Two places will be filled on the School Board here at the annual meeting to be held on July 11.

The terms of Mrs. Sally Bergeon and E. D. Hawley will expire. Mrs. Bergeon is secretary and Mr. Hawley, treasurer at present. The terms are for three years.

Nominating petitions must be filed on or before June 15. These require at least 25 names but not more than 100. Petitions are available at the school and The Courier office.

The annual meeting, like last year's will start at 8 p. m. and the polls will remain open until then so that folks from the country can vote.

Western Union to Close Office During Winter

Permission has been granted to the Western Union Telegraph Co. to close its Charlevoix office from September 16 through June 14, inclusive. The permit to discontinue its office seasonally was granted by the Federal Communications Commission following consideration of the company's application, and despite protests filed by the Charlevoix City Council and various citizens.

Substitute service will be provided during the closed period by a teleprinter-operator agency office operated by the Charlevoix Abstract and Engineering Co., at 213 Bridge Street. The agency office will be open during the same hours as the present office, and will provide delivery service.

Lack of traffic in the present office led to the company's request for seasonal closing. Average number of messages handled is 45 per day for a 12 month period. M. E. Wakefield is manager of the office.

Old Time Teacher Used Switches On North Side Pupils

The old pictures which still are at The Courier office led to a fine bit of reminiscing Saturday when Mr. and Mrs. L. G. Scroggie of Detroit and Capt. Hubert Paddock got to looking them over.

Among the stories they recalled were:

The fights between the north side and the south side gangs of kids by or on the bridge.

How Mrs. Bingham, teacher at the North Side school, used to send out for switches. "If you brought back a little one, she'd send you back for a regular club," said Mr. Scroggie. "At that, we were mostly lumber and fisherman's kids and likely she had to. No, there was no trouble getting switches. The woods were right back of the school."

Mother of Mrs. Kerns Dies at Home Here

Mrs. Ella S. Hope, 75, died Thursday at the home of her son-in-law and daughter, Mr. and Mrs. W. J. Kerns.

A native of Sheboygan, Wis., she had lived here for the last four years. The body was returned to Sheboygan for funeral services and burial.

Robert Bridge represented Charlevoix County at the state meeting of the United Health and Welfare Fund last Thursday in Lansing.

Wild Life Invades City Trees, School

The wild life once more is coming back into town.

Two cases were reported last week.

On Wednesday Ruth North at 102 Wood street saw her first city porcupine. It tried climbing one tree, didn't like it and backed down. On the way to another it stumbled into and out of a hole in the ground instead of going around. Then it climbed a smaller tree where it settled down happily.

On Friday a woodchuck was seized with a desire for education and tried to get into the school. Harry Powers had to push it away from the door with a broom.

Gerald Boss Takes Over Shell Station

Gerald Boss is the new proprietor of the Shell Service Station at Carpenter and Bridge streets.

Monday he took it over from Eldon Porter, who has operated the station since last fall.

Ironton Ladies Aid Plans Rummage Sale

The Ladies Aid at the Ironton church is planning a rummage sale for this Friday and Saturday.

It will be at the Ironton School from 9 to 5 each day. Donations are being solicited by the Aid members for the sale.

Rev. L. L. Lewis, New Baptist Pastor, to Arrive June 12

Rev. L. L. Lewis has accepted a call as pastor of the First Baptist church here and will arrive June 12 to assume his duties.

He comes here from Lincoln, Mich., near Alpena where he has served for the last three years.

He attended the National Bible Institute of New York and the Moody Bible Institute, Chicago. He was ordained June 12, 1038 through the Michigan Baptist Convention at the Belmont Baptist church, Belmont, Mich. He served in pastorates at Belmont, Shepard and Brown City before coming to Lincoln.

His wife and two children, a son who graduated from high school this month and a daughter who will be a junior next year will accompany him here.

He succeeds Rev. A. B. Claypoole who retired last fall and who is now residing at Ypsilanti.

Softball League Schedule Starts

The Charlevoix City Soft Ball League has assumed definite shape for the coming season.

Russell's Grocery has taken over the sponsorship of the Alley Rats and H. O. Krahnke is sponsoring the High School team which will play as the Cadillac-Olds.

A meeting of all sponsors is called for Thursday at 7:30 p. m. in the Michigan Cleaners building to figure ways and means of establishing a ball, bat and umpire fund.

Because of the delay in setting up the Boys League, the adult schedule following is only for the first three days of play. The remainder of the schedule will be in next week's Courier. Unless otherwise specified all summer, the adult games start at 8:30 p. m.

Tuesday there will be a double header: Barnard vs. See at 7 p.m. and Cadillac-Olds vs Cleaners at 8:30. Wednesday Russell's will play Moore's.

It is not too late for anyone desiring to play still to get on a team. All necessary is to call the Michigan Cleaners.

All boys through the age of 15 are asked to leave their names with Deano Davenport, phone 620. This will make it posible to organize the boys league. It is planned to have one number of each adult team be responsible for one boys team during the season. The boys league games will start at 7 p. m.

Don't Handle Fawns, Warning of Game Clubs

Look, but don't touch, is the warning being put out by the Rod and Gun club and all other conservation clubs in the north regarding fawns.

This is the time when the does are having their young.

Picking up the fawns is a two-fold danger. It is not good for the fawns. And if the mother attacks, it can be risky for the individual. Because the fawn is alone is no sign it is lost or orphaned. Almost certainly the mother is within hearing distance.

Under state law, disturbing fawns is a misdemeanor and conservation men are on the lookout for violations.

U.S. Must Take Lead on Way to Peace

Our American heritage, said Judge Charles L. Brown Monday at the Memorial Day ceremonies at Brookside cemetery, is bigger than a wide land between two oceans. It is individual freedom and human dignity.

Judge Brown's talk climaxed the program and was made before an audience estimated at between 600 and 800 who were there for the annual program, one of the largest ever gathered there.

"We are the trustees of the future and the inheritors of the past. The fight for democracy and for liberty is a continuous one. There are no armistices in it.

"The individual must be dignified, or he will be debased. There is no in-between. It is this democratic ideal that has sustained our nation and which we must preserve.

"After World War I America almost lost her way through isolationism. By turning her back on her duty, she failed those who lay in Flanders Fields. That course brought on the last great conflict. We now have a convenant with the future not to fail our dead. War has its price, and so does peace. We as a nation must learn to pay that price.

"The people of the world do not want more war. But only a few like ourselves have the right to make their wishes into action. We of the United States must not fail them or ourselves. We must keep the peace."

The parade formed downtown at 10 a. m. and marched the length of Bridge street. Floyd Black was marshall. Following were the VFW color guard, firing squad, members, VFW Auxiliary and color guard, the American Legion colors and members, school band, Boy and Girl Scouts, school children, bike riders.

That morning the members of the American Legion had decorated the graves. At the cemetery the band played America, Rev. Gaylord Howell gave the invocation, and Sue Miles read the Gettysburg Address.

F. R. Bulow introduced Judge Brown. After the address the firing squad fired the traditional salute, a wreath was placed at the flag pole, the band played Star Spangled Banner, Getchell Campfield played taps and Rev. Jackson Turner gave the benediction.

The new majorette uniforms of the band were worn for the first time Monday by Betty Gill, Pat Jablinsky, Betty Warner, and Kate Clark.

42 Seniors to Receive Their Diplomas at Graduation Thursday Night at School

C. W. Otto, secretary-manager of the Lansing Chamber of Commerce, will speak on the subject "How much are we worth?", at the sixty-first annual Commencement to be held at the Charlevoix high school at 8:00 p. m. Tuesday.

Bonnie Nickerson, president of the Board of Education, will present diplomas to 42 graduates, the smallest class to graduate in many years.

The program for Commencement includes: Processional, "Pomp and Circumstance", Elgar; Invocation, Rev. G. D. Howell; Salutatory, Beverly Looze; Valedictory, Nancy Rae Kipke, Selection, "In a Monastery Garden," Ketelby, Charlevoix high school band, directed by C. A. Odmark.

Introduction of speaker, Roy G. Bennett, superintendent of schools; Address, C. W. Otto.

Selections, "In Praise of Neptune," John Ireland, and "An Evening's Pastoral," Wilfred Shaw, high school choir directed by Mr. Odmark.

Presentation of Class of 1949, H. E. Bingham, high school principal; Presentation of diplomas, Mr. Nickerson; The National Anthem, high school band; Benediction, Rev. W. D. Wood.

The Charlevoix public schools will close the 1948-49 term on Friday, June 3.

Using as his theme "It's a greater business to make a life than make a living," Rev. W. D. Wood chose as his topic, "This Business of Living," for the Baccalaureate sermon at the high school gymnasium for the class of '49 Sunday evening.

In order to maintain proper balance in the busines of living, Rev. Wood stressed four things necessary: evaluation of time, by being ready to start right where you are to do things; being the master of things instead of letting things master one; evaluation of people; right interpretation of God, making life better for man.

He urged the class not to exchange these priceless values for mere material values. Then using the Lord's Prayer as a graphic example he explained how the four proper evaluations could be found in it.

The class marched to their seats to the classic march "Pomp and Circumstance," played by Mrs. Florine M. Stelter. Four Junior girls acted as escorts, Theresa Zeitler, Patsy Rose, Ann Gill and Mary Roberts.

Rev. G. D. Howell gave the Invocation and scripture reading and the program was well rounded out by the Community Choir singing "Open Our Eyes" and "Adoramus Te."

Chicago Couple Buy, to Operate Palmer House

The Palmer House at 304 Michigan avenue has been sold to Mr. and Mrs. A. C. Palmer of Chicago.

The new owners have assumed ownership and are making preparations for the opening on June 15.

They purchased the popular eating place from Mr. and Mrs. Harry Palmer, who had operated the business for the last four years.

The new owners plan to operate the business as before featuring Dixie chicken, steaks and fish by reservation. They will also have several rooms.

The new owners are widely known in Charlevoix since both had been coming here with Mrs. S. J. T. Straus.

Fourth Graders Present Sizable Museum Exhibit

The pupils of Miss Marion Pletcher's fourth grade, known as the citizens of Rocky Ridge, presented a museum exhibit on Friday.

Articles on exhibit, brought by the pupils, included an Indian arrowhead, German pottery, sandstone shale, Swiss suit, 142 cannon shell, horn coral fossils, catfish skeleton, homespun cloth, Jap bayonet.

Chinese reading book, stuffed squirrel, German ring from World War I, etched fungus, quartz stones, ensigns yacht flag, forestry hat, Japanese handkerchief and everyday suit.

Seashells from the Mediterrean, Brachipod fossil, a live Bantam rooster, old fashioned doll, writing pen and pencil of Civil War soldier, Indian, Japanese and Chinese dolls.

Tip of a bomb, bazooka shell, beans grown in glass, Chinese slippers, Turkish spoon, matches from the White House and a Bermuda penny.

Delegation Goes to Child Meeting

Charlevoix County had a sizeable delegation at Gaylord last Wednesday attending the Child Welfare Conference there.

The meeting, held at the Otsego Ski Club, was one of hundreds being held throughout the country in connection with the yearly National Child Welfare Conference at Washington. Ideas put forward at these grass root sessions are passed on to state meetings.

Going from here were Judge and Mrs. Floyd Supp, Supt. and Mrs. Roy Bennett, Harry Bingham, Rev. Gaylord Howell, Fred Bancroft, Chief Clarence Heise, Lawrence Foley, Mr. and Mrs. Dean Davenport, Mrs. Sally Bergeon, Dr. Litzenberger, Mrs. Marian Rice and Robert Coleman.

Three topics were taken up: Religion and the Home, Child Protection, Educational and Recreational Needs. Judge Supp put forward his proposal for a district detention home, to be sponsored jointly by state and several counties. The idea was approved.

M. S. C. Club Names Committee Heads

Committee chairmen for Charlevoix were appointed last week by the new Emmet-Charlevoix Alumni club of Michigan State College.

They are:

Activities, E. J. Fochtman; membership, Mrs. Warren Shapton; athletics, Ray Kipke; student guidance, Roy Bennett; legislation, P. D. Campbell.

De We Want It, Or Don't We

The citizens of Charlevoix have got to come to a decision within the next month, and back up that decision with definit action.

It is—

Do we want a hospital here?

For we'll find Petoskey in effect walking off with it before this summer is over if we do not act. And along with the hospital will go several other desirable things.

Our neighboring town tipped its hand last summer when some of her medical men held a meeting here for the purpose of inducing our summer residents to build a Charlevoix wing on the Little Traverse Hospital. Their argument is that being only 18 miles away, Petoskey can supply all the hospital facilities Charlevoix needs.

But nothing was said about Charlevoix's responsibility to the area south of here. No consideration was given folks at East Jordan, Ellsworth, Atwood, Norwood, Barnard, Ironton. Ever since it was founded, the Charlevoix Hospital has cared for citizens in this territory. Petoskey's move would leave them wth a choice of adding 18 miles to the present trip—or going to Traverse City, whose hospital now has more than it can handle.

If a new hospital is not built, it will not be long until our present one is closed. And along with it wil go several things which today we sort of take for granted. There is the little matter of a $60,000 annual payroll. And keeping a top-quality group of physicians and surgeons here in Charlevoix. And all the trade which comes here as a result of having that hospital and those doctors.

Plus the matter of suffering lessened and possible lives saved by having a hospital here in the area where it is badly needed.

If we are to have a new hospital, the citizens of Charlevoix and this area have to shoulder the load themselves. There is no passing it over to anyone else.

The other evening I heard a man say what we need is a $100,000 gift to start the fund. That man is crazy. What we need is the determination and willingness to contribute $100,000 ourselves.

There is no use looking for a fairy godmother or a Santa Claus. If my wishful friend would read some of the old childhood fairy tales, he would soon learn that the fairy godmother only helped those who first showed a willingness to help themselves. The rule still hods.

The plan for a Summer Festival is fine. But two things more are needed.

The Hospital Board should find out what it will cost to build the new hospital. It should announce that figure just as soon as it can, so we will know what our job is.

Then it should start taking cash contributions locally. By the time July 31 comes along, we'd have a surprising portion of the total raised.

It is our job, our community, and our future at stake. One thing is sure—we can do it if we want to.

The Younger Generation's All Right

Sixteen of our young folks did a fine thing last Saturday.

Due to several circumstances, the school band was unable to be at the city dock to welcome the S. S. North American on her first cruise stop.

But these youngsters, led by Clarke Bergeon and Dwight Smith, felt that the old tradition should be observed and some sort of a musical welcome given the ship and her passengers. So they organized an impromptu band, marched down to the dock and gave quite a concert before the ship arrived and as she was pulling in.

There's a lot of hullaballoo raised these days about wayward youth. There's plenty of evidence, here in Charlevoix at least, that the coming bunch is all right and gives promise of making pretty good citizens.

In fact, as I look back, it seems to me that I can notice quite a few improvements over my own generation in high school.

Boyne Legion Seeks Wheel Chair Funds

A money raising plan to buy wheel chairs and similar hospital equipment for Charlevoix County is being launched by the Ernest Peterson Post of the American Legion at Boyne City.

The money will come from commissions on the sale of subscriptions to the Capper publications.

Any equipment purchased with the money so raised will be available to any person in Charlevoix county. One expected benefit of the wheel chairs is that they will enable convalescents to return home sooner.

Representatives of the Boyne City post who will sell the subscriptions are: Hugh and Helen Kirby, Claude and Genevieve Haynes, Ross Wilder, Max Ball, Malvin Clark, Joe DuCap, James Dale and Hilton Harrison

Potter Bills On Lake Fishing Before House

Two bills aimed at improving commercial fishing in Northern Michigan have been reported out by the Fish and Wildlife Subcommittee of Congress.

Both were introduced by Cong. Charles E. Potter.

The first is a resolution which would instruct the Fish and Wildlife Service to find out how to control and if posible eradicate the sea lamprey from the Great Lakes. Congressman Potter says he is pushing this measure in hopes it will be enacted at this session.

The second bill authorizes the Fish and Wildlife Service to establish a fish hatchery and rearing pond in the Upper Peninsula. The Service objected to the bill but the Committee reported favorably on it so that the measure is now before the House.

Don't Alter Boat Records, Says CG

It's unhealthy to tamper with the Motorboat Certificate issued by the U. S. Coast Guard.

It means stiff penalties. That's the warning from Comm. James A. Hirschfield of Cleveland. If the certificate is not correct, send it in and let the Coast Guard change it, he advises.

Eel Eat Lamprey? State May Not Try Experiment

While the conservatton department's fish division is not overlooking any possible weapon which might be used to curb the growing population of sea lampreys in Michigan waters, it has little hope that the eels recently brought in from the Atlantic ocean can do the job. Some fish biologists believe eels will feed on young lampreys.

Since eels do not spawn in fresh water there is small chance they would establish themselves in the Great Lakes or inland lakes or streams according to Fred Westerman, fish division chief. Most of the 85,000 young eels or elvers brought to Michigan by the U. S. Fish and Wildlife Service failed to survive the trip from Maine to the field laboratory on the Ocquoc river near Rogers City. There is some question as to where the would-be eaters of young lampreys should be released for this test, Westerman says.

Eels are not new to Michigan waters. According to Westerman, the species was introduced into the waters of 45 lower peninsula counties during the period 1877-91 because they were consldered a destrable food fish by the easterners settling in Michigan. There are records of eels being taken from Sherman lake, Kalamazoo county, and from Otsego Lake, Otsego county, in the Late 1920's.

GOVERNOR PROCLAIMS JUNE AS DAIRY MONTH

Governor G. Mennen Williams is shown signing the proclamation designating June as Dairy Month in Michigan. He was presented with a basket of dairy products by Senator Bruce Clothier at the extreme right of the pirture. Others in the picture, from left to right, are: F. M. Skiver, Chief, Bureau of Dairying; Stanley Powell, Farm Bureau; Chas. Stone, American Dairy Associating; E. C. Meade, the Governor's Administrative Assistant; W. E. Armstrong, State Grange. Governor Williams, an enthusiastic backer of farm production and marketing progress, said: "Michigan is one of the great dairy states of the union. We should do everything in our power to promote and encourage our great milk products industry. Dairy products should be one of our most impo- t items in a long range program of state aid in farm marketing."

(Continued from page onet

it's now Mr. and Mrs. Cornelius Geiken!

Week end guests at the home of Mr. and Mrs. Jone Durance were Mr. and Mrs. Irving LaRue, Pam LaRue, Charles Leachman, Marjorie Leachman, Dick Jones and Mr. and Mrs. Warren Windstrand all of Detroit. It was an exciting time for Mrs. LaRue brought with her the family wire recorder and several recordings were made of her father's singing voice, for at one time Mr. Durance was a real soloist. Sunday afternoon a concert was held over in the City Hall. There was Mr. Durance with his "fiddle" as he calls it, Sandra Helms at the piano, Mr. LaRue, accordion, Elmo Helms, violin, Ho Helms, cornet, and Tony Novotny, accordian. There were music, singing and dancing.

Exams at school this week and then comes Commencement on Thursday night. Truly these are the last of the school daze for the Seniors . . . Mr. and Mrs. Kenneth Bryan and children, who have lived for the past year in the Larry Ecklund house on Clinton Street left Friday for their home in Lowell. Mr. Bryan has been the foreman on the new bridge . . . It's in his blood, for Nick Hamilton has now sent fot his drums. His ship is going to have a band. Recently Nick was in a parade at the Brooklyn Navy yard with the President of Brazil as one of the honor guests. Wrote Nick, "Gee, Mom, folks down there must be awfully dumb. That fellow couldn't even speak English."

Trillium are common in woods around here and even up to the Straits. In fact, persons think nothing of going into the woods and gathering up hugh bouquets But, you should hear folks from other parts of the country rave about this flower. You see, southern Michigan, Indiana and Ohio used to have plenty of trillium, too, but folks had picked, pulled and destroyed these spring flowers to the extent of their now being extinct. Now, the cry is going out, please do not pick the flowers!! It is just another proof that here in our midst is something that folks in other parts of the country would give plenty if they could find such treasures on their property. Lets keep our treasure so that all can enjoy them.

Women surely get it handed to them and usually they are able to take it . . . Now in the throes of the atomic age, women have had another appraisal taken of them with the following results: Women: accepted atomic weight — 120 pounds. Physical properties—boils at nothing and freezes at any minute. Melts when properly treated, very bitter if not well used. Occurrence—found wherever man exists. Chemical properties—possesses affinity for gold, silver, platinum and precious stones. Violent reaction if left alone, able to absorb great amounts of food matter. Turns green when placed beside a better-looking specimen. Uses—highly ornamental, useful as a tonic in acceleration of low spirits and an equalizer of the distribution of wealth. Is probably the most effective income-reducing agent known. May also be substituted in most work done by man. Oftimes, the substitute is better than the original. Caution—highly explosive in inexperienced hands.

I was interested in reading some copies of the Nassau Guardian brought back to Charlevoix by the Gordon Freedmans on their recent trip to the Bahamas. One of the stories was especially interesting, the annual celebration of Mother's Day by the Mother's Club of Nassau. They were in a huge parade of mothers which ended at the city square gaily decorated with flags and potted palms. Here a program was presented. That's an idea and surely must he a big success there for it was the 20th annual celebration of that kind.

Capt. and Mrs. Harry McRae had as weekend guests their son and daughter, Mr. and Mrs. Carl McRae and daughter Peggy, and Mr. and Mrs. Charles Morrison of Cheboygan.

Weekend guests at the home of Mr. and Mrs. Dan McAllister were their daughter, Mrs. Henry Meincke and two children of Saginaw who returned home Tuesday; their sons-in-law and daughters, Mr. and Mrs. Harry Mason and family, Mr. and Mrs. Francis Mason and family, and the Mason boys' parents, Mr. and Mrs. James Sanger, all of Grand Haven. Monday Mr. and Mrs. Richard Mason and son and Gerald Mason of Nunica joined the party and visited at the Atwood home of Mr. and Mrs. Versal Mason.

Traverse City Is Seeking National Cherry Queen

There is a good opening in Traverse City for some comely Northwestern Michigan girl and the job offers nice work if she can get it.

The annual search is for the National Cherry Festival Queen for 1949.

In the past 15 years the Cherry Queen has come from the region outside of Traverse City eight times, from Traverse City, five times, once from St. Ignace when Barbara Brown, daughter of former Sen. and Mrs. Prentiss Brown was selected, and once from the Nation's Capital when Miss Christina Michols, daughter of the Chilean ambassador to the United States was the queen.

This year the Traverse City candidate will be selected on June 20 and the regional contest will he held at the high school auditorium on the night of June 24, at which time the Queen and her court will be selected.

Community groups throughout this part of Michigan are asked to select candidates for this honor and then inform National Cherry Festival headquarters at the Chamber of Commerce in Traverse City.

Mental Illness Can Hit Anyone Club Is Told

Anyone can become mentally ill, Gregory Miller of the Traverse City State Hospital told the Congregators Wednesday night at the final meeting of the year.

Miller, who is head psychologist there, said the United States has the highest percentage of mental illness of any country. Our machines and high pressure living are to blame; they put too much strain on the individual. Those whose emotional resistance is low succumb.

He drew a parallel between mental and physical illness, pointing out that any person can be affected, just as with measles or typhoid. In fact, there is more mental sickness than bacteria-caused illness today, he asserted.

The hospital at Traverse City serves the largest area of any of the Michigan mental institutions, drawing its patients from almost three quarters of the lower peninsula.

Following his talk, there was a question and answer period, after which coffee and doughnuts were served. In charge of the program were Mr. and Mrs. Charles Bleha.

Farm Topics

By ED REBMAN

Weed Control

A new bulletin entitled: "Chemical Weed Control" has just been released by Michigan State College. This discusses the different chemicals to use on different crops for selective weed control. It also gives the amounts to use and when to apply the spray. Anyone interested in receiving a copy of this bulletin should either write or call at the County Extension office at Boyne City and ask for circular bulletin No. 214, entitled, "Chemical Weed Control.

Several farmers last year have used their regular potato or fruit spray rig for spraying 2, 4-D. This is very dangerous, as it is almost impossible to thoroughly clean the spray after 2, 4-D has been used. Anyone wishing to use 2-4-D should have a separate spray for that purpose only.

Grasshoppers

Grasshoppers, according to best information, are likely to be a very serious pest in Charlevoix County this spring and summer. They will be more serious than normally because the federal government will not distribute free poison for their control. In other words, farmers must buy their own poison and mix their own bait for this year.

Several compounds may be available and can be used for their control. One bait is made with sodium fluosilicate at the rate of 6 pounds with 25 pounds of bran and 75 pounds of sawdust. Mix the sodium fluosilicate bran and sawdust together and then ad from 5 to 7½ gallons of water.

Another bait that is suggested can be made with ½ pound of chlordane to 25 pounds of bran and 75 pounds of sawdust. Mix the sawdust and bran together—put the chlordane into 5 to 7 gallons of water and mix well. Then add the chlordane water mixture to the bran and sawdust.

The third bait may be made with toxaphene at the rate of 1 pound to 25 pounds of bran and 75 pounds of sawdust. Mix the sawdust and bran together—put the saxaphene into the 5 to 7 gallons of water and mix well. Then add the toxaphene water mixture to the bran and sawdust.

It must be remembered that all three baits are poison, but when properly sprayed there is very little danger to livestock. Many also use these chemicals in form of spray rather than baits. For additional information call at your County Extension office.

Cutworms

Cutworms can be controlled by dusting with DDT. Use with a 3 percent or 5 percent dust. Dust a strip three feet wide down the row after plants are set. This makes an 18 inch barrier on the soil surface on each side of the plants. Tomatoes, peppers, cabbage and cauliflower can be dusted right after planting. DDT will not harm the above plants. On cucumbers apply the dust just before the plants break through the ground.

Kitchen Wall Yields News Account of Factory Fire In Charlevoix, But No Clue to Date

Does anyone remember when the Charlevoix Manufacturing Co. factory burned?

The William Parsons family would like to know. A few weeks ago they bought a new refrigerator. To make it fit better in the kitchen space, a space was cut in one wall of the kitchen. When the wall paper was taken off, it was found that the wall originally had been covered with several layers of newspapers. One item was about the Charlevoix factory burning.

Another reported that starting in 1902, graduates of the University at Ann Arbor would get diplomas in ordinary English instead of Latin. Mrs Parsons managed to save several other clippings intact.

One was about a pension office investigation during the Harrison administration. A gas heating stove was advertised at $2.25, "including the tubing". Ishpeming reports iron ore, selling at $6 on the docks at Cleveland. And a pastor from that Ohio city was heading for the frozen north to dig for gold with which to pay off the church debt.

The cause of poor eyesight is explained in one brief story:

"One half of the West Point cadets are obliged to wear glasses, it is said. This state of affairs is largely due to the fact the barracks are lighted with electricity instead of gas. The Board of Visitors asks Congress to appropriate $50,000 to remedy this evil."

Mary Margaret Orlowski, Cornelius Geiken Wed

At an early morning ceremony, marked by simplicity, Miss Mary Margaret Orlowski, daughter of Mrs. Louis S. Orlowski and the late Louis S. Orlowski, of this city, became the bride of Cornelius D. Geiken, son of the late Mr. and Mrs. Geik C. Geiken, also of Charlevoix.

The service was read in St. Patrick's church, Marengo, Iowa, by Rev. Monsignor William E. Carroll, pastor. Mrs. Daniel J. Linnane of DesMoines, Iowa, attended her niece as Matron of Honor, and Thomas J. Whitworth of Victor, Iowa, uncle of the bride served as best man.

The couple will make their home at 303½ Bridge street.

Poultry Plant Meeting to Be Held June 10

(Continued from page one)

1948 crop of turkeys for the processing plant will be at the meeting.

A good film on newcastle diseases of poultry will be shown at this meeting.

Poultry growers are being warned that when sick birds are to be transported to Michigan State College for laboratory diagnosis that they do not use parcel post or any other public carrier. Recently some birds that later were found to have newcastle disease were shipped to Lansing in a public carrier. This means that there it a good chance of young chicks, coming up in the same car, to be infected with newcastle disease. The County Extension Office at Boyne City has a supply of special forms that should be used when these sick birds are brought into Michigan State College. If you are interested in receiving one of these forms, please contact the Extension Office.

Northern Michigan Grass Day

The grass day program for Northern Michigan will be held at the Arnold Ostrander farm in Cheboygan County, one mile north and 1½ mile east of Afton. The program is being arranged by Michigan State College Extension Service and local planning committees.

Grass land farming is a phase of agriculture that has been seriously neglected in modern farming, with the emphasis on high crop production. A well balanced rotation including both soil building sod crops and grains and row crops will provide the most satisfactory results through a period of years. Other features of the grass day will include demonstration of weed control, gully control, inefficient use of fnrage. Farm equipment dealers will also bring in new harvesting machinery and other equipment for the visitors inspection. Extension specialists from Michigan State College will be on hand to explain the various demonstrations and to discuss individual management problems with the farmers.

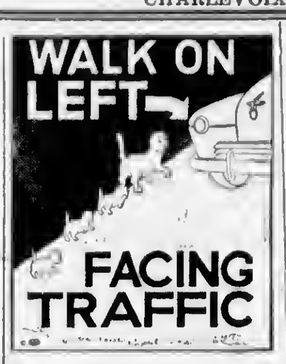
Can Plant Glads Until July

Gladioli may be planted any time until July first, reports C. E. Wildon of the Michigan State College department of horticulture.

For full enjoyment of the blooms, Wildon believes that succession planting should be made at intervals of one to twn weeks.

Many gardeners have had poor results from gladioli due to infection by thrips. However, with the new insecticides available, the home gardener need not hesitate to plant gladioli.

Before planting, Wildon advises dusting the bulbs well with five percent DDT. After the plants reach a height of one foot, dust once a week with the five percent DDT dust until color shows in the buds. Dusting is best done in the evening.



Winner, Fourth National AAA Traffic Safety Poster Contest.

Garden Is Scene of Young-Gill Nuptials

At a simple wedding in the garden at the home of Mr. and Mrs. Earl A Young, Louise Young and Robert Gill, son of Mrs. Alfred Gill, Sr., were united in marriage on Saturday at 8:30 a. m.

The ceremony was performed by Rev. G. R. Parker of Northport in the presence of the immediate families of the bride and groom. Mrs. Drew Young attended the bride at matron of honor and Bud Gill of Ironton was best man.

Refreshments were served before the couple left on a short wedding trip to the Upper Peninsula.

Maralyn Jordan, Harold Chaw Married at Torch Lake Home

Maralyn LaVaughn Jordan became the bride of Harold B. Chew of Charlevoix and Detroit, at 4 o'clock Saturday afternoon at the Torch Lake home of the bride's grandparents, Mr. and Mrs. P. W. Jordan.

An improvised altar of lavender and white lilacs, flanked with tapers in candelabra formed a background for the service performed hy Rev. Gaylord D. Howell in the presence of 50 guests.

The bride is the daughter of Mr. and Mrs. O. Cleon Jordan of Torch Lake and Detroit. The bridegroom is the son of Mrs. Albert S. Holmes of Charlevoix and Port Orange, Fla.

Mrs. A. C. Belding at the organ played the traditional wedding marches.

Given in marriage by her father, the bride wore a suit of light maize gabardine, and white accessories. Her corsage was of white rosebuds and lilies of the valley.

Elizabeth Lee of Wayne, as her only attendant, wore a toast brown gabardine suit and brown and white accesories. Her corsage was of talisman roses and lilies of the valley.

Orniston F. Bergeon assisted as best man.

Mrs. Jordan selected a dress of gray crepe, matching accessories and a corsage of pink roses. Mrs. P. W. Jordan, paternal grandmother of the bride, wore a navy chiffon print, matching accessories, and an orchid corsage. Mrs. George Brown, the bride's maternal grandmother, wore an orchid and pink lace gown, matching accesories and a corsage of pink roses and lilies of the valley.

Immediately after the service a reception was held.

After a wedding trip through western Michigan the couple will make their home at 1545 Blaine, Detroit after June 5.

Ralph Kloosters Announce Engagement of Daughter

News of folks, your neighbors and mine . . .but did you know that—

Mr and Mrs Arthur W. Schlesinger of Detroit who summer at their cottage at 321 Michigan have arrived for the summer. This is the 30th summer for the family here. "I'm awfully glad to be here in this wonderful town," said Mr. Schlesinger, "I certainly miss my good friend here, Rollie Lewis."

Another sign summer is here! Out came all the park benches this week . . . The Leslie Ball family are in Detroit this week. . . . All of us can dream and sometimes a dream becomes a reality. Such is the case of Aili Gustafson, Home Economics teacher in the Charlevoix schools. This summer Aili is going to Finland to visit her relatives. Marian Pletcher and Dorothea Badger gave a Bon Voyage party last week at the George Priest home for Mrs. Gustafson.

Personal nomination for a meanie, or meanies—those persons who have gone about picking other folks prize tulips in town. And they do not care whether or not they trample down flowers either! . . . Mrs. Al Scheid has received word that her son, Richard, who is at the navy training center at Great Lakes has just passed a classification exam and tied for high place with a fellow who has had a year of college training. Richard lacks some math credits, which he is going to make up. Then he will be eligible for prep school next year and on to Annapolis.

Mrs. Dorothea Badger and daughter, Becky left Saturday for Ann Arbor for a visit. On their return they will bring back Bill Badger for a week's vacation. Bill has just completed his sophomore year at Michigan.

Was burned up the other day when a Canadian fellow wrote to us and spoke of hospitality, which word he declared had become a great by-word in Canada, as in the celebrated southern regions of our country. If that word is celebrated in the south, why cannot it become such a word in the north, and right in our own town, Charlevoix? If it is up to the folks in the town, well, alright, let's show them! . . . Miss Barbara Kyssela of Grand Rapids is spending two weeks at her home on Nettleton Street.

Hugh McPherson of Howell spent the week end here, opening the farm home near Ironton. His mother, Mrs. Dorothy McPherson arrived Saturday to spend the month of June here. In July Mrs. Louis F. Fead of Ann Arbor and Mrs. Hugh A. McPherson will be at the farm . . . Nick Hamilton expects to leave with his ship for Labrador next week. Recently he met John Bennett in New York City and the two boys had themselves a real time.. Nick will return in October and will then be in New Orleans for the early winter months.

The Bob Miles family spent the week end in Detroit where they had the thrill of attending the baseball game and saw Boston play the Tigers . . . The Charlecote, our book shop in town run by Floy Edson, has attractive quarters in the little house just in back of Harbor View Cafe on Park Ave. This week Miss Edson hung up her new sign and now has her wares on display.

Prof and Mrs. K. P. Brooks of Mt. Pleasant arrived in town this week to open their cottage at the Point. The couple spent an interesting month of April in Roanoke Island and Cape Hatteras down in the Carolinas, finding the place most unusual. Wonder how many folks remember Mrs. Jane Mann and the beautiful paintings she used to do of the harbor in the days of the old sailing schooners . . . The big, old trees in the yard of the former Olds house on Michigan Avenue have been going through a real uprooting stage. And what roots! Many changes are taking place since the William Butters purchased the house recently from the Turners.

Charlevoix to Play Traverse Team Sun.

Charlevoix will face the strong Parts Manufacturing Co., team at Traverse City June 12, at 8:45 p .m. The game will be played at Thirlby Field, 13th and Pine Streets near the State Police Post. Anyone planning on going to the game who has extra space for players or their wives please contact John Knight. The team will meet at the South Side field at 7 p. m.

Budget for Coming Year Set by City Council

The Charlevoix City Council adopted the budget for the fiscal year at their regular meeting Monday night.

The tax rate showed a decrease of one mill with the 1949 rate set at 19 instead of the 20 mills levied in 1948 when the rate was hiked from 15 to 20 mills.

The new tax rate will show a slight decrease in the total with a $81,127.62 in revenue from the total property valuation of $3,217,250.00. In 1948 the valuation of $3,150,350 yielded $62,424.11.

The budget as adopted follows: Contingent fund, 3 mills or $9,651.75; park fund, 1.5 mills, $4,825.87; general street fund, 1.5 mills, $4,825.87; docks and harbors, .5 mill, $1,608.62; fire fund, .7 mill, $2,252.07; police fund, 2 mills, $6,434.50; advertising fund, 1.5 mills, $4,825.87 plus an additional $1,500 making a total of $6,383.09. The additional sum will be used for soft ball equipment and permanent installations such as lights on the softball field and other facilities; cemetery fund, 1.9 mills, $5,791.05. The total general funds add up to 12.5 mills or $40,215.60.

The one mill decrease was applied to the interest and sinking fund which was lowered from five to four mills. At the present rate it will yield $12,860.00. In 1948 the rate was raised from three to five mills.

The street district fund will yield 2.5 mills on the valuation within each ward. In the first ward $2,040.50 will be derived from the 2.5 mills tax; in the second ward, $1,017.25 and in the third ward, $3,185.37, making a total of $6,043.12. For the first time the third ward valuation has surpassed the first ward total. This is due to the fact that most of the construction in the last twelve months has been in the third ward. The first ward continues to be chiefly resort property.

The contingent, dock and harbors, police, advertising and cemetery funds show an increase over the 1948 budget while the park, general street and fire fund show a slight decrease.

At the same meeting a resolution on the salaries of elective and appointive officers was discussed and shelved until a later date. No pay raises or cuts were voted for other city employees.

Will Charlevoix Have a Queen?

Is Charlevoix to have a Queen this year is the $64.00 question.

As announced in last week's Courier a search is on for the prettiest, most graceful and most intelligent girl in northwestern Michigan, who, when found, will be offered the job as National Cherry Festival Queen for 1040.

Now, a trip to Hollywood as guest of Paramount Pictures will be one of the awards for the girl chosen as National Cherry Queen at the contest in Traverse City on June 24.

In Hollywood the Queen will be taken through Paramount lot, watch pictures being made, visit with the stars, lunch in the studio restaurant with the company officials, have her choice of appearing on any one of the major radio programs with guest stars and be the guest of Paramount officials at a dinner in her honor at one of the famed Hollywood night spots.

Ray Barnes, Grand Rapids cartoonist, will be one of the judges for the tenth year. Sam Wallace, travel editor of the Chicago Tribune will also help pick the most beautiful young lady in northwestern Michigan.

The contest will be held in the high school auditorium and all communities are urged to provide their most charming daughter with this opportunity for a whirlwind visit to Hollywood.

Softball League Summer Schedule Under Way

The results of the two rounds of practice games in the new Charlevoix softball league indicate it will be a hitter's paradise.

Walt Moore's team, who had conceded themselves the flag, got a slight jolt from Glenn See, 10-6 in the feature game. Ken Cellner is reported working overtime to make up this loss.

In the longest contest so far the Cleaners and Russell's Grocery battled through five extra innings before Russell's fell 13-12.

The Cadillac-Olds team displayed the biggest punch in downing Glenn See 26-14, and Russell's 26-6.

Barnard showed the lack of practice in dropping two contests to Walt Moore and the Cleaners 10-8 and 14-11.

The regular schedule started Tuesday with a double header—Barnard vs. See, and Cleaners vs. Cadillac-Olds. It was decided to pass the hat at all games to help defray the cost of balls, bats and umpires. A benefit games party and donkey ball game will also be staged. Anyone interested in renting the concession stand for the season please contact John Knight. It is planned to sell ice cream, soft drinks, gum and candy with the proceeds going to the ball fund.

The chief umpires will be Ralph Klein and Frank Poole, assisted by George Haggard, Jr. and "Bo" Bowman. They will have the job of keeping the spectators back where they belong so that everyone can get a good view of the game.

An official scorer is urgently needed so that batting and fielding averages may be kept accurately.

Brownie Day Camp to Start June 20

Day Camp for the Brownie Scouts will be from June 20th through June 24th at the Church of God Camp Grounds.

The camp director will be Eleanor Carlson of Ludington who has been director for many day camps and has had specialized training for this work. At present she is in Dell Wood near Indianapolis, Ind., taking a three week's refresher course and will come directly to Charlevoix from there.

Miss Carlson also expects to direct other day camps in Manistee and Ludington this summer.

• Mrs. Gerald Left and daughter Deana and Judy Cunningham have gone to Chicago for a two weeks visit with relatives.

L. E. Towe Talks At N. E. A. Meeting

L. E. Towe, Charlevoix Courier editor, left last week for Salt Lake City, Utah, to attend the summer session meeting of the National Editorial Association. About 700 persons were expected for the three days session. Following the meeting there will be a conducted tour to the many scenic wonders the State has to offer.

Mr. Towe will be one of the speakers on the program and will be spokesman for the fourteen editors who took the spring trip as observer with the U. S. Navy to the Virgin Islands. He will give an eye witness account of the Atlantic Fleet maneuvers.

County Board Sets Taxes for Year

The Charlevoix county tax allocation board met Friday and formulated the tentative tax allocation which will be presented for final approval on June 20.

Of the fifteen mills available, the county was allocated ten mills. Eight mills will go to cover the operational costs of the county and two mills will be set aside in the sinking fund for a new court house approved by the taxpayers in the April election.

The remaining millage was allocated as follows: to the school districts of Charlevoix, Boyne City and Boyne Falls, 4.999 mills; to the school district of East Jordan, 4 mills; to all other school districts, 5 mills; to the cities, .001 mills and to the township of South Arm, one mill.

The allocations were made to the schools in accordance with the needs shown in written budgets submitted by the school boards.

Charlevoix county's valuation is approximately eleven million dollars. In 1948 the county was allocated 9 mills for operational costs the schools were allowed 5 mills and the townships 1 mill.

Forty-Two Seniors Receive Deplomas At Commencement.

Forty-two members of the Senior class, at the Commencement address given Thursday evening at the High School auditorium, were told to get their knowledge for one does not know when it will be needed.

"Who knows the greatest scientist or the greatest musician of our time may be sitting in this class, for every graduating class holds a world of hidden talents," said the speaker, William Otto, secretary-manager of Lansing Chamber of Commerce, an able speaker, well known throughout the state.

Introduced by Roy Bennett, superintendent, Mr. Otto used one story after another to drive home his point to his listeners. First he asked each senior to go home that night and thank his parents for their help and appreciation in making possible a high school education.

"I am a millionaire," he declared, "and you are too." Then Mr. Otto listed several assets such as good eyes, ears, arms, legs health, assets that cannot be bought.

"With such assets plus an education and honesty, understanding and a right attitude toward life and your job," said Mr. Otto, "you are like a block of ancient marble. You can carve into it what you will for the carving is in your own hands."

Taking as the class motto: "Guided over the crossroads, open highways lie before us," Nancy Kipke, the class valedictorian, said the class had come to the mainroad, and now it was time for each of them to select the best highway for his life. She spoke of honesty and urged each one to be a good citizen for the true source of America lay in the strength of her citizens in these trying times.

Beverly Looze, the class salutatorian said that school had prepared them for their great debut in life, with one of the greatest assets being the ability of living together. The value of education was that it was a step to higher learning.

Music by the Charlevoix band and high school choir under the direction of C. A. Odmark made a well rounded program after which the diplomas were presented by Bonnie Nickerson, president of the Board of Education. H. E. Bingham, high schoou principal, presented the class as being eligible for graduation.

Two Chosen to Attend Music Camp

Professor Earl V. Moore, Dean of the School of Music of the University of Michigan has announced that Barbara Bice, daughter of Mr. and Mrs. C. M. Bice and Dudley Towe, son of Mr. and Mrs. L. E. Towe have been chosen to be members of the two week All-State High School Band conducted by the University at the National Music Camp at Interlochen.

This 14th annual high school music group will include four separate two week sessions for orchestra, band, chorus and piano. The purpose of the All-State groups is to provide special training and experience in orchestra, band, choral and piano music for youth of high school age.

The daily schedule includes sectional rehearsals, public performances, concerts, broadcasts and elective courses in student conducting, theory and harmony, radio-drama, electronics, art, ensembles and solo playing. Each student also receives private lessons from the artist members of the National Music Camp faculty.

Plans for Prison Camp Are Halted

Throughout the summer many from Charlevoix including Girl Scouts, Boy Scouts, campers and fishermen spend vacations at Wilderness Park.

As a result of opposition from residents in the northern area, plans to establish a prison camp in Wilderness Park have been halted.

In May the Conservation Commission was asked to make a policy decision on establishing new prison labor camps. Wilderness Park was a proposed site in the north.

A petition signed by many people of Wilderness Park and all this surrounding area was considered by the Commission with the result that the Commission has decided to stop preparations for a camp there.

Dale Mathews Escapes Injury In Plane Crash

Dale Mathews, recent high school graduate, escaped serious injury late Saturday when his Piper Cub plane crashed shortly after he took off from a field near Milford, Mich. It is not known exactly what happened but the light craft plunged earthward after rising about 40 feet in the take-off. Although the plane was practically demolished, Dale escaped with minor bruises. A second passenger in the plane escaped without injury.

Dale, son of Mr. and Mrs. Vernon Mathews, had left here Saturday for a brief vacation trip following his graduation. He had gone to Milford to visit friends.

Jack Armstrong had made the trip to southern Michigan with him and had left him at Wyandotte to visit friends.

Mr. Mathews went to southern Michigan Sunday to salvage parts of the plane. He returned home Sunday.

County Not On Self-Supporting List

Diversion of sales tax dollars to local units of government has had no effect on their ability to support themselves according to a study just released by Michigan Survey, state taxpayers organization.

Local units in 34 counties were self-supporting in 1948. This was the same number as in 1947.

Charlevoix County was not one of the self-supporting counties appearing on the survey list.

The self-supporting county is one that gave the state more dollars than it received. In other words, 34 out of the 83 counties contributed more in estimated state revenue than they received through state payments benefiting local government in 1948.

Covering the first full year under the sales tax diversion amendment, the Survey study explains why there has been practically no change in the extent of self-support.

"No matter how many dollars the state collects and spends, the report states, they come from the several counties in about the same proportion year after year."

Thus, although the Survey figures show that the 83 counties produced about 21 percent more in gross state revenue and received approximately 22 per cent more from the state than in fiscal 1947, the relative position of the counties on the self-support scale remained about the same.

"In view of this," the Survey statement said, "it is clear that there will not, and cannot be, any appreciable change in the line-up of self-supporting counties until and unless material alterations are made in the methods of allocating state assistance to local units."

Ends 12-Year Retirement, Will Sail Again

You can't keep a good man down, particularly if he's an Irishman so Capt. Owen D. Gallagher, retired Great Lakes carferries captain, will end a 12-year retirement again this year.

He will be sailing for his son-in-law, Clyde Peel for the Commerce Lines, Inc., when it begins its package freight service on the Great Lakes this summer.

The captain who lives at Grand Haven, is best known in west Michigan ports as skipper at one time or another of all five of the Grand Trunk ferries, two of them still operating between Muskegon and Milwaukee as well as five of the Pere Marquette ferries. He also sailed on the Ann Arbor carferries, on government vessels and on passenger ships between Milwaukee and Chicago.

Capt. Gallagher was born on Beaver Island and his first sailing experiences were aboard a fish tug. At the age of 20 years he left home and sailed on the Great Lakes in all types of vessels. For seven years he was a federal light keeper at various points along Lake Michigan and was made a mate on the old lighthouse tender, Sumac.

Red Cross Speeds Leave For Soldier

Most people take their Red Cross chapter for granted but once in a while one finds it necessary to call on the organization for assistance and it is then that the efficiency and competence of the Red Cross is appreciated.

At 10:40 last Wednesday evening the local Home Service worker was contacted by a doctor who asked that arrangements be made to bring a boy home from Beloxi, Miss., whose mother was seriously ill.

The Red Cross secretary in Boyne City was contacted at once and the necessary telegram sent.

In the meantime the soldier had asked his commanding officer for a leave. The Red Cross Field Director at his base was called and he in turn contacted the county chapter for verification. In 40 minutes from the time the initial call was made by the doctor the family was notified that the boy would be aboard a plane leaving the south early the next morning.

Making the trip by plane, train and bus the boy arrived in Charlevoix at 5:30 Friday a.m.

This is only one example of how the Red Cross works every day in the year answering such emergencies.

Girl Scouts Go to Summer Camp

"Charlevoix Girl Scouts have started on their summer camping trips.

Saturday Troop No. 2 left for Camp Ocque-Oc, State Conservation camp near Cheboygan. The leaders were Betty Strehl, Edith Olach, Mrs. Robert Laurent and Mrs. Ralph Hamilton. The troop consisted of Sue Beandoin, Cynthia Smith, Kay Ikens, Darlene Houck, Marlene Lanthorn, Karen Smith, Darlene Mason, Joyce Hardy, Merlene Messenger, Gail Krahnke, Elaine Poole, Carroll, Connie and Cora Paul.

Sunday, Troop No. 3 of the Girl Scouts left for Wildwood at Wilderness Park. The leaders were Mrs. Leon Joseph, Mrs. Lowell Merica, Mrs. Kenneth Nixon and Janet Livingston. The girls were Mary Baker, Sharon Belding, Lucinda Bilow, Suzanne and Janet Crump, Kathleen Foster, Donna Ikens, Camilla Maltby, Judy and Janna Merica, Anna Pontius, Jill Stewart, Carolyn Stoel, Wanda Ward, Barbara Nixon and Barbara Joseph.

Set $1,500 Goal For Enlarged Summer Program

The Charlevoix Board of Commerce will open a membership drive on June 13 in an effort to gain new members and raise $1,500 to carry on the work of the organization.

Competition is becoming keener each year in the resort trade and the local organization, realizing this fact, is exteeding every effort to stay in the lead and keep Charlevoix the most popular vacation spot in the north.

Among the people who will be contacted for the first time will be those who benefit most from the work of the Chamber of Commerce but yet who have never joined. This includes owners and operators of cabins, rooming houses, eating places, hotels, seasonal shops and other businesses who benefit directly from the summer visitors. Some of these people have joined in other years but the majority have not.

Even though the city of Charlevoix allows a certain amount each year for the expenses of the organization much of this is consumed in salaries, operational expenses and paid advertising. The money to be raised in the membership drive would be used to defray the expenses of the "extras" which arise particularly during the summer.

One example of the expenses to be absorbed by the Board of Commerce this year will be the dedication of the new bridge on July 30. Others will be a more extensive recreational program and additional advertising and before the summer is over there will be many other smaller details to be financed by the board.

Charlevoix is primarily a summer resort. No one can deny that. Anything and everything which will bring people to Charlevoix must be done for more and more communities are realizing the revenue to be gained from the resort trade and are putting forth every effort to bring the visitors to their cities. If Charlevoix is to remain the topnotch city of the north everyone who claims Charlevoix as his home must get behind this membership drive in an effort to reach the $1,500 goal to carry on the work of the Board of Commerce.

For additional information on the drive contact the membership committee: Kit Carson, chairman; Cornelius Geiken, Dick Edwards or John Knight.

Brownie Scouts Must Register for Camp

All Brownie Scouts who have not registered for Day Camp to be held June 20-24 are asked to do so at once. Each Brownie is requested to call either Mrs. Robert Kelley or Mrs. Herbert Campbell and report on whether or not she is planning to attend camp.

Only 30 out of the 68 Brownies in local troops have signed up for Day Camp. If a larger number do not register within the next few days it may be necessary to curtail the present plans.

A paid director will be in charge of the five-day camp to be held at the Church of God camp grounds south of Charlevoix. A varied progeam with many new activities has been planned by the camp committee and it is believed that all youngsters would benefit by the experience.

Mrs. Kelley may be called at 631-R and Mrs. Campbell at 44.

Coming Events

June 9—Girl Scouts of Troop 1 and 8 are asked to meet at the City Hall at 7 p. m.

Red Is Better Than White

Out on the new road to Petoskey some sad signs are appearing. Needles on a number of the young white pines are turning brown, sign of the appearanee of the fatal pine rust. That is the stuff which lives for a time on the barberry and which will kill off a whole white pine forest in short order.

If all the barberry bushes can be eliminated and kept that way, the white pines are safe. There can be no blight. But that is a tough job.

Far easier is to plant trees which are not affected.

Michigan, of course, was one of the great white pine states, along with Maine and Minnesota. But forgetting the tradition, we have two plaes today which are equal to the white in growth, wood and looks. Neither is affected by the blight. They are the red or Norway and the new Scotch pine. The latter, say its boosters, also makes an exeellent Christmas tree.

About ten years ago I heard Gov. Chase S. Osborn ask a eonservation man why the state grew or supplied white pine at all when the other trees were better. He was unable to get a satisfactory answer. I've never heard one since. But the fact remains that planting white pine is invitlng trouble later on, especially with the blight appearng in our eounty.

It's Up to Us to Give Them a Good Time

Next week at this time the delegates to the state convention of the Michigan United Conservation Clubs will be arriving in Charlevoix.

Right straight through, we'll be having a grand bunch of men and women here as our guests. They will be eoming for two things—to transaet some club business and to have a good time.

The business meetings will be eonduet-ed by the delegates. But all of us Charlevoix folks will play a part in determining how good a time our guests have. The better time they have, the more they will talk about Charlevoix when they get back home. And the more they talk favorably, the morc folks will be eoming here this summer and in future summers.

Here is one time above others when courtesy and helpfulness will pay big.

English Couple Thrill at Michigan Wonders; Tell of Conditions in Native Land

"Think of going 130 miles in one day. It's terrific."

Thus spoke Mrs. Thomas Scott as she sat with her husband and Mrs. George Buttrick on the spacious porch of the Buttrick cottage at Sequanota on Lake Charlevoix. She was speaking of their northern Michigan jaunt taken the day before.

"And then we had another ride today to the Jordan River," she added. Here Mrs. Buttrick caught five trout for their evening meal which was another treat.

"In England we are given enough petrol for 90 miles a month."

Sister of Dr. Buttrick

Mr. and Mrs. Scott arrived in New York from England on May 3rd on the Queen Mary. Mrs. Scott, a sister of Dr. Buttrick, has been to America before but this is Mr. Scott's first trip. Since their arrival in Charlevoix, they have taken many rides, many long walks and are so content that they wish to remain and miss the wonders in other parts of the country planned for them. They expect to return to England the first part of July.

Interesting Reactions to America

Conscious of so many things in America that folks just take for granted, we were interested to know how they reacted to our country.

"Why, the robins in America are about three times larger than our robins in England," the couple agreed. The English robin is about the size of your sparrow.

"I think one of the great wonders of your country is the chain of Great Lakes," said Mr. Scott. "They are amazing. Then another thing, is timber. Seems as though woods are all about. It is something we cannot buy.

"Couldn't even get a piece of wood to mend our step," added Mrs. Scott. "A load of firewood would cost four or five pounds (a pound being approximately $5.00). We can get coal in England although it is rationed. We get a bag a week, but then, we are not used to keeping our house as warm as you do here."

"Another thing so different is the open field," commented Mr. Scott. In England the fields are surrounded by thorn hedges or stone walls, many of them more than 150 years old. Here, the fields are such open spaces with fences of wire."

"And cars. There are so many of them here and we are amazed by the size of them. English cars are so much smaller."

Articles Still Rationed

"At times life seems unbearable," said Mrs. Scott, "for there is such a shortage of things. This is due to economic conditions."

The Marshall plan is helping a great deal, but the average person in this country does not have any conception of existing conditions aboard. Even on the continent some conditions are not as bad as in England.

In America one can go and buy anything nowadays without any thought of rationing, but rationing is still on in England and on some items as bad or worse than the war years.

Meat! One might almost say that English food is seasoned with meat when Mrs. Scott told they were allowed a shilling's worth of meat per week, which amounts to about two chops.

"Oh, we are gaining weight since we arrived in America," she laughingly said, "especially with all the good things one can buy here."

Being a housewife talking to another housewife, she gave an idea of what one buys for a week's rations in England. The following is alloted per person; 1 ounce lard, 4 ounces butter, ½ pound margarine, 2 ounces cheese, 4 ounces tea, 1 shilling's worth of fresh meat, ½ pound sugar, 3 ounces bacon.

There is no sausage, ham or tinned meat. (What, no Spam.) Also, no sweets can he found in the store. Vegetables, bread and flour are not rationed.

"We do have ice cream," said Mrs. Scott to which Mr. Scott added in his dry humor, "But ice cream in England at all times is a joke."

"One can get plenty of coffee in England, but England is not a coffee drinking country. They serve coffee around 11 o'clock in the morning, but the English like its tea," said Mrs. Scott. "Since we have been here we have got to drinking coffee and like it."

Cigarettes is another luxury item. Twenty cigarettes costs nearly $1.00. Most folks cannot afford to smoke.

Bombed Out During the War

During the war the Scotts were bombed out. For several months they had lived in an air shelter and then one night decided to stay home. That night a bomb really did things to their house.

"Our kitchen and scullery just disappeared," said Mrs. Scott. "The house was ruined, windows were all shattered. We were not hurt, just small cuts and badly bruised. We can laugh about it now but at that time it was no laughing matter."

Then we were told how the lights had come on in England just a few months ago.

"Just think no street lights for six years. Children that old had never seen England lighted up at night. It was just darkness."

The Scotts home is in Harrogut, England, a famous Spa for rheumatic people.

"There is more evil tasting water there than any other place I know," chimed in Mrs. Buttrick. "I remember when we were there twn years ago that the band would play in the garden and everyone walked around drinking glasses of the water."

"Oh, it has great curative powers," said Mr. Scott, "and if one persists he can gain weight on it."

"I do not know what it is going to be like there now," said Mrs. Scott. "You see the government is taking over the spa now." (This is another part in England's program of socialized medicine, a subject the couple did not wish to discuss.)

"Yes, life is pretty grim but we're pulling around," said Mrs. Scott.

"With all its faults, it's a jolly, fine country," added her husband.

Thomas Jefferson conceived the principle upon which certain modern secret codes are based.

Attend Graduation Of Daughter at Albion

Mr. and Mrs. E. B. Bowman and son, Jim, went to Albion Saturday for college commencement. Linda Bowman was one of the graduates of the class.

Grass Day to Be Held on Afton Farm

June 20 has been chosen as Grass Day and will be held at the Arnold Ostrander farm, one mile north and one and one-half miles east of Afton.

More grasses and legumes are needed in the rotation on most farms. Sod forming legumes such as alfalfa and red clover provide a sound basis for a good crop and soil management basis.

Specialists from various departments of Michigan State College will be on hand to discuss these subjects at the Ostrander farm.

Faculty Members Plan Varied Activities As School Closes for Summer Vacation

With the closing of the Charlevoix schools for the summer many members of the faculty are on brief vacations before assuming summer positions here or are planning to spend the summer elsewhere.

Supt. Roy G. Bennett will continue his duties here and may take a brief vacation during the summer. H. E. Bingham and family are making a trip to southern Michigan before he starts his summer job as business manager at Camp Charlevoix.

Several members are making plans to attend summer school. Mrs. Dorothy McRae, kindergarten teacher, is planning to attend Northwestern University; Norman Gallagher, English and Latin instructor, will attend Michigan State College; Mrs. Elizabeth Trimble has enrolled at Northern State Teachers College at Marquette; Glenn Snider will attend Central Michigan College at Mt. Pleasant; Marion Pletcher plans to attend the University of Michigan or Northern State; Mary Ann Murphy will attend summer school but had not decided where before she left Friday.

Mr. and Mrs. Robert Richards and son and daughter have gone to Ohio for a vacation trip before returning here for the summer; Mrs. Dorothea Badger and daughter are making a brief visit in southern Michigan before returning for the summer; Mr. and Mrs. Ray Kipke and family have gone to the Upper Peninsula for a week before Mr. Kipke resumes his duties at the Belvedere Golf Club; Mrs. Mary Cooper plans to spend the summer with her parents in Saginaw; Mr. and Mrs. Shetterly plan to spend part of the summer in Midland and Canada.

Alli Gustafson is spending a few days in Detroit before going to Marquette prior to her trip to Finland on Aug. 5.

S. E. Coleman has resumed his duties as secretary of the Board of Commerce; Leonard Burns will be at the Miller Boat Co.; Max Noxak will carry on his duties with the Veterans Administration and will be field man for the Northwestern School of Commerce, Bay City; C. A. Odmark will be here for the summer and will continue his music classes at the school; Florenz Milner will be at the library.

Mrs. Ethel Courier will attend the graduation of her daughter, Lois from Central Michigan College, Mt. Pleasant on June 17 and then will spend the summer here; Frances Milner will return to the Polly Kay shop; Mrs. Bessie Coleman and Mrs. Jeanette Abfalter will remain at home for the summer.

D. C. Maltby, commercial teacher who is not returning next year, plans to retire from the teaching profession and devote his time to his hotel and summer resort at Bellaire. Accompanied by his wife and two daughters he has gone there for the summer.

Mr. and Mrs. Uno Suomela will return here after a brief visit to Detroit.

Pythian Sisters Entertain Grand Chief

The Charlevoix Temple No. 149, Pythian Sisters, entertained their grand chief, Pearl Kring, at a special meeting held at the K. P. hall on Monday evening. It was the first official visit of the grand chief to the lodge. A business session was followed by a social hour and refreshments. Mrs. Kring was presented with a gift from the local lodge.

Ten members of the Hannah Temple No. 146 of Traverse City brought the total number present to thirty.

Mrs. Kring accompanied by her husband, William Kring, left Tuesday for the Upper Peninsula on an extended business trip.

Celebrates Birthday With Dinner Party

Debby Bergeon celebrated her fourteenth birthday anniversary at a surprise dinner party given by her mother, Mrs. Walter Bergeon, on Tuesday evening. Dinner was served by candlelight at a table decorated with an arrangement of spring flowers.

Guests were June Kirkwood, Janet Krutik, Barbara Roff, Leola Scott, Jackie Cooper, Elaine Peters and Amy Kipke.

Catholic Laymen Hold Retreat

The 8th annual Northwestern Michigan Catholic Laymen's Retreat was held at Leland Lodge June 3, 4, 5. Rev. Edwin Fochtman, O. F. M. was retreat director and Rev. Kenneth Ward, C. P., was retreat master.

Among those from Charlevoix who attended were Ralph Hamilton, Frank Oleksy and Ted Browe.

Presents Pupils In Spring Recital

Mrs. Gwendolen Henner presented her pupils in a spring recital Friday evening at the Charlevoix City Hall at 7:30 p. m.

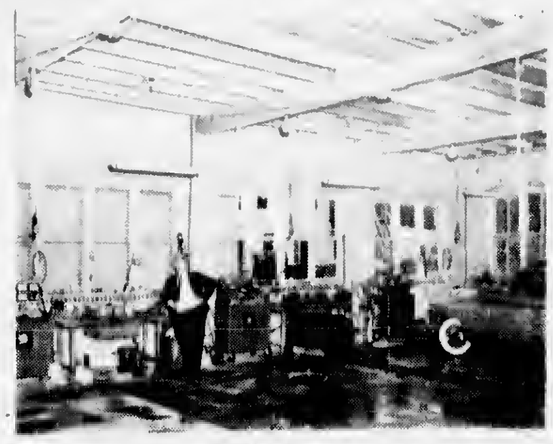
The program opened with the junior pupils who presented a musical description of Cinderella with Mrs. Henner reading the story. These pupils were Mary Janice Supernaw, Ruby Jean Murrell, Jimmy Brady, Stephen Wells, Phil Timmer, Margo Davenport, Barbara Neilsen, Lucille Stephens, Joan Brady and Calvin Burns.

Another musical suite was given depicting life in San Francisco played by Judy Merica, Gail Krahnke, Donna Ikens, Don Walstad, Faye Meggison, Camilla Maltby, Joyce Cunningham.

Many others were presented in solos. They were: Laurabelle Elzinga, Rusty Wood, Barbara Nixon, David Miles, Sandra Cunningham, Janna Merica, Kay Ikens, Betty Blissett, Sylvia Lee Miles, Gail Ann Curtis, Harriet Hooker, Marguerite Colburn, Caryl Cross, Ann Clark, LoAnn Anderson (vocal), Tommy Erber, Phyllis Williams, Nancy Wachelin, Billy Golden, Mona Davenport, Bard Miles, Michael Gibbons, Barbara Joseph, Howard Tuuner, Clara Marie Miles, Virginia Smith (vocal), Debby Bergeon, Nancy McQuaid, Marie Neilson, Barbara Smith, Donna Everts, Barbara Bice, Suzanne LaBlanc, Mrs. D. C. Maltby, Rheta Boss, Joyce Fiedler, Joyce McGhan and Nita Brumm.

• Carolune Orvis left Sunday for Flint to spend a week with her father and brother.

New Wallace Garage Has Plenty of Room, Equipment in Shop at Rear of Building



This is how the new Wallace garage on Antrim street looks on the inside.

Facing north on Antrim street's automobile row, the garage is 55 by 70, of concrete blocks. In back there is a sizable outdoor parking lot reached either through the garage or by a drive at the east side next to John Mol's.

Inside, the garage is one story high, except at the front where there is a storage space over the offices, display room and entrance drive. The latter, at the northwest corner is 12 feet wide.

Except on the west wall, which adjoins Hooker's building, about half the wall space is occupied by windows.

Shown are two of the three hoists and part of the equipment, with W. H. Wallace, the builder, in the center of the scene.

MICHIGAN Motoring

The graceful deer which are so plentiful have long been a major tourist attraction in Michigan . . . and a source of constant interest for Michigan citizens as well. You'll see them along the highways in upper Michigan . . . along the side road in almost any county in the state. And many people will go "deer hunting" this summer with cameras . . . driving slowly through the side roads near Kalkaska — where there'a a chance to see a bear, too . . . or through the great State forest areas in both the Lower and Upper Peninsulas.

This type of "deer hunting" is a fascinating pastime . . . but for drivers it can be a time of danger as well. If you are driving, remember to keep your eyes on the road . . . STOP!—if you wish to look. Be on a constant look-out for the animal who may leap in front of your auto, causing your car to over-turn and injure yourself and your family. This could happen to you!—it did to a family driving near Cannonsburg, Michigan, just a few weeks ago.

Wherever you drive this summer . . . through the woods, near the beautiful Michigan lakes . . . on the highway or in the city . . . remember constant alertness may save your life. Enjoy your summer vacation by making it a safe one with careful, cautious safe driving . . . Play safe—every minute you're behind the wheel!

WHO GETS THE BIGGEST SLICE OF OUR NATIONAL INCOME?

Salaries and wages for Mr. and Mrs. American Worker represent the lion's share. And from 1939 through 1947, wages and salaries jumped 178%. (Cost of living increased 68%). Under our free enterprise system, the real wage of the worker goes up with his production. America's banks help business meet payrolls with credit, cash and checking accounts. And the workers, by depositing in banks, help build the credit pool that benefits all. It's the American way.

"Saved Me a Year's Pay!

A SERIOUS ILLNESS IN MY FAMILY MEANT A $3684 HOSPITAL BILL FOR ME . . .

Blue Cross covered all but $37.50!"

Case No. 54-49325-64

98 days in the hospital. The bill for drugs and dressings came to $2828.90. Laboratory fees alone were $116.50. Total cost: $3684.90. Patient's family paid only $37.50. Blue Cross took care of the rest.

Figures show that one person in every ten will go to a hospital this year

NEW medical techniques call for expensive drugs and equipment. General hospital expenses have gone up, along with everything else. That's why typical hospital bills are so high these days—*in some cases as much as three times as high as they were in 1941!* And that's why you and your family need Blue Cross protection now more than ever before.

No other health-care plans offer so much for so little.

Blue Cross, Michigan's wholly non-profit, voluntary health plans—pays out in benefits an average of 85 cents from each dollar received. *Blue Cross Hospital Plan* provides up to 120 days of hospital care in any of the 172 participating hospitals in Michigan. No cash limit on the benefits covered. In addition, *Blue Cross Medical-Surgical Plan* pays liberal amounts for operations and your own doctor's calls at the hospital in non-surgical cases.

Blue Cross is available to employed people through group enrollment . . . No physical examination or health statement required.

You can join more than 1,500,000 Michigan people who already enjoy Blue Cross protection. Talk to your employer . . . or ask your local Blue Cross representative . . . or write directly to one of the Blue Cross offices listed below for full information.

Poultry Meeting Is Friday Night

Are you an interested poultry grower?

If so, there will be a meeting at the City Hall in Charlevoix on Friday, June 10, starting promptly at 8:30 p. m.

One of the features of this meeting will be the showing of the colored film on Newcastle disease. This will be a worthwhile film for poultry growers to see as several cases of this disease have been discovered in Charlevoix county in the past few weeks.

Mr. Wilson from the Land-O-Lakes Cooperative and the Board of Charlevoix Poultry Processing plant will be on hand to discuss the posibility of dressing chickens and broilers this summer. If there is an adequate supply of birds they will operate the plant. Any growers who have birds they might want to sell through the plant should plan on coming to Charlevoix Friday evening.

Special—Juna 9th through June 16. Rebuilt Motor Installed in all Fords from 1933 thru 1948 models, $142.99 tax included. Includes: clutch disc, pressura plate, gaskets and oil. 90 day guarantee. Northern Auto Company.

M.U.C.C. Delegates Are Arriving Today

The Tow Line

News of folks, your neighbors and mine . . .but did you know that—

The Traverse City police are going to do some tightening of the liberty strings on all persons under 17 years of age in their city, come curfew time. The curfew law is going to have real teeth in it . . . The Walter Wrights are here from Chicago at their summer home at Norwood for the next three months. Their coming also means the coming of their married children and the ten grandchildren. There should not be many dull moments in the Wright household.

Mrs. Margaret Novak is in a serious condition at the Charlevoix Hospital . . . Mrs. Marian Brown and two children, Brenda and Bradley, arrived home from California last week after having spent several months there. They flew back. Brenda declared she was not too enthusiastic about the trip from Chicago, which she declared was bumpy. The trio are looking wonderful and have a real California tan . . . Sunday night the Jullus Gilbert family was seen doing Main Street in their car . . . Jack Goldman of St. Louis spent a few days this week in Charlevoix, coming up to see about his boat. Warm weather and the thoughts of that new boat serve as a real magnet to Jack.

Harold Geiken of Dayton, Ohio is here for the summer months in Charlevoix . . . The Frank Bird cottage, another new addition to the north shore, really looms up from its new location beyond Camp Charlevoix . . .

Folks about town were in a quandary last week as to whether they should call in the Ministerial Board and have them call on Harry Craig. All because of a sign of one word "SIN" which leaned against the Argo Mill on the channel side. Then it was discovered that some friends of Harry's had found an old Sinclair sign and had taken the first three letters of it. Harry decided it was giving the wrong impression and moved it.

Miss Peg Dubrey and Fern Webster of Detroit, guests of Miss Mary Zeitler, spent Friday until Monday at the home of her mother. Sunday the girls took a canoe trip down the Jordan River and really had some interesting tales to tell upon their return to Detroit . . . Mr. and Mrs. Dick Simons, who have been in Charlevoix since last fall, returned to Cincinnati last week. Mr. Simons has been working for the Freedman Arteraft Corp.

Phyllis Gill got a real thrill last week when her husband, Ben Gill, who has been in the Orient for several months, called to say he was back in the States on a 15 day furlough . . . Florine Stelter is making a trip to Hawaii this summer, as a guest on the National Editorial Association tour.

A letter from Mrs. Robert Kahrs of Hollis, N. Y., states how much she enjoys reading The Courier each week. Mrs. Kahrs spent 15 summers at the Belvedere Hotel and says that Charlevoix seems like home to her . . . Mr. and Mrs. Henry Varnum and son, Charles, of Jonesville, spent the week end with the L. E. Towe family. Charles remained for a few days while his parents went to Mackinac Island to attend the State Druggist Convention. . . . Mrs. Charles Hahn and children of Muskegon Heights are in Charlevoix visiting Mrs. Manie Fessenden at Littlewood. Mr. Hahn has gone on to Canada

Bridge Will Be Open to Traffic Next Week

Sometime next week traffic will be rolling across the new Pine River bridge.

That is the forecast of Fred McKinney, state Highway Department engineer on the job.

There still is a lot of painting to be done. The curbs on the south side remain to be poured except at the detour. A general final inspection of the machinery will be made Friday. When those things are done, the bridge will be opened.

The North side bank has been sodded. On the south side after the park has been cleared, the state will spread top soil and then reseed. The old hotel site also will be seeded.

The wiring is about completed but the control house still is to be painted on the inside.

Governor Asked to Dedication

An invitation has been extended to Gov. G. Mennen Williams and other state leaders to attend the dedication of the bridge over Pine River on July 30, Ralph S. Hamilton, chairman of the Memorial committee has announced.

The Hon. Charles M. Ziegler, state highway commissioner, will be the principal speaker and dedicate the Memorial bridge honoring the men of Charlevoix and vicinity who lost their lives in World War II.

The program will start at 10:00 a. m. with a parade from the Legion Hall to the bridge. There the formal dedication will be held with Mayor Ray S. Hamilton presenting the keys of the city to Mr. Ziegler. George O. Haggard will introduce Mr. Ziegler and other visiting dignitaries; James Whitley, who conceived the idea of making the bridge the Memorial span, and a member of the class of 1942 who contributed to the memorial fund will be presented by Ralph S. Hamilton.

Families of the 19 Charlevoix and vicinity men who lost their lives will be guests of honor at the dedication.

New City Folder to List Rooming Places, Hotels

Charlevoix will have a new tourist folder this summer.

To be issued by the Board of Commerce, it will contain information on places to see, things to do while here.

In addition, the folder will contain a directory of hotels, cabins, apartments and rooming places. Heretofore, this latter information was put on a mimeographed sheet. This year everything will be assembled in one folder. These will be sent out in answer to all requests and given to folks stopping at the information office here.

Deadline on getting the information in to the Board of Commerce is June 23. Any listings received after that cannot be included in the folder

MUCC Officers Work Hard for Conservation

Louis D. McGregor

Harry R. Gaines

Louis McGregor and Harry Gaines are two men who not only have had much to do with planning this convention of the MUCC, but with building up the entire organization.

President McGregor is a Flint attorney, has held the top MUCC office for two years, and at times has run himself ragged with evening dates showing his pictures of hunting trips.

These include trips into the Rockies after antelope and other big game; and up the Alcan Highway for grizzly. He shoots more pictures than game and then comes back to Michigan to show the pictures at local clubs and preach conservation.

Harry Gaines is secretary of the MUCC. One of the organizers back in 1937, he served as first president for two years. Before that he had headed the Kent County Conservation League for six years. In 1939 he retired as president and was elected secretary, which has been a full time job with him since 1940.

Two other state officers will be here. Marshall A. Westfall, vice-president, has been named the unopposed candidate for the presidency. Head of the Ionia County National Bank, he is an ardent fly fisherman, often tying his flies on the spot to match some particular hatch. He has served five years as treasurer of MUCC.

G. Hilding Carlson of Muskegon is treasurer now. He served two terms as director, and was elected money-keeper last year. He also is president of the Muskegon Conservation Club. He is a parliamentary and procedure expert for MUCC.

Rev. Gaylord Howell Is Reappointed to Charlevoix Church

Rev. Gaylord Howell has been reappointed to the Methodist church here by the annual Methodist Conference held at Albion last Thursday through Saturday.

It will be his fifth year in Charlevoix.

Rev. Howell also was reelected to the chairmanship of the Methodist Board of Education for the Grand Traverse District.

Going to the conference from here were Rev. Howell, Roger Sweet and Fred Bancroft.

NO KA-CHOOS

City Has Least Pollen

Hay fever sneezers who didn't come to Charlevoix last summer missed the spot in the Lower Peninsula with the least kachoos.

In fact, 1948 was a repeat record for the community which also was at the top—or bottom—of the list in 1947.

Not only was Charlevoix best in the lower half of the state; it was third for all Michigan, being surpassed only by St. Ignace and Sault Ste. Marie, both far up in the semi-frozen north.

Charlevoix did not have a single day with a pollen count of 100, supposedly the minimum needed to produce a sneeze in the most sensitive of noses. Boyne City was the only other place to have this distinction.

Some of the scores for the state were:

Charlevoix	540
Boyne City	844
Petoskey	1104
Cheboygan	1857
Gaylord	4373
Mackinaw City	4729
Saginaw	13573
Mt. Clemens	14705
Sturgis	15291

St. Ignace was 275 and Sault Ste. Marie 278.

Services Are Held Monday at Atwood for John Boss, Sr.

Known through all northern Michigan as a lumberman and citizen of Charlevoix, John Boss, Sr., was killed Wednesday night when his car went into the South Arm at the Ironton Ferry crossing.

Funeral services were held at the Barnard Reformed church Monday at 2 p. m. with Rev. Wayne Lemmen of Atwood officiating. Burial was in the family lot at the Atwood Cemetery.

Only 60 years old at the time of his death, Mr. Boss was born in Banks Township Aug. 28, 1888. He was the son of Mr. and Mrs. John Boss, early settlers in the region. Following his marriage to Jennie Drenth, the couple lived on a farm in Marion Township until 12 years ago when he entered the logging business, buying and cutting tracts of timber throughout this area.

Besides Mrs. Boss, nine of their ten children survive him; Mrs. Hans Burns and Rheta of Charlevoix, Mrs. Abel Van Stedum of Grand Rapids; William of East Jordan; Franklin, Gerald, Edward, J. Jr., and Donald of Charlevoix. There also are four brothers and two sisters: Fred and Frank of Central Lake, Lawrence and Edward of Charlevoix; Miss Alice Boss and Mrs. Flora DeGroat of Grand Rapids. He had nine grandchildren.

Here for the funeral from out of town were: Miss Alice Boss, Mrs. Flora and Anna DeGroat, Mr. and Mrs. Jake Essenburg, Mr. and Mrs. Gerrit Drenth, Mr. and Mrs. Jake Drenth and Bobby, Mrs. Harvey Bergsma, Mr. and Mrs. Andrew Drooge, Mr. and Mrs. John Huitsing, Mr. and Mrs. Jiles Warner, Mr. and Mrs. George Kuiper, William Marrow, Len Ribbens, Mr. and Mrs. Joseph Kasper, Tice Van Eulwen, Mr. and Mrs. Abel Van Stedum, Mr. and Mrs. C. Kriuthof, all of Grand Rapids.

Mr. and Mrs. Jake Boss, Oscar Boss, Mr. and Mrs. Ben DeVries of Detroit; Jay Arthur and Dorothy Brown of Midland; Mr. and Mrs. Gary DeBoer of Rockford; Miss Ann Fikse of Chandler, Minn.

Last Wednesday Mr. Boss had left home on a business trip to the east end of the county and Otsego county. He was at Boyne City late in the day. Inasmuch as he often was away for a day or more when buying timber, no thought was given by the family about his absence.

Hilltop Lodge to Be Reopened

The Hilltop Lodge, formerly Chicawago Lodge, will be open for business on June 16.

Miss Erna Landsberg of Detroit is here preparing the lodge for opening.

Benefit Plans Growing; More Booths Taken

There will be a lot going on at the Summer Festival being planned as a benefit for the new hospital building fund.

Twenty-five booths already have been spoken for by various groups about town, and more will come, according to Dean Davenport, general chairman.

Typical of the activity which is under way, he says, is that of the members of the Beta Sigma Phi sorority. The members have been canvassing the town, collecting pieces of fancy and needle work. From those given already, the members say they should net several thousand dollars to the fund.

This week Davenport appointed 16 special committees to work on the Festival. These various committees will have charge of 16 details connected with the event. Among these are street decorations, material for booths, assignment of booths.

A merry-go-round has been lined up for the week end of July 30-31.

Davenport says that a general meeting will be held the last of this month.

A week ago at the Kiwanis meeting, Dr. John Rogers outlined prospects of help from federal funds under the Hill-Burton Act. Dr. Rogers is a member of the Governor's advisory Committee on Allocation of Hospital Construction Funds.

He said Charlevoix's need for a hospital was underrated in a Kellogg Foundation report and that now this city is listed by the Governor's Committee as needing a 35 bed hospital as a minimum.

Charlevoix to Have Cherry Queen Entry; Deadline Is Friday

Charlevoix will have a queen this year who will compete for the top royalty honor of Northern Michigan—Queen of the annual Cherry Festival at Traverse City.

Beta Sigma Phi sorority here has agreed to sponsor her, handle arrangements for selecting the Charlevoix girls and then see the local winner takes part in the final contest at Traverse June 24.

Marjorie Webster at the City Hall is taking the names of girls who wish to enter. All names must be phoned or given to her before 5 p. m. Friday. Her number is 75.

On Saturday, the officers of the Michigan United Conservation Club meeting here will be asked to select the Charlevoix Queen from among the girls who have signed up.

The Cherry Queen represents the entire region and presides at the big festivities at the cherry capital. She must be between 17 and 25, unmarried and a resident of Michigan. Personality and background count as much as face and figure.

Attend Road Meeting

Angus Fochtman and Ralph Hamilton of the County Highway Commission were in Rogers City Tuesday attending a northern road meeting.

SPEB Chapters to Form County Chorus This Week

An all-county chorus will be formed by the three SPEBSQSA chapters Thursday night.

Loton Willson of Boyne, leader of the Snow Belt Chorus at Jamborees and Bush League bawls, will be the director. The first meeting is Thursday night at the new clubhouse at Whiting State Park.

Members of the Charlevoix chapter will meet at the City Hall at 8 p. m. and go in a group.

John Grupa is the new president of the chapter succeeding Don Feagan.

Conservation Problems, Boat Trips, Visit to Beavers, Lake Dinner Are on 1949 Program

Drawing men and women from conservation clubs all over Michigan, Charlevoix is host this week to the largest convention ever to assemble here.

A minimum of 600 and probably more are expected Thursday for the annual gathering of the Michigan United Conservation Clubs. Secretary Harry Gaines has forecast that this will be the largest in the 12 year history of the club.

Men and women started arriving Wednesday and almost all delegates are expected to be here and signed up at the Belvedere by Thursday noon.

Several distinctive Charlevoix features will be offered. The wives and children will be taken on a tour of Camp Charlevoix, they will have an all-day trip to Beaver Island; the Coast Guard's "Woodbine" will be here for inspection; a Lake Charlevoix cruise will be given both men and women.

John Cross will run several trips out into the lake to demonstrate how fish nets are lifted. Jake White has agreed to supervise the making of fish "booyah" which will feature one of the dinners.

Charlevoix men who have been heading the preparations are Don Swinton, general chairman. Scott Wilson of the Belvedere which is the convention headquarters; Bonnie Nickerson, Rod & Gun Club president; and S. E. Coleman, Board of Commerce secretary.

Keeping track of what is going on and when always is a difficult task at a convention like this one.

To help, The Courier is carrying as complete programs as the MUCC officers could supply. They appear on pages two and seven. Shown are the general program covering all events, the program for big banquet Saturday night, and the agenda for the business meetings.

Swinton Attends to Details of Convention Here

General chairman of the M. U. C. C. convention committee of the Charlevoix Rod & Gun club has been Don Swinton. For several years, secretary of the club, he resigned that post to accept the convention chairmanship.

Shower, Talk Are Combined at Last Meeting of WCTU

The W. C. T. U. closed its activities until September with a meeting at the home of Mrs. Ernest Howe on Friday.

Mrs. Howe presided and Mrs. A. J. Usher led the devotions.

The 19 members present heard a talk on the subject of "Are Women Fools to Drink" by Mrs. Gaylord D. Howell.

Following the business session, Mrs. W. D. Wood took over the stork shower being given to honor Mrs. Howell. The poem, "The Hand That Rocks the Cradle is the Hand that Rules the Land" was read by Mrs. Wood. After the honoree opened her gifts the hostess served light refreshments.

50 Brownies Will Attend Day Camp for Girl Scouts

Girl Scout day camp for more than 50 Brownies will open at the Church of God camp grounds on Monday, with Eleanor Carlson of Ludington, as camp director; Mrs. Robert Kelley, the day camp chairman has announced.

The adult staff is not complete at this time but among those who will assist are Mrs. Dean Davenport, who has offered to share the duties of camp nurse; Mrs. Ralph Hamilton will teach handicraft; Mrs. Howard North, nature study; Mrs. Kelley, Mrs. Hubert Paddock, Mrs. Herbert Campbell and Mrs. George Roff, unit leaders. Mrs. Leonard Burns is among those who has offered to work as assistant leaders. Other camp personnel will be announced later.

The campers will meet daily at the city hall at 9:00 a. m. for transportation by bus to the camp site. The day's activities will begin at 9:30 a. m. Camp will close for the day at 3:30 p. m. and the girls will return to the city hall by 4:00 p. m.

All camp personnel are asked to meet at the city hall at 2:00 p. m. Monday for a training class at the camp site to be conducted by Miss Carlson.

City Golf Course Open

The Municipal Golf Course is now officially open according to Charles Hamlin, manager for the course.

School to Sponsor Free Instruction Program In Music

Charlevoix again this summer will have the free music instruction program sponsored by the Board of Education.

Clarence Odmark again will be instructor and will teach band and some orchestra instruments.

There will be one rehearsal each week of the various groups with individual lessons each week. However, if the enrollment is larger than expected, groups of two or three may be substituted for the individual instruction.

The course is open to anyone in the school district. Final enrollment will be Monday at 10 a. m. in the school gym. Eighty already have signed up.

Legion Will Elect Officers Tuesday

The American Legion here will elect officers for the coming year at the annual meeting next Tuesday evening at the Legion Hall.

Following the meeting, refreshments will be served.

The district meeting for the Legion and Auxiliaries will be held Sunday at Mackinaw City. There will be an all-day program with a parade, ball games, picnics.

Coming Events

June 19—Meeting of the Lower 11th District American Legion and Auxiliary at Mackinaw City, 2 p. m.

June 20—The American Legion Auxiliary will meet with Mrs. Harry Walstad.

June 21—6.30 banquet at IOOF hall for visiting state officers. Call Mrs. W. E. Goss for details.

We Hope You Like Us

Charlevoix is feeling both happy and hopeful this week.

It is happy over the privilege of entertaining you delegates to the Michigan United Conservation Clubs. It honestly hopes you will have a grand time while you're here.

Charlevoix really likes to have guests come here. The scoffer may say: "Sure, you're a resort town and have to have 'em." But there is far more to it than that. Even as a resort town, we Charlevoix folks feel we have a number of distinctive things about our community. We're proud of them and we're only too happy to have others enjoy them too.

Let's name just a few. Our town has been given the title "the Beautiful." As you drive about you'll see why. Right now a third of our fine lakeside park is still cluttered from the bridge construction, but that soon will be over, and then you should see us!

Our three lakes provide wonderful sailing for anything from Mackinac racers to dinghies for the kids barely out of diapers. We have one of the most-equable climates in the mid-west, cool in summer and warmer in winter than the state average. (Lake Michigan is to blame for that, just as it is for our record low pollen count.)

We have some beautiful beaches. Just drive to South Point and out to Bell's Bay and McGragh Creek. Don't all go at once as the road is narrow in spots. Sunset time of course, is best, but you'll be busy then. But it's quite a sight any time.

Then there are the Ottawa Council Trees out at Greensky Hill, and the nearby Greensky Mission, where services still are held in the Indian language. It makes no difference if the trees were planted by 27 families or by Indian chiefs—they were bent into sharp angles so the white man would have little object in cutting them down.

Take a look at the stone commemorating the Battle of Pine River. Never mind who attacked whom; the real issue back of the fight was the right of the mainland settlers to swap 50 cents worth of trade whiskey to the Indians for $5 worth of fish.

And drive around town to see our homes. Not just the show places like the stone ones at Boulder Park or those on Michigan avenue. But take a look at the new, small places which have been built most by young fellows for themseves. They're the homes which really reveal Charlevoix for what it is—a wonderful place to live and bring up the kids.

We're glad that you folks are here. If there is anything any of us folks can do, just drop in at a store with the green and white Rod & Gun Club sign and let us know about it.

Charlevoix wants every one to have a wonderful time while you're here.

Albert S. Goss, Master of the National Grange, spoke some words of real wisdom at Washington on April 30. Said he:

"Subsidies once accepted are very hard to abandon. They break down that commendable spirit of independence which is largely responsible for progress, and substitute a dependence on government which is abhorrent to our strongest traditions. They tend to make beggars of us."

Welcome M.U.C.C.

Friday, 9 a. m. to 12 N.

Report on Upland Game Committee, suggested changes in rabbit and small game refuge laws.

Fur bearing committee will propose special racoon license and changes to racoon season.

Predator Control committee recommends removing $5 fox bounty in region 3, and summer trapping be prohibited. A minority report will recommend licensing all house cats.

Big Game Committee will suggest experiments in forest management, compulsory $100 fines on deer violations, banning of .22 rifles as a deer gun.

Friday, 1:30 to 5 p. m.

Report by By-Laws Committee, chiefly on changes in electing directors and number of them.

Report of Nominations Committee.

Report of dog control committee will include provisions to make dog stealing a felony, require all dogs to be licensed and tattoed, and recommend changes in present field trial rules.

Report by Trap and Skeet Committee.

Saturday, 9 a. m. to 12 N.

The Committee on Island Fisheries will ask for discussion on a number of questions including: allowing non-residents to fish in lower tier of counties in winter without present restrictions; removal of size limit from pan fish; extending blue gill season through March 31; opening bass season nearest weekend to June 25; more control on commercial taking of minnows; classifying Northern pike as a game fish and barring its being taken by commercial fishermen.

The Trout Committee will recommend cutting daily limit from 15 to 10, but retaining present 10 pound limit; requiring trout stamp for all fishermen; earmark stamp revenue for trout stream improvement; remove 7 inch limit of brook, brown and rainbow; increased planting of legal fish.

A Commercial Fishing report will recommend that nets be allowed on Grand and Little Traverse Bays in 30 fathom water for taking mullet.

Other reports will be given by the Treasurer and on Migratory Birds, Boats, 1949 Junior Camps.

Saturday, 1:30 to 4:30 p. m.

Committee reports will be given on stream pollution, Administration of Conservation, forestry operations, federal legislation, 1949 legislative session, and on various meetings.

Final matter of business will be the anoual election.

Sunday, 10 a. m. to 12:30 p. m.

Unfinished old business will be taken up and new business introduced. The Resolutions committee will report results of the election will be given and the final adjournment take place.

New President Elected by Church

MISS EMMA C. SHIPMAN
Brookline, Massachusetts
Incoming President of The First Church of Christ, Scientist, in Boston, Massachusetts

BOSTON, Mass., June 6 — Breaking through the crust of ancient beliefs in material power, the postwar world is reaching out in an unprecedented effort for something better upon which to found a union of nations. The Christian Science Board of Directors declared today.

The Directors' statement and the election of Miss Emma C. Shipman to the Presidency of The Mother Church for the ensuing year sparked an annual meeting filled with reports of marked progress in the Christian Science movement throughout the globe.

Bride-to-Be Is Guest of Honor at Shower

Betty Potter, whose marriage to Charles E. Bergmann will take place Saturday was honored at a bridal shower given by Mrs. Eldon Potter and Mrs. Ted Heeres at the latter's home Thursday evening.

Twenty guests enjoyed a social evening and refreshments after which the bride-elect opened the many gifts.

All over America, on big farms and little farms, it's proving itself "The Year 'Round Tractor"... winning fame for all 'round performance, all 'round the farm, all year 'round.

You'll respect the Ford Tractor for the way it buckles down to heavy jobs of plowing or discing. You'll like it, and Dearborn Equipment, too, for the way you can do such jobs as scraping, leveling, loading, ditching, terracing, excavating, digging post holes or sawing wood. Most Dearborn implements lift or lower at a touch on the Ford Hydraulic Touch Control. Ask for a demonstration.

From where I sit ... *by* Joe Marsh

Don't Fence Yourself In

Every spring, Handy Peterson and Easy Roberts patch up the stone wall that separates their farms. They walk along talking—Easy on one side, Handy on the other—picking up the fallen stones and putting them back.

Afterwards, over a friendly glass of beer, Easy says, "You know, wall-mending is a nice neighborly custom, but we really don't need that wall. We keep it up just because it happens to be there."

"Yes," says Handy, "a lot of walls and fences and boundaries keep on separating people for no good reason. Maybe we'd all be better off if some of them were torn down, instead of kept standing."

From where I sit, Handy said a mouthful. Take the "walls of intolerance" that people build up against each other. I like a temperate glass of beer now and then, you may prefer buttermilk—but that's no reason for me to criticize you, or you, me. Let's live and let live *together*—making *more* friends and *fewer* "walls."

Worth its Price in Peace of Mind!

White sidewall tires available at additional cost

Soon after you take possession of a 1949 Cadillac, you will find that it has brought you something almost priceless which only ownership of the car can reveal.

You will find that each time you start the motor, and roll out into the street or highway, you have the wonderful conviction that you are wholly the master of every driving situation.

You will know from experience—that the powerful, eager engine will put you any place in the traffic lane you wish to occupy . . . almost as quickly as you reach the decision.

You will know that the big, velvet-soft hydraulic brakes can settle you down to a stop or a snail's pace—under the slightest pressure from the daintiest foot.

You will know that you are as nearly free from mechanical failure as it's possible to be.

And you will know that you and your passengers are riding in all the safety a motor car can afford.

Sitting there at the wheel—with the motor running so quietly you can hear the soft ticking of the electric clock—and with the miles sliding by so easily that each one is a special delight—we think you'll agree that *a Cadillac is worth its price in peace of mind!*

Why not move up to Cadillac when you purchase your next car—and enjoy this great mental satisfaction which only the "Standard of the World" can bring you?

THE TOW LINE

(Continued from page one)

where he will be for two weeks. . . . It's now Mr. and Mrs. Bernie Ward, Jr., to you! Congratulations . . . Mr. and Mrs. Ray Shearer, enroute to Charlevoix after their year at Ann Arbor, met with an accident last week near Brighton. They had their trailer hitched to a jeep. Somehow the trailer got to whipping and went over taking the jeep with it. Guard rails punctured one side of the trailer and made a rather bad mess of it. It has gone back to the factory for repairs. Mr. Shearer went through the roof of the jeep and received some cuts on his face. It was mighty lucky the couple were driving slowly or there might have been a more serious accident.

Wonder if there are any old covered bridges still left in Michigan? . . . Mr. and Mrs. Gerald Goff and son, Harry Gagen of Lincoln, Neb., are at the home of Mrs. John Zeitler. Mrs. Goff is the former Clara Nowland and sister of Mrs. Zeitler. From here the family will go to California, where they will make their future home . . . Scout Troop 2 is having a display of camp handicraft in the window of Henry's Beauty Shop. It's mighty clever looking work . . . Betty Strehl has been having a bout with sun poisoning . . . Mr. and Mrs. Archie Livingston, Sr., left Saturday for Detroit to attend the State Bankers Convention at the Hotel Statler . . .

Girl Scout News

A third troop of local Girl Scouts left Sunday for a week's camping trip at Wilderness State Park near Mackinaw City.

The following members of Troop 4, accompanied by their leader, Mrs. George Plumm, Mrs. Russell Lewis, Mrs. Joe Williams and Mrs. Ralph Hamilton who will teach handicraft, are on the trip: Fay Meggison, Sandy VonDohlen, Sonja Nordrum, Barbara Smith, Connie Oleksy, Joan Heilig, Sandy Gregory, Janet Todd, Wanda Sutton, Nancy Wachelin, Phyllis Williams, Mona Davenport, Roberta Swanson, June Kirkwood, Joyce Cunningham, Bennie Kipke and Mary Jane Foster.

The campers of Girl Scout Troop 2 already are making plans for next year's trip after the successful one at Ocqueoc from which they returned a week ago.

They arrived and set up their mess hall and barracks June 4, and ate the soup and baked beans sent by Mrs. Edward Olach and Mrs. Charles Strehl. Sunday morning there was a two mile hike. Mrs. Hamilton started them on felt and head work.

Monday Mrs. Hamilton and the camp nurse, Mrs. Robert Laurent, took half the girls on a trip to Rogers City and Cheboygan. That evening there was a hike to Lake Huron and a cookout.

Tuesday Betty Strehl and Edith Olach took the other half of the troop to Cheboygan and Mackinaw City where they visited the old fort. Wednesday they broke camp and were brought home by Mrs. George Smith, Mrs. Hamilton and Marjorie Webster. Others who made the trip possible were Capt. and Mrs. Hubert Paddock, Fred Bancroft and Vane Smith.

CARD OF THANKS

We wish to take this opportunity to thank the many friends who expressed their sympathy through calls, flowers and cards at the time of our bereavement. We are also grateful to the men of the Coast Guard and the Ironton ferry.

Mrs. John Boss, Sr.
and family.

Frences Potter Becomes Bride of Bernie Ward, Jr.

In a service solemnized at 8 o'clock Wednesday evening at the Barnard Methodist church, Frances Potter, daughter of Mr. and Mrs. Henry Potter, became the bride of Bernie Ward, Jr., son of Mr. and Mrs. Bernie Ward, Sr.

Two hundred guests witnessed the ceremony performed by Rev. W. D. Wood before an altar decorated with yellow and blue iris and spirea.

Preceding the service Betty Potter sang "Because" and "I Love You Truly", accompanied by Mrs. John L. Boss who also played the traditional wedding marches.

The bride, given in marriage by her father, wore a summer green suit, a white hat with a shoulder-length veil and white accessories. Her corsage was of gardenias.

Ruth Hittenberger, as her only attendant, wore a pink suit, white accessories and a corsage of white carnations.

Edwin Zeitler assisted the bridegroom as best man. Phyllis Johnson and Patricia Hamlin seated the guests.

Mrs. Potter selected a navy blue sheer dress, navy accessories for her daughter's wedding. The bridegroom's mother wore a navy dress, navy and white accessories. Both had corsages of red roses.

A wedding cake topped with a miniature bridal couple was a feature of the reception which followed in the church parlors.

Bridal Party is Given for Out-of-Town Guest

Marielle VanAllsburg, who has been visiting friends here for two weeks, was honored at a bridal shower before her return to Detroit last week. The party was given at the Withers home on Mercer Blvd. by Betty Withers and Mrs. Joseph McPhillips.

Miss Van Alisburg will fly to Bermuda late this month to marry M/Sgt. John Calon in Hamilton on June 26.

Guests who presented the honoree with a gift following a social evening and buffet lunch were Helen Isaksen, Mrs. Jack Withers, Mrs. Robert Withers, Mrs. Bea Richardson; Mrs. Robert Goss, Mrs. Tip Riley, Mrs. Mont Withers, Mrs. Robert Kelley, Mrs. Floyd Potts and Mrs. Albert Walters of Petoskey.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our relatives, friends and neighbors for the kindness and sympathy shown us at the sudden loss of our little son and brother. We especially thank Rev. Wood for his words of comfort and those who sent flowers and cards.

Mr. and Mrs. Dan Peters
and family.

Kroger

Practical Cooperation

Kroger recently assumed the operation of a milk condensing plant in Marion, Indiana, to supply stores throughout the middle west and south. More than 1,800 dairy farmers in the northern Indiana area continue to have a convenient outlet for their product. And Kroger's direct distribution from producer to consumer is a benefit to both.

Durand, Charlevoix Editors Will Represent Michigan On Ontario Good Will Tour

Representing Michigan on the Sixth Annual Good Will Tour of Ontario are two editors from this state—James K. Ellis of the Durand Express and Larry Towe of the Charlevoix Courier.

James K. Ellis

They are among 20 American weekly publishers selected this year to go on the 1500 mile tour of the province. The Ontario government defrays all the expenses of the trip which started Thursday at Windsor and lasts a week. The trip is sponsored as part of the province's friendship program with the United States.

Ellis is treasurer of the Michigan Press Association, which selects the two men each year. Towe is a former treasurer.

This is the fourth signal newspaper honor which has come to Towe this year. In January he was picked as one of the first 14 weekly publishers ever to go as observers on Atlantic fleet manouvers. In May he was elected a professional member of Sigma Delta Chi, national honorary journalism fraternity. The first week in June he had to go to Salt Lake City to address the annual convention of the National Editorial Association, giving his inpressons of the Navy exereses. In addition last fall he was visiting lecturer at the University of Michigan on "Community Newspapering."

IT HAPPENED ON . . . . BEAVER ISLAND

By Mrs. J. C. Hanley

Beaver Islanders prepared to greet the motorship North Shore on its arrival Monday with the loudest of cheers and salutes. The North Shore, with two years of service to the Island behind her, will be looked upon in a different light as it enters the harbor for the first time this season. It's Beaver's own boat—the first Island owned boat in 13 years.

Rolland McCann, Jr., who attended Providence College, Providence, R. I., during the past year, has arrived home to spend the summer months.

Mrs. Nora Gallagher spent the past week on the mainland visiting relatives and friends. She was a guest at the Blue Post Inn.

Mrs. Joe Sandenburgh left Monday for Milwaukee to visit her aunt, Mrs. Cissie Martin. She will also visit relatives in Green Bay.

The Parish Hall has been further enhanced by the addition of new window drapes. The material featuring a large fern design on cream background, blends attractively with the pale green walls. All credit to the ladies of the parish who gave their time and energy to the making and hanging of the drapes.

Mr. and Mrs. O. C. Wright are taking turns being on the sick list. This past week Mrs. Wright was ill and Mr. Wright took over as nurse.

With the ease and grace of a swan, the sailboat "Rogue" from Charlevoix glided into the harbor Saturday afternoon. Sailed by Bob Bridge and navigated by Gordon Freedman, the Rogue tied up for an overnight stay at the Island. Others in the party included Mr. and Mrs. Bill Supernaw, Mrs. Gordon Freedman, Mr. and Mrs. Pat Hawley.

Patrick Bonner is recovering in the Charlevoix Hospital after a major operation.

Johnny LaBlance, Charlevoix, is visiting his uncle, Jne Sandenburgh.

Mr. and Mrs. Norman Gallagher and little daughter are visiting Mr. and Mrs. W. J. Gallagher, Norman's parents.

Mrs. Carl Left and family are visiting Mrs. Left's mother, who is seriously ill.

Mrs. Frank McCourt, Chicago has arrived to spend the summer at her cottage. A party of friends ahcompanied Mrs. McCourt to the Island to be her guests.

Word was received Saturday by L. J. Malloy that his uncle, Paddy D. Boyle of Duluth, Minn., had died. Funeral services took place June 15 at Duluth.

Mrs. Eugene Doran and Mrs. Carl J. Reid have come to the Island to join their husbands, who are stationed on the Island in the service of the Coast Guard.

Beaver Island crops are in desperate need of rain.

"QUICK THINKING AND FAST ACTION GOT ME $175 EXTRA ON A FORD TRUCK TRADE!"

Ford Model F-1 Panel, one of over 150 models in the Ford Bonus Built Truck line for 1949.

"When I heard my Ford Dealer was making the best truck deals in town, I decided to check," says Andrew Ligeski.

"It was a fact! The offer looked extra good. And when I stopped to think that used truck values were slipping, and that I might take quite a loss if I waited, I made up my mind on the spot.

"I'm tickled pink I did. Used truck values have slipped so fast in the last three months, I figure my quick thinking and fast action got me at least $175 extra on a Ford Truck trade."

Traverse Team Hands Charlevoix First Shut-Out; Will Meet Here Again This Sunday

The Knight Owls, playing as Charlevoix this year, Sunday suffered the first shut-out since the team was organized.

The Parts Mfg. Co., of Traverse City, sparked by the four hit pitching of DeFer, blanked them 9-0 before a large crowd at Traverse City. Gallagher deserved a better fate as he held Parts to six hits and two earned runs. Charlevoix fell apart in the field, making five errors, and was pathetic at the plate, two of the hits being scratches. Henley got the only solid blow, a triple in the second, but the next two men left him stranded.

Traverse City will play a return game here at 4 p. m. Sunday. This will be a benefit for Don Meggison, who was sidelined indefinitely by an injury to his elbow.

The lineup and box score were:

Model Plane Contest to Be Home Affair

This year's model plane contest at Traverse City, to be held on the morning of July 7 as a National Cherry Festival feature will be just among plane builders of the Grand Traverse Region. The red-hot fireballs from outside, who practically make a profession of model plane contests, will be barred this year.

The festival has established various classes for the contest which will include gas propelled planes, and rubber powered with a list of rules and regulations for the handling of each.

There will also be a class for scale models in which no points will be awarded for flight, but the prizes will be awarded strictly on appearance, construction and adherence to scale.

Softball Season Starts With Ten Teams Playing

Inter-city softball got off to a double-header start June 7 when the See team trounced Barnard 14-3 and the Cleaners walloped Cadillac-Olds 23-12.

Wednesday night in a mild upset Russell's beat Moore's 13-8. Thursday night in the week's best game, See edged out Cadillac-Olds 17-15, and Friday the Cleaners took Russell's 13-0.

The Junior League got started Thursday with Abbey's beating the American Legion 10-5, and Friday the House of Jewels trounced Charlevoix Oil 14-5.

An official scorer is urgently needed by the league. Pay for his work will come from the bat and ball fund at the end of the season. According to John Knight, any sports-minded person can learn the job in 30 minutes. Games are played four nights a week.

The standings in both leagues as of June 13 were:

	W	L	Pct.
Glenn See	2	0	1.000
Cleaners	2	0	1.000
Russell's	1	1	.500
Walt Moore	0	1	.000
Barnard	0	1	.000
Cadillac-Olds	0	2	.000
Junior League			
Abbey	1	0	1.000
House of Jewels	1	0	1.000
American Legion	0	1	.000
Charlevoix Oil	0	1	.000

Congress Approves Lamprey Campaign

Awaiting only Senate approval, the federal government is ready to get into the fight on the sea lamprey which has been depleting the trout and whitefish in the Lakes.

Last week the House of Representatives passed the Joint Resolution introduced by Cong. Charles E. Potter, authorizing the Fish and Wildlife Service to "expend whatever sums are necessary to control and eradicate the sea lamprey from our Great Lakes."

Scouts Find Their Missing Man On Annual Drill

Boy Scouts showed they were prepared for emergencies Wednesday when they staged a missing man hunt.

Planned to test the boys' ability to mobilize quickly, and carry through an emergency duty, the hunt was staged in the evening. Answering hurry-up calls by telephone, the Scouts gathered at the City Hall at 6:30. They were then taken out Carpenter street and told to find a missing man who supposedly was lost in the dense area between Carpenter road and South Point.

Following this, there was a campfire and eats. Commissioner Frank Oleksy was in general charge.

North Shore Starts Regular Trips to Beaver Island

The motorship North Shore of the newly-organized Beaver Island Transit Co., resumed service to Beaver Island Monday under a temporary emergency permit allowing the run until new equipment required by federal regulations has been installed, Dick Lyons, president of the company, has announced.

The boat will leave here at 9:15 a. m. and dock on the return trip at 5:00 p./m. daily except Sunday.

The new sprinkler system, Diesel electric power plant and remote control of fire-fighting equipment are expected to be installed this month.

Since navigation opened April 1, the White Swan, of the Lyons Navigation Co., and the tug Venus owned by Rolland McCann of Beaver Island, have carried the passengers, mail and freight. A few cars were transported on the freighter. The North Shore will continue that service, carrying five cars each trip.

Because Beaver Island is primarily a summer resort, it was necessary to find some dependable means of transporting summer visitors to and from the island. The former owners of the North Shore would not install the necessary equipment to put the boat on the ferry run so the new company was organized to purchase and operate the boat.

Dick Lyons is president; Mark Cross, vice president; Fred Spalding, secretary and Dr. Russell Palmer, treasurer of the new company.

The board of directors is composed of the officers and Rogers Carlisle, Archie La Freniere, George Ricksgers, Jewell Gillespie and Lloyd McDonough.

Lyons and Cross are permanent members, the other officers and Carlisle are named for two year terms and the others for a period of one year.

Please don't keep your complaints about either the fool or service you get in A&P stores to yourself. Tell them to us!

We know that most people are not letter-writers. If something doesn't please them about a store they simply take their trade elsewhere.

We don't want that ever to happen in our stores.

The men and women of A&P try to give you always the best food, the best values and the best service.

But perhaps we fail you once in a while; and in any case there is always room for improvement.

You will be helping us make your A&P store a better place to shop if you will let us have your complaints and suggestions.

The Tow Line

News of folks, your neighbors and mine . . .but did you know that—

Get out that fish pole and line because bass and bluegill season starts June 25th. Last year more than a million folks went fishing in our State and prospects are that even more will be going this summer . . . Then there was that person about town who was telling friends all-excited-like that they were painting the girdles on the new bridge." Suppose there were bras, too? After all, it is an up-lift bridge.

The most excited kid in town last week was none other than Glennie See. He was in Detroit with his mother and got to see a ball game at Briggs Stadium and a double-header at that . . . 'Twas last year that Dal Henry sold the shirt off his back to a man who came in the barber shop and cast admiring glances at it. Now, last week if Dal didn't sell the wheel off his car to a man in distress when a wheel couldn't be found the right size. Anyone interested in shorts and socks, just step right up, perhaps Dal could take care of that too.

There was a jolly looking crowd of women and children Friday morning on the Coast Guard dock ready to make the trip to Beaver Island on the Sundew. They were the wives and children of the Conservation men here on convention, who were to be given a day's outing to Beaver Island and back. As is always the case some of the women missed the boat! Guess they did not figure that 9 a. m. meant 9 a. m. on the button and the Sundew shoved off, leaving them dewy-eyed on the dock.

The A. H. Whiting cottage on the Chicago Club is open with the Whitings here for the summer and mighty glad to be back in Charlevoix the Beautiful again. . . . Mr. and Mrs. Art Wentz and niece from Alpena have been at their home on Park avenue getting it ready for summer occupancy . . . The High School band is preparing to take part in the Cherry Festival parade in Traverse City which will be July 8.

Nellie Smith, daughter of Mr. and Mrs. Oscar Smith, is here taking a long breath between teaching duties at Traverse City and getting ready for summer school. Nellie plans on going to the University of Wisconsin at Madison and will work on her master's degree . . . Chuck Hahn had a real thrill this week. Went fishing, got a rainbow thout, a German brown trout and a brookie in one day all from the same stream.

Mr. and Mrs. Albert Cook have received word that their son, Pfc. Glenn D. Cook is now stationed on Guam with the Air Force group. His address is: 1504 Air Base. Air Base Sqd, Box 370, APO 184, care Postmaster, San Francisco, Calif. . . . A daughter was born to Mr. and Mrs. William Seese of Williamsport, Pa., Monday, June 13 at 11:35 a. m. The baby has been named Patricia Jane. Mrs. Seese is the daughter of Mr. and Mrs. Tim Shores of Charlevoix. Both baby and mother are fine . . . Memo to "An Ardent Reader" who wrote a letter to the Editor last week, Please send your name to be affixed to the letter. We cannot print letters without names, but will be glad to do so if names are attached.

If you looked at the cover of last week's copy of Life magazine you saw a most attractive girl, a high school graduate, holding a diploma in her hand with the name of Marcia Mattson on it. The young gal was none other than the granddaughter of Rev. B. G. Mattson, who was the one time pastor of the Congregational church in Charlevoix. Marcia is the daughter of Frazier Mattson, who was a young lad about town when he lived in Charlevoix. He is now a doctor in Hillsdale, Michigan. Well, Marcia has not let down the family on looks or ability for she was second high ranking student in her class, a member of the varsity debating team and school football queen.

The Seasongood cottage on Michigan Avenue is open again, with the Seasongoods here from Cincinnati . . . The Frank Novotnys, who have been in San Diego for the winter months are turning their thoughts homeward these days and hope to be back in Charlevoix before too long . . .

Accept Bid To Improve Waterfront

The City Council Monday night accepted a bid from the Sears Dock and Dredging Co. of Traverse City for improvement of the waterfront at the foot of Clinton street in Round Lake. The bid was for $3,775.00 and calls for the placing of 84 feet of steel piling at a depth of 16 ft. to reenforce the embankment which has been caving into the lake.

Paul McCartney of Petoskey asked approval of the City Council to request a Class C (8 months) liquor license for the Wayside from the State Liquor Control Commission. Approval was granted by a four to one vote by the Council. The final decision in the granting of the license rests with the Liquor Control Commission.

Other business included the acceptance of the bid submitted by the Parsel Brothers for a new jeep. Emerald Howe was given a lease on a parcel of land at the west end of the parking lot at the Municipal Airport on which he plans to place a portable building for use as a roadside market.

The Council also approved the purchase of 35 additional parking meters to be used in the business district.

An ordinance setting the salaries of elective and appointive officers was also adopted.

The appointment of Mrs. Wilma Novotny as deputy city treasurer by Mrs. Nelle A. Hammond, city treasurer, was approved. Mrs. Novotny has served in that capacity for several years.

Red Cross Directors Meet; Hear Report

The officers and directors of the Charlevoix county chapter of the American Red Cross met Thursday at the city hall here for their last meeting until October.

Mrs. Hilda Hartlep, of Boyne City who has been acting executive secretary since last fall, agreed to become executive secretary on a part-time basis beginning July 1. She succeeds Mrs. Helen Kreighoff Olson who resigned following her recent marriage in Florida.

It has become necessary to curtail the activities of the executive secretary due to the fact that Charlevoix county did not meet their 1949 quota in the funds drive.

Mrs. Earl Clark of East Jordan was named to the office of secretary to succeed Mrs. Maxine Davis of Boyne City, who resigned recently; Gilbert Lindsay became the new Boyne City director to succeed Mrs. Claudia Nichols who moved away recently; Frances Martin accepted the public information chairmanship.

Mrs. Harry Ladd, Charlevoix county Junior Red Cross chairman, made a report on the activities of the organization.

Crippled Children Clinic at Petoskey

A Crippled Children's Clinic sponsored by the District Health Unit No. 3 in cooperation with the Michigan Crippled Children's Commission, is being held at the Petoskey high school on Thursday.

Dr. Jerome T. Jerome of Traverse City and Dr. Carl E. Badgley of the University Hospital, Ann Arbor, well-known orthopedic surgeons, will conduct the clinic.

Clinic attendance is limited to persons under 21 years of age. Appointments have already been made for about twenty patients from the Charlevoix area. These patients have been found by the community and county nurses and by private physicians in this district who have referred their cases to the clinic.

• Mrs. Mary Trayte of Fort Myers, Fla., who is visiting at the Skye farm, returned home Tuesday from a ten-day visit at Mackinaw City with Mr. and Mrs. Art Freeman.

Will Represent Charlevoix At Traverse Cherry Festival

Nancy Kipke won the title of "Miss Charlevoix" Saturday afternoon when she was selected from 11 entries for the coveted honor.

The contest, sponsored by the Beta Sigma Phi sorority, was staged at the Belvedere Hotel with the officers of the MUCC Convention as judges. They were Lonis D. McGregor of Flint; Marshall F. Westfall of Ionia; G. Hilding Carlson of Muskegon and Harry G. Gaines of Grand Rapids.

Also chosen was "Miss Charlevoix's court, made up of Theresa Zeitler, Sally Swinton, Sharon Butler and Colleen Reed.

Other entries for the title were Patti Hamilton, Darlene Holecheck, Linda Bowman, Shirley Black, Patsy Rose, LoAnne Anderson.

Miss Kipke, daughter of Mr. and Mrs. Ray Kipke, will go Friday to Traverse City to compete with more than 17 other girls for the Cherry Queen title. In addition she and her court will reign at the Venetian Night celebration.

Nancy, a graduate of the class of '49 was valedictorian of her class with an all- A average. She was active in the band, as cheerleader, dramatics and is a lover of all outdoor sports.

Carnival Heads to Hold Meeting

June 30th has been set as a special meeting for all the committees and representatives of all groups participating in the summer carnival to be held June 30 and 31, as announced this week by Dean Davenport, chairman of the Summer Carnival benefit for the Charlevoix Hospital.

Any group in the town, county or community not yet contacted is also urged to be present for the big round-up meeting at the City Hall at 8 o'clock on June 30.

This week, as another project in the summer carnival, small cartons for a money drive were distributed by the Girl Scouts in different stores in the community. On these money-raising cartons were printed in bright green ink the words "Help Build Our New Hospital."

Age Limit of Boy Scouts Is Dropped Year

With the age limit lowered one year by the national executive board, more boys are expected to join the Boy Scouts.

Under the new age scale, boys can become Cubs at 8, Scouts at 11 and Senior Scouts at 14.

Next year there will be a National Jamboree at Valley Forge. Each troop is entitled to send one or more members.

• Mrs. J. F. Webb arrived last Thursday from Frankfort, Germany, called here by the serious illness of her mother, Mrs. Charles Novak.

Softball Games Drawing Crowds

The City League swung into its second week with larger and more enthusiastic crowds at each game. Tuesday's games were postponed because of rain and Moore vs. Barnard has been rescheduled for July 8th at 7 p.m.

The Junior game with the Legion and House of Jewels will be played on a future date. Wednesday night Abbey's dumped the Charlevoix Oil Co. 12-3, and Glenn See was too strong for Russells, 9-1. Thursday the House of Jewels ambushed Abbeys 17-3, while Michigan Cleaners barely edged out Barnard 10-9. Friday Cadillac-Olds came back from a 5 run defeat to beat out Walt Moore 8-6. In the second game with the 2 teams tied for first, Glenn See's "Diggers" packed too many shovels for the Cleaners who were buried 12-4.

The standings in both Leagues as of June 20, follow:

Senior League

	W	L	Pct
Glenn See	4	0	1000
Michigan Cleaners	3	1	750
Russells Grocery	1	2	333
Cadillac-Olds	1	2	000
Barnard	0	2	000
Walt Moore	0	2	000

Junior League

H. of Jewels	2	0	1000
Abbeys	2	1	750
Legion	0	1	000
Charlevoix Oil	0	2	000

Road Commission Buys New Grader

The Charlevoix county Road Commission has purchased a new Galion Model 116 motor grader with cab for use on the roads in the county, Angus Fochtman, chairman of the commission has announced.

The grader has a 12 foot blade and is operated by a 100 horse power International diesel engine It features a reversible and adjustable moldboard, scarifier, leaning wheel attachment and steering mechanism which are all hydraulically operated. Another feature of the moldboard is that it can be set in a bank sloping position.

The purchase was made from the Miller Equipment Co., Grand Rapids.

Bridge Given Official O. K.

George Foster of Lansing, State Bridge Engineer, has been in Charlevoix to inspect the new highway bridge and has given it his official okay.

With him was T. P. Lewis, representing the Mt. Vernon Bridge Company.

"The people of Charlevoix," said Mr. Foster, "should be proud and happy to have such a bridge. While it is not the largest highway bridge of its kind in the State, yet it has the most up-to-date equipment and machinery for its operation."

County Is Big Business --- But Goes in Red

Charlevoix County is a million dollar business these days—and went $42,139.60 in the red last year.

Its citizens pay directly from their own pockets into the county's treasuries only $150,040.47 of the $1,014,840.20 raised. Schools, roads and welfare in that order, got the largest chunks of the $1,056,979.80 expended.

The county had net assets on Dec. 31 of $46,791.27, plus the county building and equipment which was insured for $141,100.

All of this is shown in the annual report of the state auditors which was compiled at Lansing.

The bulk of the money which the county spends is returned to it by various state agencies. Some of that money comes from Charlevoix county citizens in the form of gas taxes, sales taxes and similar direct or indirect levies. But Charlevoix county does not pay its own way, even via the state treasury. The difference between our own contributions and what we spend is made up by the 35 Michigan counties which pay more than they receive.

Charlevoix county obviously is not one of these.

Direct revenue to the county is of three kinds:

Fees and licenses	$ 8,052.22
Court costs & fines	3,786.50
Taxes	93,202.15
	$105,040.87

A second source of local income is refunds which totaled $29,653.01. The townships paid back to the county treasury $21,513.57 of this total. Social Welfare collected $7,144.59 from recipients of county help.

State Aid is the third principal source of income. Under this heading, roads got $164,791.21, Welfare $22,970.91.

The fourth and largest source of all is called "Trust and Agency Collections." It represents money received from the state for definite purposes, such as primary schools, libraries, health. Altogether, it totals $636,102.70.

A miscellaneous item of $56,281.50 makes up the balance of the county's income.

Disbursements fall into three chief groups.

County Functions:	
Adm. & Operations	$ 71,625.81
Highways	204,199.86
Welfare	90,149.73
Miscellaneous	73.50
Trusts & Agencies	627,349.51
Capital Outlay	63,581.39
	$1,056,979.80

The first item above is what we citizens pay to run our county government. It is made up thusly:

Officers salaries	$14,912.50
Other remuneration	25,141.65
Printing & supplies	8,000.45
Travel	4,848.37
Repairs, maintenance	2,987.16
Dept. expense	15,735.48
	$71,625.81

The Road Fund shrunk considerably during the year:

On hand, Jan. 1, 1948	$ 53,082.14
Received	306,307.47
	$359,389.61
Expended	$340,937.64
Balance, Jan. 1. 1949	$ 18,451.97

M.U.C.C. Favors North As Convention Site

Little Women May Have to Pay

If the Michigan United Conservation Clubs have their way, the little woman will have to buy a one-dollar trout stamp next year, when she wants to go out on the streams with her husband.

The convention went on record as favoring legislation requiring all "licensed fishermen" to buy a trout stamp. The move was aimed directly at the wives of trout fishermen, who fish on their husband's license, at present "for free."

Some doubt was expressed as to whether the resolution would reach the wives of trout fishermen since they are not "licensed fishermen." Technically, someone pointed out, the wife is licensed to fish when her husband buys his license. So the little woman may have to spend an extra dollar next year.

Delegates to the 12th annual convention of the Michigan United Conservation Clubs left Charlevoix Sunday afternoon and evening, happy, tired and sold on northern Michigan.

Louis D. McGregor, president of the MUCC, termed Charlevoix a "wonderful city," and said he was sold on the idea of having the annual convention in the North.

"I'm so convinced of that," he said, "that I will be forced to talk against Flint, my home city, as a convention site in 1951."

The only trouble with holding the convention in the North, McGregor said was that "a few" of the delegates could not resist the temptation to try out the trout streams in this area.

McGregor especially applauded Don Swinton and the Charlevoix Rod and Gun Club for the program of entertainment they carried through not only for the delegates, but for their families. He said the delegates were impressed with the hospitality shown them, by the Belvedere as well as all of Charlevoix.

The convention, in addition to approximately 350 delegates, brought top men in State Conservation to Charlevoix. P. J. Hoffmaster, Chairman of the Conservation Commission attended the Saturday session. Harry D. Ruhl, State Game Division Chief, and Fred A. Westerman, State Fish Division Chief, attended and took part in most of the sessions. E. E. Tucker, chief of the Law Enforcement Division, attended the Friday meeting.

Hoffmaster said that some of the conservation commission had planned to come to Charlevoix for the Convention, but a three day session at Pontiac kept them on their jobs.

On the social side . . . there was a day at Camp Charlevoix, a trip to Beaver Island, a beach party, boat trips and fishing. The grand finale was Saturday night when a banquet and two hour program was held in the dining room of the Belvedere Hotel. Kit Carson, as toastmaster introduced visiting celebreties. The evening ended in a riot of laughter with Earle Parehman staging his one-man show.

Michigan sportsmen were called upon by E. E. Tucker, chief of the Conservation Department's law enforcement division Friday, to help stamp out game and fish violations.

Only by "true sportsmen" reporting violators, Tucker told the MUCC convention, can game and fish poaching be stamped out. Tucker cited the "incredible law violation" in the taking of ducks, and said "ducks will be eliminated as a game bird much sooner than the public realizes, unless violations are stopped."

He told of one California ring of violators who were annually taking illegally, more than 50,000 ducks for sale to black market game operators. The ring was finally tracked down and convicted, he said, when ranchers in that area became disgusted and gave information to authorities.

Tucker said sportsmen who reported violations were not "squalers," but must look upon game violators as thieves, and to handle them as such.

"Law enforcement," Tucker said, "is one of the most important factors in game and fish preservation." And to achieve proper law enforcement, he said, all sportsmen must assist the 180 conservations officers in the State to apprehend violators.

Couple Injured As Car Hits Deer On M-66

Three delegates to the MUCC convention from the Flint area and two other passengers in their car were injured about 9 a. m. Saturday when their car struck a deer near the Mathews farm on M-66. In attempting to miss the animal the driver swerved the car which turned over after striking the deer.

Most seriously injured were Clifford Veit, 37, of Flint, who suffered a fractured back and Alfred Pascal, 50, of Davison, driver of the car, who received severe facial injuries and a fractured collar bone. Both are being treated at the Charlevoix Hospital.

Others injured were Mrs. Rose Pascal of Davison, wife of the driver, Miss Mary Ann Rosener and John Strzynski, both of Flint, the latter a special police officer, who were dismissed from the hospital after being treated for lacerations and bruises.

The deer, which is believed to have been a pet doe which lived in the nearby swamp, died a short time later.

New Baptist Minister Fills Pulpit Here

Rev Lewis is the new pastor of the Baptist Church and gave his first sermon Sunday from the pulpit.

The Lewis family came here from Lincoln, Mich. on the eastern side of the state. There are two children, Vernon and Joan.

Mr. and Mrs. Lewis studied at Moody Bible Institute at Chicago and Mr. Lewis continued his work at the National Bible Institute at New York, as well as taking the prescribed ministerial course through the Michigan Baptist Convention.

The son, Vernon is much interested in baseball, is a pitcher with the Alcona County League and has hopes of breaking into the big time league as a professional baseball player.

Joan is interested in music. She plays two instruments, the melophone and the cornet. A Junior in high school, she has been a member of the Harrisville band for the past two years.

Dr. Gibbons Speaks to Kiwanis Club

Dr. Gerald Gibbons spoke to the Kiwanis Club Monday evening on the proposed Dingle bill on socialized medicine and how it would affect the dental profession.

Bernie Ward, Sr., was accepted as a new member.

Plans were made for the Ladies Night next Monday when the Five J's of Traverse City will sing before the group.

Rev. W. D. Wood is in Atlantic City, N. J., this week where he is attending the Kiwanis International convention being held there June 19-23. Accompanied by his wife and son he left last week for Anderson, Ind., where he attended the Church of God camp meeting before going east to attend the convention.

Coming Events

June 23—Regular meeting Veterans of Foreign Wars.

June 28 — Charlevoix County Farmers Union meeting, 9:00 p. m., Norwood Local Hall, US-31. Several important issues will be discussed. Potluck lunch.

July 2—Pie and Ice Cream social, 2 to 5 p. m. at 102 State St., Guild of Lutheran Women.

July 7—Local meeting of the Norwood Farmers Union, 8:30 p. m. at Local Hall, US-31. The National Health program will be the discussion. Pot luck lunch.

They've Done a Lot for Charlevoix

Charlevoix has just finished entertaining the largest convention ever to meet in this county.

Having the MUCC here has meant a lot. It brought a lot of business. It helped publicize Charlevoix. It gave the summer season a fine send-off. Everyone here benefitted from it.

The community owes a lot to the members of the Rod & Gun Club who brought the convention here, who put it across. Events like that don't just happen. It requires a lot of work to get such a meeting in the first place. And it requires a whole lot more to see to the thousand and one details which alone make it a success.

So here's a sincere thanks to the men who did so much for this community.

Straining at a Gnat

The Bible has an old saying about man's straining at a gnat but swallowing a camel. All this recent uproar over another cent on the gas tax or two mills on our county levy is proof that we do just that.

Let's see how it works out:

I use about 1000 gallons of gas a year. At one cent a gallon that would mean $10 additional I would pay.

The average assessment in Charlevoix County likely is less than $8000. The two mills tax (which was the amount that caused the trouble for the allocation board) means only $6 a year difference on $3000.

Now I'm not in favor of boosting taxes.

But my point is that our direct taxes are picayune when compared with the indirect taxes we do pay and never notice. We have got to hold both forms down as a means of curbing government waste. But it is the unseen indirect taxes which really cut our standard of living.

I recently heard the president of the National Association of Railroad and Utility Commissioners give some figures. He is Justus Craemer of San Francisco.

Our railroads today hand over $2500 to $5000 a mile annually in taxes to federal, state and local governments. But the railroads don't pay it. You and I do every time we buy a Florida orange, a head of California lettuce, a ton of West Virginia coal, a gallon of Texas oil, or a bunch of Kalamazoo celery.

It is the consumer who pays the bills every time, just as it is he and not the manufacturer who foots every wage increase.

Take the little matter of telephones. We may think our rates are high. It isn't the rates so much as the taxes.

In the entire United States, the Bell system has 31,365,000 phones. It pays $292,170,000 in taxes or $0.32 a phone. That means $9.32 of your annual bill simply is taxes. Bell collects and hands it over to Washington, Lansing or Charlevoix.

In addition, it has to collect excise taxes on long distance calls averaging $12.94 per phone. That means a total tax on each phone of $22.26.

We citizens rightly balk at the imposition of new taxes as long as government waste is rampant. But it also is high time we started getting mulish about these hidden taxes which are cutting far deeper into our family pocketbook.

Grandpappy Had It Simple

I heard an interesting thing the other day.

The pioneers who settled the frontier of the West had 16 necessities they felt they could not exist without. Such things as salt, cloth, a draft animal, ammunition, a plow.

In addition there were 64 other articles they wanted and considered desirable but not essential. Total, 80 items.

Today their grandchildren have 94 items they rate as absolutely necessary to live. In addition there is a minimum list of 132 needed for a reasonably modest mode of life. Total, 526.

Four generations of inventions, production and advertising sure have made a difference.

Grange Mystery Ride Ends at Alba

Thursday evening the Grange Mystery Ride began at Charlevoix when 15 automobiles, decorated with the Grange colors of green, rose and gold crepe paper lined up in front of the cemetery. At 7:40 the procession started for East Jordan led by Pomona Lecturer Anna Warner, the only one in the party who knew where the program was to be held. Twelve more cars joined the parade at East Jordan, continuing on M-66 until it reached the Alba corner. Near Alba the cars from Antrim County swung in ahead and led the way to the community hall. This was the end of the Mystery Ride.

The program also was a mystery, made up of songs, plays, skits and instrumental music.

Climaxing the program was the drawing of the name of the Grange lady under 30 years of age to be the County Cinderella. The choice for Antrim County was Joyce Telgenhof with Jean Buyze as alternate. Lucille Himebaugh of Marion Center Grange was lucky lady for Charlevoix county with Betty Warner drawn for alternate. The Cinderellas were presented with corsages and will be given silver slippers to wear at the formal ball at Michigan State Grange in Jackson in October.

Dancing to an orchestra of Grange talent, the members concluded with a cooperative lunch. A count showed 276 farm folks participated in this popular activity.

Your Pontiac deserves

PONTIAC SERVICE

SIGN OF THE EXPERT WHEREVER YOU GO!

It's always a wonderful feeling to get into your Pontiac and go places!

We know that you—like thousands and thousands of other Pontiac owners will be driving a lot of miles this summer, and we feel sure they will be enjoyable, comfortable, economical miles you will be happy to remember for a long time.

One of the things which adds greatly to the peace of mind that goes with Pontiac ownership is the fact that you are never more than a few minutes or a few miles from expert Pontiac service—the kind of service your Pontiac deserves.

The two service signs you see here identify more than 4,000 Pontiac dealers across the country—all pledged, as we are—to give you the finest service, by factory-trained experts using factory-engineered parts and special equipment.

Before you start your summer travels, bring your Pontiac in for a check-up. And if you ever need service on the road, look for the sign of the Pontiac expert—it pays!

White vs. Red

It just goes to show that an editor has to know as much as John Kieran or Solomon.

Three weeks ago I wrote an editorial about white vs. red pine as being a good tree to plant. It was based on stuff I learned from my lumberman father, from some reading on forestry, living in a logging country, talks with such men as Chase S. Osborn and with the forestry men at the University of Michigan.

Now I must confess that with all that background I still evidentally didn't know the latest word on the subject. Last week a letter came from Thomas F. Schweigert over at Walloon Lake, Mr. Schweigert is a consulting forester, one of the few in Michigan and reportedly (see how cautious I'm getting!) a man who really knows his saplings and species.

His letter says in part:

Dear Mr. Towe:

Certain statements made editorially in your newspaper yesterday cannot be allowed to stand unchallenged. They center around your apparent aversion to white pine based solely upon its susceptibility to the blister rust. While your idea has some merit, I cannot go along with the thought that white pine should be precluded from a forest planting program. I must admit that, when confronted with a choice between white or red pine, I do tend to favor the latter species. However, my decision is not based solely upon danger from disease, for it considers another pest known as the white pine weevil.

The selection of the proper species for planting is not a simple job. It involves the weighing of about five factors, adaptability to site, use for which crop is desired, growth rate, value of the wood product, and susceptibility to damage by insects and other causes. There are sites on which white pine can be grown successfully, and where it should be planted by all means.

News of the presence of the white pine blister rust in this area caused me to make the drive from Charlevoix to Petoskey. I believe that your diagnosis of the browning of needles is incorrect, for I found no instance of the presence of the disease. The cause in this case is man himself, because of the new highway. Your error is understandable, considering that it usually takes a technical expert to diagnose the blister rust. Moreover, the alternate host for the blister rust disease is not barberry, rather, it is carried on plants of the Ribes species, which are currants and gooseberries.

White pine cannot be compared with red and Scots pines as to growth and wood qualities. White pine grows from 15 to 18 inches in height per year and attains an ultimate size of 250 feet in height and six feet in diameter. Red pine grows about 12 inches in height per year and usually gets no higher than 100 feet, trunk diameter ranging from 2 to 3 feet. Although commercially important in Europe, Scots pine has an unhappy record as a timber producer in this country. At the present time it can be recommended only for Christmas tree production.

Where wood qualities are concerned, one has merely to ask a good wood worker as to his preference, white or red? Considering that white pine lumber is usually uniformly colored, soft, straight-grained easily cut, readily polished, and not subject to hardly any warping or swelling, the answer would be readily given in favor of white pine.

Very sincerely yours,
Thomas F. Schweigert

Episopal Communion Service Sunday

There will be Holy Communion Service at Christ Episcopal church at 9:00 a. m. Sunday, June 26. Rev. Michael Kundrat of Cadillac will be the celebrant.

There will be no other service this Sunday. Church School will be at 10:15 a. m.

Patricia Davis Elected President of Church Group

Miss Patricia Davis of Charlevoix, daughter of Mr. and Mrs. R. T. Davis, was elected president of the Youth Fellowship group of the Grand Traverse Baptist Association at their annual convention held Thursday in Charlevoix.

Delegates from Traverse City, Boyne City, Eastport, Kalkaska, and Charlevoix met for the all day session in the Baptist church.

Two state officers, Dr. Ralph Taylor Andem of Lansing and Rev. O. V. Robinson, director of Christian Education and Publicity, also of Lansing gave addresses in the morning. Rev. Lee Lewis, a missionary for the past 15 years in Burma gave an inspiring talk in the evening urging America to stress its liberty and education in others in its world-wide campaign in democracy.

Rev. L. L. Lewis of Charlevoix was elected moderator. Rev. George Woolcock of Traverse City Baptist church, vice-moderator, Mrs. William Strumberg of Traverse City was reelected the Association clerk and treasurer.

Others participating in the days program were Rev. Roy Green of Boyne City, Rev. George Woolcock of Traverse City, Mrs. Jack Lyon of Traverse City; Rev. William Barbour of Kalkaska and Rev. Clare Gleason of Eastport.

The evening session was the Youth Fellowship meeting highlighted by a hymn-sing led by Miss Davis. Officers were also elected President, Patricia Davis, Charlevoix; vice-president, Trudy Upton of Kalkaska; secretary, Rose Mary Hagen, Traverse City, treasurer, Margery Bennett, Eastport.

The women of the Baptist church served the luncheon and the banquet at 6:30 in the church basement.

HOW LONG IS A COUNTRY MILE? — The saying, "As long as a country mile," probably originated in pre-automobile days, when the length of a "mile" was anybody's guess. Today, miles don't matter so much. If you want to reach someone, they're just as close to you as your telephone. It will take you to them — one mile or across the country — in a matter of seconds.

MIGHTY MIDGET — When your voice travels any great distance over telephone wires, it is amplified by vacuum tubes. Now, Bell Telephone Laboratories have developed a new kind of amplifier. Called the Transistor, it is a tiny cylinder, less complicated and more rugged than a vacuum tube. Amplifies sounds up to 100 times. Still in the experimental stage, it's another example of the constant research that goes on to make your telephone service better.

TIME DOES TELL — Here's an easy way to figure what your telephone is worth to you. On a typical working day, count up the telephone calls you make . . . to the farm implement dealer, lumber mill, veterinary, feed store, repair shop, friends. Think of the hours it would take to visit all of these people — hours of lost work around the farm. And when you consider that one call may save a life, what you pay for telephone service is mighty small compared to the value you receive.

Betty Potter Becomes Bride of Charles E. Bergmann

In an impressive ceremony solemnized at the Barnard Reformed church at 7 o'clock Friday evening, Betty Potter, daughter of Mr. and Mrs. Henry Potter, became the bride of Charles E. Bergmann, son of Mr. and Mrs. Fred Bergmann. Rev. Wayne Lemmen read the service before a background of English hawthorn, mock orange and daisies in the presence of 150 guests.

Eldon Potter sang "O Promise Me" and "The Lord's Prayer" accompanied by Mrs. John L. Boss who also played the traditional wedding marches.

Escorted to the altar by her father, the bride wore a gown of white satin designed with a sweet heart neckline, long sleeves, a long bodice and full skirt which ended in a short train. Her long veil fell from a seed pearl tiara and she carried a bouquet of white carnations.

Mrs. Theodore Heeres, sister of the bride, as matron of honor, wore a gown of yellow faille fashioned with a portrait neckline, short sleeves and full skirt. She carried a bouquet of yellow carnations and wore a headdress of the same flowers. Cynthia Cunningham, niece of the bride was flower girl.

Eugene Bergmann assisted his brother as best man and Alfred Bergmann, another brother, and Robert Potter, brother of the bride seated the guests.

Mrs. Potter selected a navy blue floral print dress and white accessories for her daughter's wedding. Her corsage was of white carnations. Mrs. Bergmann, mother of the bridegroom wore a gray and white print with navy accents, navy and white accessories and a corsage of pink carnations.

A reception followed in the church parlors. Mock orange blossoms and daisies decorated the refreshment table which was centered with the tiered wedding cake topped with a miniature bridal couple.

The couple left on a wedding trip to the Upper Peninsula. They will make their home here.

Among those from away who attended the wedding were Mr. and Mrs. Henry TenHoor and Mr. and Mrs. David Howard of Muskegon; Mr. and Mrs. Gerald Telgenhof and family of Central Lake and Jack Goldman of St. Louis, Mo.

• Mrs. Frances Donnelly and daughters, Colleen and Rosemary have returned to Detroit after spending the week end here as the guests of Mrs. John Zeitler Sr.

Power-wower!

Come in—learn about the 5 basic advantages of Packard high-compression performance!

1 It's s-m-o-o-t-h-e-r—because this Packard's mighty 135-HP engine is not just an eight . . . it's an advanced design, precision-built *Packard* eight—with new advancements that make it smoother, quieter than ever before!

2 More responsive, because of "free-breathing" engine design. Sample its nimbleness in traffic . . . then go out on the open road and discover "safety-sprint" reserve power.

3 Thriftier! Today's Packard is writing the gas economy news of the fine car field!

NEW LOWER PRICES begin at $2224*

**for the 135-HP Packard Eight Club Sedan—delivered in Detroit; state and local taxes, if any, and white sidewalls ($21), extra.*

4 More durable! Because it's built to *Packard* standards of design, materials, and workmanship.

5 And it stays in tune! Simplicity of design and installation makes it easy to maintain the peak performance of this husky Packard eight.

Visiting Neighbors . . .

(By L. E. Towe, one of the 20 editors, guests of Province of Ontario on a Goodwill Canadian tour.)

TORONTO—This is the sailboatingest town I've ever seen.

Of course, it's a lot of other things. It's o rich place and has been for years. Miles of solid brick or stone houses show that. It's a clean town. Your nose and eyes prove that. It has the world's largest annual Fair, The Tonorto Exposition with enormous grounds. And—unlike too many U. S. cities, it has made its waterfront an attractive asset instead of a collection of junk yards and industrial eyesores.

I pointed out that Charlevoix has done even better. (And was asked if this trip was to tell about Charlevoix or Ontario!)

But about that sailboating . . .

Toronto has a natural for small boats. Two miles away is Lake Ontario. Between it and the city is a five mile long string of narrow, low sandy islands separated by narrow channels and lagoons. Then there is a strip of water ,a mile wide and five long, between the islands and the city.

There usually is o better sailing breeze on this harhor than on the big lake. There are two yacht clubs, hundreds of summer homes, ball diamonds, picnic grounds(and no autos) on the islands. They have a hot weather playground within a ten minute, ten cent ferry ride of downtown.

Saturday we were guests at luncheon at the Royal Canadian Yacht Club. The members wear just as sloppy outfit as we do In Charlevoix when we go sailing. They speak the same lingo. And how they do sail.

I believe there were five races, one started right after the others. Imagine more than 100 sailboats out on upper Lake Charlevoix ot once, tacking and crisscrossing. Everything from little snubnosed prams with one 12-year-old In pigtails to 6-meter sloops and one $200,000 steel schooner.

Speaking of luncheons, when I get back I want to go on a milk toast diet and shall need to. When Canadians entertain there are no holds barred. For breakfast yesterday Ihe menu was quite simple, (so they thought)—juice, grapefruit, cereal, toasl, kidneys, bacon, sousage, ham, eggs, coffee. Oh, yes, and slrawberries with cream.

Today we leave here for Ottawa with a couple of stops for dinners with Chambers of Commerce. I must say one other thing for Ontarlo folks—they really know how to feed, but they also know how to cut the speeches short. That is a still rarer and more appreciated thing.

Simcoe, Ont.—This country around Simcoe can compete with the U. S. on two counts. The folks can brag like Texans and grow cigarette tobacco like a Carolinian. They have taken a bunch of yellow sand like our pines country and raise more than half of Canada's tobacco.

But don't get any ideas we can do it in Michigan. They can do it profitably here because of Canada's and Britain's stiff taxes. They could not compete with our South on an open market.

The Canadians beat us in another way. They grow more flowers, roses especially. We all noticed it right from the start at Windsor.

This seetlon declares it has the best bass fishing in North America. The publicity director says they not only will bite o bare hook; they will stand on their toils (maybe tales) and snap at you.

A fellow puhlisher from Pennsylvania state says they use smoll sea lamprey for black bass bail. Catch 4 and 5 inch eels on sand bars, hook them through the back, behind the head. That is stream fishing on a fly rod, he says. But they might work as well for trolling. He says they are the best small mouth bait in the New York-Pennsylvania area.

Last night at our first formal dinner we drank toasts to the King and the President of the United States. We sang "Star Spangled Banner." Our hosts knew the words.

We also sang "The Maple Leaf Forever." That was an experience . When a Canadian sings that song, he really sings.

Cherry Growers Plan Another Meeting

At the last meeting of the cherry growers at East Jordan the group asked to have another meeting sometime in the latter part of June. This date has been set as of Thursday evening, June 23 in the Agricultural room of the East Jordan high school, slarting at 8:30 p. m. Ray Janes, Entomologist of Michigan State College will be the principal speaker al the meetlng. Delegate to attend the annuol convention at Shelby will be elected at this meeting.

Get the Hoppers Now

Young grasshoppers hove been showing up in Charlevoix county during the past week. This is the time to survey your own particular form. If you find a hatching bed or small hoppers you can sove yourself plenty of time and money by takling action now. Bait can be mixed with ony one of the three insecticides—sodium fluolicote, chlordane or toxaphene.

Every farmer in the county has recently received complete instructions for spreading bait, spraying, or dusting for control of grosshopper. If you need further information stop at your county Extension office ot Boyne City. Remember that there is no free bait furnished by the Federal Government for Charlevoix county this year. Every farmer must obtain their own bait themselves.

Easy Test for Grass Silage

It is risky to ensile the hay crop without making some sort of moisture determination. If the crop goes in too dry, under 60% moisture, the whole mass is apt to be affected with mold. If it is too wet, above 68%, evil smelling acid developes. The quality of milk is affected from cows that eat silage and breathe in its bad odor. One easy way to lest the grass to be ensiled is to squeeze a handful of fresh-chopped hay crop such as alfalfa-brome. From what happens the decision can be made whether the crop is right in moisture content to go into the silo.

1. If it won't ball up it is too dry. Add water as filler.
2. If it does ball up and slowly falls apart it is just right.
3. If the ball does not fall apart the crop is too wet.

Let it wilt owhile.

Farmers who tried the above system last year say they liked it very well. Testing by squeezing is hetter than trusting to luck.

Favor Opening Bays to Fishing

The LaBlance pioneer mullett canning industry in Charlevoix was given the helping hand of the Michigan United Conservation Clubs Saturday, when the convention went on record favoring the opening of Grand Traverae and Little Traverse Bays to commerical nets.

The two hays were completely closed to commercial fishing several years ago. Fred Westerman, State Fish Division Chief, said during the discussion Saturday that the Conservation Department did not recommend the total closure of the waters, but that it only sought hetter control of commercial activity in the bays.

The mullett canning industry in Charlevoix was pioneered by LaBlance after the rapid decline of food fish in the Great Lakes, thought largely due to the sea lamprey invasion.

Charlevoix County sportsmens' Clubs sponsored the MUCC resolution in an effort to keep the new mullett industry alive, and on a sound year-around basis. At present, LaBlance can only operate at capacity in the late spring and early fall. At other times, great numbers of mulletts are found in the two bays, but commercial fishermen are kept out.

Later, the convention passed a resolution calling for clear marking of commercial fish nets with white and red flags, which would help deep-sea trollers to stay out of net areas.

Church of God Bake Sale, Saturday, June 25th, 9:30 a. m. to 6:00 p. m. at Fales Department Store on corner of Bridge and Upright Streels.

40th Wedding Anniversary Observed

Mr. and Mrs. Wilbur A. Cline observed their fortieth wedding anniversary on Wednesday, June 15.

In observance of the occasion a dinner was served at Shady Corner for Mr. and Mrs. Cline, Mrs. Cline's brother and sister-in-law, Mr. ond Mrs. A. A. Wilhur of Chicago, Mr. and Mrs. Charles I. Wrisley, Mr. and Mrs. Louis E. Anderson, ond son, George, Mr. and Mrs. Irwin Wrisley and daughter, Rita, Mr. and Mrs. Albert Wrisley, Miss Roselle Wrisley, all of Northport and Helen Rose Cline.

A few old friends surprised the Clines by colling at their home in the evening.

• Mr. and Mrs. Vern Knutson and son Wallace returned to their home in Kenosha, Wis., on Saturday after spending several days with the former's cousins, Mr. and Mrs. C. Y. Marshall.

School Census Shows Only Four More In District

The Charlevoix school district census has been completed for 1949 and shows a slight increase over the 1948 census, Mrs. Walter Bergeon, school commissioner has announced.

This year's census from infants through 19 years of age shows 940, only four more than the 1948 census despite the fact that 145 were removed from the list because of transfers, and passing the 20-year limit.

Figures show an increase over the last few years. In 1947 the census was 901; 1946, 852 and in 1945, 779. It was in the 1945-46 division that nine rural schools joined the school district.

This year's census shows an increase from 315 in 1948 to 328 in the first five age groups. The largest increase in the enrollment is expected in the kindergarten, Supt. Roy G. Bennett has stated. During the 1948-49 term the average kindergarten enrolbnent was 72 pupils and at times was as high as 79. At least 75 ore expected to enroll in September.

Charlevoix County Is Doing Million Dollar Business

(Continued from page one)

School moneys handled by the county came under three heads:

Charlevoix school	$ 1,796.48
General	3,023.93
Primary School	314,937.18
	$319,757.59

Not included in these figures is the schools' share of the sales tax diversion money, which is not identified as such in the auditor's report.

The report shows capital assets (another way of saying cash) on hand on Dec. 31 of $59,402.12. These consisted of:

U. S. Savings Bonds	$37,232.00
U. S. Certificates	15,000.00
State Bank stock	2,500.00
Building Fund	4,670.12
	$59,402.12

As an offset against this was the $12,610.85 overdraft in the general fund, having a true net cash balance of $46,791.27.

On the whole the auditors found nothing wrong with the county books. They did make the annual squawk about the county's appropriating lump sums to such things as conservation clubs and the hospital.

They said the county should do a better job of collecting, especially from the State of Michigan which owed some past due bills. But they did not say how this was to be done.

Kroger

We are Tenants, too

If all Kroger landlords—some 2,000—were assembled in one spot to collect their rent on Kroger stores there would be quite a crowd—and they would get quite a lot of money, too. But these property owners, living in 1,500 communities, are paid promptly by check and the total is more than $6,000,000 a year.

By Mrs. Clyde Smith

Rev. and Mrs. Howard Moore are back again on the East Jordan charge.

Mr. and Mrs. Frank Matchett attended the funeral of their cousin, Mrs. Margaret Sherly at Petoskey last Thursday.

Arlyle and Jim Roberts are home for their summer vacation from their school work at Mt. Pleasant.

Mrs. Carl Left and children of Beaver Island have been visiting her parents, Mr. and Mrs. Howard Gornell and sister, Mrs. Sheridan Root.

Mr. and Mrs. Clayton Smith spent the week end in Lansing where they attended the marriage of the latter's sister, Carroll Besemer to Horton Southworth which occurred on Saturday.

Dawn Taylor of Walloon Lake visited her cousins the Stoel sisters last week.

Mr. and Mrs. Kenneth Ager spent the week end with his parents, Mr. and Mrs. William Ager.

Due to the absence of Rev. Moore next Sunday occasioned by the call to a former pastorates home coming, the pulpit will be filled by a guest preacher, possibly Rev. Lloyd Schloop of Levering, who is leaving soon for his new church in Lima, Peru.

Mr. and Mrs. Charles Warner spent last week, visiting relatives in Grand Rapids, Lansing, Portland and White Cloud.

The Methodist chuhch grounds received a much needed grooming at the bee last Tuesday evening. The ladies served luneh afterward.

The Farm Bureau group met with Mr. and Mrs. Emerald Bolhuis last Thursday evening. The topic of discussion was "Shall the Farm Tractor be licensed" and was very interesting to the 17 members present. They meet next month with Mr. and Mrs. Henry Potter.

Clark Community

Mrs. Wm. Parsons

Fishing season for bass opens Saturday.

Mr. and Mrs. Clyde Warner visited relatives in East Jordan Sunday.

Mr. and Mrs. Ivan Holmes and son of Grand Haven visited Mr. and Mrs. William Parsons Friday evening.

The Norwood Farm Bureau met with Mr. and Mrs. Frank Brown Friday evening. The topic of discussion was Licensing of Farm Tractors which the group was decidedly against.

John Cook who attended the University of Michigan at Ann Arbor is home for the summer and is doing some building.

Walter and Wayne Murphy bicycled from East Jordan to visit their cousins, Ivan and Dale Parsons Sunday. Quite a trip for boys ages ten and eleven.

Now we are lucky to have a fine hamburger stand in our midst The Hart stand has been attractively designed and built by Walter Hart the owner and is located right beside his house on US-31. The family helps operate it. Mr. Hart also built a picnic table beside his stand.

Inwood News

Mrs. Charles Wells

Mr. and Mrs. Elmer Lyons attended the State convention of the Triple A, held at Traverse City. After the convention they visited relatives and friends in Tuston.

Mr. and Mrs. Kenneth Ager from Lansing spent the week end with the former's parents, Mr. and Mrs. William Ager. Ronald Fratrick returned to Lansing with them to spend a week.

Mrs. Charles Wells was hostess to the Inwood Ladies Aid last Wednesday. The Stutzman's will be hosts to the group at their next meeting.

Mr. and Mrs. Howard Percy from Monroe spent the week end at the Phillip Hittenberger home. Mrs. Percy and two children returned home with him after having spent two weeks with her parents.

Mr. and Mrs. Delmer Lyons and Mr. and Mrs. Ivar Lyons spent Sunday in East Jordan visiting relatives.

ROCK ELM

Mrs. A. B. Lawton, Reporter

Cherry orchards here received their second spray last week although the late hard frosts have seriously cut the prospects for this season's cherry crop.

Mrs. Whitfield went to Flint last week for a two or three weeks visit with her niece, Mrs. Jessie Metz and Mrs. Elwin Sundsteadt and family.

Crops are improving since the rain.

Barnard Grange Members Meet with Resort Grangers

About 30 members of the Barnard Grange and 4-H Club motored to Emmet County Thursday evening and met with Resort Grangers at their Grange Hall. An open meeting was held followed by a very fine program given by both Granges and the 4-H Club.

Refreshments of ice cream and cake were enjoyed by all, and dancing climaxed the evening.

Barnard Grange meets again on Friday, June 24.

Until the gutta Percha ball was introduced in 1848, golf balls were stuffed with feathers.

Eveline Orchard

By Mrs. Leonard Babel

There will be another Teen-age dance at Rock Elm Grange Hall Saturday evening, June 25, 8:30 p. m.

Andrew Skye and son Bob of Chicago visited his brother, William Skye and friends last week.

Mr. Ernest Loeb of Chicago visited his mother over the week end.

Twenty young people gathered at the home of Miss Betty Jane Orvis for a hay ride Friday evening, followed by a picnic at North Beach.

Mr. and Mrs. Pete Sutton of Charlevoix were Sunday evening callers at the home of Mr. and Mrs. Aaron Brock.

Father's Day dinner guests at the home of Mr. and Mrs. John Knudsen were Mr. and Mrs. Joe Shores and son Dick, Mrs. Leroy Plum and Rena Knudsen of Charlevoix, Mrs. Carl Anderson and children and Mr. and Mrs. Douglas Knudsen and family.

Mrs. John Brock entertained 20 ladies at a miscellaneous shower Monday evening honoring Miss Mary Brock, bride-elect. Games were played.

Hayes Farm Union Has Meeting

The Hayes Farm Union met Thursday evening at the home of Mr. and Mrs. Neland Baker with 20 members present.

The Brannan bill, farm implements and the prices of farm produce were discussed at the business meeting. William Price was named chairman of a committee to make arrangements for a benefit dance sponsored by the group with proceeds going to the Charlevoix Hospital building fund.

A social hour and potluck lunch followed the business session.

Charlevoix Has Sidewalk Cafe

Charlevoix is having something new and different this summer, a sidewalk cafe.

The outdoor cafe is a new addition to Wolf's Frozen Custard store on Belvedere avenue. Umbrella covered tables and an outdoor sandwich bar have been added, giving one an interesting view of Round Lake while eating.

Dr. Mann Receives Honorary Doctorate Degree

Dr. Louis L. Mann, Rabbi of the Sinia Congregation of Chicago, Oriental language scholar and well-known summer resident here, was among six men on whom honorary doctorate degrees were conferred by Dr. Snyder, president of Northwestern University. The honors were presented at the annual convocation when Northwestern conferred degrees on its largest class of graduates.

Others honored at the time were Sen. Leverett Saltonstall, U. S. Senator from Massachusetts; Mayor Kennelly of Chicago; Dr. Ernest T. Volwiler, pharmaceutical chemist; Sumner H. Slichter, Harvard law professor; Judge John D. Wickham, Wisconsin Supreme Court judge.

Mid-States Four, Quartet, Take First at Buffalo Meet

Remember the Mid-States Four, the quartet who put on a real show as the finale of the SPEBSQSA concert in Charlevoix last summer? They were especially good in their song Rural Rhythm for which they are famous.

Dr. and Mrs. Gilbert Saltonstall were in Buffalo, N. Y. recently at the National Meet and had the thrill of hearing and seeing this quartet from Chicago walk away with first place.

The Songmasters, who have also appeared in Charlevoix won fourth place.

Girl Scout News

Girl Scout troops 1 and 4 left Sunday for a week's camping trip at Wilderness Park. Their leader, Mrs. Lester Smith, Mrs. Leroy Allers, troop camp director and Mrs. Keith Dressler of East Jordan, camp nurse, accompanied the girls.

Making the trip were Debby Bergeon, Janet Krulik, Nancy Ikens, Maudelaine VerWys, Leona Scott, Pat Mort, Betty Gill, Carolyn Smith, Jackie Cooper, Amy Kipke and Elaine Peters.

Mrs. James Krulik, Walter Bergeon and Mrs. Allers took the girls to camp.

Barbara Allard Honored At Bridal Shower

Barbara Allard whose marriage to Lewis Skeel will take place at St. Mary's church on July 2, was honored at a bridal shower given at the VFW hall on Friday evening by Mrs. James Whitley and Mrs. A. M. Allard.

The thirty guests present enjoyed games, a social hour and refreshments. She was presented with many gifts.

Mormon Church Has Welfare Program That Helps Recipient Get Back On His Own Feet

By L. E. Towe

Two weeks ago editors from all over the country gathered at Salt Lake City for their national convention.

There we saw what is probably the most sensible and successful big relief program in the United States and possibly the world. For this day and age, it is amazing in that it seeks to make the recipient self-respecting and self-supporting instead of pauperizing him.

It is compounded of a shrewd appraisal of human nature, unselfishness, and a deep belief in the Lord. It, of course, is the Mormon relief program.

Through this organization, the Latter Day Saints Church cares for 17,000 to 54,000 annually. It has supplied food, rent, clothing, medicine for the last 17 years. Instead of encouraging its members to sit back and be parasites, it actually helps them become self supporting. It does all this at an almost invisible cost in dollars.

In its workings, the Mormon program is a combination of local detail and almost nation-wide sweep.

This year, for example, and every year, the head of each local Mormon church unit estimates what the welfare needs of his section will be for 1950. At the main office in Salt Lake, the grand totals show how much of each item will be needed for the whole program.

The next step is getting these things. Churches in Idaho are asked to supply so many tons of potatoes. Cattle come from range country; apricots and fruits from Utah. And so on all down the line.

Everything that can be is produced by the church members as a voluntary gift above their usual church offering. Evenings are devoted to working communal gardens; an extra pig is raised or acre planted for the benefit of the less fortunate. Labor and produce all are donated. There is no compulsion. Each member giving as his ability and conscience dictates.

All the produce is gathered in storehouses at strategic points. Cloth is made into garments. Shops rebuild shoes, canneries put up perishables.

Now comes the second part of the program. John Smith, a day worker, has lost his job. His savings are gone and the rent due. He goes to his local church head, called the bishop and equivalent roughly to a pastor.

The bishop suggests he could help on the welfare project. So John hoes beans or helps in the cannery. In return, he gets a slip showing he has done the work, at the same time a volunteer worker, usually a woman, calls on Mrs. Smith and makes out a list of what is needed. Mrs. Smith takes the list to the storehouse and gets what is needed.

But at no point is any value placed either on the work John does or on the goods his wife gets. He helps all he can; they get what they need. There is no debit nor credit, no account kept. As far as the church is concerned, it is a finished transaction.

One step more is taken. The bishop and his advisors discuss the case. They know the family, their good points and failings. They try, and usually succeed, in getting John back on the job or started on a program which will make him self-supporting again.

Most amazing to me was the attitude of those who directed the program. They received no pay. They had their own businesses and jobs. Yet they clearly worked harder and often longer at their Welfare tasks than at their regular occupations. They got nothing out of it except the knowledge they were keeping others from suffering.

There was a brightness, a light in their faces and in their conversation which is rarely seen.

They were actually living their religion seven days a week. They enjoyed dong it.

Potato Growers Face Threat of Glutted Market

A warning to all potato growers coming under the jurisdiction of the North Central Potato Committee has been issued by R. M. Kennedy, Manager-Treasurer of the committee. This warning is as follows:

Should there be, as is expected, a surplus of Irish potatoes in the states of Michigan, North Dakota, Minnesota and Wisconsin, the North Central Potato Committee will undoubtedly request the Secretary of Agriculture to again place in effect a Grade and Size Regulation similar to 1948-49 season (prohibition against the shipment of potatoes not meeting the requirements of U. S. Commercial grade or better and smaller in size than 1⅞ inch minimum.)

The Government has set its support price for the 1949-50 season at 60% of parity. This price is the same for each grade and because of this the only place where a U. S. No. 1 potato will bring a premium price will be in the commercial market. A grower who has signed up for support may sell his low grades to the government and his best quality to the commercial trade at the best price offered there.

To participate in the Price Support Program it is necessary that each grower visit his local County Agricultural Conservation office and sign up for support and plant within his allotted acreage.

Ingalls Gives Aims of Local Rod & Gun Club

Members of the Charlevoix Rod and Gun Club were looking just a little harried and weary Saturday afternoon, but Glenn Ingalls took some time out to talk about the Charlevoix Rod and Gun Club, and where it fits into the general conservation program laid out by MUCC convention in its four-day meet.

"What the Charlevoix club tried to do, as hosts to the MUCC convention," Ingalls said, "was to show the delegates and their families, one of the best times they have ever had at any convention."

On the conservation side, Ingalls said the Charlevoix gun club was continuing its own program of stocking local streams with brook and rainbow trout. He said for the past several years, the club has planted 65,000 brook trout, and from 70,000 to 80,000 rainbow trout.

"This year," he said, "local trout streams have shown a decided improvement on what they can produce for trout fishermen."

Small upland game, Ingalls said, such as rabbits and partridge, have come up well in the last few years. "We are convinced," he said, "that this upswing is largely due to the efforts of Art Stoel, state trapper, who has trapped 160 to 170 foxes in the past year.

If predators can be controlled, Ingalls feels, upland game will have a chance to multiply.

On the convention resolution to ask the Legislature to let the commercial fishermen into Little Traverse and Grand Traverse Bays, Ingalls said the Charlevoix club, as well as other sportsmens clobs in this area, hope for some type of close supervision of the commercial activities.

He cited a case of poorly supervised nets near Eastport recently, which had many dead six and eight pound bass. He said local sportsmen fear the spoiling of game fish beds in the shallower waters of Lake Michigan.

Ingalls added that none of the local sportsmen want to hamper commercial fishing, especially the LaBlanco mullett canning enterprise.

Even old elephants can quickly be trained to obey orders.

Honeymooners Visit In Charlevoix

Another honeymoon couple visited Charlevoix last week They were Mr. and Mrs Jim Abbey.

The wedding took place in Flint, a quiet ceremony at the home of Mr. and Mrs. J. D. Dial whose daughter, Doris, married Jim Abbey, son of Mr. and Mrs. Leon Abbey.

Mrs. Abbey graduated from Flint Junior College this year and was voted Queen for her school. Mr. Abbey, well known around Charlevoix, has been associated with his father and brother, Joe, in Abbey's Store, both at Mackinac Island and Charlevoix. He is a Junior at the University of Michigan.

The couple spent a few days at Tawas, then stopped at Charlevoix enroute to Mackinac Island where they are honeymooning.

Prison Sentences Given Violators

In a special session of Circuit Court here Thursday Judge Charles L. Brown sentenced Allan Kerr, 22, and Carl Mull, 26, to terms in southern Michigan prison for violation of parole.

Kerr was given an 18 months to five years sentence and Mull two to five years. Both had been arrested last fall on a larceny charge and placed on probation for a year.

Harold Lemons, 34, of Boyne City, who had pleaded guilty to a morals charge, was placed on probation for one year and ordered to pay $50 court costs.

IT HAPPENED ON . . . . BEAVER ISLAND

By Mrs. J. C. Henley

With the North Shore making daily trips, Sundays included, the Island has taken on new life and a general up-lift in spirits. Visitors are arriving daily, freight receipts are on the increase, passenger traffic back and forth has been good.

Saving rains during the week relieved the Island crops of their parched condition. Wild strawberries, bountifully growing over a large area of the Island, have benefited by the rain and are maturing for the harvest.

Youngsters were taking their first splash in the "big tub" during the week. Some, forgetting the painful effects of too much sun the first time in the swim, are nursing burnt backs ond arms.

The Shamrock Tavern has an additional ottraction for the amusement of patrons—a National Shuffle Board, Champion style.

Mr. and Mrs. Truman Ramsey and son flew to Marlett via McPhillips Flying Service for n visit with relatives.

Mr. and Mrs. Hubert McCauley, Mr. and Mrs. Gene McCauley, Detroit are visiting relatives and friends on the Island.

Mr. and Mrs. Walter Smith, Chicago, have arrived and will spend the summer at their cottage at Nomad.

Mr. and Mrs. James W. Gallagher and daughters, Eleonor and Janet, left Tuesday for the moinland. Mrs. Gallagher was admitted in Little Traverse Hospital Wednesday and will be a patient there for a week or more. James and the girls returned lo the Island Saturday.

Grace Gatliff was in Charlevoix for a few days during the week.

Mrs. Gus Mielke, who has been ill for the past two weeks, was taken to Little Traverse Hospital hy plane this post week.

Dorothy Lee McCann, who recently graduated from St. Mory's School, Bay City, returned to the Island with her mothcr, Mrs. Rolland McCann and sister, Graee Marie, who attended the graduation exercises.

Verle McCann left during the week for Detroit to visit his mother, Mrs. Edna Moe McCann.

Vernon LaFreniere opened up his cabin "Isle View" for the season by invlting his friends to an open house Thursday evening. A weiner roast on the beach was enjoyed by the fifty guests who attended.

Dr. Russell Palmer has returned from o two week's vacotion. Mrs. Palmer remained in Charlevoix for a few days.

Mielke's mill steamed up the first of the week to start a stretch nf cutting hardwood.

Lillian Connaghen has arrived to spend the summer on the Island.

The Coast Guard cutter, Sun Dew, brought across around eighty members of the Michigan United Conservation Club for a three hour visit to the Island Friday.

Charlotte McDonough and Patricia O'Donnell returned Saturday after attending the graduation of Margie Gatliff from St. Andrew's School, Saginaw, and visited in Bay City.

Mr. and Mrs. Bob Peterson, who have been spending several summers as visitors to the Island, have decided to make the Island their home. They arrived this week with large truck and household furnishings and will occupy their cottage at the head. Mr. Peterson will have boat rental service at Lake Genesereth. He, also, plans on a truck garden and poultry products.

Mr. and Mrs. Dave Wilson and family, Ferndale, orrived Saturday to occupy their Island home. Mrs. John Wilson, Los Angeles, oecompanied the Wilsons to the Island and will he their guest for three weeks.

Capt. LeRoy Allers and son, Paul, arrived Saturdoy for a few days on the Island. They were dinner guests of Mr. and Mrs. James H. Gallagher Saturday evening.

Sister Henricka and Sister Ildephonse, Dominican nuns, have arrived to spend a vacation at the Sister's home on the Island.

Father Giles left Sunday for Our Lady of Consolation Seminary, Cary, Ohio to attend the annual retreat of the Francisan Fathers.

Island Resident Dies After Long Illness

Jerry M. Palmer, who has made his home on Beaver Island for 37 years, died at his home Thursday after an illness extending over two months. His body was taken to Charlevoix lor burial.

He is survived by three daughters, Mrs. Evelyn Vaden, California, Mrs. Anna Wyman, Detroit, and Mrs. Tillie Poloski, Traverse City; two sons, Clarence, Beaver Island and Judy, recently of Alaska.

Earmarking Dog Tax Money Proposed

Dogs had their round at the conservation club eonvention Friday.

The conservation went on record as favoring the earmarking of all dog tax money for "use of dog control." Dog Control was interpreted to mean innoculation, rabies control and other dog problems.

A proposal to make dog theft a felony was passed at the same session, but a proposal called for compulsory tattooing of license numbers on all dogs was withdrawn.

A resolution calling for the licensing of all cats was turned town.

Charlevoix Beats McCabes In Exhibition Game

Charlevoix bounced back from their collapse at Traverse City to wallop McCabes who lead the Petoskey League 8-3. In an exhibition game at Petoskey Sunday.

Gallagher was in rare form and allowed only one hit in five innings. Fairbanks, who finished was almost as effective. Charlevoix jumped on the fast ball pitching of Bare for 7 hits and 6 runs and added two more when Wager came in. Bob Carey with a single and double and Ted Ager with two singles led the attack.

Charlevoix's Knight Owls will play Traverse City here at 4 p.m. Sunday in what promises to be a elose exciting game. This is a benefit game for which tickets are being sold.

Edward Wojan Rites Here Wednesday

Funeral services for Pvt. Edward Wojan, 23, son of Mr. and Mrs. Anthony J. Wojan, who was killed in action in Germany on March 19, 1945, were held at St. Mary's church at 9:30 a. m. Wednesday with Rev. Max Ostrowski of Boyne City, officiating. Burial was in St. Mory's cemetery. Military rites will be in charge of the Veterans of Foreign Wars.

The body arrived Tuesday evening from the U. S. Military cemetery at Hamm, Luxembourg, accompanied by a military escort.

Born in Cleveland, Ohio, on July 16, 2922, Edward Wojan came to Pellston with his parents two years later. He attended the Pellston schools and in January, 1942 ,entered the service. Phyllis VanAllsburg Weds Ohio Man

Mr. and Mrs. James Brown will make their home in Lakewood, Ohio following their wedding trip aboard a Lake steamer to Lake Superior. The couple were married at the Calvary Presbyterian church, Detroit at 2:30 Saturday afternoon with Rev. Storch, pastor of the church, officiating. The bride is the former Phyllis Van Allsburg, daughter of Mr. and Mrs. Engle Van Allsburg, former Charlevoix residents now living in Detroit. The bridegroom is the son of Mr. and Mrs. Andrew Brown of Lakewood.

For her wedding the bride selected a casual white suit, white accessories and a corsage of yellow roses.

Marielle Van Allsburg, sister of the bride and her only attendant, wore a pastel blue suit, white aceessories and a corsage of pink roses.

George Brown of Palatine, Ill., assisted the bridegroom as best man.

Mrs. Van Allsburg chose a navy and white sheer dress and white accesories for her daughter's wedding. The bridegroom's mother wore a white dress and white accessories. Both had corsages of red roses.

Following the wedding a reception was held at the church for fifty guests. Floral arrangements of white beby mums, pink carnations and bachelor huttons decorated the tables.

The bride is a graduate of the Charlevoix high school and attended, Barnard College at Columbia University and the University of Michigan. The bridegroom is a graduate of Southfield high school, Philadelphia, Pa., and has attended Ohio University and the University of Michigan. After spending the summer in Lakewood they will return to their studies at the University of Michigan in the fall.

Neff Family Reunion Held On Sunday

The Lance Neff family held a family reunion Sunday. A feature of the day was a turkey dinner.

Present were Mr. and Mrs. Neff, Mr. and Mrs. Robert Neff and doughter Linda, of Newberry; Mr. and Mrs. Basil Kennedy and children, Lance and Janice of Traverse City; and Mr. and Mrs. Gordon Neff and children, Marilyn, Brian and Karen of this city.

• Sam Levinson has arrived from Chicago and will spend the summer at Shady Corner. His son, Leo, brought him here and remained for two days.

MICHIGAN Motoring

June 25th is a "red letter day" on many of the calendars throughout Michigan, for it is the opening of the fishing season on Michigan lakes. Already thousands of would be "Isaac Waltons" have inspected their fishing gear, looked into new and "infallible" baits and bright new spinners which are sure to bring the limit on opening day.

There's a feeling of impatience in the air . . . an impatience that may be carried into that first drive to the lake for the first fishing of the season. And, with thousands of fishermen traveling Michigan's highways and side roads, it's a mighty good time to take stock of your own driving habits.

Do you follow the rules of the road? Are you a good driver? Do you keep constantly alert for the other fellow who may not be a good driver? Answer these questions—honestly—and resolve to be a good safe driver before you start on that fishing trip. Many, many such trips may end in tragedy unless every driver takes extra precautions behind the wheel of his automobile.

Get set to catch your limit! And make sure you're alive to enjoy that good fish dinner when you bring 'em home! Drive safely—to keep Michigan safe!

Sea Lamprey Problem Long Way from Solution

The sea lamprey problem in the Great Lakes and tributary waters such as Lake Charlevoix, is still a "long way from solution," Fred A. Westerman, chief of the State Fish Division, said Saturday when interviewed at the MUCC convention.

Westerman said the advance publicity on the elver eels, imported from the Atlantic coast this spring to combat the lamprey, was premature and overly optomistic. He said an experiment with the elvers was in progress now near Roger City. He added, however, that Dr. Vernon Applegate, who is directing lamprey research in Michigan, would not be able to release findings for some time.

It is hoped that the elver eels will eat the maturing larva of the sea lamprey before they leave the stream silt beds to drift down to the lakes. The elver eel, while it can live in fresh water, will only spawn in salt water.

Westerman said the long-range hope of fish experts on the lamprey problems, is that some sort of "natural balance" will come about. He said that this was already in evidence in Lake Ontario and in the Finger Lakes of New York, where sizeable populations of sea lampreys have been known to exist for the past 80 years. Scientific evidence indicates that sea lamprey populations in those waters, Westerman said, are now remaining fairly constant.

Westerman drew a parallel between the sea lamprey invasion and the corn borer invasion of the 1920's. He said that despite search on the corn borer, the seriousness of the problem diminished virtually by itself. "We now have a few corn borers," Westerman pointed out, "but they no longer are considered a menace." Fish authorities hope that the same sort of natural leveling off will occur with the sea lamprey.

However, Westerman stressed that fish researchers and the Conservation Department would continue the extensive program of investigation of the sea lamprey, pitting science with nature against the predator.

Wiley Trout Puts Bite On MUCC Meet

The wiley trout had the Indian sign on the Michigan United Conservation Clubs Saturday, when the convention side-stepped resolutions which could have affected trout propogation and size limits, and creel limits.

The convention tabled a proposal to cut the daily limit of trout from 15 to 10, but still retaining the present 10 pound and one fish weight limit. Downstate delegates turned down the proposal, since they felt that if they had to drive 200 miles to fish for trout, they were entitled to 15 fish.

The proposal to remove the present 7 inch minimum limit on trout was tabled, after Fred Westerman, State Fish Division chief, said he could see no reason for doing it. Advocates of removing the 7 inch limit cited the high mortality of undersize fish after they were thrown back.

Westerman said an experiment on the mortality rate of fish which had been hooked and thrown back revealed that 11 percent of brook trout caught on a barbed hook died, and just over two percent of the brook trout taken on flies died after return to the water.

The convention also side-stepped a resolution to require that all trout stamp revenue be spent only on stream improvements. Fred Westerman pointed out that this would hamper trout planting and research activities, if all stamp funds were funnelled into stream improvement projects.

For the coming year, the Conservation Department expects to plant about a million trout; to expand its stream and lake improvement program by adding more crews; and to continue to buy and improve public fishing sites in the southern part of of the State.

The convention did pass resolutions calling for increased use of legal-size plantings in "suitable ponds and lakes," and asked the Conservation Department to continue its program of lifting rainbow trout over dams during spawning runs.

Duck On Increase In Area, Reported

Charlevoix duck hunters got some encouragement for the coming season Thursday, when Floyd Davis of the U. S. Fish and wildlife Service gave his report on migratory birds at the MUCC convention.

Although the total waterfowl population has declined one percent in the past year, Davis reported, there have been good increases in the more popular game birds.

Ducks have increased about 12 percent ,and geese have jumped hy 32 percent. The greatest drop, Davis said, was in coots, which declined by more than half. Woodcock, he said, are not expected to change.

Waterfowl populations are estimated annually in January, Davis explained, when an inventory is conducted all over the continent. He said waterfowl concentration areas are photographed from the air ,and the count is obtained from the pictures.

Last year, Davis reported, the average duck hunter went after waterfowl 4.8 times, and averaged 1.9 ducks per trip, making a total of 9.2 ducks per season. He said the Fish and Fildlife service does not expect a marked change in those averages for the coming season.

Jeronis Hearing Postponed to July

Retrial hearing for Alex Jeronis, 34, "Galoshes gang" leader, was postponed until July 20 after he demanded counsel when he appeared before Judge Howard L. Campbell of Cadillac, on Friday. He had been brought here Thursday from Marquette where he is serving a 13 to 15 year sentence to ask a motion for a new trial.

Judge Campbell also ordered Jeronis' companion, Albert Mulvey, 24, brought from southern Michigan prison near Jackson to appear with Jeronis in their plea for a new trial on July 20.

Both men had submitted briefs on why they should be granted a hearing for a motion for a new trial. When Sheriff Floyd Ikens and state police officers arrived at Marquette they were told Mulvey had been transferred to southern Michigan prison. Only Jeronis was brought for the hearing Friday.

Jeronis, Mulvey and Leo Stankey were sentenced here late in August, 1947, on the charge of breaking and entering the Drenth Lumber Co., in East Jordan on July 3 and taking $1,000 and other items from the company safe. They were arrested in Kent oounty in mid-July and returned here where they pleaded guilty to the charge and were sentenced.

Jeronis will remain in the Charlvoix county jail until July 20.

Library to Close

The Charlevoix Public Library will close Saturday evening for a two weeks period while the building is being cleaned and repaired, Floranz Milner, librarian, has announced.

When it opens again on July 11 the following hours will be in effect: 10:00 a. m. until 12 noon and 2:00 until 5:30 p. m. daily and on Saturday evening from 7:00 until 8:30 p. m.

Travel Editors of Mid-West Will Visit Charlevoix

Seventeen travel editors from the Middle West will pay a brief visit to Charlevoix the morning of June 23.

Under the direction of Aurey Strohpaul, publicity director of the West Michgan assoclation, a tour of the 31 western counties has heen arranged. The trip will be by bus, will start June 17 at Grand Rapids and end there June 23.

The route swings south through Battle Creek, Marshall, Coldwater, Niles and Tabor Farm. Then it comes north along the shore, stopping at Saugatuek, Muskegon, Ludington, Manistee, Frankfort, Traverse City, from where it goes through East Jordan, Boyne City, Harbor Springs and Cross Village to Mackinaw. The editors will stop overnight at Petoskey June 22 and make a 20 minute drive around Charlevoix on their way south back to Grand Rapids.

A daughter born to Mr. and Mrs. Marvin McGinnis on June 20.

Arthur Rangers Announce Engagement of Daughter

The engagement of Virginia Ranger to Jared Finney of Detroit, was announced Saturday afternoon at the home of Mr. and Mrs. Arthur Ranger at an afternoon tea to which 90 guests were invited from 3 to 5 o'clock.

Mrs. Florence Finney and Mrs. Richard Harroun of Detroit, mother and sister of the prospective bridegroom, helped Mrs. Ranger receive.

The tea table was simple but most effective in its arrangements. A low bowl of blue and white delphiniums and tall tapers was the centerpiece. Names of the engaged couple were found on the napkins. Joan Nelson and Helen Jean Hammond presided at the tea table.

Miss Ranger is a graduate of the class of '49 of Michigan State College and plans to teach next year in the Birmingham schools. Mr. Finney attended State for three years and is an advertising man with Scripps-Howard in Detroit. The couple plan to marry next summer although no definite date has been set.

The Tow Line

News of folks, your neighbors and mine . . .but did you know that—

Well, summer is truly here. How the hot weather has braught the folks north and what a welcome place it is . . . Even the beaches are starting to fill up. Wonder if the situatian will get like it did in Flarida last year when we were told that the beaches were so packed with bare backed ladies seeking a tan that the sand began to look pale and anemic, it couldn't get enough of the sunshine itself.

Tough luck met up with Flarine Stelter last week. She went ta California to see her daughter and then was planning on going as a guest on the National Editorial Associatian taur to Hawaii. On the eve of her departure she fell and injured her ankle. An x-ray disclosed no broken bones but the ankle was so swollen and painful that she was farced to give up the trip. That is truly a disappointment, especially after making the trip to the coast.

A beautiful bowl of roses graced the desk at The Courier office last week, braught to us by Mrs. Floyd Bartholamew. It brought forth many a remark on their beauty by custamers . . . Mrs. Hilda Hartley, acting executive secretary of the Charlevoix Coonty Red Cross chapter has accepted the positian of executive secretary, replacing Mrs. Helen Krcighaff Olson who resigned fallowing her recent marriage in Florida.

It is Gilbert Saltonstall, nat Leverett Saltanstall as some papers about the state have recently called our Charlevoix doctor. We are in favor of sending Leverett back to Massachusetts where he belongs and keeping Gib dbaut town . . . Little Sandra Gregory underwent major surgery on her foot at Munson Hospital in Traverse City last week. In two more weeks anather aperatian will be performed on the other foat.

The north won hands dawn an the question of the convention site next year for the M. U. C. C. Ludington has been chosen as the spot. Understand that the members were so pleased with Charlevoix that they would have liked to have had a repeat engagement next year. That surely speaks well for our town . . .

Jack Dollenmeier is a pretty happy guy this summer. The family moved to Bay City last year. Now Jack is able ta spend every other week end in Charlevoix whereas it was but one week end a month heretafare . . . The Bill Rudolph family are here from Macomb, Ill., at their cottage at Sequanota and must be mighty glad to enjoy the cooling breezes off Lake Charlevoix these days.

Funny, if there is anything wrong with a town, a job or a person, one hears a plenty about it, but good things are never spoken about or are soon forgotten. Last week a Frank Kortz family from Hollis, N. Y., came into the office and said they wanted to tell how much they had enjoyed their stay in Charlevoix. They found the world was a small place; while reading The Courier they discovered a woman from their own home town was mentioned, Mrs. Robert Kahrs, who spent 15 summers at the Belvedere. The family hated to leave, said they had never gone into a town and received such courtesy as they had in Charlevoix . . . Now we are being tald by tourists associations that every person in town should consider himself as a member of the hospitality committee to show summer folks that we appreciata their coming to us, especially when competition is so keen to attract taurists to other spots.

Ruth Richards is on the staff at Camp Redwing near Pittsburgh, Pa., and is enjoying her work. Her mother, Mrs. Helen Richards plans to go to Mt. Pleasant this summer to attend summer school at Central State Teachers College . . .

There was a goodly crowd on the dock Sunday afternoon to welcome the S. S. North America as she came into Raund Lake. This will be a Sunday attraction each week through August with the Narth American coming from Chicago enroute to Mackinac. Another feather in the tawn's cap is that this is the first time in more than 20 years that Charlevoix has been a regular port of call for a Great Lakes steamer during the summer months. We can be looking for our Chicago friends most any Sunday naw.

The Dan Peters family returned last week from a trip to Sault Ste. Marie and Canada where they went for some distance on the King's Highway . . . Center

Farmers Ask State Control On Deer Herd

The State Conservatian Commission will be asked to da aamething about Charlevoix Cnunty'a deer herd.

It is causing too much damage to farms.

Tuesday night cherry growers, farm representatives and Conservatian Department men met at Boyne City for a discussion of the situation.

The growers told how deer are starting work on their archards. With grass getting tough and hay harvested, the deer are turning to the tender cherry trees. The damage affects the whole future of an orchard.

Soon the deer will be invading the truck farms alsa.

The group decided that the problem should be laid before the July 13 meeting of the Conservation Commission and ask for some means of controlling the herd.

County 4-H Camp to Open On Wednesday

Once more Charlevoix will be host to the 4-H hoys and girls of the county at the annual summer camp of the organization.

As in previous years it will be at the Church of God Camp Grounds south of the city. The dates are July 6 to 9.

Ed Rebman will be camp manager. K. C. Festerling will be in charge of the boys work and Miss Emma Ferro of the girls. The latter will do judging in foods and baking. The boys will study conservation work. Both boys and girls will da some craft work, among the projects being the etching of glasses with the camp name and date.

Each day the group will be taken to the Ferry avenue beach for swimming.

So far 85 reservations have been made, more than last year. The ratio is twa girls to one bay. Rebman says that if the reservations keep coming in, it may be necessary ta start turning some down.

Western Union On Summer Time

The summer schedule at the local Western Unian office will become effective Saturday, July 2, M. E. Wakefield, has announced.

The office will be open from 8:00 a. m. to 10:00 p. m. Monday through Saturday. The hours far Sundays and holidays will be from 8:45 ta 10:45 a. m. and from 5:00 to 7:00 p. m.

The above haurs will be effective until after the Labor Day week end.

Miss Patricia Miller arrived last week from Muskegan to assume the duties af night operator at the local office. She is a farmer resident of Traverse City and was transferred here from the Muskgon affice. She will be here until Labor Day.

New Hours for Masses Announced

Beginning July 3 the hours for Masses at St. Mary's church will be as follows: Sundays, 8:00, 8:00, 9:30 and 11:00 a. m. Week day Mass: 7:30 a. m.

Canadian Nurses Here as Observers

Two British Columbia nuraes who recently received their Master's degrees from the University of Michigan were observers at the District Health Unit last week.

They were Margaret Campbell and Mary Ross, both af Vancouver, who made visits with Mrs. Dean Davenport and Mrs. Marian Rice to become acquainted with methods used in small units such as the Charlevoix office. They have returned to their respective homes.

Nancy Kipke Chosen Member of Court of Cherry Queen

Nancy Kipke was chosen one of the six girls to form the court of the Cherry Festival Queen at Traverse City this year.

The queen is Ann Marie Maurer of Greilickville.

Nancy and the other girls of the court will accompany her in all her major appearences during the festival at Traverse City July 7 and 8.

Mayor Leads Procession at Opening of New Span

Giving it one final test at 1 p. m. Manday, the new Pine River bridge drapped inta place and a block long line of cars an either side rolled aeross the new span to mark its first afficial use.

From naw on, the ald temparary span will be elosed and everything will ga across the new bridge.

Although the formal dedication is set for July 30 when Highway Commissioner Charles Ziegler will be here, quite a local ceremony was made of the opening.

Mayor Ray Hamilton and his family headed the northbound line and officially were the first an the bridge. Horns toating and falks yelling, the cars were driven across. Most of the drivers went to the oppasite side and promptly drove back just so they could say they helped initiate the bridge.

Besides the mayor, other city officials were on hand, most driving their ears. A delegation of Supervisors were there, as were scores of citizens who eame to see the traffic atart.

Fred Bergmann, senior bridge operator, handled the eantrols.

One of the most discussed questions about the hridge waa anawered dramatically at 2 p. m. Colin McKenzie drove his team of horses across the open work floor with little or no trouble.

Unbeaten See Team Leading Softball League

The City Softball League rolled into its third week with the Glenn See team apparently having the first half of the split season sewed up with a record of 5 wins and no losses.

Tuesday night Charlevoix Oil plastered the Legion 11-5, and Barnard finally won a game, downing Cadillac-Olds 9-5. Wednesday, Abbeys beat the Legion 0-7 with a six run rally in the 7th inning, and Russell's Grocery outlasted Barnard 12-8. Thursday in the feature game Walt Maore lost a heartbreaker to See 1-0. Herb Moore made the catch of the seasan to protect the slim lead. In the secand game that night, Cadillac-Olds edged Russell's with a two run rally in the last inning. Friday the House of Jewels smathered Charlevaix Oil 24-8; and Walt Moore pitched steady ball to beat the Cleaners 13-3.

The standings as of June 27th:

Ziegler to Crown Queen at 1949 Coronation Ball

Plans are being formulated by members of The Beta Sigma Phi sorority for a Coranation Ball to be given at the Beach Hotel on Friday evening, July 29, preceding the formal dedicatian af the new hridge over Pine River, the Charlevoix Hospital Carnival and the annual Water Festival and Venetian Night parade.

Hon. Charles M. Ziegler, Michigan Highway Commissioner, will formally crown Nancy Kipke as Charlevoix'a Queen at the ball. Miss Jean Hammand, Charlevoix's 1048 Venetian Queen, will also attend as well as the members of Queen Nancy's court: Sharon Butler, Theresa Zeitler, Colleen Reed and Sally Swintan.

Mr. and Mrs. Ziegler as well as other visiting dignitaries will be guests at the party along with ather Queen candidates from Charlevoix.

Music will be by a ten-piece orchestra from the National Music camp at Interlochen.

Committees in charge of arrangements are: ballroom, Mrs. Robert Miller and Mrs. H. O. Krahnke; music, Mrs. Jean Gallagher and Ione Mosier; decorations, Betty Strehl, LoAnn Anderson, Mrs. Don Feagan, Mrs. Clarence Goldstick and Mrs. Herbert Schofield; programs and tickets, Edith Olach, Mrs. Charles Powell and Marjorie Webster.

WaySide Resort Application Now Before Board

Several hurdles are facing the new resort liquor license application of the WaySide here.

Last week the City Council, in an unexpected four ta one vote, gave preliminary approval to Paul McCartney of Petoskey who would lease the building.

Tuesday Ted Maloney of Lansing outlined the various steps which still face the applicatian. He is the director of the Licensing Division of the Liquor Control Commission.

First of all, he explained, resort licenses are limited by state law to 550 for all Michigan. This was the number existing in 1041. Today there are about 2300 applications waiting for one of these 550. Existing places which renew make up the bulk of the 550; thus vacancies are rare.

When the Liquor Control Commission does come to consider the case, (and he would not hazard a guess when this would be) it relies largely on official action in the community itself. However, he did say that the Commission always welcomes expressions from individuals and lakes these into consideration.

Third major step in granting a license is sending back to the community for final approval by the governing body. Thus if the WaySide were granted a resort permit, the City Council still would have to vote its final approval.

Bridge, Freedman On State Board

Three Charlevoix County citizens have been re-elected directors of the Michigan United Health and Welfare Fund board.

They are Mrs. John Porter of East Jordan, Robert Bridge and Gordon Freedman of Charlevoix. The 1949 goal is just under $2,000,000 for the state.

Diamond Pin Given Mrs. Flossie Bulock by Michigan Bell for 30 Years Service

If you were to go into the office of the Bell Telephane Company this week, you might notice a tiny gold bell pin set with a diamond that Mrs. Flossie Bulock is wearing.

The pin was presented to her Thursday night at a banquet at the Dilworth Hotel and represents 30 years with the Bell Telephane Company as an emplayee.

Mrs. Bulock shared the honor Thursday night with Mabel Partridge of Petoskey who was given a pin for 35 years of service. Tha women were also presented with corsages.

Covers were laid for 16 persons with several officials of the Bell Telephone present. The presentations of the pins was made by Division Supt. T. H. Dawson of Saginaw.

It was in 1916 that Mrs. Bulock started work as an operator in Pontiac and was transferred to Rochester in December, 1927, where she was Chief Operator until January, 1938. At that time dial service went into operation and Mrs. Bulock went into the commercial business office as Service Representative, the title she still holds today.

In 1945 the Company transferred Mrs. Bulock to the Traverse City district. For two months she warked in Petoskey and then in March, 1945, Mrs. Bulock eame to Charlevoix where she has remained since. She now has one of the two desks in the office of the new Bell Telephone building.

With her hame near Bellaire her leisure time is spent with her husband. Also ahe is active in two fraternal organizations, the Order of the Eastern Star and the Rebekahs. For recreation Mrs. Bulock is a member of the Bachmann's bowling team of Central Lake.

Girl Finds It Pays to Have Unusual Name

Sometimes it pays to have an unusual naine.

Like Miss Georgian Bay.

No fooling, that's actually a girl's name. She waa here on the North American Sunday when it made its first stop of the summer cruise aeason. With a last name like Bay, the parents named all the youngsters after some bay of the Great Lakes. When the Georgian Bay Line heard of it, she was a guest on the first cruise.

Here Nancy Kipke presented her with a bouquet of flowers from the city, and the Charlevoix band played "Happy Birthday", Sunday actually being her birthday.

Jordan Plans Celebration on Fourth of July

Charlevoix County's Homecoming is being celebrated at East Jordan this July 4, and a 6 a. m. salute will be heard throughout the community, announcing the celebration.

The Parade chairman, Harold Bader, announced that the Charlevoix and Boyne City High School bands along with the East Jordan hand in addition to floats and decorated vehicles are expected to parade at 10 a. m.

A patriotic song fest immediately following the parade will he held at Memorial Park on the waterfront, followed by motorboat races on Lake Charlevaix.

Henry Elzinga, Ellsworth, will prepare a 2000 pound steer for the Ox Roast, according to Merrit Shaw, committeeman in charge of the affair. Elzinga will begin roasting the steer in a specially prepared barbecue pit Saturday evening and will begin serving at noon on July 4.

A baseball game between the East Jordan and Boyne City Independent teams is scheduled for the afternoon. Other events for the celebration include special contests for children, a horseshoe contest, shuffleboard tournament, water events and songs by East Jordan's Barbershappers.

A huge display of fireworks will climax the day's festivities. They will he seen bursting over Lake Charlevoix shortly after dark.

Argonne Brings Orchestra Here for Summer

The Roy Brill Trio will start playing nightly at the Argonne this Friday night.

The dance hand comes here from Lansing, where it made quite a name for itself. It includes: Roy Brill, who plays his own Hammond organ and the piano, part of the time together; Bob Miller, guitar and singer; Wells Hathway, drums.

At the Argonne, they will give two floor shows in pantomine each night.

Pomona Grange to Plan Picnic

Plans for the August picnic will be made at the July 11 meeting of the Charlevoix County Pomona Grange to be held at the Maple Grove Hall at 8:30 p. m.

There will be a short business meeting followed by a program. This will be in charge of the Youth Committee directed by Mrs. Hazel Murray. A potluck lunch will be served later.

SPEB Chapter to Stage Seventh Jamboree Sept. 2

The seventh annual Barbershop Jamboree will be held in Charlevoix on Sept. 2-3-4-5, John Grupa, president of the local chapter of SPEBSOSA has announced.

The Jamboree is one of the oldest in the country.

Jack M. Dollenmaier of Bay City, will serve as general chairman of the event. Mr. Dollenmeier, a former Milwaukee resident, was general chairman of the national SPEBSOSA show when it was held in Milwaukee in 1947.

Other officers of the local chapter are vice president, Harry Gregory; secretary, Jerry F. Scudder.

Finance Men to Meet Here for Two Days

Starting Thursday, Charlevoix again will be host to another convention, the Michigan Consumer Finance Association. It will be at the Belvedere.

Composed of operators af finance companies, the delegates will he here for two days.

The directors will meet Thursday afternoon while registration is going an. At 5:30 there will be a reception at the hotel solarium for Maurice C. Eveland, state hanking commissianer. The address at the evening convention will be by Merrill D. Graham, merchandising consultant. His topic will be "This is no time to do nothing."

Friday morning there will be a business session followed by three talks. Harry Yudin, psychologist, and Thomas J. Bailey, employment supervisor, will discuss Personnel and Operating Efficiency, Government and You will he the topic of Thomas J. Bailey, tax consultant.

Charles R. Rath, public relations consultant, will talk on that field at the noon luncheon. In the afternoon there will be the annual golf tournament, a cruise on Lake Charlevaix sponsored by the Board of Commerce. A buffet dinner and beach party, and dancing will canclude the program.

Band Will Give First Concert This Wednesday

The first summer band concert in East Park will be presented Wednesday, July 6, by the Charlevoix City band under the direction of C. A. Odmark.

Nine scheduled concerts will be given each Wednesday during the summer by the hand.

The organization has been enlarged this year and will be composed of 35 to 45 pieces. The number will vary from time to time but it is expected that there will be approximately five flutes, nine clarinets, five saxophones, two horns, three baritones, four trombones, three basses and four percussions. Rehearsals are held at the high school at 7:30 Monday and visitors are invited to attend and play with the band.

The Charlevoix City band is one of the few remaining municipal bands in the state. The members play for the love of playing and not any remuneration they receive. Although the summer cancert series is sponsored by the city and is included in the city budget the amount set aside pays only the director's salary and for music, draying and other expenses. This year an effort will be made to purchase one new instrument and several uniform coats for members.

The band stand will be set up behind the pond in East Park next week.

The band has made one appearance this season, having played at the MUCC convention. It is expected the band will present several other concerts during the summer.

The program tor the City Band concert in the park next Wednesday at 8 p. m. will be:

March, "Indiana State Band," Farrar; Overture, "Lustspiel," Bela"; Waltz medley, "Straussiana", Seredy; March, "Our Director," Bigelow; Waltz, "The Band Played On," Ward-Palmer; Selection, "Chimes of Normandy" Planquette; Patrol, "The American Patrol," Meacham; March, "Colonel Bogey," Alford; Selection, "Neapolitan Nights," Zamecnik; Selection, "Shine On Harvest Moon," Bayes-Norworth; March, "Rolling Thunder," Filmore.

To a Fine Man

This is a belated tribute to a man whom our North Country could ill afford to lose.

He was Solle, of Solle's Bookshop over at Omena on the Leelanau Peninsula.

(I was away when he died on March 20 and only just saw an announcement of it from the Bookshop.)

Solle's story illustrates the old remark by Emerson about the better mousetrap. He was a former book store official who had come North in the middle of the depression. Settling at Omena, he filled a room or so with his own collection of books. Folks, resident and tourist, got to dropping in to ask his advice or to have him get a book. Soon he was busy running a book business from tiny Omena.

Before long he had to build a separate Bookshop, and he was back in business on a considerable scale. Soon he was also issuing his little Bulletins, printed on yellow—paper—and carrying the funny little drawing of Munde, the car-and-caboose train which carried the mail from Traverse.

He was a friend to all and thousands of folks knew Solle as the man on whom they could depend for just the right book. Now he is gone and his son, Gordon will carry on the business.

— — — —

Speaking of the Depression . . .

Of late, we've all been hearing a lot of talk about the 1931 depression and how we are or are not heading for another.

There have been folks who say we are, can cite reason after reason why. But I'm becoming more and more skeptical. I'm more inclined to believe that two or three years from now we'll be wondering what on earth we were worrying about.

Now I'm no deep financial student. And I have no private pipeline to Wall Street or the SEC.

But the big cause of a financial crash is and always has been a state of mind where folks lose there sense of values or proportion. They can see the chance of making easy money but forget inflated values can mean even faster losses.

Folks now are not in that frame of mind. As long as the rank and file of us are worrying about a possible depression, we aren't going to be causing one. Instead, we're more likely to work harder and bring on more prosperous times.

Non-Partisan News Letter

Lansing Observer for
Michigan Press Association

During your leisure-time travel on Michigan state highways this summer, don't be surprised if you encounter miles of worn-out roads.

In fact, be surprised if you don't!

The state 3-cent gasoline tax and other revenue sources afford about $36 million in road money for the fiscal year ending this June 30. That seems like a lot of money, but it really isn't so much, as Commissioner Charles M. Ziegler readily proves.

"From this amount $700,000 are required for general administration, $5 million for engineering and supervision, $14 million for highway and bridge maintenance and operation, and $500,000 to cover operating loss of state ferries at the Straits of Mackinac, says Commissioner Ziegler.

"This leaves a balance of only $15,750,000 of state funds for highway and bridge new construction and reconstruction, as well as to meet unforseen emergencies not in our program such as the immediate replacement of three bridges which collapsed this year.

"The legislature has approved a budget item of $2,500,000 to start construction of a double-ended ice-breaker ferry needed to handle adequately the increased traffic volume across the Straits of Mackinac, both winter and summer. Money spent on construction ofthis ferry must also come out of the funds available for highway construction."

Lack of finances do not permit the state highway department to provide for normal depreciation of its trunkline system of 9,400 miles. "We should be spending $25 millions each year in order to take care of depreciation only," said Ziegler. "We still have about $160 million of highway deficiencies today. Finances have not been adequate.

"From 1942 through 1945 regular construction was impossible because of war restrictions, but depreciation was stepped up by unprecendented traffic made necessary by wartime emergencies. Government statistics show that 73 per cent of all war production transportation in Michigan moved over Michigan highways.

In 1946, immediately after the war, we expected to get our post-war construction program under way. We could not do so because of the impossibility of getting cement, steel, new equipment and other materials. Therefore, we had four years of war, plus 1946, or five years when there was no new normal highway construction.

Costs of Michigan highway work has risen steadily from 1941 through the war years to 1949. Today our highway costs are 110% above the costs of 1941. One dollar today purchases less than one-half what it did in 1941.

"Two lane 22-foot pavements, which carried traffic satisfactorily in 1941, are inadequate to handle properly and safely the greatly increased volume. In 1941 we were building these normal two-lane pavements, including preliminary grading and drainage structures, for from $40 to $45 thousand dollars per mile. A mile of the same width of concrete pavement today, increased some in thickness and more heavily reinforced to stand the heavier industrial traffic, is costing about $100 thousand dollars per mile.

"Ordinarily divided highways with a two-lane pavement in both directions cost about $200 thousand dollars or more per mile in a rural section. Because of the number of railroad and street grade separations and the high cost of necessary right-of-way in Detroit, the 10½ mile section of the Ford and Lodge expressways we are now working on costs around 6½ million dollars per mile. The state must pay $2 to match $1 of federal aid for right-of-way purchases."

There is inflation also in highway use. Passenger car traffic is up nearly 25 per cent compared with 1941; industrial traffic is up 50 per cent. More heavy trucks and busses pound the pavements.

Commissioner Ziegler has favored the Good Roads Federation program for an increase in the state gasoline tax. He points out that Michigan is one of three states which have a 3-cent gasoline tax; that the average tax of all state and Jan. 1, 1949 was 5.7c per gallon; that since Jan. 1, 1949 a total of 14 states increased the gas tax load so that the average is now approximately 6c a gallon—double that of Michigan.

If all state roads are not ideal, just remember this: Better roads and higher taxes go hand in hand.

Game Division May Ask Open Season On Doe Deer In West End of County

The State Conservation Department is "seriously considering" requesting a special open season on does this fall in the western end of Charlevoix County, in an attempt to give Charlevoix County farmers some relief from mounting deer damage.

Harry D. Ruhl, chief of the State Game Division, says damage to fruit trees and other crops by deer in this area was steadily growing, that State game authorities feel some sort of corrective action is necessary.

Before any special season on does is requested of the Conservation Commission, Ruhl said, the Conservation Department will make an extensive survey of the local, situation. He declared a special meeting would be called here in the near future, with the Conservation Department inviting all interested farmers, sportsmen, Grangers, and other interested local organizations to attend.

Ruhl said the special season on does, if approved by the Conservation Commission, would probably follow the Allegan-Plan. In Allegan County, the doe season follows the regular buck season, and a limited number of special licenses are sold for use in a clearly defined area.

If a special open season on does is considered necessary in the county, the Conservation Department will place the request before the Conservation Commission at its August meeting.

Ecklunds Have Baby

There's a new member of the Larry Ecklund family. His name is Lars Eric, he arrived June 13 weighing 5 pounds, 2 ounces. The Ecklunds are now at Miami. Larry writes that the Courier news is making him lonesome for Charlevoix but they plan to stay there.

• Stewart Smith of Birmingham was here over the week end with the two Smith boys, Marvin and Donald. They went home Monday but the whole family plans to return in August.

Compulsory Sickness Insurance means this:

Under American Medicine your Medical Bill pays this:

Under Compulsory Medicine your Medical Bill must pay these:

As it is now, you pay for your medical care if and when sickness overtakes your family. You can cover the cost with insurance, under any of the several low-cost private plans. But, if the Government gets into the picture you'll not only pay for direct medical care, but for all the extra government job-holders needed to operate the system. You'll pay for the high cost of this red tape through a deduction from every paycheck, whether you're sick or not. So when anybody talks to you about *cheaper* medical care, just remember all of the extras that you'll be called upon to pay for under government health insurance. Talk it over with your medical doctor and get the *real* facts about the cost of socialized medicine.

Elaine Taylor, Claire Martin Wed at Church Ceremony

In an impressive ceremony solemnized at 3 o'clock Saturday afternoon at the First Methodist church, Elaine Ruth Taylor, daughter of Mr. and Mrs. Walter E. Taylor, became the bride of Claire C. Martin, son of Mrs. John Martin.

Rev. Gaylord D. Howell read the double ring service in the presence of 100 guests before an altar decorated with delphinium, peonies and lighted tapers.

Preceding the service Ione Mosier sang "Always' 'and "I Love You Truly" accompanied at the piano by Mrs. A. C. Belding who played the traditional wedding marches.

Escorted to the altar by her father, the bride wore a gown of white embroidered marquisette fashioned with a high neckline, buttoned to the waist in back with matching buttons and a full skirt which ended in a long train. She wore matching gauntlets, a veil of bridal illusion which fell from a tiara and carried a white prayer book covered with an arrangement of white gladioli.

Donna Rose, as maid of honor, wore a gown of chartruese chiffon styled with a square neckline, cyclet embroidered bodice and a full skirt. She carried a colonial bouquet of pink and white carnations and wore a headdress of the same flowers.

Jack Mol assisted the bridegroom as best man and Patrick and Phil Martin, brothers of the bridegroom, seated the guests.

Mrs. Taylor selected a gray crepe gown and navy and white accessories for her daughter's wedding. Mrs. Martin wore a navy and white print dress with navy and white accesories. Both had corsages of salmon pink gladioli.

Immediately after the ceremony a reception was held in the church parlors. The refreshment table featured a tiered wedding cake wreathed in roses. Bouquets of summer flowers decorated the rooms.

The couple left on a wedding trip to the Upper Peninsula and Canada. For traveling the bride wore a light gray gabardine sult, navy and white accessories and a corsage of white gladioli.

They will make their home at 105 W. Lincoln ave.

Both are graduates of the Charlevoix high school. The bride is a graduate of the Lansing Business College and the bridegroom served three years in the Army during World War II.

Among those from away who attended the wedding were Mrs. Bud Gebeau of Midland, Mrs. Bud Scott and daughter, Doncida of East Jordan; Mr. and Mrs. Rex Supernaw and daughter Marie of Rochester; Mr. and Mrs. Watson Gregory and family of Petoskey; Henry Steves of St. Johns; Mrs. Nel E. Evanoth of Clearwater, Fla.; Mrs. Wilfred Harmon and son, Ralph of Boyne Falls; Miss Frances Caffrey of Traverse City.

School Band Will Play at Festivals

The Charlevoix High School Band will make two appearances in the next ten days, their director, C. A. Odmark, has announced.

They will participate in the July 4 Homecoming Celebration at East Jordan on Monday. Later in the week they will play at the annual Cherry Festival at Traverse City.

S. E. Coleman, secretary of the Board of Commerce, is also making plans to have floats in the East Jordan homecoming parade on Monday and in the Cherry Festival parade on July 7 or 8.

• Mrs. Harry Cooper of Ellsworth is visiting at the home of Mr. and Mrs. L. C. Compton while her daughter Mildred is a patient at the Charlevoix Hospital.

• Mr. and Mrs. Percy Butler were hosts over the week end to Mr. and Mrs. Paul Neal of Detroit. The Neals were on their way home from a vacation trip around Lake Michigan by way of Chicago, the Soo and Mackinac. They were surprised, says Mrs. Butler, at the beauty of Charlevoix.

Charlevoix Gets 17-1 Revenge On Traverse Squad

Charlevoix gained sweet revenge on the Parts Mfg. Co. of Traverse City by blasting out a 17-1 victory Sunday behind the 4 hit pitching of Gallagher and Fairbanks.

Henley with a triple and 2 singles and Gallagher with a triple, double and single led the hit parade for the Knight Owls.

In fairness to Traverse City they were minus three men who figured in their 9-0 victory at Traverse City earlier, but it is doubtful if their pressure would have changed the outcome. The Owls were in a hitting mood and slammed out 15 hits off 2 Traverse City pitchers.

Jean Schutt Is Married At Parent's Home Here

With her parent's summer home in Charlevoix as the setting, Jean Schutt, daughter of Mr. and Mrs. Richard T. Schutt of Grand Rapids Saturday became the bride of John P. Bright of South Bend.

The bride was escorted to an improvised altar by her father, where the wedding service was read by Rev. Gaylord Howell. Mrs. Joseph Arvilla was the pianist, accompanied by Marie Krust, violinist and James Thornton, vocalist.

The bride's gown was of imported white French organdy with a two-tiered full scalloped skirt forming a modified train. The bodice had a high neckline. An illusion fingertip length veil was fastened at either side with sweetheart roses.

The maid of honor was Shirley Schutt of Hollywood, Calif., Loretta Schutt, another sister, was bridesmaid. Both were dressed in blue and carried basket arrangements of pastel painted daisies.

The bridegroom was attended by David Miller of Plainwell as best man. James Beadle of St. Clair and James Thornton were ushers.

Following the ceremony the couple left for a vacation in the Les Cheneaux Islands in Lake Huron and will return to Charlevoix for the summer, leaving in the fall for Kalamazoo where the bridegroom will complete his studies at Western Michigan College.

Brock Family Has Reunion Sunday

The Brock family held a reunion at the home of Mr. and Mrs. Eugene Lewis on Sunday afternoon. The group enjoyed dinner and a social afternoon.

Present were Mr. and Mrs. Marshall Brock, and James Brock of Farwell; Mr. and Mrs. Harry Coblentz; Mr. and Mrs. Clarence Coblentz, Mr. and Mrs. Russell Lewis, Mr. and Mrs. Eugene Bergmann, Mr. and Mrs. Glenn Ingalls, Mrs. Lola Lewis and children, Lorna, Beth and James, Mrs. Ola Kibbe and Mrs. Florence King.

Reception Is Given for Mr., Mrs. Schambach

A reception for George Schambach and his bride, the former Patricia Foley, who were married in Cincinnati on June 18, was held at the home of Mrs. Clinton G. Cooper on Wednesday evening.

The refreshments included wedding cake brought from Cincinnati for the occasion.

Twenty guests enjoyed a social hour and refreshments.

Mr. Schambach was in Charlevoix several years while with the Freedman Corp.

After a week here as the guests of Mrs. Cooper they continued on their wedding trip to Colorado.

• The Coach Olmsteads are back for their 22nd summer here. Troy Kaichen will direct the boys' group of the Olmstead gang; Mrs. Kaichen, the former Ellen Olmstead, will direct the girls and Mrs. Olmstead the little folks.

• Mrs. Pete Sharrow and children of Maimi Beach are here for the summer with Mr. and Mrs. O. Gatti.

• Mrs. Coleman Henderson returned to Detroit Monday and Mrs. Sadie Walt to Manistee on Tuesday following a visit with Mr. and Mrs. C. C. Henderson.

• Mrs. Al Byers of Sacramento and Mrs. Frank Gillespie of Portland, Ind., are here making a two weeks visit with Mr. and Mrs. Arlo Wickersham. They are his sisters.

Brownies Have 100 Percent at Successful Girl Scout Day Camp at Church Grounds

The Girl Scout Day Camp closed Friday after a successful week with the Brownies turning out 100 percent, Mrs. Robert Kelley, Day Camp chairman has announced.

Miss Evelyn Carlson of Ludington, day camp director, taught the girls many new things as well as supervised the local leaders who gave of their time.

Nature study with trips through the fields and woods, learning the various trees, grasses, flowers and insects; handicraft where among other things they made bracelets and grass dolls and rugs; camp craft where they made hobo sticks, insect cages, learned handling of a knife, and sketching; singing and music where they learned many action songs and group singing were a few of the things enjoyed by the youngsters.

Friday was visitor's day when parents and friends visited the various units and later enjoyed a program presented by the group. Action songs, a dramatic skit, folk dances and flag ceremony were included on the program.

Assisting Miss Carlson with the camp which was held at the Church of God camp grounds were Mrs. Homer Brady, Mrs. Robert Kelley, Mrs. Franklin Curtis, Mrs. Charles Bleha, Mrs. Don Bellinger, Mrs. Dan Geneit, Mrs. George Roff, Mrs. Leonard Burns, Colleen Reed, Jane Kohler, Mrs. Herbert Campbell.

Mrs. Fay Davis, Mrs. Abe VerWys, Sara Coleman, Mrs. Jack Abfalter, Mrs. Robert McClintock, Mrs. Frank Oleksy, Mrs. Howard North, Mrs. Ralph Hamilton, Mrs. Gordon Freedman, Shirley McFadden, Lorna Lewis, Mrs. Emil Pischner, Marion Seymour and Mrs. Robert Richards.

Mr. and Mrs. J. F. Scudder took movies on the closing day. Joe Williams sent a treat to camp.

Garden Club Elects Mrs. Arlo Wickersham

Sixteen members of the Charlevoix Garden Club met with Mrs. Arlo Wickersham last Tuesday for a cooperative luncheon.

A short business meeting followed at which time the following officers were elected: president, Mrs. Arlo Wickersham; vice president, Mrs. Harley Ochs; secretary-treasurer, Mrs. Pearl Fitch.

An appreciation was given to our new highway and the beauty of the lakes from many points in Charlevoix, as the National Project of the Federated Garden Clubs is to keep road signs from destroying beautiful scenery. It is hoped that everyone who advertises through bill board signs will keep this in mind.

Thanks were also extended to Leslie Everts and the others from the City for their work done for the Club on State street boulevard in caring for the tulips. Now they are replaced by petunias and pansies and several members volunteered to help care for the flowers as they bloom through the summer.

The next meeting will be July 19 with a Fetchit luncheon at the home of Manie Fessenden at Littlewood.

Try our Orange Drink! Maxbauer's Creamery.

Girl Scouts Have Fine Though Wet Time at Camp

The Girl Scouts of troops 1 and 8 returned home Saturday from a week's trip to Wilderness Park. It rained all but one day while there.

A trip to historic Mackinac Island with visits to the Fort and to the Grand Hotel headed their list. A tour of Wilderness Park under the direction of the Park Superintendent was also enjoyed the one clear day.

Highlight of the week was the meeting with Santos Rudolpho Cortes, of Caracas, Venezuela, who is a student at the nearby U. of M. camp. He taught the girls several South American dances, several of his native songs and told them about his country and their customs.

On Thursday Mr. and Mrs. Ray Kipke and Nancy visited camp, and stayed for supper.

Mrs. Lester Smith, Mrs. Leroy Allers and Mrs. Keith Dressel were camp leaders and nurse.

Carroll Ann Besemer Weds Monroe Man

Miss Carroll Ann Besemer became the bride of Horton Coe Southworth at 2 p. m. June 18 in Central Methodist church at Lansing. Rev. Stanley Coors heard their marriage vows.

The bride is the daughter of Mr. and Mrs. E. I. Besemer of Charlevoix and the bridegroom the son of Mr. and Mrs. Fred O. Southworth of Monroe.

Given in marriage by her father, the bride wore a white satin gown. Her fingertip veil was held in place with a halo of orange blossoms and she carried a cascade bouquet of Johanna Hill roses.

Miss Barbara Besemer, sister of the bride, was maid of honor and wore an aqua taffeta gown. She carried a cascade bouquet of American Beauty roses and white carnations.

Mrs. Clayton Smith, another sister of the bride, was matron of honor, wearing a dusty rose taffeta gown. Her cascade bouquet was of pink carnations.

Robert Streicher, of Monroe, was best man and Dwight Southworth also of Monroe was groomsman for his brother.

The reception for 100 guests following the ceremony was held in the church parlors. On the candle-lighted table was a square five-tier cake.

Out of town guests were from Detroit, Dearborn, Monroe, Belleville, Milford, Madison, Wis., Montana, West Virginia and Aurora, Ill.

The couple are spending the summer at Charlevoix at 206 Carpenter street.

Stage opened its doors Tuesday night for its first production of the season at East Jordan. We wish the company success. Beginning July 1 a school will be opened for apprentices in dramatic art to attract persons in this section who have dramatic ability. Who knows we may be seeing someone from Charlevoix appear in one of the productions before the season is over . . .

It is exciting to know the resort special on the C&O has started and will now arrive from Chicago in Charlevoix at 7:38 a. m. The train will arrive Tuesdays, Thursdays and Saturdays. South bound trains will leave Tuesdays, Thursdays and Sundays at 9:00 p. m. carrying Chicago sleepers and coaches. Another added feature for Charlevoix.

It is truly summer when Junior Whyte gets out his shoe shining side-walk parlor and is ready to go to it on that dull looking pair of shoes.

The Dissette cottage on the Belvedere is open. Mr. Dissette who celebrated his 90th birthday last month arrived last week from Indianapolis. Mr. and Mrs. James Zinn and children of Grosse Pointe are also here . . . Nick Hamilton is a happy Navy man these days. On board the U. S. S. Tanner, Nick recently took an examination as a compositor with another competitor. Nick's score came out perfect and his competitor had made many mistakes. Now Nick has his own stateroom, does not have to stand in line for chow. He wrote his mother that he never realized how much he had learned in The Courier office and it now makes him more lonesome than ever for the office here . . .

Billy Murray had his 11th birthday June 14 and 26 boys and girls helped him celebrate the occasion . . . Mr. and Mrs. Clarence M. Mills from Cincinnati are at their summer home at Ironton . . . Mrs. L. B. Messinger from Chicago is also at Ironton . . . the A. P. Heflins are at their summer home at Beaver Island . . . Mrs. W. E. Hitchcock arrived last week from Muncie, Ind., and is at 304 Meech street . . . Sharon Robertson of Adrian is visiting her grandmother, Mrs. Edward Heise for a few weeks . . . Janet Meuendorf of Milwaukee is here visiting her cousin, Briggs Lagerman for two weeks . . . Janice Zeiller and Joyce Hardy are spending a week with John Zeitler in Detroit.

A Pledge of Allegiance

. . . we mutually pledge our lives, our fortunes and our sacred honor," wrote the men who signed the Declaration of Independence 173 years ago. On Monday, July 4, we renew that pledge as a safeguard against those forces which are seeking to destroy the rights and freedoms which have helped to make this nation great.

The Chicken and Turkey Feed That Gets RESULTS

FEEDS AND FEEDINGS

Experience is proving to farmer after farmer that regardless of price, there is not another feed that will produce faster gains, better finish, with less cost per pound of gain than Farm Bureau Feeds.

The Farm Bureau Program is your program, Mr. Farmer, and it is the best because the right thinking farmers of Michigan have made it that way.

Are you a user and a booster of this program to the fullest extent?

Poultry Growers

The Charlsvoix Poultry Processing Plant will dress chickens for growers on July 6 and 7, 1949. These birds will be sold through the Land-O-Lakes Cooperative at market prices. If you are interested in using this plant drop a card, listing the size and number of birds, to Fred Willis, Charlevoix. You will be notified the date to bring in your birds.

IT HAPPENED ON . . . .

BEAVER ISLAND

By Mrs. J. C. Hanley

This past week the North Shore brought over capacity car loads practically every day. Summer tourist season is at hand. Meeting the boat is exciting and interesting—lots of new faces and many familiar friends arriving daily.

The secretary to the secretary of the Association of Commerce is being kept busy answering inquiries—the result of the folders in circulation.

James McCann announces something new for the Beachcomber. Dolls designed and made by Martha Miller, to be known as "Beachcomber Dolls" will soon be for sale at the Tavern. Martha's dolls are works of art and sell like hot cakes whenever shown.

Mr. and Mrs. Henry Jacobi, daughters Jean, Elaine, Carol and son Phillip, Palmyra, Ind., occupied Allen's cabin during the past week.

Frank McCourt, Chicago, arrived Monday to vacation on the Island.

Mary Janice Supernaw, Charlevoix, has returned to her home after a visit with her aunt, Mrs. Grace Cole.

Mr. and Mrs. Bob McDonough and little daughters have arrived on the Island and will make their home with Bob's mother, Mrs. Vesty McDonough.

Spencer Root, Charlevoix, is visiting his aunt, Mrs. Carl Left.

Mrs. James W. Gallagher has been dismissed from Little Traverse Hospital. She arrived home Wednesday looking fine but the doctors orders are "Take it easy."

Where's ole Brer Fox? We sho need that rascal to help get rid of Brer Rabbit and his gang. Snow shoes and cotton tails have increased in such great numbers that they have just about taken over the Island. Oh! Brer Fox, come a-runnin'!

Lawrence McDonough had a surprise the other day when he looked for his five tame rabbits and found they had multiplied to thirty.

Carol Ann Belfy, Charlevoix, recently visited her aunt, Mrs. Vernon LaFreniere.

Mr. and Mrs. Hugh Ray, Chicago, arrived Thursday to spend the summer at their cottage, Raycroft.

C. R. Barkman and party of friends from Indianapolis are occupying one of Lloyd McDonough's cabins on Sand Bay.

Dr. and Mrs. John Montgomery arrived during the week. Dr. Montgomery returned to his business in Saginaw after a short stay. Mrs. Montgomery will remain for a week or two.

Mrs. Hugh O. Boyle, Chicago, is the guest of her niece, Mrs. Lloyd McDonough. Known as Aunt Bid to all her nieces and nephews, Mrs. Boyle expects to make the rounds and to get in some much needed rest.

Jack Connaghan is visiting his parents.

Mr. and Mrs. Lee Cuddington, Mr. and Mrs. Ed Rockwell, Grand Rapids arrived Saturday to visit Mr. and Mrs. Lloyd McDonough.

Dick LaFreniere's rat terrier is not only a "dare devil" pup but an acrobat as well. Clipping it off at 50 mph, Dick and Prince —the pup—were on their way to the airport when pup took a notion to hit the dust. Prince leaped out the car window, rolled over a half dozen times, shook off the dust and took a bow.

The opening of bass season brought a number of fishermen to the Island over the week end. Glenn See, Karl Erber, Dr. Young and Myron Culver all from Charlevoix, made up a party.

Dr. Charlie McCann, Zeph Baldwin, Wesley McCann, Archie Thorsen and Howard Thorsen, all of Bay City, arrived Friday evening via the Venus II for a fishing holiday.

Louis Brunner and party of seven, Indianapolis, are here for the bass season.

From LaGrange, Ind., Paul R. Dunter, Dr. W. C. Ballou, Jack Dunten and Dick Heller.

Mr. and Mrs. R. C. Turner and Margaret Clancey, Detroit, are guests at the King Strang Hotel.

Father Damien Zimmerman, O. F. C. arrived to substitute for our pastor, Father Giles, who is in Carey, Ohio.

Lillian Greene, student nurse ut Columbia Hospital, Chicago, is spending her vacation with her parents, Mr. and Mrs. Anthony Greene.

Mrs. Warren Wilmot and daughters Kay and Karen, Cleveland are visiting Mrs. Wilmat's mother, Mrs. Elizabeth Gallagher.

School for Combine Operators to Be At Ellsworth July 8

A combine school for all combine operators will be held Friday morning, July 8 at the Peebles' Brothers farm near Ellsworth. This school is a cooperative project between the machinery company and the extension service of Charlevoix and Antrim counties.

Every year many hushels of grain are lost because of improper combine adjustments. In other cases the grain has not been too clean when it comes from the combine. Also grain should be at the right moisture content when combined, to be able to store it properly. All this means that a combine to do the most efficient joh should be correctly adjusted.

Center Stage '49 Opens Tuesday Evening, With Noel Coward's Comedy "Hay Fever"

Center Stage '49 opened the second season at Northern Michigan's legitimate summer theatre in the East Jordan High School auditorium Tuesday evening with Noel Coward's "Hay Fever." Performances will continue through Saturday evening, July 2.

Forming the appreciative audience were Chamber of Commerce officials throughout the area, representatives of the press, officials and members of the Center Stage Association, Charles Culver, Bellaire artist who designed the theatre's program cover for the '49 season and many enthusiastic summer and year around residents. Congratulatory messages on the opening of the theatre again this season were received by the group.

Most of the '49 east are new to this area, but Directors Marilyn Lief and Bernice Loren are back. Cyvia Gilbert, lighting technician and actress ,and David Young also have returned.

Young's recent bride, Sheila Keddy, formerly of the Dublin Abbey Players of Ireland, who appeared with Burgess Meredith in the Broadway production of "Playboy of the Western World", is a member of the "Hay Fever" cast. She will also be seen in next week's production "Angel Street."

David Renard is a member of the "Hay Fever" cast and a newcomer to Center Stage. Son of David Aguilar who was a popular torreador in his native Mexico, Renard appeared in Mexican films at the age of six.

"Angel Street," a gay comedy by Patrick Hamilton will open at the summer theatre July 5 and will continue through the 9th.

State Plants Five Million Pine Trees

A record of 5,407.000 trees were produced and shipped by conservation department nurseries for the spring planting program, the department's forestry division announces. Best previous season was 4,500.000 in the spring of 1946.

Farmers took the hulk of the stock, 2,800.000 pine seedlings. Plantings in state forests accounted for 608,000, industry another 540,000 and free school and community distribntion 425,000 more.

Of the 5,133,000 pines delivered from the Higgins Lake nursery 3,427,000, more than half, were red pine, the rest jack pine.

Awarded Scholsrship

Kay Gerrie, daughter of Mr. and Mrs. Robert Gerrie of Boyne City has been awarded a scholarship in pharmacy at Ferris Institute. She is a 1949 gradnate of the Boyne City high school. She is the niece of Anne Higman of this city.

Good Brushoff Is Best for Swim Itch

Summer bathers can avoid the swimmer's itch in upstate inland lakes by simply giving the brushoff to the mieroscopic-size fluke or schistosome.

A person suseeptible to the itch should give himself a brisk rubdown with a bathtowel immediately on leaving the water, says Dr. A. S. Hazzard of the conservation department's Institute for fisheries research. When possible, an immediate shower with a strong soap is an especially effective preventive measure.

So-called preventives offered to the public, as far as known, are of no value. The Itch is rarely more serious than a mosquito bite, he says, unless the skin becomes infected with bacteria as the result of scratching.

From where I sit ... by Joe Marsh

Now I'm Going Back To High School!

When I saw lights burning in the High School auditorium last night, I looked in to see what went on. About twenty people were listening to Buzz Ellis, the electrician, talk about television.

I slipped into a back seat and asked Hap Thomas what was up. Hap told me it was the new Self-Improvement Club. I stayed to listen—and learned a lot. Buzz really knows his stuff.

Turns out this club meets every Friday night. Each member gives a talk on the subject he knows most about. I joined on the spot because learning new things is one of my favorite hobbies.

From where I sit, it's willingness to learn from the other person that makes Americans tolerant towards so many different viewpoints and tastes in things. Just because Buzz Ellis goes for chocolate malteds, while I prefer a mellow glass of beer, doesn't mean I'm right and he's wrong. Incidentally, next week I'm going to talk on how to run a newspaper.

Antrim County Gets Big Story In Tribune

Northern Michigan got a considerable play in the travel section of the Chicago Tribune a week ago Sunday.

A two column story described in considerable detail the Chain-O-Lakes region down in Antrim county, calling it a "Bit O' Ireland."

The lakes, the 68 miles of inland boating, the towns and the travel routes all are mentioned. Paul Woll's Blue Heaven resort on Upper Torch was the only resort mentioned by name and it was termed "one of the finest resort developments in Northern Michigan."

Five Big Events Set for Venetian Week, July 28-31

Ball Field Lights to Be Installed by Next Week

Next week Charlevoix will have one of the finest lighted ball fields of any small city in the North.

The new lights are expected here Friday and likely will be in place by the first of the week according to Hal Hill of the city superintendent's office.

There will be 32 of them. Each is a 1500 watt unit equipped with an Alaza booster, a refleetor which puts more of the light produced out on the field where it is needed.

The lights are adjustable for position. Once they are put on the poles, they will be set so the whole playing field has an even illumnation.

The poles to carry the lights are in place now. The old ones have been moved back off the field and four new ones set across the back of the outfield. This leaves the entire playing area clear. All wires also will be taken from above the diamond.

There will be three lights on the two poles by the home plate, five on those at first and third, and four each on the four outfield poles. A 50 KVA transformer has been installed in the place of the present 15KVA one. The 32 new lights will use 48 KW instead of the 12 KW of the present lights. Due to their design, they will produce much more than four times as much illumination.

The estimated cost was $1584. Actual cash outlay will be less than $1000 according to Hill. In place of buying four new poles at $117.50 each, four used ones were resurrected from the city pole yard. Instead of buying a new transformer, one from the temporary bridge was installed. The lights themselves cost $632. Wire, switches and labor make up the rest of the present cash outlay.

Most of the work has been done by the city line crew, Ed Swanson, Jack Armstrong and Jim Whitley.

In addition new screen has been put on the backstop and the Carey boys gave it a new paint job.

Dedication, Barbecue to Mark Opening of 131 Paving

A long time wish of Northern Michigan is being realized at special ceremonies Saturday, July 9 to mark the completion of a paved highway from Miami, Fla. to Sault Ste. Marie.

Paving of the last 6.6 miles is just about completed between Boyne Falls and Elmira. To mark this event, Charles M. Ziegler, state highway commissioner, has been invited to ceremonies by a committee of County Road Commissioners and Chambers of Commerce in Emmet, Charlevoix, and Antrim counties.

Present plans call for a barbecue on top of Elmira Hill at 4 p. m. Saturday. A brief history of the development of US-131 will be given by Wilson J. MacDonald, former northern Michigan man, who is now with the state highway department.

Charles T. Lathers, Brutus, president of the State Association of Road Commissioners, is chairman of the drive, E. O. Nyman and Herman W. Kays of Petoskey are the committee in charge of the free barbecue and they are making plans for 2,000 guests.

Free pop, popcicles and ham will be given away right after the official dedication.

At State Meeting

Fenton R. Bulow, Charlevoix county clerk, left Tuesday for Ironwood to attend the annual convention of County Clerks being held there this week.

Supervisors Boost County Valuation by $593,285, Do Heavy Spending

Charlevoix County will be collecting taxes on $593,285 more valuation this coming year than it did last.

At the Board of Supervisors session last week the members boosted the valuation of the county that much. Every precinct except St. James was increased. East Jordan went up the most, both in actual valuation and in percentage while Peaine was at the other extreme.

The Board also spent a lot of money. It appropriated another $9000 to the $10,000 already spent for the remodeling of the county Infirmary at East Jordan.

It added $30,000 worth of insurance to the $24,000 already on that place. It approved $2250 for painting the rest of the buildings at the County Fairgrounds.

Lastly, it voted $1200 to pay for having all county records microfilmed. These film records will be stored in the city's fireproof vaults.

The allocation of the county tax money will be made at the October session.

The new equalized valuation for the county is at the right:

The Tow Line

News of folks, your neighbors and mine . . .but did you know that—

The terrific heat in the cities really did things to folks during the holiday week end. There was a stream of cars headed north. Seems as though a goodly block of folks landed in Charlevoix for the town was fairly bursting at its seams during the week end.

June 25 will be a long remembered day in the Hassenbusch family. On that date Mr. and Mrs. Bernard Hassenbusch were in New York City attending the wedding of their son, Sol, to Susan F. Rasalsky. (The bride is the daughter of Mrs. Felix Mayer, who summers at Oden. Here many times, she has several Charlevoix friends.) On the same day, word was received from St. Joseph, Mo., that Mrs. Samuel Hassenhuseh had passed away at her home after a month's illness. Now Samuel Hassenbuseh is here with the Bernard Hassenbuseh family at their home on Michigan Avenue.

The day wouldn't seem quite complete unless folks on the north side saw Mr. and Mrs. Joe Block take their nightly stroll along Michigan and Petoskay avenues. . . . . It was a good thing it was a sana 4th in Charlevoix so that averyona is alive on July 5. However, several parties wara held about town for children with tireworks and sparklers aplenty. One of the biggest was at the Robert Lauer's on Petoskey ave. Another big party was staged on tha Laka Michigan beach when Lyle Beaudoin arrived home with fireworks. Several friends and their children shared in the fun.

Mrs. Charles Rice of St. Louis is at her Michigan Avenue cot-

Chest Directors Seek Suggestions for Work in 1950

Suggestions and criticisms on the Community Chest are baing asked by the Directors for the annual meeting July 13 at the City Hall.

This session is open to every citizen of the community, rural as well as city. There the work of last year will be reviewed, comments called for, new directors elected and plons made for next year.

The meeting starts at 8 p. m.

Finance Delegates Vote to Return Here Next Year

By a unanimous vote, members of the Michigan Consumers Finance Association voted to return to Charlevoix for the fifth annual summer session of the organization. They will be hore June 29 and 30.

They conelnded their summer convention at the Belvedere Hotel on Friday evening. At the invitation of S. E. Coleman, secretary of the Board of Commerce, the members voted to return for another year.

• Mr. and Mrs. M. E. Wakefield spent Sunday in Manistee and on their return were accompanied by his sister, Mrs. Francis Aler of Manistee, who will be their guest for several days. Mr. and Mrs. George Wakefield and family of Muskegon are also spending several days here. On Sunday they all attended a Wakefield family reunion at Bellaire.

• Camille Geneit, a senior student nurse at Sparrow Hospital, Lansing, arrived Saturday to spend a month's vacation with her mother, Mrs. Graee Geneit. She was accompanied by Norma Newman, a fellow student and resident of Lansing, who will be her guest for two weeks. The latter's parents, Mr. and Mrs. H. M. Newman of Lansing brought them here and remained for the week end.

• Mr. and Mrs. Jay Boss have gone to Grand Rapids for an Indefinite stay.

Census Taker Is Due Next Week

Next week a census taker will be around to call on Charlevoix busines men.

The reason is the regular decennial business survey. The worker will leave a short form to be filled out and mailed to the district office at Boyne City. Every service, wholesale or retail place will be included. Manufaeturers were covered in a similar census last winter.

Don Watkins, census director for 14 northern counties, says that the survey is complete in several eastern counties, in Antrim and nearly so in Emmet. The census take, likely will be starting here Monday. East Jordan and Boyne City will follow.

No figures on any individual business will be released. The report sheets are sorted at Boyne into the various categories and then sent on to Washington for final compilation. The resulting national report will show the business done by lines such as dry goods, groceries, hotels. Altogether there are almost 40 classifications.

Surprisingly enough, tax money does not pay for this survey nor for many others. In this case a group of national and foreign manufaeturers want the Information. They contract with the Census Bureau to do the work since it already has the organization.

The Bureau thus keeps its staff working and intaet. The manufacturers get figures accurate within one half of one percent, and at a reasonable cost.

Craftsman in Gold, Silver Now Working in Charlevoix

Something new has been added at Charlevoix—a silversmith.

And an interesting silversmith at that.

He is Wesley Segner who arrived durlng the past few days from Arizona to be at the House of Jewels for the season. With Mr. Segner is his wife. They came from their little ranch and adobe house at Scottsdale, Ariz.

Seated at his ordinary looking workbeneh in the House of Jewels, one could neyer realize he could fashion exquisite things ranging from a silver or gold button, to hollow or flat ware, according to milady's desire.

Mr. Segner has had an interesting background. He had art in high school. Then on to college, where he graduated from Art and Architecture at Western Reserve and the Cleveland School of Art. For some time he taught in the Cleveland Museum of Art and Shaker Heights High School in Cleveland. Then Uncle Sam called him.

In 1946 Mr. Segner decided to make his hobby of silversmithing a life work. In the winter he is now one of the seven artists in the Craftsman Building at Scottsdale where he fashions fine things from silver and gold for special custom pieces.

Simplicity marks nis designs for his main interest lies in shape, form and line rather than heavy ornamentation.

A silversmith, plus a dreamer, who has the ability to make his dream a reality in silver or gold. Yes, that's Wesley Segner.

Work on City's New Dock Will Start in August

Nothing will be done on the new pier at the foot of Clinton street until August.

Word was received by the city last week from the Sears Dredging Co., of Traverse City, whieh has the $3400 contract for the work. It said that Inland Steel had promised to ship the required steel piling the first part of August.

There will be 85 feet of this piling, making a new and permanent face for the pier south of the laundry. The steel, in 16 foot lengths, weighs 22 pounds to the foot and is similar to that used at the present city dock farther north.

When the steel is in place, the space back of it will be filled and a pavement poured on top. This will replace the present deerepit wooden dock.

Eventually, the city plans to have a four lane street and parking area from Bridge down to the new dock. Laek of money now prevents the entire job being done at once. But the new pier is the first permanent part of the improvement.

Naval Air Team Will Play Here Sunday Afternoon

The Charlevoix Softball team will meet the strong Traverse City Naval Air Base nine here Sunday night at 8:45 p.m.

The two teams were seheduled to play at Traverse Sunday but were rained out. The only basis of comparison as to the relative strength is their records. The Air Base is undefeated in the Traverse City league, while the Charlevoix team has split two games with Parts Mfg. Co. a member of the Class A League.

This game may be the first that will be played under the lights.

Former Resident Dies at Muskegon

Miss Etta Reed, former Charlevoix resident, died Saturday at Muskegon following a brief illness.

Born in Elk Rapids, she graduated from the Charlevoix high school in 1902 and lived in Washington, D. C., New Mexico and Amarillo, Tex., before going to Muskegon in 1934 where she taught in the grade school.

She is survived by two brothers and two sisters.

Funeral arrangements have not been announeed.

John O'Brien Marks 95th Birthday

John O'Brien who makes his home with his daughter, Mrs. William Gibson, observed his 95th birthday anniversary on July 4 with a family gathering.

Mr. O'Brien is up and about every day and reads without assistance of glasses. He has made his home in Charlevoix for several years.

Charlevoix Has One Answer to Current Wave of Teenicide

Charlevoix adready has one of major remedies for 'teenicide", deserihed in the leading article in the new Reader's Digest.

According to the magazine, this teenielde is the reckless, fatal driving of the teen-age group. And one of the best preventive remedies is a class in good driving. That is what we have.

Started last fall in our school here, it is open to upper class students. According to Chief Clarence Ileise, 24 have passed his final examinations. It is not an easy course, he says. He insists that before he gives approval, the student must know how and actually drive safely under most of the conditions likely to be found here. In other words, it isn't a snap course.

Contrary to some current belief here, the eost to the school district is mieroscopically small.

The car is supplied by the motor inanfacturers under a program worked out by the AAA. The local dealer hrings it here and supplies various services at his own expense.

The teacher of the course, Max Novak in Charlevoix, went to an intensive driving school conduet-ed by the AAA. Here he devotes some of his regular school time to the teaching in the dual control car.

The only cost to the school district is the price of gas, oil and periodic lubrication. The ears are replaced by the manufacturers every year so that pupils will learn to drive on new equipment and a variety of makes.

"As far as safety is conserned, it's the best thing we've had here," says Chief Heise. "Those kids not only learn how to drive right, but they're passing their attitude on to others who are with them."

The program definitely pays off. The AAA reports that in some cities the teen-age accident rate has dropped as much as 77 per cent.

Circus, Ball, Dedication of New Span, Carnival, Boat Parade Scheduled

Charlevoix will be the busiest place in Northern Michigan the last of July.

There will be a circus, Hospital Benefit Carnival, Coronation Ball, dedication of the new Pine River bridge and the colorful Venetian Night as the eulmination. Those are just the major items. In addition there will be a number of other things like eafeteria suppers, formal dinner, boat rides.

The circus will be here July 28. Sponsored as part of the Hospital Benefit, it is the Ayres & Kathryn Davis Circus. The Boy and Girl Scouts will sell tickets to both the matinee and evening shows.

The Coronation Ball will be July 29 at the Beach Hoetl. At that time, Hon. Charles Ziegler, Highway Commissioner, will crown Miss Nancy Kipke as Queen Charlevoix. Miss Kipke was chosen two weeks ago to represent this city at the Traverse Cherry Festival where she is one of the Queen's Court. The Interlochen Orchestra will furnish music for the dancing at the Beach.

The Hospital Carnival will be staged along Bridge Street and the city park July 29 and 30. Booths, rides, shows and dozens of concessions, all run by Charlevoix folks, will be there. One prize is a new $300 executive desk donated by the Freedman Company. All proceeds go to the new hospital fund.

During the Benefit the Methodist Ladies will have a eafeteria supper to help care for the visitors here.

Then on Saturday there will be the formal dedieation of the new million dollar Pine River bridge with Commissioner Ziegler as guest of honor. The bridge also will be recognized officially as the World War II Memorial.

Sunday night the series of events will culminate in the annual Venetian Night parade of lighted boats coming in from Lake Charlevoix to Round Lake to pass before the thousands on the shores of the little lake.

Venetian Parade Boat Owners to Meet Tuesday

All boat owners who can or will entar thair craft in tha Venetian Night Porade the last day of this month should be at the City Hall Tuesday night at 8 p.m., according to Robert Hamilton, Commodore of the Marine Club.

Plans for the Parade will be made at that time and tha available strings of lights apportioned out.

Barnard Topples See Nine in Big Upset of Week

Feature of the fourth week of City League softball was the upset of Glenn See's "Invincibles" by the underdog Barnard outfit 10 to 8.

At one time Barnard held a 10-0 lead and the great Sees looked like anything but champions. A belated rally saved some prestige, but Barnard's victory was a shot in the arm to the other teams. In the preliminary, the House of Jewels shellaeked the Legion 19-2.

Wednesday night Moore's ran up a big lead on Russell's and coasted to a 17-11 win. Then the Cleaners took Cadillac-Olds 10-2. Thursday the Charlevoix Oils upset Abbey's 9-4, and See nosed out Cadillac-Olds 7-6.

Friday Abbey's pulled a real surprise in downing the House of Jewels 14-13, and the Cleaners went on a scoring rampage to beat Russell's 27-5.

Some lengthy arguments marred the games last week. There is a League rule that one argument puts the players out of the game and two suspends him. The umpires will enforee this rule from now on.

The standings as of July 4:

	W	L	Pct.
House of Jewels	4	1	.800
Abbey's	4	2	.650
Charlevoix Oil	2	3	.400
Legion	0	4	.000
Senior Laague			
Glenn See	6	1	.850
Michigan Cleaners	5	2	.700
Barnard	2	3	.400
Walt Moore	2	3	.400
Russell's Grocery	2	5	.285
Cadillac-Olds	2	5	.285

• Week end guests at the home of Mr. and Mrs. Charles Warner were their son-in-law and daughters, Mr. and Mrs. George Anderson of Lansing and Miss Irene Warner of Dearborn. Their son and daughter-in-law, Mr. and Mrs. Dixon Warner and two sons of Dearborn are spending two weeks vacation with them.

Flint Couple Buys, Will Operate Was-Wa-Gun Resort

Was-Wa-Gun, south of Eastport, has new owners. They are Mr. and Mrs. Arthur Rees, Jr., of Flint who took over Thursday.

They have bought the popular log resort with its cabins and dining room from Toby Grace and Joseph Bradford. Grace is living at Eastport and Bradford has gone to Detroit.

Before coming here, Mr. and Mrs. Rees managed the Please All Bar and Lorendon's Tavern at Flint. At Was-Wa-Gun they have engaged Emit Adams and his Three Hatters to play for dancing twice a week. They also plan to resume the serving of dinners.

Episcopal Church Services at 9 A.M.

The services at Christ Episcopal church will continue to be held at 9:00 a.m. every Sunday during July and August.

Holy Communion will be held at the same hour on the fourth Sunday of each month.

• Mr. and Mrs. Joseph Steiner and son, Johnny of Cincinnati, are spending the summer at the Emrey cottage on Auld avenue.

Welcome Back

Charlevoix offers some wonderful times during the year.

There's mushrooming in the spring. Ice skating on the school rink and fishing through the ice in winter. Perch fry parties on the beach in October.

But few of these will surpass the pleasure of seeing the summer friends come back.

For all Charlevoix has a sort of family reunion once a year at this time. It's great.

Let's Not Be Careless

Folks are getting a little careless seemingly about one of Michigan's best laws—that on the sale of firecrackers. Every year there appears to be a few more of them brought in and used.

Now I'm not against the kids (and Dad) having a good time. But I am against blindness, crippled hands, injured bystanders. Those were the usual tolls every Fourth back when I was a kid.

Our firecracker law is just about one generation old. That is the time it takes a population to forget a fact. For the sake of the youngsters, the human cost of uncontrolled fireworks should not be forgotten.

— — — —

Wonder how many other folks started to turn down Nichols street without thinking. Seemed sort of strange to follow the old route on Petoskey and Michigan avenues after the new bridge was opened. One thing sure, none of us miss those bumpy approaches, although the street crew did a good job keeping them as smooth as they did considering the handicaps they were up against.

Let's Leave 'Em Alone

My good friends over at the Northern Michigan Review are plumping to have Michigan follow the lead of some other states and use our auto license plates to advertise Michigan.

Now, heaven knows, I've never been one to favor Michigan hiding its light under a bushel. In fact, I've publicly and repeatedly in these columns said that one of our glaring sins is failure to boost our own wares. (If California had half what West Michigan does, it would have something to talk about).

But an auto license plate isn't an advertising board. It is all right for states with small registratons and few attractions to use them maybe, but not for us. With our big registration, we need a legible plate. We have the best system in the whole conntry now. We have a good looking design. Let's leave our license alone so they can serve the purpose for which they were intended—to identify the cars.

Visiting Our Next Neighbors

Across the Boarder

(By L. E. Towe)

Well, after eight days as a guest of the Province of Ontario I'm back in Charlevoix.

Thinking back over the trip, there are four things stand out particularly.

First is the genulne feeling of hospitality we 24 U. S. weekly publishers met everywhere we went. I do not believe that the attitude was reserved for us alone. It was too sincere for that. I believe the Ontario Canadian genuinely enjoys having folks visit him and his country.

Second is the differenee in scenery. The farming area at the south end isn't so different from Michigan except for the tobacco. But the north country with its ancient, rounded rocks sticking out is decidedly different.

Third are the flowers. The Canadian seems to grow about four times the amount we do.

Fourth are the lower costs we met. Cottons and most manufactured articles are higher. But meals, rooms, woolens, linens, and dishes are decidedly cheaper.

All of us publishers liked the food, the ceremony of toasting the king and then the president before formal affairs, and the enthusiastic way the Canadian sings.

There were two things I definitely did not like.

The lights in the cities from Toronto west flicker, due to the 25 cycle current from Niagara. Canada is switching over to our 60 but meanwhile the lights give a U. S. male the willies when he shaves.

Second was the occasional Canadian who publicly or privately would bewail the fact Canada was 25 years behind the U. S. She might be in a few forms of production but she isn't in a lot of other ways. I couldn't see why they needed to be apologetic.

For in almost all things the Ontario Canadian is no different from us. He thinks, looks, lives and acts like us. Of course, he calls his Mercury a Monarch, he has a picture of George and Elizabeth on his wall instead of Truman. He is more emphatic than we are about his right to run his own affairs, and he takes his politics hot.

(Next week the editor will describe a few of the high spots of the trip.)

"Angel Street" Now at Center Stage

Behind the scenes at Center Stage '49, Northern Michigan's legitimate summer theatre, the visitor finds a hardworking professional company of New York actors and actresses.

Following each final curtain of a performance after a few minutes of visiting with friends who call backstage, actors and actresses hurry to remove make-up and grease paint and get on to the next job. Perhaps its a rehearsal, or the assignment may vary from scurrying about the community in search of "props" for the next play, to helping construct the set or some un-glamorous job like painting or scrubbing "flats."

All of the company pitch in to make each play the smooth production demanded by the exacting directors, Marilyn Lief and Bernice Loren, who are determined to give "good theatre" to their audiences.

Each member of the group knows that summer theatre means hard work. Changing the program every week with a completely new setting and play, it could not be otherwise.

Gradually, people who have never met the group are beginning to call backstage after performances. The cast and the directors appreciate the visits and the encouragement they receive.

The second play of a ten week season, "Angel Street" the popular, melodrama by Patrick Hamilton, is being presented this week at the summer theatre, Tuesday through Saturday evenings at East Jordan.

"Angel Street" is a costume play with a mid-Victorian setting. Heading the cast are Sheila Keddy and Jack Rubens, capably supported gy Angela Castle, Gyvia Gilbert, and David Coby. Audiences are seeing Rubens and Coby for the first time at Center Stage. Actor's apprentice, Pat Ahern of Owosso appears briefly in a walk on part this week at the theatre.

Ahern came to Center Stage this year to study with the professional group. He admits to having learned much more about theatre that he thought possible in so short a time.

Michigan Singers Take Three Places In SPEB Contest

Michigan did extremely well in the recent International SPEBSQSA contest at Buffalo.

Three of the four quartets placed 2-3-4 and the fourth was in the finals.

Winners were the Mid States Four of Chicago who were here last year as the star attraction at the Labor Day Jamboree. All the four Michigan quartets have sung here. The Clef Dwellers of Oakland County were second, the Antlers of Flint, third, and the Songmasters of Lansing fourth. In the finals were the Gardenaires of Garden City.

Secretary Alger Will Visit City

Charlevoix will have a distinguished state guest here July 11.

Fred M. Alger, Jr., Secretary of State, will stay here overnight on a swing around the Lower Peninsula visiting all the department's Branch offices. He has completed a tour of the Upper Peninsula.

Besides inspecting the offices, Mr. Alger is discussing the new vehicle code with the branch managers. Passed by the last session of the Legislature, the new Michigan Vehicle Code brings together and simplfies the former jumble of vehicles rules and laws.

The new Code is now being prepared for the state printer and soon will be available to the public.

Promoted to Sergeant

James Eccleston, who is stationed at Hickam Field, Hawaii has been promoted to sergeant, he has notified his mother, Mrs. Anna Eccleston. He is stationed there with the tower control unit of the U. S. Army Air Force.

• Mr. and Mrs. Harry Weinbaum and children have arrived from Detroit to spend the summer at a Mercer Blvd. cottage.

Letter To the Editor

Dear Mr. Towe:

When I left Washington, I swore I would not write another line to, or for, an editor for the rest of the summer. However, a little matter is causing me considerable concern and I hope you will forgive me for calling it to your attention.

I am told that the beach on Lake Charlevoix at the sugar factory will have no life guard this year. Last summer I knew of several youngsters that had to be pulled out of the water by the guard and I dread the thought of leaving that place unattended. New softhall lights are wonderful and a new bridge even better, hut surely the lives of kids are the most precious things in the whole wide world. I hope you won't think I am being a busy body and my interest is strictly impersonal because my seven-month old daughter won't be doing much swimming this summer. The best way I know to avert these tragedies is to exercise a little precaution. There must be something we can do.

Sincerely,
Louis J. Gordon

Andrew Rruitt Is Member of Crew on MacMillan Ship

A boy who has visited Charlevoix many times on his father's yacht this summer is sailing for the Artic aboard the "Bowdoin" of Comm. Donald B. MacMillan.

The youth is Andrew Pruitt, son of tha R. S. Pruitt's of Chicago. He is one of 13 college students accepted as crew of the Bowdoin by the veteran explorer MacMillan. This is tha 28th trip north for the "Bowdoin." The group will chart currents, do some coastal mapping and hunt uranium bearing ores.

Word of all this cama from John Woods, formerly of Charlevoix, who sent clippings from Portland, Me., on the sailing of the MacMillan ship. Woods adds that so far in all his travels he hasn't found any place that wilt compare with Charlevoix.

Hospital Architect to Confer With Board

Work on the final architectural plans for the new Charlevoix Hospital will be started soon.

A representative of the Chicago firm of Skidmore, Owens and Merrill, was here Wednesday to confer with the members of the Board. Both for economy and quality of work, the hospital board will have the Chicago firm redraft the plans on a considerably less costly scale than the original ones.

Florenz Milner at Summer School

Miss Florenz Milner, librarian at the Charlevoix public library, left Thursday for New York City where she has enrolled for the summer term at Columbia University. She is majoring in library science.

When the library re-opens on July 11, Mrs. Albert Novotny, Jr. will be in charge until Miss Milner's return.

Cheboygan to Have Old Time Minstrels

Cheboygan is putting on an old time minstrel show July 16, complete with burnt cork, end men and the old favorite songs.

It is the benefit given by the St. Andrew's Alumni for the Indian River Catholic Shrine. Some of the numbers will be Camptown Races, Mississippi Mud, Shing, Tacara Boom-de-a done as a can-can dance.

The show will be in the Opera House at 8:30 p. m.

An estimated 40,000 gold-seekers crossed the continent to reach California in 1849.

'QUICK THINKING AND FAST ACTION GOT ME $175 EXTRA ON A FORD TRUCK TRADE!"

Ford Model F-1 Panel, one of over 150 models in the Ford Bonus Built Truck line for 1949.

"When I heard my Ford Dealer was making the best truck deals in town, I decided to check," says Andrew Ligeski.

"It was a fact! The offer looked extra good. And when I stopped to think that used truck values were slipping, and that I might take quite a loss if I waited, I made up my mind on the spot.

"I'm tickled pink I did. Used truck values have slipped so fast in the last three months, I figure my quick thinking and fast action got me at least $175 extra on a Ford Truck trade."

Effective July 2—
NEW LONG DISTANCE TELEPHONE RATES
for calls within Michigan

INCREASED RATES for long distance telephone calls between Michigan points, effective July 2, 1949, have been authorized by the Michigan Public Service Commission.

Last December, Michigan Bell requested rate increases for both local telephone service and long distance service within Michigan so it might continue giving the kind of telephone service the people of Michigan demand.

The Public Service Commission's order provides only for that part of the application which requested an increase in long distance rates (including rates for teletypewriter exchange service messages) within the state. But it will provide urgently needed revenue until the Commission is able to finish its investigation of the complete request and rule on it.

HERE'S WHAT THE NEW RATES MEAN

Initial-period rates for DAY STATION-TO-STATION calls are increased 5¢ to 15¢, depending on the distance.

Initial-period rates for NIGHT STATION-TO-STATION calls are increased 5¢ to 30¢, depending on the distance.

Initial-period rates for DAY PERSON-TO-PERSON calls are increased 5¢ to 30¢, depending on the distance.

Initial-period rates for NIGHT PERSON-TO-PERSON calls are increased 5¢ to 15¢, depending on the distance.

Rates for each additional minute, which are approximately ⅓ of the initial-period rate, are increased proportionately.

The initial period for 10¢ calls on the new rate schedule is 4 instead of 5 minutes; and for 20¢ calls, 3 instead of 4 minutes.

Rates for teletypewriter exchange service messages between Michigan points are increased proportionately.

Your Long Distance operator gladly will give you the new rate to any Michigan point.

• Mr. and Mrs. Dale McCann and daughter Linda of Flint spent the week end with his father, John McCann and his brother-in-law and sister, Mr. and Mrs. Versal Seymour.

What's Doing At Camp Charlevoix

Camp Charlevoix opened June 27 for the 23rd season with boys from nine states including Minnesota, Virginia, New York, Pennsylvania, and Texas. Mr. and Mrs. Kenneth W. Smith of Grosse Pointe began their first year as director-owners of the camp, though it is Ken's twelfth year and Ruby's sixth at the camp.

A staff of 37 began the season a week before the campers arrived during which time the camp was put in readiness for the 1949 season. Harry Bingham of Charlevoix is back for his 12th year as the camp's business manager. Dick Lewis of the University of Michigan is the bookkeeper. Mr. and Mrs. Howard of Ann Arbor, last year's cooks, are back again. Assisting in the kitchen is Jack Grubaugh of Charlevoix. Don Bacon of the University of Michigan is the Head Counsellor. He is also the director of the waterfront. Kendall Cummings from the University of Arizona will be the cowboy. This is his second year at the camp. Assisting him will be Frank Smith. Dr. Marvin Bonzillar of Holland is the camp physician. Miss Betty Kinch of Toronto, Canada is the nurse. Barney Englehart is continuing as caretaker. The Section Heads this year are Phil "Flippo" Steding, senior, Fred Wogner, Intermediate, and John Ellsworth, Junior.

Those returning from last year are Phil Steding of the University of Michigan. Phil is starting his sixth year at Camp Charlevoix. John Ellsworth, who is from Duke University is beginning his fourth year. Don Bacon from the University of Michigan is in his fourth year, also. Fred Wagner from the National College of Chiropractic is beginning his second year. Bill Kasler of Albion and John Cook of DePauw are also beginning their second year.

Those who are beginning their first year as counsellors are Sam Schaefer, Dick Rouse, Bob Wagner, Neal Traves, and Jack Bunbury all from the University of Michigan, Don Danneeker and Dick Frost from Dennison, Jim Alexis from Ferris Institute, Pinson Neal of the University of Missouri, Roger Serzen from George Williams College, Otto Korth of Indiana Technical College, and Don Lewellen of DePauw University.

Last Saturday night the opening Initiation Council Ring was held. After a march through the woods in single file everyone arrived at the Council Ring. A spectacular boll of fire from the heavens lit the Council Ring fire after which a brief history of each activity in camp was given. Otto Korth spoke on Self-reliance, Chuck McKean spoke on Attitudes, and Don Bacon told of the qualities of a Camp Charlevoix camper.

In Sunday morning chapel Ken Smith spoke on "Building a Reputation." The chapel choir composed of both campers and counsellors assisted in the service.

At the waterfront afternoon Jimmy Arn took first place in the 25 yard free style. He was followed up by David Love and Tim Mast. Reed Modden took first in the 25 yard backstroke. Ralph Green and Sterling Ragsdale took second and third. Bob Stockwell came in first in the 50 yard free style with Charles Kearney and Alan Mendelssohn following up. The 50 yard backstroke saw Bill Hardie take first followed by Ewing Goff and Bob Sommer. Jerry Craig took first in the 50 yard breaststroke and he was followed up by Bill Putt and Bill Phelps. Edward Macauley and Ted Grainger won the canoe race.

Each section held its own vespers at night after which taps was sounded and the camp became quiet for the night.

Monday morning the teams for the Greens and Greys were chosen. In the Senior section the captain for the Greys is Bob Inch and his lieutenant is Dave Harding. The captain for the Greens is Jack McQuiggan whose lieutenant is Tom James. The Intermediate Grey captpain is DiDek Degener. His lieutenant is Tom Kearney. The captain for the Greens is Jeff Jennings whose lieutenant is Duffer Smith. The captain for the Junior Greys is Tom Tinsley. His lieutenant is Bill Boswell. The captain for the Junior Greens is Alan Leadbetter whose lieutenant is Vic Henrich.

The camp time is one hour slower than the city.

Welfare Goal Not Reached by County

The results of the United Health and Welfare drive for Charlevoix County, conducted last February, was encouraging, although the county quota was not reached.

For the purpose of the drive, the townships were divided among the three cities with headquarters at Charlevoix, East Jordan and Boyne City. Each section was to raise $1200 making a total budget of $3600. Charlevoix was the only one to make the quota.

Charlevoix	$1299.70
East Jordan	965.00
Boyne City	351.46
Total	$2616.16

This result means the funds will have to be prorated. Since some of the agencies conducted drives of their own, the extra money raised will be used in the county for local needs.

There is an emergency fund that will take care of disabled children needing services, to be used by the community nurses. Three or four hundred dollars will be deposited at Munson hospital to be used by those disabled by polio.

Since there was confusion about the drives this year, and since this was the first attempt to have a united drive, the result was satisfactory. No local need will be sacrificed because the goal was not reached.

THE TOW LINE

(Continued from page one)

tage . . . Wonder how many folks noticed the tulip trees in the Catholic cemetery last week when they were in full bloom? It was a sight to behold . . . There is some money in an envelope bearing a girl's name found on Bridge Street Saturday. If the person will come to The Courier office and identify same, it will be hers. . . . Company, company, company, That is the price one pays living in Charlevoix with all one's friends and relatives wanting to come here in the summer.

Was going down State Street the other day, thought I saw a familiar face at the wheel of his car. Sure enough, there was Jack Reed driving his car again. What a thrill that must be to him after spending months in a hospital and wheel chair . . . Don Campbell has been wearing a wide grin these days. There's a new grandchild up at the hospital born to Mr. and Mrs. Dick Herrick and it's a girl!

Mr. and Mrs. C. M. Bice were in Canada last week to attend the school reunion of Mr. Bice's near London, Ont. It was the first time in 60 years a reunion had been held at the school and more than 1000 persons were there. On their way home the Bices stopped in Port Huron to visit relatives but the heat of the southern part of the state drove them back to Charlevoix in a hurry.

Strawberry shortcake season is on the wane with the crop dwindling . . . Louis Orlowski of Detroit spent the week end with his mother, Mrs. Margaret Orlowski . . . Robert Hampton of Dayton, Ohio, flew up Saturday morning in Bob's Cessna to visit his parents, Mr. and Mrs. Charles Hampton of the Bird's Nest. He was accompanied by his friend, Dave Kennedy, also of Dayton. Both were enthusiastic about Charlevoix, remarking that they had never flown over more lovely country or lakes with their beautiful colorings. The boys returned to Dayton early Monday morning making the trip in approximately 4½ hours.

Jack and Marg Wood of Clintonville, Conn., spent last week with the Clarence Woods. It was a lark being here, having the family boat to enjoy, especially when they had such heat in the East with no rain for 32 days. The pay-off came Sunday when they had to start back. At Imlay City they had engine trouble. They started on hoping that Limping Lena would get them there and it finally did. Saturday Mr. and Mrs. Robert Wood and young son arrived from Syracuse to be with the Clarence Woods for their vacation.

Friends of Frederic Fechheimer are glad to know that he came through his operation in Chicago recently and is quite comfortable now and hoping to be back in Charlevoix before the month is ended. The Fechheimer cottage is open however. Mr. Fechheimer's sisters, Minnie and Alice Fitch of New York City are here enjoying the cool house and beautiful garden.

Esther Lou Fochtman and a friend, Bill Hammond of Lansing, spent the week end with Mr. and Mrs. Angus Fochtman. . . . Mr. and Mrs. Archie Livingston, Jr., of Rockford spent the 4th here. Leone Livingston is staying a few days with her folks as the thermometer registered 100 in their apartment last week. . . . Dick Scheid is at home on a 10 day leave, coming from Great Lakes Naval Station. Dick will go on from here next week to the Air School at Memphis, Tenn., to report for duty.

cabin on Harwood Lake.

Mr. and Mrs. Allan Arnold of Birmingham are here for a week's stay. . . . . So many new boats have come into the harbor this week! The North American certainly drew a crowd as it came into port on Sunday afternoon. . . . . This is the time of roses: Portland, Ore., has nothing on Charlevoix right now. Take a look at the Marsh Meek garden, visit Joe Foster's or the Shyrock girls in Boulder Park. And then there are so many more pieces about town where the roses are just as beautiful as at those three.

Mr. and Mrs. Bamberg of Saginaw are visiting for a week with her parents, Mr. and Mrs. Jud Hardy. For the week end Mr. and Mrs. Donald Swick of Saginaw also were here. . . . Mrs. Louis Ets Hokin and her sister, Mrs. Herman Schur of Chicago are at their Nettleton street cottage for the summer. . . . . Grace Brock of Detroit is visiting her sister, Mrs. Harley Ochs. Bill Ochs also was home for the holiday week end.

Mr. and Mrs. Bob Paul have returned home after spending several days in Chicago. They made the trip with their boat. In spite of the fact they were on water, they found Chicago most oppressive . . . Mrs. Harvey Campbell really had a houseful of guests last week. They were cousins. Dr. Hildegarde Wilkinson of Glendale, Calif., Mrs. Earl Evans of Barkley and Miss Margarethe Peterson of Glendale, Mrs. A. R. Lemm of Detroit, Mrs. Robert Easterly of Port Washington, Long Island, and Mrs. Hale Cowling of Philadelphia. Old timers will remember the Wilkinson girls, daughters of Dr. and Mrs. A. M. Wilkinson who used to live on Michigan Avenue. Mrs. Easterly and Mrs. Cowling were the former Irene and Phyllis Auld, daughters of Dr. and Mrs. J. A. Auld. The girls had not been in Charlevoix for several years and were delighted with the much improved appearance of the place. They took many pictures. Then to make their visit more complete Kay Fitch and Margaret Erber arranged a hurried get-together of some of their school friends at the Erber home on Wednesday evening.

Mrs. Elsia Ball of Detroit spent several days with her son and family, the Leslie Balls. It was her first visit here and she was delighted with Charlevoix. Sunday the Ball family drove to the Straits where she was met by Mr. and Mrs. Reuben Buzzo of Calumet where Mrs. Ball will spend some time with her daughter and husband.

Mrs. Ann Hartman of Niles and Mr. and Mrs. Francis Nablcht and children of South Bend spent the holiday week end with the Charles Hamlins . . . Mrs. Louis Mosier and son Billy and Mrs. Marie Firestone, mother of Mrs. Mosier, left last week for Empire, where they expect to be a few weeks and then they will spend the remainder of the summer in New Jersey. Mr. Mosier has remained in Charlevoix and is the new skipper at the Belvedere Club.

• Mr. and Mrs. Giles Warner, Mr. and Mrs. Koster, Gordon Warner and Donna Townes all of Grand Rapids and Mr. and Mrs. Gary DeBoer of Rockford, spent the week end at the former's

• Summer guests at the home of Mr. and Mrs. W. A. Cline are Mr. and Mrs. Julius Baer of Cincinnati; Mrs. Cora Loss and Mr. and Mrs. Ben Goldman of Detroit; Mr. and Mrs. Dan Danciger of Saginaw. Mr. and Mrs. Sam Curtis of Detroit spent the week end with them.

• Mr. and Mrs. James Marsh and sons, Tom and Bob, arrived Tuesday from Milwaukee, Wis. to spend a week at their Mason street home.

• Beryl Frank arrived last week from Detroit to spend the summer with her parents, Mr. and Mrs. Edward Frank at Susan Lake.

Courtesy Plus

Touring south on vacation a couple were so favorably impressed with the friendliness and courtesy of a Kroger store checker in Nashville, Tenn., that they took time out to write the local newspaper editor about it. He published the letter which ended—"We hope to meet many more like her on our tour." Friendliness and courtesy are a part of the Kroger tradition.

Mrs. Ruis, 80, Lived In Antrim Since 1893

Ellsworth — Funeral services were held at Atwood Reformed church Friday for Mrs. Arthur Ruis, 80, who died at her home here early Wednesday after an illness of several months.

Burial was in Atwood cemetery.

Mrs. Ruis, the former Jane Tiesenga, was born Oct. 27, 1888 in The Netherlands and came to the United States in 1880. She was married at Forest Grove on Jan. 7, 1891 and in 1893 came to Atwood with her husband. In 1900 the family moved to a farm one mile west of Ellsworth, where they lived until 1944, when they moved to Ellsworth.

Mrs Ruis was a member of Atwood Reformed church.

Surviving are the husband; four daughters, Mrs. Martin VanTil of Grand Rapids, Mrs. Stuart P. Baar of Detroit, Mrs. Henry L. Elzinga of Lansing, and Mrs. Frank Louiselle of Ellsworth, Rt. 1; 20 grandchildren and eight great-grandchildren.

State Writer Visits, Praises Center Stage

Center Stage '49 over at East Jordan likely will be getting some state-wide publicity soon as a result of some visitors to Charlevoix last Thursday.

They were Mr. and Mrs. Gene Alleman of East Lansing. He is secretary-manager of the Michigan Press Association and the man who writes the "Michigan Mirror" for some 400 Michigan newspapers. The Allemans were traveling with their own house trailer, and stayed at the city park here. But during the evening they went over to see "Hay Fever" at East Jordan.

They reported that the cast did an excellent job and congratulated this section on having the attraction.

Heise at Convention

Chief of Police Clarence Heise and Mrs. Heise attended the annual convention of the Michigan Association of Chiefs of Police held at Romona Park Hotel last week.

Donald Boss Weds Ann Fikse of Minnesota

In an impressive ceremony solemnized at the Chandler Reformed church, Chandler, Minn., at 7:30 Thursday evening Ann Fikse became the bride of Donald Boss of this city.

The bride is the daughter of Rev. and Mrs. Henry Fiksa of Chandler. The bridegroom is the son of Mrs. John Boss, Sr., and the late Mr. Boss.

Rev. Fikse assisted by Dr. Harm Timmer, uncle of the bride, read the service before an altar decorated with gladioli, carnations and snapdragons, candlabra and palm.

Preceding the service, Cynthia Fikse, sister of the bride, sang, "Bless This House" and "Hold Thou My Hand" accompanied at the organ by Joe Bosch who also played the traditional wedding marches. During the ceremony the bridegroom sang "Wedding Prayer."

The bride, given in marriage by her father, wore a gown of Ivory satin which she designed. It was styled with a high neckline set off with a small collar and lace inserts, leg o' mutton sleeves and a full skirt which ended in a train. Her veil edged in wide lace fell from a headdress of orange blossoms and she carried a white Bible topped with an arrangement of white carnations and red roses.

Cynthia Fikse was maid of honor. Mrs. Clayton DeJongh of Hills, Minn., and Rheta Boss, sister of the bridegroom were bridesmaids. Miss Fikse's gown was of coral rose tafetta and she carried a bouquet of mixed white flowers. The bridesmaids' gowns were identical to the maid of honor's in pearl gray taffeta. They carried bouquets of pink and white flowers.

William Boss of East Jordan, brother of the bridegroom was best man and Clayton DeJongh of Hills, Minn., and John H. Fikse of Chandler, Minn., brother of the bride were ushers.

Mrs. Fikse selected a navy blue dress with white accessories for her daughter's wedding. Her corsage was of pink and white carnations. The bridegroom's mother wore a black gown with matching accessories and a corsage of white carnations.

A reception was held at the Chandler high school auditorium following the ceremony.

The couple will make their home at 1002 Bridge street in Charlevoix for the summer, following an extended wedding trip through the Middle West.

The bride is a graduate of Hope College and this fall will teach at the Beechwood Public school, Holland. The bridegroom is a student at Hope college.

Among those who attended the wedding were Mrs. John Boss, Sr., Mrs. Hans Burns and Rheta Boss of Charlevoix, and Mr. and Mrs. William Boss of East Jordan.

The wedding had been postponed from June 15 to June 30.

AMERICANS KNOW HOW TO BANK THEIR MONEY

There are almost 50,000,000 thrift accounts in this country. In a single year, Americans added 1 billion, 100 million dollars to these accounts. This is future spending power in reserve. Meanwhile, these funds help provide new tools, new plants, new and better machinery — more jobs and greater opportunities for all. When you deposit regularly at the bank, you not only help yourself and your family — you help to make the American way of life even better than it is.

IT HAPPENED ON . . . . BEAVER ISLAND

By Mrs. J. C. Henley

The lure of the Island brought many visitors to Beaver over the 4th of July week end.

The North Shore ran two trips Friday and Saturday and Sunday to accommodate the large number of passengers and cars. The count of passengers on Saturday's day-time trip was 84.

Both colorful and exciting it was to watch the seven seaplanes from Kalamazoo land in the harbor. All the planes tied up on the shore in the heart of the village and remained over the week end. The 18 airmen were guests at the King Strang Hotel.

Grocery delivery by air was inaugurated over the week end by Carl Gardenier of Kalamazoo. From Lloyd McDonough's store he delivered groceries to parties occupying cabins on Sand Bay.

Quite a few sail boats and yachts anchored in the harbor over the holidays.

Mr. and Mrs. Paul Heflin, Chicago, arrived on last Monday's boat to spent the summer at their cottage. With them came Mrs. Gwen Sherman, also a Chicagoan, to remain during the summer at her cottage on back beach.

Mrs. Patrick Bonner left Monday for medical attention and is a patient in Charlevoix Hospital. Mr Bonner, who recently was a patient in the same hospital, is home and getting along fine.

Mrs. Charles Pischner and two sons have arrived and are occupying the Peter Gallagher cottage at the Point. With Mrs. Pischner are her uncle, Charlie McCauley and her mother, Mrs. Mamie Gallagher. They will remain for the summer.

Mrs. Peter Gallagher and Mr. and Mrs. Lester Gallagher were visitors to the Island during the past week.

Bob Malloy has returned to the Island from Chicago. His nephew, Richard Ryan, returned with him to spend the summer with Mr. and Mrs. Lawrence Malloy.

A picnic pot luck supper and party was enjoyed Wednesday evening by a number of Islanders at Uncle Tom's Cabin on Sand Bay. To entertain the guests after the supper, Willie O'Donnell and Mrs. Elizabeth Gallagher step danced while Patrick Bonner played the fiddle. Everyone joined in a round or two of square dancing to finish off the evening.

Mr. and Mrs. Roger Carlisle are back again on the Island. They have as their guests Mr. and Mrs. Gerry Lockwood and little daughter.

Mr. and Mrs. Dick Driggers, Plant City, Fla., announce the arrival of a baby girl, Consuella Kathleen, born June 20. Mrs. Driggers was formerly Anna Mae Left.

Word has been received of the death of Mr. and Mrs. Chuck Archer's infant son. Born June 26, the baby lived only 24 hours after birth. Mrs. Archer was formerly Therese Marie O'Donnell.

Mr. and Mrs. Earle Gallagher and son, Mr. and Mrs. Leo Gallagher are the guests of Mr. and Mrs. James H. Gallagher.

Mrs. Russell Palmer returned to the Island by plane Friday after a month on the mainland.

Elston Pischner, the narrow escape man, experienced another close call Saturday. When the last board to be sawed for the day buzzed off the saw, it flew into the air towards Elston's head. A quick duck at the right time saved him from serious injuries.

Mr. and Mrs. Jack Boyle and their eight children, Chicago, arrived on Saturday's boat to spend a vacation. They are visiting Jack's parents, Mr. and Mrs. Turner Boyle and Mr. and Mrs. O'Donnell, Mrs. Boyle's parents.

Henry Allen, sporting a 10-gallon hat, arrived Saturday with his wife and family of nine children to spend a vacation at their cottage on Main Street.

Mr. and Mrs. George Miller had as their guests on the week end Mr. and Mrs. Herb Lees, Mr. and Mrs. Chris Lupes and their nephew, Bill Hnatik, all of Detroit.

Margaret Lynch arrived Saturday with a delegation from Pontiac. Among them was her father, Michael Lynch, who probably has heard a great deal of the Island from his daughter but never was a visitor before.

Dr. and Mrs. Dick Gorman and Mrs. Ellie Bonner arrived Sunday. Mrs. Myrtle Ditlefson arrived a few weeks ago to open up the Bonner's summer home.

Father Giles has returned from retreat.

Rita McCauley, Mr. and Mrs. James McCauley and son are visiting their mother, Mrs. Lizzie McCauley.

Mr. and Mrs. Bernard McCafferty, who now reside in Chicago, spent the week end with Mr. and Mrs. Burt McDonough.

Rose Greene, Grand Rapids, visited her parents, Mr. and Mrs. Anthony Greene.

Dominic Gallagher, who has been ill and a patient at the Marine Hospital in Chicago, returned to his Island home Sunday.

Bill and Marge Spalding and daughter Karen, Pontiac were the week end guests of Bill's parents, Mr. and Mrs. Fred Spalding. Karen will remain on the Island for the summer.

Dave Olsen and his pilot Gus Baldauf arrived June 25 in Davis' plane from South Haven, making the trip in two hours. They spent Friday and Saturday evenings at Lake Genazareth. While here they were guests of Willard Pischner. Besides bass and pickerel they were telling how they hooked a sucker in the head. They hope to return in about three weeks.

Judge Marx, Back from Western Europe Says Nations There Are Recovering With U.S. Help

Western Europe is getting better, thanks partly to Uncle Sam, according to Judge Robert A. Marx, of Cincinnati and Charlevoix.

Judge Marx returned last month from six weeks abroad and his impressions were carried by the Cincinnati Post. He made the trip for the Shenley Laboratories to help open markets for the firm's penicillin and streptomycin. In part the Post's story said:

About Europe in general:

"I found conditions better than expected. I am convinced we can and should stop Marshall plan spending when the agreement expires in 1952."

France, he said, seems "well on the road to complete recovery." Food there is plentiful, people are busy and courts are giving "excellent justice." Communists, according to the Cincinnati attorney, are making no headway in that country.

Other observations made by Mr. Marx:

England—Slower in comeback than France. Food still scarce. Children healthier than before war because of milk ration. "Tories under Winston Churchill couldn't have done better than labor government."

Germany—Farms all planted and food supply improving. Much war damage still visible but some industries recovering. People hate Russians because of mis-treatment of German prisoners.

Scandinavia—Sweden in best position because of neutrality. Copenhagen in Denmark "still charming and crowded as ever."

Nelsons Are Here for 52nd Year

Prof. and Mrs. J. Raleigh Nelson from Ann Arbor, have arrived to spend the summer in their cottage on Gwellontop Hill. Mr. Nelson informs us that this is their 52nd summer in Ironton. They first came when their cottage was located at Sweet Briar Farm and was later moved to its present location, after the Farm was sold. Mr. and Mrs. Nelson can both tell many interesting experiences in our community.

Frank Rameys Open Tea Room At Torch

The Blue Heaven Dining and Tea Room at Torch Lake has been leased and just opened by Mr. and Mrs. Frank Ramey.

Mrs. Ramey is known here as the former Helen Wilson of Charlevoix. The eating place is to serve sandwiches and salads at any time; fish, steak and chicken dinners on reservation.

The Rameys operated the place two years ago. They plan to keep it open until Oct. 1.

GENUINE PARTS
and EXPERT SERVICE

Ford TRACTOR and Dearborn FARM EQUIPMENT

One thing you'll like about the Ford Tractor . . . it's simple in design and built right. Doesn't take much servicing. Yet when it needs something done here or there, it's easy to do.

For example, we can reline brakes in almost no time . . . don't have to pull the axle. Transmission, steering . . . everything is designed for efficient service.

With this new Ford Tractor, you won't need us often but when you do, you'll like our work. We service all Ford Tractors, and Dearborn Farm Equipment, with genuine parts.

Barbara Allard Weds Lewis R. Skeel of Flint

Barbara M. Allard, daughter of Mr. and Mrs. A. M. Allard, and Lewis R. Skeel of Flint, son of Mr. and Mrs. Hubert Skeel of Ellsworth, exchanged their marriage vows at a Nuptial High Mass at St. Mary's church at 9 a.m. Saturday with Rev. Leo Malinowski officiating. Roses, lillies and delphinium decorated the altar.

Mrs. Homer Brady and Mrs. Cornelius Gelken sang the Mass of St. Basil accompanied at the organ by Mrs. Frank Oleksy.

The bride, given by her father, selected a gown of white satin in princess style. A fingertip veil fell from a pearl and sequin tiara. She carried a white prayer book topped with white roses and a rosary.

Rosemary Robinson of Grand Rapids, cousin of the bride, was her only attendant. She wore a princess gown of blue satin and carried pink roses..

Fritz Allard, brother of the bride, was best man and Leo Allard, Sr., her uncle, seated the guests. Altar boys were Leo Allard, Jr., brother of the bride, Sam Hamilton and William Bennett.

Mrs. Allard chose a pink dress with blue trim. Mrs. Skeel wore a navy and white print dress. Both had corsages of pink and white carnations.

Immediately after the ceremony a wedding breakfast and reception was held at St. Mary's hall for the immediate family and close friends.

After a wedding trip through southern Michigan the couple will be at home at 1613 E. Bennet ave., Flint.

Among those from away were: Mr. and Mrs. Henry Polderdyk and family, Mr. and Mrs. Don Czachorski and children, Diann and Lynne, Miss Phyllis Steffins, Mrs. H. J. Robinson and daughter Rosemary of Grand Rapids; Mr. and Mrs. Otto Skeel of Flint, and Mr. and Mrs. Hubert Skeel and son Everett of Ellsworth.

Mr., Mrs. Frank Announce Engagement of Daughter

80 Members of 4-H Club Hold Summer Camp Here

K. C. Festerling was the most popular man at the 4-H camp picnic when he started cutting the watermelons.

Take 80 boys and girls, add a dash of real enthusiasm plus the spirit of goodfellowship mixed with healthy appetites and infectious laughs: there you have the group of Charlevoix County 4-H Club campers who were at the Church of God camp grnunds last week.

These campers were there because they had either completed a winter project or were enrolled in a summer project.

"You should have seen this place," said K. C. Festerling, the District Club agent after the campers arrived. "They came to camp, got their beds made up, even asked for brooms and we thought we had the place pretty clean."

Wednesday had been a busy day, getting settled, getting the classes under way on dairying and garden crops. There was also clothing judging and canning judging.

On Thursday all the campers were taken to the Ferry Street dock in Charlevoix in the Charlevoix school buses to swim. The grand finale was a picnic supper at which time Margaret Lord was given the award for having baked the best loaf of cereal bread. This had been a camp requirement. Living on Route 2 at East Jordan, Margaret will bake a similar loaf which she will take to MSC later in the year to compete with other girls in the state.

Friday was Conservation Day with E. B. Watkins, Soil Conservation Farm planner, coming to confer with the group. In the evening the parents were invited and a candle lighting ceremony was held.

Saturday was the last day of camp. During the camp term each child was insured. A policy was taken out on all children in the group.

Those in charge of the camp were K. C. Festerling, District Club Agent; Ed Rebman, County Agent, who acted as camp manager; Emma Fero, Home Demonstration Agent; Sadie Liskum, cook and recleational leader; Mrs. Carol O'Reilley, assistant cook. Recreation and night chaperones were Hilda Olsen and Gene Brown. Mrs. Wilbur Robertson of East Jordan was the camp nurse and had a health inspection every morning.

The campers were given the grounds and the buildings free nf charge by the Church nf God.

Puppet Show to Play Here During Benefit

Peppy will fight the pirates half a dozen times a day on July 29 and 30 at Charlevoix.

Peppy is a member and the hero of the Pied Piper Trnupe of puppets which will he coming here for the Summer Hospital Carnival. Bridge Dedication and Venetian Night the last of July.

The Pied Piper company is a professional marionette troupe, consisting of three puppeteers and their trunks of stage settings, puppets and equipment.

The show, lasting 45 minutes, will be given every hour during the afternoon and evening of the two days. The company has completed a run at Mackinac Island, where Gov. G. Mennen Williams went to see them.

Also part of the Hospital Carnival will be some 30 booths along Bridge street. These will include refreshments, concessions and prize games. There also will be awarded as prizes a $300 executive desk from Freednan's, three bicycles and an electric roaster.

The Ayres and Kathryn Davis Circus will play here July 28, as part of the Benefit.

Then on July 30 the formal dedication of the new Memorial Bridge will take place in the afternoon. The Venetian Night Parade of boats is scheduled for July 31.

Robins Build Nests, Hatch Families; Cat Gets All

The Stub Swansons are convinced that cats are bad predators.

Early this summer two pairs of robins built nects at the Swanson gravel pit. One was under the conveyor whara nest and bird recaived daily shakings. The other was on the motor of an old truck which was then left standing becausa of the birds.

All went well until a stray cat appeared on the premises. The next morning the nests were empty and feathers scattared on the ground.

BATTLE

Fight Was 96 Years Ago

Charlevoix this week observed the ninety-sixth anniversary of one of the colorful events in its history—the Battle of Pine River, a skirmish between the early settlers of Pine River and a group of Mormons from Beaver Island.

According to most accounts of the event, the Mormons were attempting to get custody of three men who had left Beaver Island to seek protection among the fishermen of Pine River.

In those days this section of northern Michigan was organized as Emmet county. The county seat was Beaver Island and all the county offices were held by Mormons. In an effort to acquire custody of the three wanted men the Mormons selected the time of Circuit Court for their scheme and sent their sheriff and a group of men to Pine River to serve subpoenas on the trio for jury duty.

It was a hot summer's day in the village which stretched south along the shore from Pine River. The women had gathered for a quilting party at the Morrison home near the river.

Late in the afternoon two boats coming from the northwest were sighted by the local fishermen who hy use of a spy-glass counted 18 men aboard and identified them as Mormons. Anticipating trouble, the fishermen waited until the visitors had landed and then took to their boats and came along the beach to the Morrison house.

The angry fishermen told them the best thing they could do was to return to Beaver Island. Under no circumstances would they turn the men over to them. The Mormons, realizing they had little chance against the angry settlers started toward the beach.

As they did a young man, Louis Gebeau, recognized an acquaintance in the Mormon party and started toward the group to speak to him. As he did he raised his gun to make sure it was in working order in case he should need it.

Music Program to Precede Big Parade of Boats

Tentative plans for the Venetian Night program were drafted Tuesday night by the Marine Club.

Proposed by club Pres. Rnbert Hamilton and S. E. Cnleman, they were approved hy the members. The prngrain will be in the city park hy the band platform, and will start ahont 8 p. m. As suggested it will include numbers by a soloist, the Negro Chorus, the dance bands from the Beach, Belvedere and Argonne, Zach Whyte and the Marine Band.

Double the quantity of fireworks used last year will he fired off this summer.

The two lines of boats will form out in Lake Charlevoix before dark and then come through the channel about 0 p. m. The two lines will not try to make the channel abreast but one will follow the other.

Sees Clinch Title for First Half of Softball Season

The fifth week of the City League play saw the Glenn Sees sew up the first half of the split season with two victories over Russell's and the Cleaners, 30-10 and 11-10.

The Cleaners had a 10-0 lead in the second inning, but fell apart and See scored the winning run in the seventh.

Tuesday night Walt Moore edged Barnard 6-5. Wednesday Charlevnix Oil topped the Legion 7-5, and Barnard nosed out the Cleaners 12-11. The Cleaners again got off to a big lead only to blnw up in the stretch. Thursday Cadillac-Ohls forgot their bickering and took Moore's into camp 10-2. Friday Moore again beat Barnard 6-2 on the playoff of a postponed game.

Charlevoix Takes Airbase Team by Score of 12 to 7

The Charlevoix softball team pounded out 11 hits for 12 runs to wallop the Traverse City Air Base team Sunday night 12 to 7.

It was a slam bang affair from the start. Gallagher with a home run and a double, Supernaw with three singles led Charlevoix. Porche with a homer and a single led Traverse.

The teams are scheduled to meet at Traverse later on and an effort will be made to bring the Air Base nine back here. The new lights were a complete success and drew praises for Hal Hill and the city light crew who worked Saturday and Sunday to get them ready.

Public Will Get Report on Site for Hospital

The site for the proposed new hospital will be decided only after a full public discussion and appraisal on the various suggested locations, the Hospital Board says.

Last week William Priestley, representative of the architect firm, Skidmore, Merrill and Owens of Chicago, was here for two days. He and members of the board visited the three sites most often proposed: the trailer park hy Lake Michigan, that of the present hospital, and acrnss from the turnout on the Petoskey Road ahove Lake Charlevoix.

He took all the nbtainable facts about these sites and is now preparing an impartial engineering appraisal which he will submit. This report will he carried in The Courier. Then at some time soon a public meeting will be called to discuss the report and determine as far as possible what the cnmmunity wishes. Thls meeting will be for everyone interested in Charlevoix and Antrim counties.

At the same time he was here, Mr. Priestley went over the preliminary plans already prepared. The Board instructed him tn revamp these so as to provide a 50 hed hospital costing not more than $250,000. He held conferences with the hospital staff, doctors here and elsewhere including Dr. Rogers of the State Hospital advisory cnmmission.

On the basis of these talks he will prepare a new set of plans.

Imaginary Invalid Is Played at Center Stage

A modern version of Molinre's classic "The Imaginary Invalid" opened this week at Center Stage '49, the area's legitimate summer theatre at East Jordan.

The play has many spots of humnr that are as funny today as they were in the author's own time. Center Stage has injected several contemporary notes into this production including blown bubbles, yo-yos and new musical episodes.

Nine year old Nancy Keider, granddaughter of Mr. and Mrs. Harry Saxton of East Jordan is in the cast. Nancy makes her debut on the stage as Louison, the youngest daughter of the self-centered and egotistical invalid Argan, admirably protrayed by Jack Rubeus.

"The Imaginary Invalid" will play through Saturday evening.

Reid Murdoch to Start Canning Fruit This week

Ellsworth—The local canning plant of Reid, Murdoch plans to start canning cherries this week.

The crop is not as large as last year's bumper crop, but is still better than average. Labor is plentiful and quite a number of Mexican laborers are here for the harvest season.

Bulow Starts 21st Year As County Clerk

Twenty years in the same post is the record of Fenton R. Bulow, Charlevoix County's Clerk.

The anniversary date is Friday, July 15.

Back in 1020, George A. Roslerink of Boyne City resigned after serving seven mnnths of his second term. Judge Parm C. Gilbert appnnted Mr. Bulow. He is the 12th clerk the county has had, and has by far the most years of service. Richard Lewis with 12 years was the previous record holder.

Checking back over the old records, he compiled the list. John S. Dixon, 1868-70; Willard A. Smith, 1871-72; John S. Dixon, 1873-76; A. R. Upright, 1877-84. S. B. Thatcher, 1885-01; Willis Kerns, 1891-96; F. A. Kenyon, 1897-1900; Darwin F. Meech, 1001-06; Richard Lewis, 1906-08; D. S. Payton, 1909-12; Richard Lewis, 1913-22; Charles Emrey, 1023-26; George A. Roderick, 1927-29; F. R. Bulow, 1029-.

Pete, as he is generally known, is shown above in a typical attitude, typing out a form for a citizen of Charlevoix County.

Auxiliary to Hear Delegate Report on Girls' State

The July meeting of the American Legion Auxiliary will be the Girls' State meeting with Shirley Mason, who attended the annual Girls' State at Ann Arbor recently under the sponsorship of the American Legion Auxiliary presenting a detailed account of her experiences.

Other girls who have attended the State and their mothers will be guests of the organizatinn.

City Asks Detour On US-31 Traffic

The city is asking the state Highway Department to permit detouring of traffic on US-31 during the Hospital Carnival on July 30 and 31.

The formal resolution was adopted at a special session called Monday night.

At the same meeting, the Council authorized Supt. A. G. Leitch to install reflector stop signs on all streets intersecting U. S. 31 and to ask for bids on a half ton pickup truck.

NEW BRIDGE

Plans Made for Dedication

Michigan's State Highway Commissioner Charles M. Ziegler will play a leading role in the dedication of the new Memorial Bridge here on July 30.

School taxes in the Charlevoix district will be three mills lower this next year, and the proposition of a bond issue for a new high school unit will he submitted again for public cnnsiderntion.

Twenty-nine attended the annual meeting Monday. In place of the expected routine affair it developed into quite a lively session.

Following the annual reports and discussions, Pres. Bonnie Nickerson explained that the end of the five years for which an extra five mills had hern voted had arrived. With the possibility of a bond issue in mind, the meetiog approved, 22 to 5, a motion to boust the tax limit up to 20 mills for ten years. This motion, Nickerson explained, merely made an inerrase possible but any achual boost must be vnted separately.

Walker Miles urged that the motion be defeated. It gave the board too much power, he said, and he was opposed to more taxes.

Next the Hoard said that in place of the previous five extra mills, it could get along this year with nnly two. This extra levy was voted, 20 to 2. It then was proposed that a sinking fund to accumulate money for a new building he set up. This, however, was defeated on the understanding that if a bond issue is not approved the sinking fund could be established.

Lastly, the Board was instructed to nhtain new cost estimates on the propnsed building and present them at an open meeting.

In the election Catherina C. Bergeon and E. D. Hawley were re-elected, 54 and 60. There were 62 votes cast.

Mr. Miles asked that the financial statement of the athletic association be made public and Supt. Roy Bennett said this will be done during July.

Parents were asked to notify the school at once of any unsafe driving by bus drivers.

The school has seven buses, ridden by 372 children. It served 41,302 hot meals last year.

The school received $101 093 47 from three sources.

Local taxes	$ 49.274 83
State money	102.011.52
Federal grants	16.544.15

The school had a balance of $14.591 27 on June 30 but this will be largely used hy tax mnn on necessary repairs, a new bus and similar expenditures.

What Others Say

I rarely get weary of writing editorials. But at times one man's writings must become tiresome to the reader. So this week I culled out some opinions from brother editors around Michigan and offer them in place of my own:

The Brannan Farm Plan

Although the Brannan farm plan will probably not become law at this session of Congress, it will undoubtedly keep popping up in future sessions. It's far-reaching effects deserve at least a brief examination.

Stripped down to essentials, the Brannan plan would continue the present support program for grains. The only change would be a new system of figuring supports. The support price would be the average of the first ten of the last twelve years, raised or lowered to compensate for any change in the cost of things that farmers buy.

For livestock, dairy products and fresh produce, there would be a new "income support standard." Market prices would not be supported and would be allowed to fall to their natural levels. The difference between the market price and the parity price would be given the farmer as a cash payment at the end of the year.

All farmers, of course, would have to keep records of their sales during the year, along with the price they received.

Estimates of the cost of the program vary widely but they average at about $5 billion a year. This is about ten times the annual cost of farm programs before the war.

Brannan admits the cost will be high but points out that food prices to consumers will be less because food will sell at natural prices without artificial support. The consumers will pay less for food but will pay more in taxes. The net loss to the consumer will be the cost of administering the program.

Politically, the plan is ideal. The farmer gets more for his products and the consumer pays less. The taxes will be hidden, and unnoticed, the politicians hope.

Besides the question of cost, economists have raised other objections to the plan. "If farmers can have a guaranteed income, what about other groups?" they ask. "Is not the wage earner or the businessman also entitled to a guaranteed income?"—**Ink White, Clinton County Republican-News.**

For Less Glass On Beaches

Annually, though later in the season usually, we utter a strong protest in this column about the ruining of Benzie beaches and swimming places with broken bottles. We can't flatter ourselves that our complaint **has had any effect in stopping** thoughtless people from strewing bottles and tin cans up and down the beaches, or any effect either, in bestirring officers to arrest them for it, but it made us feel better to have our say.

Now we see that, along with the other Conservation laws it pushed through last week, the legislature took note of the glass-on-beaches menace by prescribing definite penalties for the guilty ones. There were penalties before, but this is a stiffening of the Conservation department's backbone that has long been needed in the preservation of Michigan's extremely valuable public beaches.

While the new law doesn't come into immediate effect, we hope that a sterner **enforcement does, of the existing laws,** Few things can be counted as important to a resort county as the cleanliness and safety of its beaches.—**Andrew Johnson in The Benzie Record.**

Good Service to Michigan

While some certain selfish groups with personal gains as objectives— and grudges to settle—have been somewhat critical of the work of the present Michigan state legislature, it is our opinion that the legislature as a whole has served the people of Michigan well.

There has been some criticism because of its failure to adopt "Governor Williams' program" whatever it might have been.

The legislature did a commendable service in killing his entire mess of political "bunk." He wanted more of the dollars of honest workers to give to the lazy, indolent, no-good bum who refuses to work when given an opportunity to do so. He wanted more of your savings to give to the welfare cheaters who have robbed the state of millions of dollars. He wanted more of what you have legitimately earned to give to additional armies of useless political job holders.

His entire "program" was one that, if adopted, would have led directly to the "police state" that President Truman so emphatically damned a couple of years ago.—**Elton R. Eaton, Plymouth Mail.**

Only Battle in City's History Was 96 Years Ago

(Continued from page one)

It was then that one of the Mormons, later identified as Jonathan Pierce, was heard to say, "We are running away like a set of cowards. I'll let them know I'm not afraid," and fired a blast from his horse pistol at Gebean who fell to the ground with a wounded leg.

The shot was a signal for the fishermen to open fire on the Mormons who hurredly took to their boats and started in the direction of Beaver Island. The fishermen gave chase in their boats and followed them for some distance shooting continually. One boat was so badly damaged by bullets it had to be abandoned and all the men loaded in one boat. The Mormons were shortly picked up by the bark, "Morgan" and taken to Beaver Island and the fishermen returned to Pine River.

Several Mormons were seriously wounded in the battle and a number of Pine River men were indicted in Circuit Court at St. James but none were ever brought to trial for the shooting.

Fearing reprisals from the Mormons, the settlers soon left their newly-constructed homes along Lake Michigan, many of them going to Northport. For the next year Pine River was a deserted village.

In the spring of 1854 several Mormon families came from Beaver Island and settled in the houses vacated by the fishermen. For the next few years they ruled the village and drove out the few outsiders who dared settle in the community. Not until after the assassination of King Strang in 1856 was the Mormon stronghold on Northern Michigan broken and the colony disbanded.

It was then that many of the original settlers came back to claim their homes and others who had been here a short time during the Mormon regime returned to become Pine River's permanent settlers.

It is a bit of drama which is told in the inscription "Battle of Pine River was fought on this site the evening of July 13, 1853, between a party of Mormons from Beaver Island and fishermen settlers of Pine River later named Charlevoix in 1859."

What's Doing

At Camp Charlevoix

On July 4 the first Green and Grey competition took place with a track meet. It was highlighted by the appearance of several distinguished foreign athletes. Among them were Sandy McDullebag (Don Bacon), Lord Rocky Bottome (Fred Wagner), Bongo Bongo from the Congo (Jack Bunbury), Gilda Sliverhips (Neal Traves), and Speedy, the fastest human (Butch Pendleton). Among the events in the afternoon were relays, high jump, baseball throw, an egg toss and a marathon race. The Greys emerged victorious with a score of 2-1.

The evening was highlighted by a display of fireworks donated by Skip Macauley and a water acquacade put on by six counsellors and starring Bob Inch.

Cabin 15, including the counsellor Bill Kasler and Bob Timmons, Stanley Moleski, Charles Kearney, Tom James, David Sewell, Tom Taylor, and Bill Nicklin took a two day trip down the Jordan River last Tuesday.

Also on Tuesday, Cabin 10 headed by Don Lewellen and Eddie Vardon, John Tapert, Tim Barnes, Bob Beltz, Bob Barton, Bruce Gilmore, and Dick Judd and Cabin 12 headed by Otto Korth and Dick Morgan, Barry Hass, Phil Giberson, Jerry Craig, Joel Black, and Bill Fors went on an overnight to Mt. McSauba. It threatened rain, wind and hail but fortunately it just threatened.

On Wednesday Cabin 13 headed by Roger Serzen and Walter Simmons, John Prost, Bill Putt, Larry Reisinger, Chuck Sorensen, Henry Sullivan, and Paul Apostelos took a two day trip to Lake 26 for some fishing and hiking. Also on Wednesday Cabin 14 with Sam Schaefer and Bill Phelps, Alan Mendelsshon, Bill Hardie, Jim Stockwell, Bill Hall, Sandy Cobb and Mike Boswell took a trip to Young State Park where all enjoyed themselves except 100 Girl Scouts who were camping overnight.

The camp's first dramatic effort was presented Saturday night. Clem Gill and Butch Pendleton sang several camp songs. Alex Cross and Roger Keeney put on a blackface boogie woogie dance accompanied by Alex's dummy. Then the counsellors put on a display of bad dining room manners which was followed by the correct procedure with narration by Don Dannecker.

Sunday morning chapel featured Phil Steding as the speaker. Phil's theme was "Happiness." The choir assisted with the service which was held on the front porch of the club house.

After the noon meal the first musical appreciation program was presented by Otto Korth and his accordian and a fine tenor Phil Steding who was accompanied by Ken Smith at the piano.

Baseball games between the Greens and Greys highlighted the afternoon. The Juniors and Intermediates Greens and the Senior Greys emerged victorious which evened the score at 3-3.

The first visitors arrived at camp this week end. They were: Mr. and Mrs. Charles McIntyre of Monroe; Mr. and Mrs. William E. Goff of Grand Rapids, and Dr. and Mrs. Robert P. Neff of Dowagiac.

Evening vespers were h all sections and with the of Taps, Camp Charlevoix ed its second week of the

Charlevoix Sends Gondola Float to Annual Cherry Festival Parade

Colleen Reed and Theresa Zeitler stand in front of the Charlevoix gondola on the new bridge before starting for the Traverse Cherry Festval last Friday.

Advertising its big summer time event, Charlevoix again had a float in the Traverse City Cherry Festival parade last week.

It was a gondola, painted blue and white and carrying Colleen Reed and Theresa Zeitler who distributed balloons advertising Charlevoix. The gondola was built in about one day by Wayne Belding and A. C. Mort of Mort Wood Products. It was mounted on a Charlevoix Oil Co. trailer and hauled by Dick Fochtman's car. Don Brown drove. Edith Olach helped with the preparations and went down with the girls.

On the way down, the gondola was damaged, Belding and Mort made a rush trip to Traverse to repair the float before the parade.

State Finances In Bad Shape, Alger Says

"Your state government is in a bad financial shape, Secretary Fred M. Alger told the Kiwanians Monday night at the regular meeting of the club.

"There's no panacea as far as I know," he stated, "We're facing a 40 million deficit by next year. If we want to keep out of debt, we've got to cut services or boost taxes.

"But we cannot solve our state finances until we solve federal spending. There's too much squandering down there."

Secretary Alger denied he was the most expensive secretary of state Michigan has had. "It's true my office spends the most. But we take in the most and do the most."

The work load since 1046 has increased 42 percent while costs have gone up only 23. Income has grown from 76 to 112 millions. The title office is set to handle 5000 titles a day. It has been receiving 7000 to 9000.

Also guests at the meeting were Rep. Louis Anderson of Northport, and Bob Yakes of Petoskey, of the Secretary of State's office.

Mrs. Heise Entertains for Her Granddaughter

Mrs. Clarence Heise entertained with a party at her home Tuesday afternoon honoring the tenth birthday anniversary of her grand daughter, DeeAnn Geneit. Guests enjoyed games and refreshments served on the lawn at tables tastefully decorated with flowers and centered with a lighted birthday cake.

Those present were Ruth Ann Smith, Kathleen Fessenden, Patty Bulow, Clarice Gregory, Margot Davenport, Carol Reinhart, Judy Stokan, Nancy Wallace, Bobby Mayne, Suzanne Grate, Carol Duerr and Angela Schroeder.

RECORD OF THE COUNCIL

JULY 5, 1949

The Common Council of the City of Charlevoix met on the above date with Mayor Hamilton presiding.

Aldermen present: Davy, Heering, Knight and Young. Absent: Goss and Kohler.

Minutes of the previous meeting were read and approved. Enter Alderman Goss.

Alderman Davy offered the following resolution and moved its adoption, seconded by Alderman Knight:

RESOLVED that the Common Council approve of the Michigan Liquor Control Commission granting a beer and wine take-out license to Jerry and Dorothy Whitley at 204 Antrim Street, and that the Clerk be instructed to forward a copy of this resolution to the Michigan Liquor Control Commission.

Resolution adopted by the following Yea and Nay vote:

Yeas: Davy, Goss, Heering, Knight, Young. Nays: None. Absent: Kohler.

The finance committee having examined bills totaling $9,526.43 find them correct and recommend they be allowed. Moved by Alderman Young, seconded by Alderman Goss, that the bills be allowed and orders drawn for their amounts. Motion carried by the following Yea and Nay vote: Yeas: Davy, Goss, Heering, Knight, Young. Nays: None. Absent: Kohler.

Moved by Alderman Goss, seconded by Alderman Davy, that the City Superintendent with approval of Park Committee be authorized to hire two life guards for public beaches at rate of $1.00 per hour for hours of 2 to 6 p. m. seven days per week during months of July and August. Motion carried.

Moved by Alderman Goss, seconded by Alderman Heering, that the Mayor's appointment of Fred Debbs as police without pay of the Chicago Club be approved. Motion carried.

On motion the Council adjourned.

Flying Fish

Recently when Kroger opened a new store in LaGrange, Ill., shoppers knew the fish really would be fresh because a helicopter landed in the adjacent parking lot with a cargo of sea food only hours out of Boston. Another illustration of the importance Kroger attaches to freshness and service.

From where I sit ... by Joe Marsh

Windy Sure "Stopped The Show"!

The other night a bunch of us were over at Judge Cunningham's watching a swell vaudeville program on his new television set. It came in fine, but just once, the screen got a little streaky.

Before the Judge could touch the knob to bring it into focus, old Windy Taylor starts fooling around with the antenna connection. "I can fix that!" he says.

Windy fixed it all right. He "stopped the show" for us, and Buzz Ellis had to come over and do a $20 repair job. I understand Windy feels so bad, that he's paying the bill and has apologized to the Judge for acting so smart.

From where I sit, it pays to practice a little restraint whenever we get the urge to meddle. Whether it's television or a person's right to enjoy a temperate glass of sparkling beer now and then—let's get a good clear "picture" of the real situation before we cause more harm than good.

Terrace, Water Way to be Built At Big Orchard

Construction of a mile-long terrace and waterway will be demonstrated sometime next month out at Eveline Orchards by the County Soil Conservation District.

Date of the demonstration will depend on when a state man can be obtained from Lansing to make a survey of the land and set the levels. The work itself will be under the direction of Goy Spring district conservationist; E. B. Watkins, farm planner and Ed Rebman, county agricultoral agent.

A second demonstration will be at the Porter Fruit Farm. It will consist of terrace and diversion ditches in the asparagus fields.

Ten more applications have been received and accepted by the county Soil Conservation District. The new members are: A. L. Darbee, Ed Lahrbass, Staudemeyer & Sons, Clare Loomis, Charles Arnott, Frank Russell, Vernon Boyer, Clarence Mollett, Porter Cherry Farm, Fred Sherman. This makes a total of 98 members.

Novotny Ship Model Is Now On Exhibit at Fine Arts Museum in San Diego, Calif.

The beautiful ship model "la Couronne" made by Frank J. Novotny which stood in The Courier window for many months now is in the Fine Arts Museum at San Diego.

Last Fall when Mr. Novotny went West he took the 32 inch ship model with him. Out there he spent many days carefully cleaning and brightening the model. Then he built an air-tight case of metal and glass to house it and keep out dust.

For a time it was on exhibit at Brookings Hardware in San Diego and from there was taken to the Fine Arts Museum in Balboa Park.

The model itself took four years to build, a total of 2468 hours of work. Every one of the 3483 pieces of brass and copper in it was handmade. Mr. Novotny exhibited it at the Chicago Century of Progress where it was rated as an outstanding example of metal work.

Out in San Diego, he says, the model has been attracting a lot of attention — and advertising Charlevoix at the same time.

Potter Opposes Lost Cost Housing As Too Costly

Reorganization of the executive branch of the Federal government now is sqoarely up to the President, reports Cong. Charles Potter from Washington.

House and Senate have agreed on accepting the Hoover Commission report. This allows the President to make any or all of the changes recommended by the Hoover group, and unless the Congress votes them down, the changes become law. The Commission reported that four to five billion a year could be saved by efficiency in government.

Cong. Potter also says that he is against the federal housing program for two reasons. At $2500 per room, the so-called "low cost" housing would be costly for the taxpayer. Secondly, it would benefit only the large orban centers at the cost of the rest of the country.

Only Resident Wives Don't Need Fishing License

For those persons confused over the licensing regulations applying to female fishermen, the conservation department reemphasizes that wives of resident fishermen only may fish free. They must fill out the stob attached to their hosband's $1.50 resident license at the time the license is issued.

Wives of nonresident fishermen may not fish free. Nonresidents, male or female, must porchase either a 10-day temporary license for $2 or the annual license for $3.

A nonresident is any person who has not been a resident of Michigan for six consecotive months prior to making application for license. Nonresidents owning property in the state are not entitled to a resident license. All regolarly entitled or commissioned personnel of the United States Army, Navy or Marine Corps officially stationed in Michigan are qualified as residents.

State to Check On Deer Forage

How to grow more white cedar so we can have more deer will be one of the answers sought this year by the Conservation Department.

The Department is getting $92,500 in federal fonds to carry on game research. Most will go for small game work in southern Michigan. But $1800 will be a sorvey of northern white cedar growth in order to increase supply of deer food.

Visiting Our Next Neighbors

Across the Border

(By L. E. Towe)

Last month 24 U. S. weekly publishers were guests of Ontario during a 1600 mile trip around the southern part of that huge province. I was one of two men from Michigan.

Other states represented were Massachusetts, New York, New Jersey, Pennsylvania, Ohio, Kentucky, Illinois, Wisconsin, Minnesota and Missouri.

The group gathered at Windsor for a get-acquainted breakfast, then boarded a chartered Gray Lines bus for the tour. In order to make the schedule laid out for us, we had a Provincial Police escort. Besides getting us along at a 60-mile clip, the chief job of our police officer, Gene Raymer seemed to be to haul one of our two staff photographers ahead to make shots of us rolling into towns or getting off the bus.

From Windsor to Toronto it is mostly farming land, level and black. Around Delhi and Simcoe is Canada's tobacco country. The land and climate seem the same as our pine country around Harrison, Allegan or Gladwin. Land which once sold for $5 now sometimes can be bought for $500. But let's not get any ideas. Tobacco can be grown profitably over there because of the high import taxes. Over here Virginia and Carolina can outproduce us in Michigan.

Northern Lake Erie, except in rare spots, doesn't have the sand beaches we know so well along our west shore. It is mostly a clay shore.

Toronto is supposed to be the most Conservative place in all Canada. It sure looks it. Solid, substantial buildings with a good coat of smoke, shops that looked rich, fine homes. The city also has the Empire's largest hotel (we stayed there) and the world's largest annual fair. That Toronto Exposition must be something to see. The grounds cover hundreds of acres.

Ottawa, 200 miles away, is the Dominion capital. It was picked because neither Toronto nor Montreal would give in to the other. Ottawa has grown from a sleepy little 5000 to quite a city, with government the chief industry.

For me the high spot of our visit was listening to A. A. Gardiner tell stories until 3 a. m. Most of 'em were printable. He's the General Passenger Traffic Manager for the Canadian National Railways. We also saw the new recruits of the Royal Mounted training. Ineidentally, the Mounties wear those searlet coats for dress only and for work they have drab outfits.

That same day we paid a call on U. S. Ambassador Laurence Steinhart at the Embassy. He said we were easier to have around that the bunch which had preceded us—Girl Scouts from the Upper Peninsula who walked off with all his colored pencils as souvenirs.

I did bring away one Ottawa souvenir, but not from the Embassy. It is a match cover with a mailed fist and arm. That's the coat of arms of Viscount Alexander of Tunis. He happens to be the Governor General of Canada. Back in 1943 he was the man who directed the campaign which drove Rommel out of North Africa. He is an easy man to meet; his acted-out description of a couple of U. S. generals trying to play cricket was a scream.

Ontario needs more power. She is building dams fast. The biggest of the lot and fifth on the continent is up at deSwishs on the Ottawa river. That's spelled "des Joachims" but pronounced deSwisha. Don't ask how come, it ust is. Quite a little dam, it will develop 480,000 horse power.

We just got to the edge of the real North at North Bay on Lake Nippising. It took a little while to become used to the talk about gold, silver, tungsten, moose and goosehunts on Hudson's Bay. But no one mentioned finding uranium. That's still hush-hush.

French River is the old Fur Route from Lake Nippising to Georgian Bay. Down slong it are scores of beautiful little islands which can be bought for a song. It's a pleasant country in the summer, but everyone gets out in winter.

Of all the smaller places we visited I believe I have the warmest feeling for little Sundridge, population 600.

It has a good location on the railway and Lake Bernard. It also has one of the finest hotels we stayed at. It's owner is Dalton Caswell, president of the Dominion Hotel Keepers Association. Further its postmaster is head of the Ontario Postmaster's association. And he likewise is a rare gentleman. I happened to mention I had a son who collects stamps. At 11 p. m. he went to his office, hunted up some of his own treasured stamps and gave me half a dozen blocks. That's what I call generous hospitality.

(The last of these three stories on Ontario will be next week.)

BEAVER ISLAND

By Mrs. J. C. Hanley

While our city cousins swelt-ed in heat during the past week, Beaver Islanders enjoyed a cool pell—even the kitchen fire felt ood

Since the break in the long dry pell a few weeks ago, an abund-ance of rain has fallen and Is-and crops look wonderful.

Mrs. Wilfred O'Brien, who has ived on the Island for years and as always had a garden, said never before has tomatoes ma-tured so early. Her vines are loaded with good size tomatoes.

Island fields have been one big beautiful bouquet of daisies, butter cups and Russian thistle—a real feast for the eye.

Archie LaFreniere, Sr., has re-turned after three weeks on the mainland. He visited his moth-er in Iron Mountain and his son-in-law and daughter, Mr. and Mrs Russell Price in Ann Arbor.

Mr. and Mrs. Joe Dillingham have had as their guests, Mr and Mrs. Jimmie Dillingham and Mr. and Mrs. W. B. Ford, Paducah Ky

Mr. and Mrs. Mark Cross and family and Eddie Gallagher will make their home in Charlevoix for the summer.

Mrs. C. E. Webster is spending the summer with her son-in-law and daughter, Mr. and Mrs. Arth-ur Miller, Sr. Mrs. Webster, who is 84 years of age, took her first plane ride with Joe McPhillips when she came to the Island this year.

Jimmie Stubbins, Lansing, was ferried to the Island in his fath-er's Seabee to spend the past week with Mr. and Mrs. Paul Heflin. E. Wolf, Chicago, had al-so been the guest of the Heflins.

Mrs. Agnes Smith, Chicago, is spending her vacation at the King Strang Hotel. Mrs. Smith was formerly Agnes Maloney.

Mr. and Mrs. Leo Loew, Holland, recently spent a week at their lodge at the head of the Island.

Navigator Joe Gallagher ac-companied Robert Law and par-ty, Chicago, on a fishing exped-ition to Garden Island on the yacht "Out Law."

Rolland McCann and Joe Gal-lagher have taken fishermen who have come from all parts of the Mid-West to Garden Island since bass season opened. Bass fish-ing is excellent in the Garden Island area and all fishermen re-port catching their limit.

Mrs. Gus Meilke, who is a shut-in the majority of the time and spends her days fashioning beautiful handmade articles, is assisting Mrs. Vernon LaFren-iere, also an artist with the need-le, in filling a show case in the LaFreniere's store with eye-catching fancy work pieces.

Verle McCann has returned from Detroit where he visited his mother.

Bussie LaFreniere, who has been working in Detroit, return-ed to the Island for an indefinite stay.

Coast Guardsman and Mrs. Bob Bruckner received a bundle of sweetness Thursday—a baby girl.

Earle Boyle is back on the Is-land. He spent the winter in Detroit.

Mrs. Henry Berthiaume, Wind-sor, Ont., is visiting her son, Father Giles.

The members of the Third Or-der of St. Francis met Thursday evening at the home of Mr. and Mrs. James W. Gallagher. Mrs. Henry Berthiaume, Mrs. Hugh Boyle and Mrs. Henry Allen were guests at the meeting.

Rodney Nackerman is visit-ing his parents, Mr. and Mrs. Frank Nackerman.

Mrs. Mary McDonald and son Charles, Charlevoix, will spend the rest of the summer season with Mrs. Elizabeth Gallagher.

J. Keller and B. Finn, Detroit, are registered at the King Strang Hotel. They came up for bass fishing at Hog Island.

Mr. and Mrs. C. V. Patterson and daughter, Patricia, and Mr. and Mrs. Frank S. Koral, all of Holland, returned to Charlevoix Sunday after anchoring in the harbor for three days. They were aboard the Mercia II.

Mr. and Mrs. D. M. Sellew and daughters Margaret and Char-lotta, Holland, aboard the Char-lotta II returned to Charlevoix Sunday.

Mrs. Karl Erber and children are vacationing in their attrac-tive log cabin on Sand Bay.

Forty years or so ago, a group of German professional men from Milwaukee and Davenport, Ia., came to the Island summer after summer to fish and spend their vacation together. They were known as "The German Army." Occasionally, they would bring along members of their families. This past week, a daughter of one of the group returned to the Island after being away for forty years. She is Mrs. Charles White who now makes her home in Jacksonville, Fla. Mrs. White, with her husband, are occupying Mrs. Carrie Sonderegger's cabin.

Mrs. Mary Ann Gillespie is a patient at the Charlevoix bospit-al following a major operation. She is reported doing nicely.

The first Wall Street financial article printed in a newspaper appeared in 1835 in the New York Herald.

12-Millions Needed for More Doctors

A capital outlay of 12,000,000 is necessary in order to increase the number of University of Mich-igan medical students from 208 to 315 yearly. This statement was part of a report made today by Earl I. Carr, M. D., Lansing sur-geon, to the Council of the Mich-igan State Medical Society meet-ing at Petoskey in their annual summer session. Dr. Carr is Chairman of a Committee, of the State Medical Society interested in increasing the number of medi-cal students in our State medical schools.

"In addition to the millions needed for additional clinical fac-ilities," Dr. Carr reported, "it would take appoximately $900,000 each year for maintenance cost as well as a one-third increase in faculty members."

Health, Welfare Fund to Plan Fall Campaign At Charlevoix Meeting Next Tuesday Night

Organizational meeting of the United Health and Welfare Fund for planning the fall campaign, will be held July 19 at 8:00 p. m. in the Charlevoix City Hall.

As previously promised, only one campaign a year will be carried on. This fall campaign will be a combination of the Community Chest, taking care of the community needs, and the United Fund, taking care of the county needs in soliciting funds for all agencies which serve the county.

There has been some isolated cases of misunderstanding during the last year. Although it was publicized that the Community Chest which held its campaign last fall would strictly take care of community needs and that the outside agencies would be taken care of city wide and county wide through he campaign of the United Fund, there was some misunderstanding through second hand information.

All members of other agencies, soliciting in the county, which are not now a part of the United Fund and are opposed to being federated with the United Fund, are invited to attend, according to Gordon Freedman.

• Mr. and Mrs. Lon Murray have as their guests their son-in-law and daughter, Mr. and Mrs. Mark F. Mercier and son, Mark Jr., of Lincoln, Neb., who are spending ten days here.

• Mrs. William Symonds of Grosse Pointe Woods has been visiting her son and daughter-in-law, Mr. and Mrs. John Clarke, and other relatives and friends.

ceremony at Grey Gables . . . Just cannot get over how much different, and how much better the Charlevoix State Savings Bank looks since its steam-facial of a few weeks ago. Certainly gave it a "new look."

Dr. and Mrs. Lloyd Harve of Saginaw spent the week end at the home of Mr. and Mrs. Archie Livingston, Sr., coming here from Ramona Park Hotel where they attended a meeting of the State Council of Doctors. Doctor and Archie Livingston have been good friends since high school days back in Mt. Pleasant . . . Jack Foster arrived home from California last week and the next day found himself busy managing a day camp for small Charlevoix boys. Reports are that they are having a real time for themselves.

"It's just about a full house at the Belvedere Club. Nearly all of the summer folks are now here at their cottages. Of course, there are always two or three families who cannot make it for the season every year, but outside of that everyone is here . . . There are several of Manie Fessenden's beautiful water colors hanging in the Belvedere Country Club, including some painted along the shore line of the new road to Petoskey.

Mrs. William Fessenden and Mrs. Manie Fessenden drove to Bear Lake Sunday to meet Lola Hahn. On their return they brought back with them Kate Fessenden who has been visiting in Muskegon and Pat Hahn and Pat McPhall who are at Littlewood . . . There was a goodly number of folks from Charlevoix who went to Traverse City Friday to attend the Cherry Festival and see the parade.

A few weeks ago I asked in the paper if any one knew of any covered bridges still standing in Michigan. Last week Mrs. Lela Goss brought the proof that there were three to her knowledge. One is near Ada, just off M-21; another at Fallasburg, not far from Greenville, and still another called White's Bridge in Kent County. Snapshots were taken of the bridges with Mrs. Goss standing at the entrance of one. The Gosses were there recently and on their return brought back with them Mrs. A. Rice. Bill Goss remained in the southern part of the state for two weeks.

Mrs. Evan E. Fell of Youngstown, Ohio, is spending two weeks with her sister, Mrs. Abby Lewis at her cottage on Alice Street. John Gibson also has a former friend from Long Beach Calif. as his house guest . . .

Remember a couple of months ago when we had a story and picture of Quentin Walker and his drawings depicting the Nutcracker Suite music that was used in connection with Mrs. Tony Novotny's recital. The paper went to California to John S. Rose.

Rose happens to be a friend of Walt Disney. The clipping was sent on to Disney, at his suggestion. It certainly shows that The Courier does get around and who knows what might materialize from that story and picture. Here's wishing Quentin loads of luck on his talent.

Rose also mentioned in his letter that his mother, Mrs. Mason H. Rose, is now on a trip to Alaska. Jack also sent a "Hello" to all Charlevoix folks who knew him.

Oyster Bay Colony Is Growing Rapidly

The Oyster Bay cottages are filling up with residents and guests. Mr. and Mrs. Bob Burns and their youngsters are back. The Robert Reid family of Flint are at their cabin for the summer, as are the George Klavers of Grand Rapids.

Mr. and Mrs. Howard Otis of Farmington were at their place for the Fourth.

Guests at the Burns cottage for the week are Dr. R. A. Hawley and family of Utica. Monday afternoon Bob Burns says he was doing lifeguard duty for 13 youngsters in swimming.

Queen Nancy Kipke, Members of Court Honored at Party

Queen Nancy Kipke, members of her court and other contestants were honored at a party given at Hilltop Inn on Sunday evening.

Guests were Queen Nancy and her mother, Mrs. Ray L. Kipke, 1948 Venetian Night Queen, Jeanne Hammond and her mother, Mrs. O. J. Hammond, Colleen Reed, Theresa Zeitler and Sharon Butler, members of the court; Mrs. J. K. Reed, Mrs. Jean Gallagher, Patti Hamilton, Patsy Rose, B. J. Cunningham, Shirley Cunningham, Midge Brow, Deeda Supernaw, Mrs. Charles Powell, Mrs. Robert Miller, Mrs. John Harsha and daughter, Anne, Anne Higman, Bonita Higman, Ann Cunningham, Mrs. Amos Webster and daughter, Marjorie Webster.

Other invited guests were Sally Swinton, LoAnn Anderson, Shirley Black, Darlene Holecheck, Edith Olach, Beverly Looze, Mrs. Robert Laurent and Frances Martin.

• Mr. and Mrs. Lance Neff had as their guests last week their son-in-law and daughter, Mr. and Mrs. Basil Kennedy and children Lance and Janice of Traverse City, and Mr. and Mrs. Wilbu Nelson and son Jack and Ray mond, Miss Emma Nelson, Mrs P. H. Burke, Mr. and Mrs. E Britton, all of Detroit.

How do you like the fresh fruits and vegetable department in your A&P store?

Are the vegetables fresh and crisp—as they should be?

Are the fruits firm and ripe — as they should be?

Are the displays neat and orderly — as they should be?

Are the clerks helpful and courteous — as they should be?

We maintain buying offices wherever and whenever fresh fruits and vegetables of top quality are available. We rush this produce in refrigerated trains and trucks to our warehouses and stores. We price it to sell quickly and we inspect it constantly all along the line for any sign of deterioration.

In other words, all our efforts are aimed at offering you only the finest and freshest fruits and vegetables.

If we ever fail to do this, we will consider it a favor if you will tell us about it.

New Attractions Are Added for Hospital Benefit

Some Charlevoix boy can be a clown with the Davies Circus here next Thursday and some girl can be queen of the circus for the day.

Dean Davenport, chairman of the Hospital Carnival committee, has arranged that the boy who sells the most tickets to the circus shall have the chance to be with the show as a clown. The girl selling the most tickets will be duly honored as the queen of the circus. To every boy or girl selling ten tickets will go a free pass to the circus.

The Mt. Pleasant All Star softball team will be here Sunday evening at 7:15 to play the Charlevoix nine. The game will be over in time for the Venetian Night Parade.

The Foster Boat Co. has donated 6 of the huge rubber life rafts to the committee to dispose of as profitably as it can.

The Pied Piper Puppet show will be given every hour at the V. F. W hall over the Kroger store.

The Merryland Shows, which is here this week, was signed up last March by the American Legion before any plans had been suggested for the Hospital Carnival. For several years, the Legion has sponsored a carnival show here. After it became known that the hospital carnival was planned, the Legion and the Merryland management agreed to give a percentage of the gate to the Hospital Fund. In addition, the show manager made a $25 donation.

Benefit Meeting

There will be a general meeting of all committee chairmen and group representatives of the Hospital Benefit and Carnival on Tuesday at 8 p. m. in the City Hall

The WSCS of the Methodist Church will serve a cafeteria supper the night of July 28 as a benefit for the Hospital Fund. The same evening the society will hold its own annual Bazaar of baked goods, candy and fancy work at the church.

Mrs. Gordon Freedman is in charge of the advance sale of circus tickets. Mrs. Edward Shanahan is directing the sale of tickets for the desk on display at Del's Dairy Bar.

Farmers Union to Have County Meeting Tuesday

Three subjects will be discussed next Tuesday when the Charlevoix County Farmers Union meets at the Deer Lake Grange Hall at 9 p. m.

They are: the Farmers Union Hospital Insurance plan, the Buyers' Co-operative, and the proposed county picnic.

A potluck lunch will be served

Phyllis Mason Tells of Girls' State

Phyllis Mason, who attended the annual Girls' State at Ann Arbor last month under the sponsorship of the American Legion Auxiliary, gave an interesting report of the event at the regular meeting of the organization Monday night. Mrs. Harold Withers was hostess to 23 members and guests at her State street home.

Special guests were other girls who had attended Girls' State in previous years. They were Shirley Cunningham, Sharon Butler and her mother, Mrs. Percy Butler and Camille Geneit and her mother, Mrs. Grace Geneit.

A brief program and refreshments followed the business session.

Mrs. Charles Cellner, Mrs. John Zeitler, Sr., and Mrs. Harry Walstad were named to the gift shop committee to purchase and send gifts to the Percy Jones Hospital at Battle Creek.

Architect Says Trailer Park Is Least Costly, Best Site for New Hospital

An impartial appraisal of three possible sites here for a new hospital has been received by the Board and is reprinted in this issue of The Courier on page 7.

All things considered, the representatives of the Chicago architects, Skidmore, Owings & Merrill, say that the trailer park has the most advantages.

Since receiving the report, two other sites have been suggested. One is the golf course on Petoskey avenue just across from the WaySide. However, the Board believes it would cost more to relocate the two or three holes than to lay utilities to other sites. The other suggestion is the city park on Park avenue this side of the Floyd Brown home.

All five proposals will be submitted to the City Council for its consideration.

The plans which are being drawn can be used on any of the sites with only minor changes if any. By the end of the week, the Board expects to have these plans here and will display them on Bridge street. A new model will be placed on the Benefit desk in the window of Del's Dairy Bar. These plans also will be on exhibit at a booth at the Hospital Carnival as will a suggestion box.

Sometime soon the Board will submit all its data on sites to the City Council and ask for the recommendations of that body. After that, an open meeting will be called to discuss the various locations and learn which the public considers the best one.

The doctors already have discussed the matter and said their only suggestion is to pick a place if possible which will give a view of a lake.

All these meetings are being planned, the Board members point out, so that the wish and opinion of the whole community may be known and followed.

Where it is and where it sonn may be are the two points claiming the attention of Harry Craig, president of the Hospital Board, and Miss Ann Baumgartner, hospital superintendent. The thermometer in the park indicates the amount on hand and the goal.

33 Cub Scouts, Mothers Stage McSaubn Cub-oree

Thirty-three Cub Scouts from five local dens accompanied by their den mothers gathered Thursday at Mt. McSauba for a Cub-oree Campfire. Russell Porter of the Scenic Trails Council, was camp director.

The boys enjoyed arteraft, fire building, a picnic supper at which thirty parents joined their sons for the outing and a Campfire program in the evening.

At the evening program Mr. Porter started the camp fire and directed games, Mrs. Kit Carson led group singing and Mrs. Ralph Hamilton's Den II presented a skit.

Other Den mothers were Mrs. Glenn See and Mrs. Clayton Smith. Larry Burns assisted Mrs. See as den chief and Sam Hamilton prepared the camp site and assisted with arteraft and fire building.

Nickerson Heads School Board

Bonnie Nickerson was re-elected president of the Charlevoix Board of Education at the reorganization meeting Monday night.

Fred Wills was re-elected vice-president and E. D. Hawley, treasurer. Harold Withers succeeds Mrs. Walter Bergeon as secretary. Mrs. Bergeon remains as a trustee.

Mr. Hawley and Mrs. Bergeon were re-elected for three year terms at the recent election.

The Charlevoix State Bank was designated as the depository for the next year.

• Mr. and Mrs. Art Von Dolcke of Detroit have been visiting here recently

State Says No Resort License for WaySide

In effect the State Liquor Control Commission has denied the application of Paul McCartney of Petoskey for a resort liquor license for the WaySide.

As The Courier story pointed out three weeks ago, the Commission has hundreds of applications and few licenses to grant. The application was not denied but the Commission sent word that it could not be granted at this time because of the number ahead of it.

Church of God Sunday School Has Summer Picnic

The Church of God Sunday School members and teachers held their summer picnic last Thursday at the church's camp grounds south of town.

Under the direction of Mrs. Miles Vienstra, acting superintendent, and Mrs Clarence Murray, school secretary, 38 boys and girls went out to the camp. There they had games, races and a softball game. Afterwards ice cream cones and pop were served. At 7 p. m. a potluck supper for all the family was served to 67 members. The evening was spent in group singing and games.

All 18 Year Olds Must Register at Time of Birthdny

Failure to register at the age of 18 is a violation of the Selective Service law and makes the individual liable to a penalty.

The young man is required to register at a local board office within five days of his 18th birthday. If he is away from home, he can register at the nearest board instead. The record will be returned to his home board, which also must be informed of all changes in address.

House Painting Record Is Set at Evening Bee

"The fastest job of house painting Charlevoix ever saw," was the way the hard working paint spreeders described their handiwork Saturday night.

According to the count after the job was over there were ten of them who put in three hours completely scraping, sanding and repainting the outside of the Chick Gallagher home at 107 West Garfield.

Chick supplied the paint. Frank Poole superintended the job, Brush wielders, besides these two, were Bob Kelly, Don Carey, George Lusk, Bruce Henley, Ken Cellner, Don Meggison, Jack Mailhot, Shorty Sternberg arrived after all the brushes were distributed and so was given the job of pouring. Five gallons of white paint were spread in the three hours.

Coast Guard Brings In Two Disabled Boats from Lake

Two disabled boats were towed into the harbor by the Charlevoix Coast Guard Monday and Tuesday following the squalls which hit northern Lake Michigan.

The first was the motor cruiser, Shadow owned by T. H. Edson of Grand Rapids, which ran into difficulties seven miles off Good Hart late Monday

Early Tuesday morning the Coast Guard again went out to pick up the auxiliary yawl, Fleetwood, owned by N. G. Geib of Elmwood Park, Ill. The craft, participating in the Chicago-Mackinaw race, had lost its mast and canvass about 10 p. m. Monday between Skillagalee and Beaver Island.

To Conduct Service

Rev. John Coolidge, well known here, will conduct a Communion Service Sunday morning at the Episcopal Church.

Lamprey Eel Mark Found on Bass In Lake Charlevoix

Are lampreys going after the black bass now?

Thursday Jess George came to The Courier with a report on one he had caught the previous evening just around the point in Oyster Bay.

It was a 14 inch small mouth. Right back of the gills and below the side fin was a lamprey scar which had not yet completely healed. Jess said the bass showed plenty of fight.

Chest Elects Directors, Gets Annual Report

Three directors of the Community Chest were elected for three year terms Wednesday night at the annual meeting in the City Hall.

They are Charles Bleha, Ruth Heilig and Lawrence Feindt. They succeed Mrs. Sally Bergeon, George Haggard and Ted Foster.

The other directors and their terms are: one year, Robert Bridge, Dr. R. S. McClintock and L. E. Towe; two years, Gordon Freedman, Kit Carson, Howard Brumm.

The treasurer, Howard Brumm, submitted the annual financial report:

Jan. 1, 1948 balance	535.60
1948 campaign	4,245.33
	$4,781.02

1848-48 Disbursements

The total cost of the 1048 campaign was $87.48 or 2 percent of the total raised.

Freedman Elected County Chairmnn of United Fund

Gordon Freedman was elected county chairman of the United Health and Welfare Fund at an all-county meeting in the City Hall Tuesday night.

Other officers chosen were Mrs. Freedman, secretary; and John Porter, treasurer. Those present agreed to serve as a county committee. Ralph Collins, field representative for the United Fund of the state, spoke of the work being done in other places.

There was considerable discussion of the basic idea of the United Fund plan. Ralph Hamilton, speaking for the Red Cross, said he believed fully in the local Community Chest but was against a state or national program of a single drive. It is a dictatorial policy, and denies to the individual the right to give to what organization he wishes, he said.

Mrs. Porter led the rebuttal. She stated that of all charitable organizations the Red Cross likely is the most dictatorial. It has grown from the top down while the United Fund has worked from the bottom up. The United Fund provides a more equitable distribution of money given and is about the only present bulwark against the domination of the most popular huge charities.

State Leaders of Church of God Meet at Camp

Selected leaders from Churches of God throughout Michigan are meeting this week at the Camp Grounds south of the city

They arrived Monday and will leave Friday. Dr. F. T. Miller, Executive Secretary of Christian Education for the church, is director of the camp program. About 60 are here for the sessions.

Creation of Modern State of Israel Is Described as Miracle in World History

The modern miracle of the State of Israel was described Monday night at Kiwanis Club by Rabbi Harry Kaplan of Columbus, Ohio, a summer citizen here for 11 years.

One of the great miracles of all history, he said, is the story of how the Jew has carried the dream of a homeland and religion through 1900 years and at last achieved it. From 70 A. D. when Rome destroyed the Jewish state, until now the Jew has carried a portable homeland with him in his heart, the Rabbi said. Until 100 years ago it was largely a religious dream.

Then it became political also. With the liberation of the Jew from former legal and economic controls, anti-semitism arose. At the same time, the idea of a revival of a national home, a place they could call their own, began to be pushed.

Rabbi Kaplan traced the difficult road of that idea through World War I, the British change of position and the bitter fight by the Arab leaders to the present free position of the Zionist state.

Today it has largely emptied the concentration camps of Europe, is developing a fortress of democracy on the Mediterranean, and may help to show the world the answer to the present conflict between communism and individual freedom.

Meyer Levinson was program chairman and introduced the speaker.

Jolliffe Surprises Family When He Arrives from Korea

The William Jolliffe family was a surprised group Monday night when William, Jr., walked in.

For 18 months he has been in Korea with the U. S. Army as a military police. The family had not heard from him since May. He left Korea May 30; will be here until the last of August when he reports back to New Jersey on Sept. 1.

Norwood Man Is Killed as Tractor Overturns On Him

A 32-year old former Detroit man who came to Norwood a month ago to make his home was killed Thursday noon when a tractor overturned, pinning him under it.

He was Lloyd Benson, a former tool and die maker, who was clearing land for an airstrip at the time of the accident which was witnessed by a nephew who ran to the nearby cabin to call Mrs. Benson.

Death was due to a crushed chest and internal injuries according to the coroner, Dr. Robert McClintock.

The Bensons had purchased the former Foster cabin south of Norwood on Lake Michigan and came here to make their home.

Surviving are his wife, Amy; one son and two daughters and his parents, Mr. and Mrs. Lloyd Benson, Sr., of Detroit.

The body was returned to Detroit Saturday for funeral services and burial on Monday.

Alfred E. Smith, Former Citizen, Dies in Jackson

Funeral services for Alfred E. Smith, 58, former Charlevoix resident who has lived in Jackson for the last ten years, were held at the Gildersleeve Funeral Home on Saturday.

Burial was in the Spring Arbor cemetery. He died at his home on July 13 following a year's illness.

Born in Galien, Mich., he came to Charlevoix with his parents in 1896. In 1911 he was married to Norma Mascho. They lived here until going to Jackson 19 years ago. While here he was janitor at the Charlevoix public schools for 15 years. In Jackson he was employed at Frost Gear Co. for eight years.

He is survived by his wife; a son, Lee A. and a daughter, Mrs. Elwood Livingston, both of Jackson; two grandchildren; his parents, Mr. and Mrs. Frank J. Smith of Charlevoix; five brothers, Lester and Carl of Jackson and Otto, Earl and Chester of this city, five sisters, Mrs O. O. Mahoney of Seymour, Ind., Mrs. Shirley Perry, Mrs. Harris Barnhart and Mrs. Carl Holland of Jackson and Mrs. Lewis Brant of Charlevoix.

Among those from Charlevoix who attended the funeral on Saturday were Mrs. Frank J. Smith, Mrs. Brant, Mrs. Perry who is spending the summer here, and Otto, Earl and Chester Smith.

City Acquires Park Beach at Depot on Ten Year Lease; Buys New Trucks for Streets

Charlevoix now controls the park and beach in front of the C & O station and eventually will own it.

Owned by Frank Brown, he has allowed the city to use it as a public picnic ground and bathing beach. Monday night he came before the Council, said he wished to sell it and had turned down private offers. He preferred to give the city the first chance and offered it at $2500.

The city will pay $250 a year for ten years under a lease, and at the end of that time Mr. Brown will deed the land to Charlevoix. There are approximately four acres.

The city also bought two new half-ton trucks to replace the 1937 and 1940 ones now in use. Five bids were submitted. Chevrolet, $1929; Dodge, $2310, Ford, $1890, Studebaker, $2398, GMC, $2192. Alderman Goss, thinking of the low state of the bank balance caused by recent spending, favored buying only one truck a Ford 6, which was the cheapest. His proposal was defeated and two Chevrolets were bought.

The Council approved leasing the Noonan place at the Coast Guard Station to Elmer D Bump, a new man there.

It also amended the city licensing ordinance on dry cleaning outfits from out of town. Previously they were supposed to be charged $10 a day or $50 a week. Now they can get a city permit for $300 a year. The Council said it intends to start collecting all the fees set in the ordinance

Butters Are Hosts at Open House In New Residence

Mr. and Mrs. William Butters were hosts to 80 of their friends Thursday afternoon at their new Sunset Lodge on Michigan Avenue.

The couple is well known in Charlevoix, having owned the lodge on Dixon Avenue, opposite Beach Hotel, which they recently sold to Mr. and Mrs. Al Puhek of Detroit. Having recently purchased the former R. E. Olds summer home, owned by the Harry Turners, they have given the place a complete remodeling and redecorating job. In this project they have been nothing short of human dynamos.

Besides a beautiful apartment facing Lake Michigan which is their private quarters, they have converted the house into rooms for paying guests. Each room is beautifully decorated and named from the Governor's Room down through a list of Mrs. Butters' favorite movie stars.

The garage, down by Lake Michigan has been converted into a "Honeymoon cottage" which is much in demand for the season. Here Mr. Butters was host to the gentlemen Thursday afternoon while Mrs. Butters received the women in her apartment for afternoon tea. Mrs. Queenie Wood of the Hotel Belvedere poured

35 City Employees Have Annual Picnic

Thirty-five men employed by the city had their annual summer picnic Tuesday night at the Ferry avenue park.

Following the picnic meal, softball was played by those who still felt able to move around more or less rapidly.

• Mr. and Mrs C T McClintock of Sioux City, Iowa, will be back Sunday. They had been here for a couple weeks visiting their son, Dr R. S McClintock and family. Then Sunday they boarded the North American for the week's cruise.

SOME MARKINGS NEEDED

One of the good things Charlevoix has to offer is the drive out around South Point, especially in the evening at sunset.

For us folks here, we know the road and usually go around counter-cloekwise. So we have little or no trouble.

But the road is a narrow one by today's standards. And it is winding. Both those things add to its charm. At the same time, they present a hazard for anyone not used to our one-way driving who chances to head the wrong way.

Why couldn't some one-way signs be put up there? There has been one collison already this summer. Three or four signs could well prevent more.

Charlevoix city is not doing right by its guests in this matter of signs. Our street markings are faded, old and hard to find. I realize that with the drains made this year on the city finances, 1949 is no time to start a general replacement program. But just as soon as the existing deficit is wiped out, one of the minor jobs which we should do is a complete new set of brightly painted street markers.

But there is one place where this community does not need and should not permit signs. This is along the new drive from here to the county line at Bay Shore.

I do not know of another lakeshore drive in all Michigan or the Middle West which will surpass that new section. It is a thing of beauty and charm and easily one of our tourist attractions.

One thing will ruin it—commercial billboards or signs of any kind.

One, a cigar placard, already is nailed to a stump. Others will soon follow unless the County Road Commission bars them. In the public interest, such eyesores must be kept out.

As far as I have heard, we folks here in Michigan have the prize, the ultimate in fool taxes. It is this boat license tax. The Courier has objected to it before. But last week Bob Paul brought back some new facts from Lansing where he got them from the Tax Division.

The boat tax, to start with, was fathered and slipped across in the Legislature simply to benefit the boat yards of Detroit. The city there taxes personal property. Boat owners, to save money, kept their craft outside the city limits for 183 days of the year. The result was the city boat yards were losing business. By substituting a state for a city tax, they would be benefitted. And so they put the measure across after one failure.

The tax was supposed to be for the benefit of waterways and harbors in Michigan.

Last year it brought in about $200,000, according to Mr. Paul. Of this more than half had to go for the cost of administering the act.

In the first place, Michigan has no business dabbling in river and harbor improvements. Those matters either should be left to the federal government or the local community.

Next, any tax that requires 50 percent to collect is not a good tax. It simply is a pestiferous burden and nuisance on the citizen affected. The Legislature should get rid of the idotic measure at the next session.

It Was Slightly Embarassing

While we U. S. editors were over visiting Canada, there was only one thing embarrassed me. It wasn't a Canadian. It was a fellow citizen of this country.

His name is Col. R. E. McCormick of the Chicago Tribune.

As all readers of the Trib know, the Colonel still is fighting George Washington's battles against Britain. He is taking constant snide cracks at England and Canada. Usually his facts or his inferences are wrong.

I'll say that the Canadians take it far more kindly than I would. They take the attitude that one man isn't the whole country, even if he does publish a metropolitan paper.

But all the same, I wish he would pick something else to go after. Canada doesn't deserve his treatment.

Visiting Our Neighbors

Across the Border

(By L. E. Towe)

Michigan has a Midland and so does Canada. Ours is one of the continent's great chemical towns. Ontario's Midland once saw world history decided; now she ships grain and entertains tourists.

Away back about 1615 a Frenchman named Champlain had an idea. It was sound. If he could hold both the St. Lawrence and the country between Lakes Huron and Ontario, he would have a New World empire for France. So, he sent some Jesuit Missionary fathers 700 miles into Huronia, as it then was called, to found a town and fortify it.

That was Fort Ste. Marie, just south of Midland. All went well until July 4, 1648. That day the war-like Iroquois from New York State captured and destroyed an outpost of Fort Ste. Marie. After that there was no stopping them. The next year saw even the main fort itself abandoned. It is said that if the Iroquois had been defeated on that first July 4, there never would have been a July 4, 1776 in history. France would have held and ruled the continent.

Anyway this summer Huronia is honoring the five martyred missionaries with a huge pageant. A big shrine to them draws pilgrims and sightseers. Just below the shrine patient workers are rebuilding Fort Ste. Marie, the old blockhouse stones being used again.

In Midland itself, the editor of the paper has headed the movement for a Huronia Museum. He took three of us through it. I honestly envied his town for having it.

Old Indian relics are in one room. Upstairs women's dresses that were worn back in the pioneer days. Rooms furnished just as they were 100 years ago. Most interesting thing to me was a butter churn driven by a dog walking a round turntable. Hard for the dog but easy on the pioneer housewife.

Stretching north from Midland is the Georgian Bay. It's called the Land of 30,000 Islands. Actually there are 110,000.

Frankly I like the Canadians. And I liked most of what we saw in Ontario.

I likewise believe that here in Michigan we have the finest vacation land between Maine and Oregon; and that U. S. citizens can do no better than see their own land first.

But after we've done that, or if we don't have time or money to visit Arizona or Florida, we can do lots worse than pay a friendly call on our neighbors across that invisible boundary line. They're grand folks to meet and know.

(The concluding installment of this series on his Ontario trip will appear next week.)

Chief Warns About Rules for Bicycles

Bicycles must observe the same rules of the road and of the city as do autos, warns Chief Clarence Heise.

The bike situation here this year, he believes, is more dangerous than it was last. To prevent an accident, which easily might be fatal, he has asked The Courier to restate the more common rules for bike riders:

They must stop at all stop streets, just as do automobiles.

They must stay on the right side of the street.

Not more than two bikes must be ridden abreast.

They must stay off the sidewalks, especially in the business district. In front of the rider's home, nothing will be said if a bike is ridden on the walk. But elsewhere, its place is on the pavement.

Unless the bicycle is built for two, only one person shall ride it. Doubling up is too dangerous.

Chief Heise says that the parents can do the most good. He suggests that they explain to their children the rules for bike riding, especially that about stop streets, which he says will be strictly enforced.

Especially dangerous for both riders and pedestrians is riding on sidewalks at night.

Chain-of-Lakes Races Start, End At Same Point

Bellaire—Spectators and racers both will get a break at this year's National Chain-of-Lakes Marathon and Regatta to be held in local waters July 23-24.

The start and finish for both the Midget Marathon and the regulation Chain-of-Lakes Marathon will be at the same point. The Midget Marathon will start at the village park Central Lake and finish there, and the Marathon proper will begin at Miley's Lodge on Lake Bellaire and finish there after an 84-mile run over the Chain-of-Lakes waters. Last year spectators had to go to Elk Rapids to see the finish.

Although racers will find the course longer than last year by about 20 miles, they will also be partially relieved of the danger of immediate elimination in the treacherous Grass River between Lake Bellaire and Clam Lake. The Bellaire Boat Club has pulled out deadheads and stumps and marked the river more clearly.

The effects of old age appear earlier in very hot regions.

March of Dimes Contributes $1500 to Enable Girl to Recover Completely from Polio

A $1500.00 check to pay Charlevoix County polio bills was presented here today to Mrs. Walter B. Davis of East Jordan, Chairman of the Charlevoix County Chapter of the National Foundation for Infantile Paralysis. The presentation was made at the annual convention of the Michigan rural letter carriers auxiliary, of which Mrs. Davis is president.

The check, granted by the foundation, will pay the hospital and medical expenses of a Charlevoix girl who was struck by polio earlier this year. Prompt medical care, provided by the Foundation, has resulted in her complete recovery.

In accepting the check from Glenn D. Kittler, State Representative for the Foundation, Mrs. Davis explained that the money was part of $26 million raised in the United States this year through the March of Dimes. Other Foundation checks to pay Michigan polio bills will be presented this week to chapters in Alpena, Benzie, and Otsego counties. The checks total more than $5,000. Mrs. Davis said that half the March of Dimes funds raised remain within the local county for medical care purposes. The remainder, she said, enters a pool in the Foundation's headquarters to support an intense research program. To further the special training of doctors, nurses, and physical therapists, and to provide funds to counties where epidemics deplete the local chapters treasury. Operating on the March of Dimes money, chapters frequently pay bills as high as $5,000 a year for a single case, Mrs. Davis said.

Harbor Picture Shown at Saginaw

Charlevoix has been getting some visual advertising down at the Artists Guild Exhibit at the Saginaw Museum.

Bud Heise the first of the week brought up a clipping from the Saginaw News. It showed a picture on exhibit. A water color, it was done by Peter Frantz and called "Fish Docks, Charlevoix." The scene is of a bow of a fish tug, one corner of Booth's and Miller's buildings.

MORE OF LIFE'S GOOD THINGS

Americans own more radios, more television sets, more washing machines, ironers, refrigerators—than the people of any other nation. Why? Because our American enterprise system is based on the productive teamwork of workers and management, business and banks. In some countries these comforts can't be had by many people at *any* price. In America, bank loans help many people to get things they want. If you wish to borrow to buy some of the better things of life, see us about a low-cost loan.

What's that wonderful new Ford "feel" you hear everyone raving about? It's many things.

It's the level "feel" of Ford's new "Mid Ship" Ride. You sit cradled between wheels in the new lower center section.

It's the smooth easy-stopping "feel" of Ford's new "Magic-Action" Brakes . . . brakes that are fully self-energizing to stop you 35% easier.

It's the "feel" of surging power in Ford's new 100 h.p. V-8 and 95 h.p. Six engines. Only Ford in its field offers you a V-type engine (the type used in America's costliest cars).

And behind that new Ford "feel" are many other Ford "firsts." New, smooth "Hydra-Coil" and "Para-Flex" Springs . . . new "Lifeguard" Body and frame structure—59% more rigid . . . new "Sofa-wide" Seats—more hip and shoulder room than any other car in its field.

And with the new "feel" comes new classic-smooth styling. The famed New York Fashion Academy judged Ford the "Fashion Car of the Year."

Bridge, Brown Are New Lifeguards

Already at work at the city beaches are the new lifeguards employed by the city Council.

Gene Bridge is at the Lake Michigan park and Don Brown at Ferry avenue.

Subways are partially ventilated by the piston action of trains driving the air through the tubes.

What's Doing At Camp Charlevoix

At last Camp Charlevoix is back on regular time. We now have the same time as any town in Michigan.

Cabins 8 and 9 started the week off with an overnight trip to Young State Park. The group included counsellors Neale Traves and Jack Bunbury, and Jim Ragsdale, Scott Maentz, Dick Norgaard, Bob Brown, Lev Flournoy, Stanley Bremen, Max Ziegler, Bob Neff, Reed Madden, Dlek Barton, Tom Watkins, Bob Kelley, Bud Marshall and Roger Keeney. Dick Norgaard gave a full account of the trip.

Tuesday John Cook and Mike Riggs, Douglas Buckler, Tim Mast, Duffer Smith, Charles Schank, Warren May, and Carl Allison joined forces with Bob Wagner and Charles McIntyre, David Love, Dick Center, Ricki Bovee, Clifford Taylor, Ralph Greene, and Jimmy Arn for a two day trip to the Jordan River bluffs.

Bill Kasler and Phil Steding took Bob Timmons, Stanley Moleski, Charles Kearney, Tom James, David Sewell, Tom Taylor, Bill Nicklin, David Harding, Jim Lay, Bob Stockwell, John Wood, Bob Inch, Ed Macauley, and Walter Moleski on a four day trip to Beaver Island.

Webb Wilson and Tom Kearney, David Whittingham, Dick Degener, Jeff Jennings, Bob James, Warren Hatch and Alex Cross took an overnight horseback trip to Mt. McSauba.

Also on Tuesday, Dick Frost took Buddy Krauter, Charles Holcomb, Phillip Py, John Watson, and David McIntyre on an overnight to Young State Park. Phil Py gave an interesting account of the trip.

On Wednesday, Sam Schaefer and Dick Rouse accompanied by Bill Phelps, Alan Mendelssohn, Bill Hardie, Jim Stockwell, Bill Hall, Sandy Cobb, Mike Boswell, Jack McQuiggan, Ted Grainger, Dick Kruse, Ewing Goff, Dick Butche, Edwin Strauss and Bob Sommer took a two day trip down the Jordan River.

The chapel speaker this week was Fred Wagner who spoke on "Christ the Human." This was the first chapel of the year to be held in the outdoor chapel. Eddie Vardon was added to the choir.

A waterfront afternoon highlighted the day. The events began with a real battle between the Greens and Grays. The Junior Grays took the honors. Then the camp moved down to the Senior Bay for the remainder of the afternoon. The events included relays, canoe tilts, water polo, and many others. After the events were over and the score tallied, the Grays came out on top in all three sections. The score to date is 6 to 4 in favor of the Grays.

The visitors in camp this week included: Mr. and Mrs. Al Bremen, Mr. and Mrs. J. Alden Buckler, Mr. and Mrs. Walker Butler, Mr. and Mrs. William Fors, Mr. and Mrs. Phil Giberson, Dr. and Mrs. J. W. Holcomb, Mr. and Mrs. Joseph Jennings, Mr. and Mrs. Richard Judd, Mr. and Mrs. E. F. Lay, Mr. and Mrs. Walter Mast, Mr. and Mrs. E. H. Morgan, Mr. and Mrs. Delwin Reisinger, Mr. and Mrs. F. W. Riggs, Mr. and Mrs. C. W. Schank, Dr. and Mrs. Julius Tapert, Mrs. Barbara Watkins, Mr. and Mrs. Ray Whyte,, and Mr. and Mrs. Max Ziegler.

Top Cheboygan Team Will Play Here Sunday,

The Charlevoix Softball team will face its strongest competition to date in the Cheboygan Lakers Sunday at 8:45 p. m.

Last year Cheboygan's Center Tool team put the Knight Owls out of the state tournament, and then in turn were ousted by the Lakers who also hold a decision over them this year. The game should give a good line on how far Charlevoix can expect to go in this year's state tourney.

Charlevoix walloped Andy Kan's Capital Airlines team Sunday 11-7. The game was marred by the constant arguing of the visitors.

Surprise Shower Honors Mrs. Novotny

A surprise stork shower honoring Mrs. Frank Novotny, Jr., was given Thursday evening My Mrs. Joe Williams and Mrs. Elmer Gibson at the latter's home. Pink and white decorations were used on the refreshment table, the gift table and about the room.

Barnard News

By Mrs. Clyde Smith

Our farmers have begun harvesting their grain. Next the threshing machines will be heard.

The Farm Bureau group will meet this Thursday evening at the Henry Potter home. Topic of discussion, "What can we do about Rural Health."

Mr. and Mrs. Max Leitch of Cherubusco, Ind., visited over the week end with Mr. and Mrs. Clayton Smith.

Mrs. Stephan Burr and children of Beaverton are visiting her parents, Mr. and Mrs. Lewis McDonald this week.

There's a new boy at the home of Mr. and Mrs. Richard Hoffman near Ellsworth. Mrs. Hoffman was formerly Jennie Potter of this community.

Mr. and Mrs. Carlton Smith and sons attended a State Farm Insurance picnic at Indian River last Wednesday.

Mr. and Mrs. Herman Minnema and Mr. and Mrs. Wittegan of Holland visited at the Arthur Stoel home over the week end.

Mr. and Mrs. Arthur Couse of Chicago visited at the George Block home a few days recently.

Christiana Potter and sister, both of Grand Rapids visited their cousins, the Potter families here last week.

Clark Community

Mrs. Wm. Parsons

Mr. and Mrs. Al Bolhuis and Mr. and Mrs. Emerald Bolhuis and family visited the George Parsons family Sunday.

Sorry I made a mistake in last week's news letter. It should have been Miss Irene Warner of Dearborn and not Lucille, who was visiting her parents, Lucille is Mrs. George Anderson, Lansing.

Mr. and Mrs. Stanley Lord of Norwood were Sunday dinner guests of Mr. and Mrs. William Jolliffe.

Dawson Way and Jim Jolliffe accompanied Jim Fiedler on a trip in the Upper Peninsula over the week end. The boys went to Soo, Canada, and journeyed to Tahquamenon Falls before returning home Sunday night.

Mr. and Mrs. Russell Brown of Detroit are spending his vacation visiting their parents, Mr. and Mrs. Frank Brown and Mr. and Mrs. Gilkerson.

Floyd Parsons, 1½ year old son of Mr. and Mrs. William Parsons, likes to go hiking with Mickey the puppy. One day he was found in the pasture with the cows, and Monday morning while mother was busy washing he wandered off towards Harwood Lake. Mother missed him just in time and found him just a few yards from the water. Fishermen will just have to close that gate down the lane.

IT HAPPENED ON . . . . BEAVER ISLAND

By Mrs. J. C. Hanley

Charlevoix County Chambers of Commerce with representatives from Boyne City, East Jordan and Charlevoix came to the Island Sunday via the North Shore for a stay of five hours.

Upon arrival, dinner was served to the visitors at the King Strang Hotel. Through the courtesy of the Beaver Island Association of Commerce, a tour of the Island followed the dinner.

About 35 of our neighboring visitors enjoyed the hospitality of the Island with the officers of the Association of Commerce acting as hosts.

Beaver Island's future airmen got off to a flying start Sunday when instructors Bob McCutcheon and Joan Tesh started the training course with an enrollment of ten students.

The take-off Sunday culminated the efforts of several months of preparation prior to the starting of the Air School. Beaver's excellent airport is now equipped with all the necessary buildings as required by Civil Aeronautics Association.

Father Victor Gallagher spent the past week with his parents, Mr. and Mrs. James H. Gallagher. Robert L. Delaney has also been a guest of the Gallaghers.

Mrs. Lawrence Malloy, Chicago, has arrived to spend a month with her parents, Mr. and Mrs. Fred L. Spalding.

Mrs. Truman Ramsey, daughter Patricia and son "Butch" returned to the Island after visiting relatives in Marlette.

Mrs. Lowell Hulburt and daughters Sharron and Melanie, Clifton, Colo., and Margie Rhodes, Washington, D. C. are the guests of Mrs. Irene LaFreniere.

Mr. and Mrs. Andy Murch and family, Paw Paw, have arrived to spend the rest of the summer on the Island. They are occupying the Les Emery home.

James Burns and daughter Anna May, Detroit, are visiting on the Island.

Some marked improvements have been made in the appearance of the township cemetery. The area around the cemetery has been leveled off and a good-looking fence has been erected. Stone pillars mark the corners and entrance. The cemetery will be known as "Oaklawn" from now on.

Mr. and Mrs. Bob Powell and son have been guests at the King Strang Hotel. Mrs. Powell is the daughter of Mr. and Mrs. Roger Carlisle.

Ed Youngs came to the Island on business during the week.

Jack Gallagher, Green Bay, is spending his vacation on the Island. Jack was recently discharged from the Marine Hospital in Chicago.

Henry Allen returned to the Island Saturday to spend the week with his family.

Dave Wilson drove up from Detroit to spend the week end with his family.

Mrs. Russell Palmer entertained a group of youngsters Saturday afternoon with a lawn party to honor her youngest pupil, Karen Spalding. During the afternoon, Dr. Gorman took movies of the children. The guests included Kay McDonough, Elizabeth Allen, Ann Marie Hanley, Kathy McCann, Kay Wilmot, Karen Ryan and Karen Pischner.

Mr. and Mrs. John Joseph Patrick Behen and three daughters, Lombard, Ill., arrived Sunday to spend two weeks. They are occupying Miller's cabin.

Mr. and Mrs. John Stephens, Oak Park, Mr. and Mrs. George Madioland, two daughters, Lombard, and Mrs. John Maloney, Forest Park, arrived Sunday to spend two weeks. They are occupying McDonough's cabin on the village.

Mrs. Paul Gatliff and little daughter, Linda, are visiting Mr. and Mrs. Hugh Connaghan.

Mr. and Mrs. Don Smith, Chicago, arrived by plane Sunday to be the guests of Mr. and Mrs. Paul Heflin.

Mr. and Mrs. Arthur Houston, Ypsilanti, spent a few days on the Island visiting Mrs. Houston's parents, Mr. and Mrs. Frank Nackerman.

Athleen Brown and brother, Terrance Brown, Chicago, are spending their vacation with Mr. and Mrs. Lawrence Malloy, Sr.

Mr. and Mrs. J. A. Donahue and family, Lombard, Ill., are occupying Lloyd McDonough's cabin on Sand Bay.

Registered at the King Strang Hotel: Mrs. E. W. Schnable, Chicago; Mr. Guy Griffith and party of four from Pittsburgh, Pa.; Mr. and Mrs. Bob Powell, Sr., Batavia, Ill.

Mr. and Mrs. Claud Hollister, San Pedro, Calif., arrived Sunday for an indefinite stay as the guests of Mr. and Mrs. Herman Pischner. Mrs. Hollister is Mr. Pischner's niece.

Mrs. Willard Pischner recently spent a few days in Charlevoix.

Bruce McDonough found out Sunday afternoon as he attempted to drive along the beach at Sand Bay that his model T wasn't amphibious after all.

Architect Says Trailer Park Has Most Advantages at Site for New Hospital

The following report by William Priestley of Skidmore, Owings & Merrill, Chicago architects, tells whot that firm helieves is the best site of three here for a new hospital. He also explains the reasons for thot verdict.

The Architect's first choice is the site of the Trailer Park on the lake, west of Charlevoix. This site, while convenient to the town, has the feeling of being out in the country, with plenty of quiet and privacy. The road from Charlevoix to the properties further west should be relocated to run along the south and west sides of the property instead of between the hospital huilding and the lake, which would distorb the patients' privacy and ruin the view. The only noise which might disturb the patients would be planes from the airfield, which occurs only in the daytime and is not at all serious.

The land slopes toward the north and northwest which makes possible a service entrance to a fully lighted basement on the lower level, with the minimom of foondation wall for the unexcavated portion of the building. This makes for maximum economy of construction and efficiency of operation.

The patient's rooms would he orinted to the east, which would afford both sunlight, a fine view of the lake and shoreline, without too severe exposure in winter. Considering sonlight alone, south would be more desiroble, but it would he inodvisahlo not to take advantage of the lake view.

Utilities would have to be brought oot from the nearest points of the present lines, but the distance from the road to the building would be very short, reducing the cost of bringing these services into the building.

This would correspondingly reduce the amount and the eost of the driveways required, and minimize the problem of snowplowing in winter.

The Architect's second choice is the site on the north side of the Petoskey Highway.

The principal advantage of this site is the fact that the lake view is to the south, which as far as sunlight is concerned is the most desirable orientation of the patient's rooms. Unfortunately this view is across the highway, which cannot be planted out without losing the view of the lake.

To assure that the highway traffic will not be disturbing to the patients, it would be necessary to set the building back a considerable distance from the highway. This means the driveways on the site would be much longer, with the problem of snow removal consequently much greater.

It also would mean much longer runs to connect the utility lines from the building to the mains which presumably would be along the highway.

The site is also quite level. This means thot to put the kitchen and other service oreas in the basement would requlre raising the entire building with a consideroble increase of foundotion wall, or to build the entire building on one level, neither of which is as economical aa the building can be made on the other site,

The nolse from the trains would not be a major factor to consider.

The fact that the building could be seen from the highway should not be given undue emphasis. It will not add to the efficiency of the hospital and the fact that the building can be built more economically on the other site is the determining factor in the Architect's recommendation that the other site be ehosen in favor of this one.

The third possibility is to use the site of the present hospital. Theretically, it would be possible to build a new building which could be used temporarily in connection with the present hospital, and only to remove the present hospital if and when the linal additions to the ultimate srheme could be built.

From a practical standpoint there are the following serious problems to be handled before this could be considered practicable or desirable:

1. The present building is right in the renter of the property and there is very little space between it and the edge of the ravine to the north. This would restrict the planning of the new addition considerably, and it is quite possible that it would be impossible to find a solution that would not seriously compromise the effieiency of operation of the ultimate plan.

2. The location rould never be made as attractive as the lake site, and the difference in the distance from these sites to the center of town is nol enough to be a dreiding factor.

3. Before this site is considered possible, a complete study should be made, with plans of the various construction stages completed in sufficient detail to make accurate estimates of cost. The cost ot such a study would probably be not less than $2,500.

4. The utilities are available at the present site but the cost of bringing them to the lake site would not be great enough to be the rieading factor unless other reasons were compelling.

5. The present building represents such a fire hazard it is very questionable whether it should be kept in use.

The Architects do not recommend this site unless it is impossible to raise sufficient funds to attempt to build a new hospital on the lake site. We feel certain the ultimate plan would not be as economical or as efficient, due to the difficulties of working in very limited space and coordinating the various stages of construction. We also do not feel that the building could ever be made as pleasant for the patients in this location as it could on the lake site.

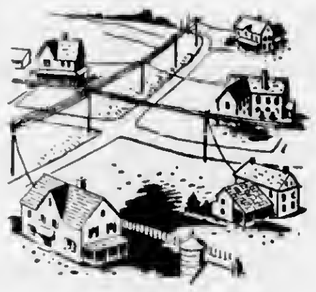
Rural Tele-news



HARD-WORKING WIRES — Helping to bring telephone service to more farm families is the application of "carrier" equipment to rural telephone lines. This special equipment, used for years on Long Distance lines, enables several conversations to travel along the same pair of wires at the same time and without interfering with each other. Recent developments indicate that, under suitable conditions, extra rural circuits also can be provided in this manner.

RADIO BY TELEPHONE — Radio networks are really networks of special telephone circuits linking groups of radio stations. A program originating in one station is sent out by telephone wires to other stations. From there it is broadcast to you by radio. Thus the telephone system helps make possible one of today's most important sources of news, information and entertainment on the farm.

ONE LITTLE CALL — The telephone rings. It's your tractor dealer calling to say that axle won't be ready today after all, and a needless trip to town is saved. Almost every call saves you time and trouble, helps you get so much more done — order supplies, make appointments, or talk to a neighbor. For the small price you pay for telephone service, you get a lot of value.

MICHIGAN BELL TELEPHONE COMPANY

Our $13,000,000 postwar rural construction program means more and better rural telephone service.

Many Kin, Friends Come Here for Louiselle Rites

Switzer-Novotny Vows Are Spoken Sunday

Baskets of pink and white flowers and tapers in candelebra decorated the altar of the First Congregational church for the marriage of Betty M. Switzer and Anthony E. Novotny at 4 o'clock Sundoy. Rev. Jackson Turner read the double ring service in the presence of 150 guests.

The bride is the daughter of Mr. and Mrs. Henry Switzer of Muskegon, and the bridegroom's parents are Mr. and Mrs. Anthony F. Novotny of this city.

Preceding the ceremony the Charlevoices sang "O Promise Me" and "The Lord's Prayer," accompanied at the organ by Mrs. Florine Stelter who also played the traditional wedding marches.

Escorted to the altar by her fother, the bride wore a gown of white slipper satin. Her fingertip veil fell from on orange blosson tiara and she carried a shower bouquet of white roses.

Lucille Vallencourt of Muskegon wos maid of honor. Etta Morrison of Whithall and Phyllis Gregory of Belloire were bridesmaids. Miss Vallencourt's gown was powder blue. The bridesmaids gowns were green and yellow respectively. They wore motching picture hats and carried bouquets of yellow and blue daisies respectively.

Charlene Novotny as flower girl wore a gown of pink net and toffeta.

William R. Novotny assisted his brother as best man. Harry Oldham of Petoskey, and Williom Poole were ushers.

Mr. and Mrs. James Schols of Grand Rapids, uncle and aunt of the bridegroom, completed the wedding party as master and mistress of ceremonies.

Mrs. Switzer selected an aqua dress and blaek aecessories for her daughter's wedding. The bridegroom's mother wore a blue and white print dress and white aecessories. Both had corsages of pink roses.

A reception was held at the home of the bridegroom's parents immediately after the eeremony.

The couple will make their home at 209 State St. following a wedding trip to the Upper Peninsula.

Among those from away who attended the wedding were Mrs. Ruby Staley of Detroit; Mr. and Mrs. Arlin Dingman, Mr. and Mrs. Vernon Dingman ond Mr. and Mrs. Harry Berg, all of Grand Rapids; Mrs. H. Gregory of Bellaire.

• Mr. and Mrs. Ted Jancha and children, Teddy and Paul and Mrs. Jancha's cousin, Virginia Fiedler of Augusta, visited from Sunday until Tuesday with his parents, Mr. and Mrs. Stanley Jancha.

He Won the '49 FORD...

In the FORD Dealers' Baseball Contest

George Kell (right), top Tiger hitter for the month of June, presents the keys to a brand new '49 Ford to Mr. Harold M. Wilson, 1420 Sudbury Court, Willow Run Village, Michigan.

Mr. Wilson won the Ford Dealers' Baseball Contest by correctly naming George Kell and Pat Mullin as the two Detroit Tiger players who had the highest batting averages for games played during June—and for making the best estimate of their June batting averages.

More than 25,000 Tiger fans participated in the contest. Contest judges were: Bob Murphy, Sports Editor, Detroit Times, Lyall Smith, Sports Editor, Detroit Free Press and Sam Greene, Detroit News Sports Columnist.

Charlevoix Offers Four Fun-Packed Days

The Tow Line

News of folks, your neighbors and mine . . .but did you know that—

August is before us and what a busy month it looks as though it is going to be. Already a new group of tourists have arrived . . . Monday was the birthday of Mrs. Winnifred Mower and what a way she had to celebrate it! She was in a critical condition at St. Joseph's hospital in Ann Arbor and underwent majar surgery. Her friends are staging a post card shower to cheer her.

Orchid of the week goes to Mrs. Fredrika Shumway Smith, one of Charlevoix's summer residents, who has written another new book, "The Magic City," a collection of poems of New York people and things. Mrs. Smith has had many interesting criticisms concerning the book. Christopher Morley says "No one since Robert Lewis Stevenson has captured the mind of a child better than Fredrika Shumway Smith." Marjorie Barrows, for many years editor of Child Life magazine says, "Mrs. Smith has the special gift of being able to look at the world through the eyes of a child."

Our deepest smypathy goes to Mrs. Jeannette Abfalter in her sorrow in the loss of her husband, Ronald Abfalter. It means the loss of a wonderful companion in a home where there was much love and happiness . . . Saw the beautiful new cabin, Sandra-Lynn new home and office of Paul Woll on Torch Lake this week when it was opened for inspection. Later in the season Mr. Woll plans another open house so that persons from Charlevoix may see the clever cabins he is now building . . . Speaking of the Woll family, I wonder how many folks drive 70 miles (round trip) every Sunday morning to attend church. Many of us cannot get two blocks, but the Wolls drive to Petoskey Lutheran Church from Eastport every Sunday. Recently the family changed their membership from the Perrysburg, Ohio, church.

Gone from our midst—Robert W. Allen, who will be greatly missed in Charlevoix. Mr. Allen was a real citizen and benefactor to Charlevoix, one of the kind who never let his right hand know what his left hand was doing in the many kind and worthwhile things he did.

Mrs. Sam Campbell said that her sister, Mrs. Bill Overstreet of Tulare, Calif., lives but a block from the now famous athlete, Bob Mathias, who rated so many pages in Life magazine lately. "Her letters have been full about Bob, and the celebration in his honor," said Mrs. Campbell . . . Week end guests at the J. H. Oldham cottage at Pine Point were Dr. and Mrs. Earl Oldham of Breckenridge, Harold E. Oldham and family of Walloon Lake, Jack D. Hogan and daughter, Sharon of Ann Arbor. They came to help celebrate Mrs. Oldham's birthday. Miss Oldham will spend two weeks at Pine Point.

Mrs. Irma Jones and children of Glennie and Detroit returned Wednesday after visiting her daughter, Mrs. Clarence McCalmon of Charlevoix . . . Folks who are at all acquainted with the National Music camp at Interlochen and the outfits the students wear during camp certainly have had a good many laughs over the publicity that Dr. Joe Maddy has been getting recently from a Wichita, Kan. man who told of how the students went about exposed. The man has never set foot on the camp grounds or he never could have said that. Those students down there are about the most covered-with-clothes individuals that one could find almost anywhere in the country. Perhaps some of the huge crowds they have had this summer might be curiosity seekers. Doctor Maddy said that as a result of the publicity he was recently presented with two fig leaves from the Rotary Club in Traverse City. Now if folks are looking for some scantily clad persons, all they need to do is take a stroll around some of our resort beaches. Reminds me of the new definition in the Digest: Beach fashions — where everything is exposed except the eyes.

We are told that another heat wave is due us. In August one expects such things so everyone will be getting his feet braced and ready for those scorchers . . . About 49 more days and everyone will be thinking about that school bell ringing again . . . One of our last year's teachers, Aili

Courier Is Sold by Publishers

The Charlevoix Courier will be under new ownership next Monday.

Mr. and Mrs. Victor G. Spaniolo have bought the newspaper and will take possession Aug. 1. His statement of plans for the paper will appear next week.

By coincidence both the present and new publishers were born in Charlotte, and knew each other as boys. Mr. Spaniolo's father, Vincent, still lives there. He is a retired wholesale produce merchant who has been in business in Michigan for 50 years.

A graduate of Charlotte High School at 16, Spaniolo worked for two years in Muskegon before entering Michigan State. He majored in journalism and political science, worked on the Michigan Daily and was business manager his senior year. During 1939-40 he worked on his master's degree and was named to the first graduate managership of the paper.

At MSC Spaniolo was elected to Blue Key, national honorary junior men's society; and Excalibur, composed of 13 seniors picked as the most outstanding. During his tenure the Daily News was rated as one of the leading college papers.

After graduation he worked on advertising for the Michigan Farmer, and as reporter on the Ionia County News and Big Rapides Pioneer. When the war started he went to Port Huron, remaining there until 1944. He was turned down by the armed services because of a permanent shoulder injury received in a car accident when he was eight.

The Muskegon Chronical hired Spaniolo in 1944, only to have the Greenville Daily News offer him the post of managing editor four months later. He was there for three and a half years. Last winter he managed the Cedar Springs Clipper for the Clipper Girls and spent some time in California on vacation. On their return the Battle Creek Enquirer-News hired him as a general assignment man. He resigned that post to come here.

On July 31, 1943, Eleanor F. Fox, daughter of Mr. and Mrs. Irwin Fox of Port Huron, became Mrs. Spaniolo. They have one son Jimmy, 3.

L. E. Towe, present publisher, plans to go into the newspaper brokerage business, concentrating on the Middle West area.

Bear Is Back; Gets Chummy With Angler

Last summer's noted South Arm bear is back again.

Last year he played such capers as beating up a cow, getting chased by a horse, raiding a week's supply of groceries from a back porch ice box.

On his first reported appearance this year all he did was just stand.

The evening of July 19 Rodney Alderton, son of George Alderton, sports editor of the Lansing State Journal, was out trout fishing on Monroe creek. He had stooped to take his rod apart when—

"I thought I smelled something like a zoo. I looked around and there stood a black bear. He was about 20 feet away. The next thing I knew I wasn't there."

Snow Removal Costs Hit New Low for Winter of 1948-49

With the weather pleasantly hot, the county Road Commission has issued its report on the cost of snow removal last winter.

The total was $22,694.68 or $109.35 a mile, the lowest in four years. The decrease is due both to the mild winter and the many improvements in county roads which got rid of snow-traps. The cost per mile by years has been:

1948-49	$109.35
1947-48	137.25
1946-47	173.29
1945-46	122.55

The costs cover both snow fence handling and snow removal. The former cost $3651.42 and the latter $19,043.26. The cost by townships, both total and by mile for last year was:

Bay	$1444	$116
Boyne Valley	2431	129
Chandler	1728	109
Evangeline	792	132
Eveline	2357	174
Hayes	1509	65
Hudson	2073	113
Marion	2208	116
Melrose	1396	77
Norwood	860	133
Peaine	210	80
St. James	241	161
South Arm	2592	108
Wilson	2846	102

Hayes township alone took care of snow fence instead of having the road commission crews do this work.

The report was prepared and submitted to the Commission by Ralph Hamilton.

Combined Mission Fest Thursday

Ellsworth — The Atwood and Barnard Reformed and the Atwood nnd Ellsworth Christian Refarmed churches will hold their annual combined mission fest starting at 1:30 Thursday at Ellsworth village park.

An evening session will start at 8. Speakers include local pastors and Rev. C. Holtrop of Grand Rapids, former naval chaplain and Mrs. Fred Olert of Detroit. Mrs. Olert is the former Sarah Klooster, daughter of Mrs. Fannie Klooster of Atwood, and with her husband recently made a tour of the Orient. A special children's hour will be held during the afternoon meeting.

August Dinner At Beaver Island Will Be Aug. 14

Beaver Island's Homecoming will be Aug. 14 this year.

Better known as the August Dinner, it is expected to attract more than ever this year. The beef and ham dinner will be in charge of Mrs. Mike Cull. It will be served from 12 to 3 at the Parish Hall. Also at the Hall will be a fancy work booth.

Fred Spalding, chairman of the entertainment committee, says there will be: row boat races from James Gallagher's dock to the playgrounds; a greased pole climb for $5; a pie eating contest; foot races, sack races, fat men's and fat ladies' races; boys and girls bike races. At 3 p. m. the Beaver Braves will play the Charlevoix team.

The August Dinner dance will be in the Parish Hall.

Star-Spangled Banner

Rites Saturday Morning to Dedicate New Bridge

Named the Memorial Bridge in honor of Charlevoix's 22 servicemen who died in World War II, the new span across Pine River will be formally dedicated Saturday morning.

The program will take place between 10 and 11 a. m. at the south end of the bridge. Hon. Charles M. Ziegler, state highway commissioner, will be the speaker.

The parade will form at 9 a. m. at the Legion Grounds and promptly at 9:30 will start north on Bridge street. A speakers' platform will be constructed in the drive leading to the city dock. In front of it will be seats for the gold star families. Just to the west of the stand will be seats for guests of honor and members of the state and city parties.

At 10 a. m. the program will start. Mayor Ray Hamilton will present the key to the city to Mr. Ziegler. Mrs. S. F. Zelinsky will sing. George Haggard will present the speaker. Following Mr. Ziegler's address, flowers will be given the Gold Star families by Mrs. Gerald Chambers, representing the Class of of '42, and hy James Whitley, who urged the idea of the bridge as a memorial.

The bronze memorial plaque has been affixed to the west side of the bridge. Mr. Ziegler will unveil it, a wreath will be cast into the channel and short prayers will be offered by three clergymen: Rabbi Louis L. Mann, Rev. W. D. Wood, Fr. Leo Malinowski. Then will come taps and the raising of the flag.

All stores and offices have been asked to close from 10 to 11 by Ralph Hamilton, general chairman of the dedication committee.

All members of the immediate families of the 22 servicemen are being invited by the committee to be guests on Saturday and occupy the special seats.

A dinner will be given Saturday evening for the Commissioner and Mrs. Ziegler and the other members of the official party at the Argonne. The place will be closed to the public until 9:30 p. m.

Charlevoix Saves Folks Money by Unique Name

Charlevoix's distinction of being the only one in the country ean pay off.

Bunny Roe, daughter of Mr. and Mrs. Clarence Roe of the Belvedere, discovered this on her way to Europe this summer. In sending a radiogram or cable all she has to do is address it to Charlevoix, U. S. A. That saves paying for the "Michigan."

County Grange Picnic Is Aug. 14 At Whiting Park

The Charlevoix County Pomona Grange will have its annual summer picnic Aug. 14 at Whiting Park.

It will be a potluck, with each family bringing its own food and table service. Coffee and sugar will be furnished.

Contest ratings will be given for the Grange with the most attendance. The oldest and youngest Grangers present will be recognized. The afternoon will be devoted to visiting, games for the youngsters, and a ball game between the east and west sides of the county.

In case of rain, the picnic will be held indoors.

Robert W. Allen, Dies Suddenly; Rites Are Friday

Robert W. Allen, 65 of Elm Point on Lake Charlevoix, died at the Little Traverse Hospital, Petoskey, on Wednesday, after a brief illness.

He was born in Kenosha, Wis., on Oct. 8, 1883, and was the son of the late Mr. and Mrs. Charles W. Allen.

He is survived by his wife, Augustine F.

Private funeral services were held Friday morning at the See Funeral Home.

Hospital Benefit to Have Shows, Booths, Games

Booths will be up and everything ready to go on the Hospital Carnival by Saturday morning according to the present outlook.

Tuesday night chairmen for all the cooperating organizations met at the City Hall and final plans were made for the week-end benefit.

Big need now is for help on building booths. These are being put together evenings in the short alley beside Mont's Cafe. Frank Oleksy is in charge and more help is needed.

Much of the program remains as previously announced. The Davies Circus will be here Thursday afternoon and evening. The Pied Piper Puppets will put on hourly performances in the K of P Hall Saturday and Sunday afternoon and evening. The Mt. Pleasant All-Stars will play at the Softball field Sunday evening.

Several new things have been added.

An unexpected addition to the program will be a tumbling team which will perform Saturday and Sunday afternoons in the park. After each act the hat will be passed and the total take goes to the Fund. In the team are Robert Sarsfield, ex-captain of paratroopers and now physical education instructor at Cincinnati; Otto Schmidt, Frank Fielman and John S. Post. The first three are guests here of Judge Robert S. Marx. Johnny is a nephew of Gordon Freedman.

Further help for the Fund also is coming from East Jordan. Center Stage '49 there has announced it will give a hospital benefit performance Friday at 3 p. m., the proceeds going to the hospital. The show is "My Sister Eileen." Hon. Charles M. Ziegler and Mrs. Ziegler will be guests. Tickets may be purchased in Charlevoix at Central Drug, Polly Kay and from Mrs. Ted Foster. Afternoon tickets will be honored in the evening also.

Articles for the Fish Pond booth should be left this week at the Yarn Shop, 109 Mason street.

Belvedere girls between 8 and 11 under the direction of Jean Hammond will stage a cookie sale Friday afternoon at the Belvedere.

All business places in town were offered an opportunity to give part or all of the profits Saturday to the Fund. Tuesday night general chairman Dean Davenport, reported 25 percent had agreed, with seven promising 100 percent.

Softball Benefit Game Sunday With Mt. Pleasant

The Charlevoix Softball team will face the state champion Class B outfit from Mt. Pleasant Sunday at 7:30 p. m.

This game will be a Hospital Benefit.

Actually, the visiting squad will be a Mt. Pleasant all-star team, with the line-up composed mostly of last year's champions.

Charlevoix won a close, exciting game from Cheboygan's Lakers last Sunday, 4-3. Gallagher pitched one hit ball although his wildness had him in hot water on several occasions. Chuck Cooper hit two singles to lead the batting attack.

Ziegler to Crown Queen at Big Ball Friday Night

Nancy Kipke will be officially crowned as Charlevoix's Queen Friday night at the Coronation Ball sponsored by the Beta Sigma Phi Sorority.

It will be held at the Beach Hotel and start at 9:30 p. m.

At 11 p. m. Hon. Charles M. Ziegler, State Highway Commissioner, will crown Nancy.

Dancing will be to the music of a ten piece band from Interlochen. In addition, there will be a blues singer who was with the Broadway production of "Annie Get Your Gun."

One half of any profits from the Ball will be given the Hospital Fund by the sorority.

Venetian Parade Features Boats, Firework Display

Thirty decorated boats in two lines will come through the channel into Round Lake Sunday night to put on the 13th annual Venetian Night Parade here.

In case of a bad rain like last year's, the event will be postponed one week.

Leading the two strings of boats will be Jack Goldman's Ranger and Samuel F. Freedman's Mary F III, piloted by Gordon Freedman. Queen Nancy Kipke and her court will be on the latter craft.

Starting at 7:45 p. m. the free evening program will be presented by the Marine Club and Board of Commerce at the band stand in the city park.

On the program will be the Marine Band, the Camp Charlevoix Boys Chorus singing sea chanteys; Herman Drake and the Beach Hotel orchestra; the Beckman Sisters;

Mrs. S. F. Zelinsky, soloist; the Charlevoix Negro Chorus directed by Horatio Jackson; Roy Brill Trio from the Argonne; the Belvedere Orchestra; Zack Whyte at the piano.

The present and past commodores of the Marine Club, Robert Hamilton and Robert Wexstaff, will direct the forming of the two lines of boats in the lake.

All owners of boats are invited to enter their craft in the parade. Either Hamilton or Wexstaff will supply information.

Rites Saturday for R. J. Abfalter, Masonic Master

Funeral services for Ronald J. Abfalter, 45, who died at his home Thursday following a long illness, were held at the See Funeral Home at 2 p. m. Saturday with Rev. Jackson E. Turner officiating. Burial was in the Brookside cemetery.

Born at Woodland, Mich., on April 26, 1904, he was reared in the Grand Rapids area. On June 1, 1926, he was married to Jeanette Irwin at Paris, Mo. They made their home in Grand Rapids, Newaygo and Maywood, Ill., before coming to Charlevoix in June, 1944. He was greenskeeper at the Charlevoix Golf Course until this year. He was a member of the Charlevoix Lodge No. 282 F. & A. M. and was Worshipful Master at the time of his death.

A member of the Power Squadron, he served as Commodore last year. He also was a member of the Charlevoix Rod and Gun Club and of the Marine Club.

Besides his wife he is survived by one son, R. Jack, and a daughter, Sharon of Charlevoix; a sister, Mrs. John Oppenhuizen of Grand Rapids.

Church of God Camp Meeting Starts Saturday

The annual summer Camp Meeting of the Church of God will start Saturday.

Held at the camp grounds of the Church south of town, it will last through Aug. 7. During this time no church services will be held in the city. On July 31 and Aug. 7 there will be worship services at 11 a. m. and 8 p. m. On all week days there will be services at 8 p. m.

However, the regular Sunday School will be held at the church on both Sundays at 10 a. m.

Dr. Buttrick to Preach Sunday

Dr. George A. Buttrick of New York City and Sequanota will be the guest pastor Sunday morning at the Ironton church.

He will preach the sermon in place of his son, G. Robert Buttrick, who is the regular pastor at the church this summer.

The service is at 10 a. m.

The Timing Is Peculiar

Something is going on in our county government which may be peculiar. It may be just coincidence, and it may be intentional. But it is something which could well be stopped.

Since Jan. 1 there has been a sudden willingness on the part of the Board of Supervisors to spend money. There are times when spending is advisable and times when it is not. This strikes many folks, including several members of the Board, as being a wise time to hang on to a dollar.

The county has a bank balance, built up over the years as a nest egg against the time it will be necessary to build a new county building. On Jan. 1 the state auditors reported a net surplus of $46,-791.27. It's no longer that.

The county gets ten mills of tax money. One mill goes to the highway department as a one year appropriation in order to get matching federal money which otherwise would be lost. Two mills were voted in April as a sinking fund for a new county building.

That leaves seven mills for operating costs, which would about take care of the essential 1949 expenses. But those expenses have not been kept to a minimum.

Last year the Board appropriated $10,000 to convert part of the county infirmary into a convalescent home. The contract called for $7200 and the work was done at that figure. Equipment ate up the rest of the $10,000. Then the state fire marshall said many other changes were required; such things as an enclosed heating plant and a new well. So, $9,000 more has had to be spent.

In the last 15 minutes of the July session the Board voted $2250 to finish painting the bulldings at the Fair Grounds. Likely they need painting but some supervisors wonder why the matter wasn't put through the regular committee. Another $1000 went for more insurance and $1250 for making microfilms of all county records.

Likely every expenditure could be defended with good arguments. But taken together, the Board seems headed toward the wiping out of that surplus. Once that is done, the taxpayers will have to pay interest on an added $45,000 when it comes time to put up the new county building.

As long as the county has the money, the best place for it is in government bonds until it can be converted into steel and brick. Now is a mighty good time for the extra spending to stop.

Visiting Our Neighbors

Across the Bo rder

(By L. E. Towe)

Along with hospitality, scenery and food, folks over in Ontario also dispense good times and friendliness.

During the week's Good Will Tour given to 24 of us U. S. editors last month by the Province, I heard more good stories and clever humor than I ever did before in a like time. Here are just a couple. Both are from Toronto.

A graduate student from the University was taking us on a tour of the city. Passing the old law and court building near the center of the place, he explained that the iron fence was put up far back in the years to keep the grazing cows out. To admit the barristers (he didn't call them lawyers) a set of posts were installed at the front, too close for a cow to get through.

"But then the barristers got so they couldn't get through either and so they had to install those wide gates on this street."

At another place he explained that it was known locally as Feur Corners. For years there were a church, a brewery, a school and a boarding house on the corners. "Folks said they here had salvation, ruination, education and starvation."

The fact that much of Ontario was settled by United Empire Loyalists seemingly does not matter in the least to their grandsons' feelings about this country. The Loyalists, I learned, were the folks who left or were driven out of the Colonies by the Revolution.

Today their descendants joke about it, and the way we tried to capture Canada in 1812, and fortunately for both countries I believe, failed to do so. But the Canadian does not joke about the international boundary. He is proud of the fact that it is the longest undefended one in the world, and isn't hesitant about saying so.

He also is rabid on his right to freedom and to run his own affairs. Time after time, I had men explain in detail how Canada ran her own national and international affairs. Her only tie with the Empire is loyalty to the King himself and the only constitutional connection is through the Governor General. They are a people who have two good feet and insist on their right to stand on 'em.

The Tow Line . . .

(Continued from page one)

Gustafson, who planned to go to Finland the first week in August is getting everything in readiness for the big trip. She expects to be gone for two months and when she returns expects to make another big trip into matrimony.

When the Nelson family goes to the hospital they do not do it in halves. Last week Trina Nelson and her daughter Joan were put in the hospital and shared a room together . . . Another person who is getting a real thrill out of being in Charlevoix for a visit is Mrs. A. L. Coulter, who was a former teacher in this vicinity. The Coulters used to live in the house now owned by the Albert Cooks on Park Avenue. Mrs. Coulter is living in Shepard, caring for an invalid sister.

Ride through the country these days and you will see orchards of fruit everywhere, like the Fairman orchards for example, just ten miles south of Charlevoix with its 100 acres of trees. Three thousand lugs of sweet cherries came from their orchards alone this year. Multiply that with lugs from all other orchards in this part of the state and one could readily see why this crop is such a highly prized one . . . Can you imagine, just when we were sweltering Monday afternoon at the office, who should appear but the Christmas card salesman. Why bring that up, now!

For The Ladies: A Diet That Really Works

We went out visiting the other night and the ladies were talking away about weight-reducing diets. One of them had a special "15-day Hollywood diet" guaranteed to slim her down fifteen pounds' worth. Another was living on bananas and skim milk!

I might have known the misses would get the bug, too, and sure enough the other day she asks me, "Joe, what kind of a diet do you think I ought to go on?"

"Mother," I says, "the only diet I would ever recommend to anyone is simply *moderation*. I wouldn't trust any of those get-thin-quick diets. Simply cut down on desserts, bread, butter, sweets and fats—but when you do, even do your cutting down moderately."

From where I sit, moderation is the watchword. Moderation with food, with smoking or with the enjoyment of a friendly glass of temperate beer or ale. Actually, moderation *adds* to the enjoyment of just about anything.

What's Doing At Camp Charlevoix

The fourth week at Camp Charlevoix began with an overnight trip by the Juniors. Cabins 1, 3 and 4 including counsellors Chuck McKean, Jim Alexis, and Dick Frost went to Mt. McSauba. Cabins 2 and 5 including counsellors Don Dannecker and Pinson Neal went to Magnus State Park.

Monday night Cabins 10 and 12 went into Charlevoix and saw "Take Me Out to the Ball Game".

Tuesday Camp Charlevoix went to Camp Hayo-Went-Ha where we competed in softball, tennis, and archery. Camp Hayo-Went-Ha took both senior and intermediate softball. Camp Charlevoix took tennis and archery. Cabins 10 and 12 again went into town and went on board a Navy Reserve Mine Sweeper.

On Wednesday, Camp Saneta Maria came to Camp Charlevoix and competed in softball and swimming. Camp Sancta Marie took senior and intermediate softball while Camp Charlevoix took swimming. One Charlevoix camper in particular exerted an "all out" effort in the swimming meet when his suit came off as he dove into the water. Incidentally, he won his event.

Wednesday night was an all camp night and several boxing and wrestling matches were held.

A Green and Grey basketball game was held in the afternoon. It was won by the Greens 33-30.

Saturday night was the scene of another dramatic effort. This week's show included a marionette show by Dick Kruse and Ed Strauss. Then a play called "The Scalping Party" with Ricki Bovee, Carl Allison, Johnnie Watson, Alex Pendleton, Chuck Holcomb, Phillip Py, Warren May, Walker Butler and Duffer Smith was put on. The counsellors finished the program with their version of "The Lighthouse Keeper's Daughter."

Sunday morning chapel was held outside until rain drove us to our cabins. During the noon meal the guest speaker, Parker Pennington, delivered three short stories in poetry.

A Green and Grey Rodeo was held Sunday afternoon with one point going to the Greys. Lord Rocky Bottome and Sir Sandy McDufflebag assisted by their squires participated in a joust complete with armor, swords, and lances for the hand of Lady Guinevere. Nobody was seriously injured.

Green and Grey score is now 7 to 5 in favor of the Greys. Vespers in the evening completed the fourth week at Camp Charlevoix.

Guests during the week included: Mr. James Apostelos, Mrs. Roy Arn, Mr. and Mrs. W. H. Bovee, Mr. and Mrs. H. S. Center, Mr. and Mrs. Robert Grainger, Mrs. Elizabeth Hanawalt, Dr. and Mrs. George C. Talking Fish Will Be Shown in Film At Baptist Church

Underwater sounds—never before heard by human ears—are the dramatic subject of a new Moody Bible Institute science film, "Voice of the Deep," to be shown at the First Baptist church Aug. 7.

Produced in full color and sound by Dr. Irwin A. Moon, the film makes obsolete the old saying about the "silent deep." Garibaldi, snapping shrimp, porpoises, croakers, and other marine animales are heard for the first time making their unique fish noises in to the underwater microphone.

A 30-minute film follows "God of the Atom" and "God of Creation," earlier scientific productions of Moody Bible Institute, which hove been shown to nearly four million people in this country and abroad. "Voice of the Deep" will be shown by Rev. A. D. Telder, Moody film representotive.

• Mrs. W. J. Bolding of Detroit is expected Friday for a stay of several weeks with Mr. and Mrs. Ray Faulkner. Mrs. Faulkner entered the Charlevoix Hospital Tuesday afternoon.

Completion of New Bridge, Delayed by War, Steel, Crews, Finally Is Achieved

(Continued from page one)

pletion of a decade of planning and work.

Even before the war, the need for a new bridge was recognized. After some promotion by Charlevoix citizens, the State Highway Department drew plans and made ready to ask for bids. The picture of the proposed bridge was displayed here in the County Bank and Charlevoix was getting ready to say good-bye to the old swing affair.

Then the war came. Neither steel nor men were to be had. And so until 1947 the plans gathered dust. In that year they were taken out and, after a few minor changes, were given to contractors for bids.

The Leudtke Engineering Co., of Frankfort and L. W. Lamb of Holland submitted a joint bid and won the general contract, with that for the steel work going to the Mt. Vernon Bridge Co. of Mt. Vernon, Ohio.

Actual work was started May 17, 1947. Building of the detour began June 11, 1947. It was opened the next month and then the old bridge was cut up, the foundations broken out and the work of driving the two cofferdams started.

During the fall and winter work was pushed rapidly by the Lamb-Leudtke crews. Thousands of cubic yards of sand were dredged from the cofferdoms, steel piles were driven and the 9 foot concrete plug poured underwater.

The contract called for the foundations to be ready for the steel by Appril 1. They were ready March 20, but there was no steel. The first pieces, the trunnions on which the spans roll, arrived and were placed July 7. On July 26 the Mt Vernon company sent in its first crew.

Some steel was on hand but the bronze bushings which carry the main drive shafts did not arrive until Oct. 10. Meanwhile little could be done. Then after the warm weather had passed, the steel work was started in earnest.

Next trouble to develop was a shortage of steel men, who preferred warm climate jobs to work on soaring girders exposed to blasts off Lake Michigan. But o mild winter helpepd and the one or two crews which were on the job kept plugging away.

Finally this spring the last rivet was driven, the last load of concrete poured, the last wire pulled into place and connected. Final adjustments were made. Then the paint crew was turned loose and changed the orange-red bridge into one of gleaming aluminum.

At last on June 27 Moyor Ray Homilton drove the first car officially across the bridge os o good share of Chorlevoix stood and cheered.

Since then the Lamb-Leudtke and the city crews hove cooperated in removing the detour, leveling and seeding the park on the south side and the slope on the north.

LOST CARGO

Winning Schooner Loses Load

A strange tale was being told along Charlevoix's harbor front last week by the crew of the Volante, winner of the schooner class in the Chicago-Mackinac race.

It was about a lost cargo that slipped overside and is now washing about on Lake Michigan.

The Volante's crew of 12 drove her hard all the way to Mackinac to win the race. But her skipper, Harold H. Smith of Muskegon, is a businessman as well as a sailor. At the Island he thought he saw a chance to make a good deal.

In talking with some folks there, he found they had a lot of used post holes for sale, 2237 of them. So he bought the lot, as well as three miles of Island carriage tracks cut into ten foot sections. Back at Muskegon he figures he could sell them to farmers for fixing fences and lanes.

The whole cargo was loaded on the flush deck of the Volante. But the crew, slaves they called themselves, were worn out and didn't lash the load any too well. Off Skillagallee they hit a breeze and the whole cargo washed overside.

The Coast Guard was notified at once. No worry was felt about the post holes, but Smith was worried for fear some cruiser might foul her propellor in the carriage tracks.

The Volante put in here Wednesday night. Rudy Johnson, her chief purveyor of veracity, gave the above facts to The Courier.

Navy Ship Visits City on 14-Day Training Cruise

A friendship made at Naval Schools and during Atlantic crossing was renewed here last week.

The men concerned are Max Novak of Charlevoix and Lt. Mello Fish of Hancock, executive officer of the USS Reed Bird. The ship from Hancock was here those two days on a two weeks training cruise for Naval Reserve officers and men from the Upper Peninsula.

A wooden mine sweeper, she is the type of vessel which went into Iwo Jima and Toyko ahead of the rest of the fleet to clear the path for other vessels. Commanding her is Comm. J. S. Horner. She carries three officers and 28 men, all but two of whom are in the Reserve.
